### Resolutions Committee Report to the 2019 Albemarle Conference

#### **Resolution One**

Whereas, every living member of the Churches of the Albemarle Conference of Original Free Will Baptists has freely entered into a Covenant relationship with God and with each other<sup>1</sup>, and

Whereas by accepting the Original Free Will Baptist Church Covenant we covenant to abstain ... "from all sanction of the use and sale of intoxicating beverages"<sup>1</sup>, and

Whereas, any attempt to alter, abandon or make optional our adherence to the Original Free Will Baptist Church Covenant would put us, and every living Original Free Will Baptist, in the position of breaking our own covenant with God and with each other, and

Whereas, an estimated 88,000 Americans die from alcohol related causes annually, making alcohol the third leading preventable cause of death<sup>2</sup>, and

Whereas in 2010, alcohol misuse cost the United States \$249 billion<sup>2</sup>, and

Whereas, behaviors and attitudes developed by youth and young adults influence them for a lifetime, and

Whereas, more than 10 percent of U.S. children live with a parent with an alcohol problem<sup>2</sup>, and

Whereas researchers estimate that, in the U.S., 1825 college students die annually from alcohol related unintentional accidents, 696,000 college students are assaulted annually by another student who has been drinking, 97,000 students annually report alcohol related sexual assault or rape, and 1 in 4 college students report academic consequences from drinking<sup>2</sup>, and

Whereas, every 50 minutes in the United States a person dies in a motor vehicle crash involving an alcohol impaired driver<sup>3</sup>, and

Whereas, in 2016 one million American drivers were arrested for driving under the influence of alcohol<sup>3</sup>, and

Whereas, in 2016 one-hundred-eleven million Americans self-reported driving while under the influence of alcohol<sup>3</sup>, and

Whereas, no one plans to abuse alcohol, become dependent on alcohol or to become alcoholic<sup>4</sup>, and

Whereas, the distinction between use and abuse of alcohol is a subjective measure and is different and unpredictable for each individual, and

Whereas, for some people the only way to avoid alcohol abuse, dependency, alcoholism or other negative alcohol related outcomes is to never take their first drink<sup>4</sup>, and

Whereas, many Original Free Will Baptists have personal experience, or knowledge and anecdotal evidence of the negative effect of alcohol use on themselves, their families, churches and communities,

Therefore, Be It Resolved that the Albemarle Conference of Original Free Will Baptists opposes, rejects and condemns any effort to allow any "sanction of the use and sale of intoxicating beverages" to be accepted or permitted among Original Free Will Baptists.

#### **Resolution Two**

Whereas, the Seventy-fifth Annual Session of the Albemarle Conference of Original Free Will Baptists has been a blessed and rewarding time for all in attendance, and

Whereas, the success of the session is due in great part to the hospitality and graciousness of the congregation of Hickory Chapel FWB Church,

Therefore, Be It Resolved that the Conference give a rising vote of thanks to the congregation of Hickory Chapel FWB Church for their generous hospitality.
