Bible Conference Scheduled April 1-5

The 19th annual Bible Conference is scheduled April 1-5, beginning as usual on the first Sunday in April and running through Thursday at noon, according to President L. C. Johnson. The first service will be on Sunday night, April 1.

Special guest speaker this year will be Rev. John Gamble, evangelist from Lynchburg, Va., popular Bible Conference speaker two years ago. Other speakers will be members of the College faculty and staff.

The Bible Conference offers each year five days of Biblical preaching, messages on evangelism and missions, and a well-prepared program of Christian music.

The services will be held in Memorial Auditorium on the College campus. Although the school dormitories are almost filled with students, the administration will take prospective students into the dormitories until the capacity is reached.

Pastors, church workers, and other Christian friends are invited to attend these five days of enrichment in Bible knowledge, fellowship, and inspirational services.

Summer School Dates Announced

Dean Charles A. Thigpen has announced that the 6th annual summer school session will be June 4-15. Registration will be held on the night of June 4 and classes will begin June 5.

Three hours of college credit may be earned in the 10 days of classroom work. A variety of courses in Bible and church work will be offered.

The total cost for the two weeks including all fees and room and board is \$59.

Anniversary Celebration Marks 20 Years of Progress

Serving as the denomination's training center for pastors, missionaries, and Christian workers since its opening in 1942, Free Will Baptist Bible College has experienced 20 years of steady growth and progress. Beginning as a two-year Bible Institute with an enrollment of 16 students the first year, the institution has earned the confidence of pastors and parents over the years to the extent that 247 day students were registered in September of 1961 not counting the evening school students or the summer school students. The educational program was increased to a four-year, B.A. degree program in 1951, and today majors in Bible-theology and English and minors in five areas are offered. A one-year Business Education program was added in 1960 as well as a B.S. program for nurses.

Along with this growth in student body has been a growth in appreciation for Christian higher education by Free Will Baptists so that the annual gifts to the Bible College have risen from \$10,000 in 1942 to nearly \$70,000 annually at present.

Starting with only one three-story building in 1942, the physical plant has grown with the demands of the increasing student body to eight buildings today valued by a recent insurance appraisal at more than five hundred thousand dollars.

But the educational program and the school buildings serve only as a means to a greater end—getting out the gospel to the ends of the earth and winning the lost to Christ. To this end was the Bible College founded and for this purpose has the training program been developed so that over the past 20 years approximately 500 Free Will Baptists pulpits have been occupied by Bible-believing, Bible-preaching, soul-winning ministers; mission stations are being served by almost 50 young dedicated Christian missionaries; and Sunday school classes and church choirs are being taught by other Christian workers.

At this point during its 20th year, the Bible College Board of Trustees and the administration with faculty and staff along with the students are asking Free Will Baptists everywhere to join with them in expressing appreciation for the Bible College, for what it has done, for what it has meant to hundreds of young men and women, and for opportunities as it looks forward to greater service.

Five thousand Free Will Baptists are challenged to observe the Bible College's 20th Anniversary by giving \$1 for each of the 20 years to total five thousand \$20 gifts, or \$100,000. These Anniversary gifts will be used to pay off an indebtedness on buildings which was \$61,000 at the beginning of the present year and to enable the school to provide for needed expansion next year.

A number of churches and individuals have already sent in their Anniversary gifts or indicated the gifts would be forthcoming soon. Many more churches and individuals must be heard from to insure the success of this goal.

From My Desk...

L. C. JOHNSON, L. H.D.

Christians should be very conscientious in spending that portion of their income which is set aside in worship unto the Lord. Some Christians feel they are relieved of all responsibility after making their gifts to the church. Even though it is a good plan to make gifts through the church and then have the church distribute it to the needs of the kingdom work nowhere in the scripture is it indicated that it is not a personal responsibility on the part of the steward to give his money in a way that will glorify the Lord. As the individual has a serious responsibility in determining the leadership of the Lord in his giving, so does the church that becomes the custodian of the gifts of its membership have a grave responsibility in its stewardship ministry. The handling of money which is an expression of the worship of God's people cannot be taken lightly.

