Reports from FWB National Offices

Executive Office - Executive Secretary, Dr Eddie Moody

Presented resources such as podcasts, Refresh, 3 for 30 (Reach Train Give), printed materials such as One Magazine and NAFWB News, digital memes, digital directory and other information to help churches. Know Your Community Report for churches to reach the community more effectively around your church.

IM, Director - Bro Clint Morgan

Encouraged us to be one using John 17. IM missionaries are growing. Last year

was the best financial year \$8.7 million. Shared updates from any missionaries the congregation requested.

Board of Retirement, President - John Brummitt

Shared updates of how the market is working; Re-Invest program is for anyone. They have a podcast that shares all kinds of information for finances. They offer Institutional Investing for churches also.

FWB Foundation - David Brown

Shared that like the football offensive line, we raise money for all departments. We're all going to die, the devil lies...we all will die. We should be prepared. Estate plans help. Approaching a trillion for 2200 estate plans we have. Over 35 million is going to ministries. There's power in endowments: one person had \$209,000 that has given over \$250,000 to IM, Welch and NAM over the years.

NAM - Sam McVay

Ken Akers - Master's Men is continuing to serve FWBs, Disaster Response, Directional Bible studies, and ushering at National Conventions.
