A TRIBUTE TO JIMMY MAINES

By Rev. Richard Adams

Brother Jimmy Maines lived but a short time by earth's standards, but he lived a beautiful, full and complete life for His Lord and Saviour, Jesus Christ.

I became Brother Jimmy's pastor in 1970. He was just a young Christian, growing in the Lord, eager to serve Him. He soon became burdened for the bus ministry and became bus director for East Side church. Many folks are on their way to heaven because Brother Jimmy cared and visited them and brought them to church. He then became burdened for the little children. He started a children's church and won the hearts of the children and then won them to Jesus. After several years of faithful service at East Side the Lord called him to preach. He did a great work at Marbleton FWB Church and the Unicoi FWB Church, where he was pastoring at the time of his death. He is greatly missed there.

Death for Brother Jimmy was just "graduation" to a higher realm of service for his Lord. He has a life now free from pain and tears. He doesn't count time now by hours or years. His death was just the method God chose to move His servant on to a joyous transition, into a place where God has prepared unending joys to be shared with all of his loved ones. Jimmy is patiently waiting on death's other side to open the "gate" for his friends and loved ones where we will all live with God throughout eternity. So death is not sad, it should be a time of elation for if Jimmy could speak to us he would say . . . "Christ shall be magnified in my body, whether it be by life, or be death. For me to live is Christ, and to die is gain. For I am in a strait betwixt two, having a desire to depart, and to be with Christ; which is far better." Phil. 1:20, 21, 23.