With this in mind, it is easy to see that every denominational agency that appeals to our churches and to individuals for a portion of their income should be very careful that every such request is fully justified. No department of our denominational work has a right to request a share of the money given in worship in a local church in order to build a big treasury for the department. No department has a need for a high balance that is out of line with its current needs. In all fairness to our departments, I know of no department that is near having a sufficient reserve in the light of its current operation.

The purpose of my discussing this is to say that Free Will Baptist Bible College does not take lightly the requests that it makes from the churches and individuals of our denomination. We feel that we only have a right to ask for gifts when a real need exists. There are so many needs within our denomination that no one department, no matter how pressing the needs, would be wise in asking or demanding more than a proportionate share of the gifts of our Free Will Baptist Churches.

requesting help for some special, pressing needs. It was felt that while some of our denominational departments were not faced with any pressing demands that it would be a good time to meet some that are pressing in our Bible College. With more than 100 young men now enrolled studying for the ministry and about some 30 odd missionary candidates preparing for the mission field, and other students who are being trained to go out as lay leaders, Free Will Baptist Bible College feels justified in making known its needs to you. Your response, even if small, can help meet needs that now exist at Free Will Baptist Bible College. Remember our special Anniversary campaign.

ALUMNI PERSONALITY

A very few years ago Free Will Baptists did not have a full-time evangelist. In 1955, however, Bobby Jackson entered evangelistic work. Since then his schedule has been filled with meetings covering 25 states.

BOBBY JACKSON

Bobby came to the College from Fremont, North Carolina, where he was born in 1931. He graduated from Nahunta High School as an honor student and entered Bible College in 1950.

Throughout his college years Bobby participated in many varied activities. People in many of the churches learned to know him as a member of the Gospeliers Quartet. In addition to his extra-curricular activities, he kept a high academic standing and was the first student to graduate *summa cum laude*. In his senior year he was elected as "Most Outstanding Student."

After finishing his work at the Bible College, Bobby entered Bob Jones University, where he was awarded the M. A. Degree in 1955.

In spite of a busy revival schedule, Bobby wrote and published in 1960 a book of sermons, *Messages That Matter*.

Presently the Jackson home is located in Greenville, North Carolina. Mrs. Jackson is the former Jane Kettelman of Illinois, also a 1954 graduate of the Bible College. The Jacksons have two sons: Stephen, seven, and Philip, four.

ANNIVERSARY CELEBRATION

(Continued from Page 1)

Dr. L. C. Johnson, Bible College president and director of the 20th Anniversary campaign, states: "I have recently traveled in several states among our Free Will Baptist people, and they are interested in our Anniversary project and want to have a part in it."

Dr. Johnson emphasized that these Anniversary gifts are to be *special* gifts, over and beyond the regular support to the church. "Letting up on our regular giving to make a gift to the Bible College for its Anniversary Year program will not help us," he said.

Literature explaining the program and an envelope have been mailed to you or to your church. Send your *special* appreciation gift of \$20 (\$1 for each of the 20 years of the school) to the Bible College immediately. Better still, send \$20 for each member of your family. Special recognition will be given to families or churches making donations of five or more \$20 gifts. Gifts should not be limited to five units, but each church should allow the people to push the number of gifts as high as their interest and appreciation reach.

One church has already given more than \$1,000; other churches are giving up to \$500. Let the people be challenged and then let them give.

A service recognizing Anniversary gifts amounting to five or more \$20 donations will be held at 11 o'clock a.m., April 5 during the annual Bible Conference. Everyone who possibly can is urged to have his gift in by that date.

The Anniversary Year, however, continues on through May 31, and gifts may be made up to this time. A complete report will be given at the National Association in July.

Ads Sought for Annual

Miss Genevieve Johnson, editor of the student produced yearbook, *The Lumen*, has announced that a good number of churches and their pastors have been contacted about securing advertising space for the 1962 edition of the book.

"So far a good number of ads have been taken," the editor explained, "but a lot more are needed before we can properly finance the cost of the publication." Donations by churches to *The Lumen* form the basis for the financing of the book, she said.

Business Manager James Combs stated that advertising space will be the same as in previous years and with a half page or more a picture of the church can be included in the ad, and the church will receive a free copy of *The Lumen*.

Full page\$50
Half page\$30
Quarter page\$18
Eighth page\$10

"Some churches are disappointed not to be included in *The Lumen* because they get their information in just a little late," Mr. Combs said. "Some of our material must go to the printer in January, and the rest we must have ready not later than February 26. Any church which plans to contribute to *The Lumen* publication is urged to send its information as soon as possible," Combs stated.

Music Groups Hold Services

Music department head Donald Clark reports that the music area is well furnished with good talent this year. In addition to the larger College choir, an Ensemble of from 12 to 15 male and female voices has distinguished itself in singing in some of the Nashville churches and by one service in Detroit.

The Bible College quartet this year is headed by Jakie Creech, second tenor; James Puckett, first tenor; Bill McCuin, baritone; and Elbert Tippet, bass.

The girls' trio members are Carolyn Rutledge, soprano; Patsy Smith, second soprano; and Jane Jones, alto. Brenda Hampton serves as accompanist.

The Quartet held services January 14 in Tenn. at Johnson City Central, Greeneville Church, and Fairview Church, Heiskell. Other services are planned in the Cookeville area in the Stone Association churches on the weekend of February 18.

The Ensemble and Mr. Clark will hold out-of-town services February 4 at East Tupelo, Miss.; March 4 at the Greenville and Black Jack churches in N. C.; and March 25 at Pocahontas, Ark.

The student body this year contains several sister or brother and sister relationships. Pictured above are (first row): Brenda and Grant Saverance, S. C.; Nancy and Betty Halliburton, Okla.; (second row) Georgia Barr Hill and Finis Barr, Mo.; Nancy and James Combs, W. Va.; Mary Alma and Henry Hagans, N. Gamble, Mooneyham Head Conference Speaker List

Gamble

Mooneyham

The program of the 19th annual Bible Conference, April 1-5, will feature two guest speakers and special Christian music by the College music department.

Speakers include Rev. John Gamble, evangelist from Lynchburg, Va.; Rev. W. S. Mooneyham, director of information for the National Association of Evangelicals, Wheaton, Ill.; and President L. C. Johnson and Dean Charles A. Thigpen of the Bible College.

The first service will be at 7:30 Sunday evening, April 1. Three morning services and one night service are scheduled Monday through Wednesday. The five-day meeting will conclude with the morning services Thursday, April 5. The Missions Prayer Band service will be held each afternoon.

A high point in the conference will be the Anniversary Year service at 10 a.m. April 5 when donations of \$100 or more will be recognized.

Music Director Donald Clark reports that special musical numbers will be given throughout the conference by the College choir, ensemble, male quartet, and girls' trios.

Mr. Gamble has had more than 20 years' experience in evangelistic work, having held meetings in various churches as well as in city-wide campaigns. He was a popular speaker at the Bible Conference two years ago.

A former executive secretary of the National Association, Rev. W. S. Mooneyham has been associated with the National Association of Evangelicals for the past three years. His duties include serving as editor of *United Evangelical Action*, official organ of NAE.

Mr. Mooneyham is an ordained Free Will Baptist minister and has served pastorates in Oklahoma. A graduate of Oklahoma Baptist University, he is at present assistant moderator of the National Association of Free Will Baptists.

All conference services will be held in the College's Memorial Auditorium. The Bible College will be able to provide dormitory accommodations only to prospective students. Meals will be served in the school dining hall.

A nursery will be provided for pre-school-age children of out-of-town guests.

Ways To Promote the Anniversary Campaign

Use the following ideas to help the Bible College have a successful Anniversary Campaign.

Idea No. 1. Don't postpone the good intention you had to send the College a special \$20 gift—\$1 for each year of history of the Bible College. Do it today is the idea.

Idea No. 2. Perhaps more ladies read the mail that comes into the home than the men. Has your husband read the mail that has come to your home about the Anniversary Year? Why not tell him about it and suggest that you send your \$20?

Idea No. 3. No doubt your pastor would promote the Anniversary idea in your church if you told him you wanted to be one of at least five to give \$20 in order for your church to be recognized as a

Cooperating Church. It could be the means of sparking some new interest by your church.

Idea No. 4. If you have already given, by merely mentioning this to a friend might cause him to give. You won't appear to be bragging; simply bring it up in one of those over-the-back-fence conversations that you have with your friends.

Idea No. 5. Does your church have a nice bank balance with no pressing financial obligations at this time? Why not invest a portion of it in helping your Bible College train the more than 100 young ministers and some 30 missionaries now enrolled preparing to go to the ends of the earth with the gospel?

The Alumni President Writes . . .

Dear Friends:

Our blessed Alma Mater means more to me now than ever before in my life. I realize more and more the vital role she is playing in the life of our beloved denomination. Were it not for the ministry of Free Will Baptist Bible College, only the Lord knows where we would be as a denomination.

My heart is greatly exercised about our Alumni Drive. I know, as well as I know anything, that we can reach our goal of \$37,500 by April 1. It will take the concentrated efforts of God's dear people to do it, however. If you are a pastor, please ask your church to do something special for you as an alumnus of Free Will Baptist Bible College by helping you raise some money by April 1, Bible Conference time.

If you have no church, by all means give a personal, sacrificial gift by April 1.

Also ask others to give. For instance, I assumed responsibility for \$1,000. Now, I haven't given all that money. I gave part. I asked my church to give. They've given twice. I've asked other pastors to help, and they have. I asked a dear pastor friend of mine, who has never attended anybody's college, to see if he could get me \$100 for the Free Will Baptist Bible College Alumni Drive. He asked his church, and before long he brought me a \$100 check for our campaign. Will you also ask others to help us? God wants us to do what we do cheerfully. II Corinthians 9:7, "Every man according as he purposeth in his heart, so let him give: not grudgingly, or of necessity: for God loveth a cheerful giver."

I trust also that everyone reading these lines will try to make it to Bible Conference this year. I hope to see you there. God bless you one and all.

FREE WILL BAPTIST BIBLE COLLEGE

Alumni Challenged to Complete Campaign by April 1

Interest in the alumni campaign has been increased recently, according to Robert Picirilli, campaign director. A new style of reports and an attempt to get alumni to underwrite the campaign with a monthly check-book plan have contributed to this new concern.

One report, sent out in December, notified the alumni that they had raised half the original goal of \$37,500, the purchase price of the alumni building.

Another report in January sent blank \$5-per-month checkbooks to alumni members. To this date, 14 persons have signed checkbooks for a total of \$860. Various other alumni have sent in individual gifts, meaning that approximately \$1,000 has been given during the month.

The alumni campaign was begun at Bible Conference in April, 1960, and was scheduled for two years. This time will have expired by the Bible Conference

this April, and alumni are making special plans to attempt to raise the remainder of the goal by that date. Approximately \$20,000 has been raised so far.

In addition to the drive for signed \$5 checkbooks, the various alumni who are pastors are being asked to observe a special "College Sunday" in their churches before the Bible Conference and to receive an offering on the drive. The suggested date for this day is March 25.

Announcing Summer Session 1962 — June 5-15

SUMMER SCHOOL STUDENTS AND FACULTY — 1961

OBJECTIVE AND ADVANTAGES OF THE SUMMER SESSION

The charter of Free Will Baptist Bible College states that

The Free Will Baptist Bible College is devoted to the promotion and impartation of higher Biblical education and such other education, instruction, and training as may be deemed essential to the equipment of Christian workers, teachers, ministers, and misionaries of both sexes of Christian service.

The objective of the summer session is parallel and complementary to this general objective of our college. The need has long been felt for training that will be accessible to Free Will Baptist workers already engaged in such services as pastoral or lay work. Here, then, are two weeks of intensive training designed especially for these persons who cannot take out time to attend the ordinary college term.

The advantages of such an arrangement are easily seen. There is, first of all, the intensiveness of the work which enables the accomplishment of a few courses in a short period of time. There is also the fact that this period of study will take the pastor or other church worker away from his own church for

only one week end (and those who live near enough will not even miss this). This is an opportunity for pastors, Sunday school teachers, and other Christian workers to gain a new perspective and a refresher course in the Word of God.

ACADEMIC LEVEL OF COURSES

Free Will Baptist Bible College will allow full college credit for the courses taught in the summer session toward a degree. However, those who do not wish to take these courses for college credit are encouraged to attend and will not be required to achieve the same level of work done by the college student.

RESIDENCE

Regular provision for room and board will be made in the dormitories and dining hall, and these accommodations will be available to any student, married or single. Room and board in the dormitory may also be available for a limited number of married couples, though private cooking privileges will not be possible. The charges for these provisions are listed under the section on expenses.

ADMISSION

Admission into the summer session

will be open to anyone who desires. Those who plan to attend should fill out the attached application as soon as possible and send it along with the \$2 matriculation fee to the Registrar, Free Will Baptist Bible College, 3606 West End Avenue, Nashville, Tennessee.

EXPENSES

Matriculation Fee (see above)	\$ 2.00
Registration Fee	5.00
Tuition	27.00
Room and Board	25.00

Total expenses for summer

session \$59.00

If both a man and his wife register for the summer session, the wife will be charged only \$10 for matriculation, registration, and tuition.

A SUGGESTION TO CHURCHES

We believe that there are many pastors who will desire to attend the summer session if their churches will encourage them to do so. The best kind of encouragement a church could give its pastor would be to pay his expenses for the session. We suggest, therefore, that our churches discuss this matter with their pastors and support, in this way, those who desire to come.

Free Will Baptist Bible College has had a clear-cut objective since the first day of its operation. However, it takes a number of years for an institution to translate its objective into history before the public at large is able to see just what the major emphasis is. I believe everyone who knows anything about Free Will Baptist Bible College knows its major emphasis. In other words, what does one think of first when he thinks of Free Will Baptist Bible College?

One does not think first of our physical plant with a beautiful campus, beautiful buildings, long corridors, and marble walls. We are thankful that we are located in one of the nicest sections of Nashville on a quiet, beautifully shaded street; but we have had to take the buildings we have been able to acquire with the money given by Free Will Baptists and adapt them to school purposes. This has been done rather successfully.

One does not think first of intellectual excellences when he thinks of Free Will Baptist Bible College. Our major emphasis has never been on the intellect. We thank God for good minds and believe they should be trained to their fullest capacities, but we at all times bear in mind Paul's words to the Corinthians: *"For ye see your calling, brethren, how that not many wise men after the flesh, not many mighty, not many noble, are called. But God hath chosen the foolish things of the world to confound the wise."* I Corinthians 1:26-27.

The one thing I believe you think of concerning Free Will Baptist Bible College is its emphasis on exalting our Lord Jesus Christ. Some might question whether an institution that actually puts Jesus Christ before everything else and the spiritual above every other consideration, can meet modern-day educational standards. There are those who would prefer to be known by their academic and scholastic standards. When any Christian institution comes to be known better for its academic rating than its Christian testimony, it has lost its basic distinctive character. The thing that makes an institution basically Christian is not the kind of clothes the young ladies wear or whether or not they wear make-up. The difference does not lie in the kind of athletic program sponsored by the institution. The basic difference is whether or not Jesus Christ and the Word of God are exalted in creed and practice above everything else. It

is just as sinful to exalt educational standards above Jesus Christ as it is to exalt money or anything else above Him.

The tragic mistake that has been made by many institutions is that Jesus Christ was put in the creed and left there. Jesus Christ must not only be put in the creed but put in the classrooms, the dean's office, the science laboratory, the dormitory room, and the dating parlor. He must walk the corridors and be chairman of every committee and occupy the pre-eminent place in every phase of the school life for it to be Christian.

LISSIE TURNAGE

"My first and most important work is being a wife and mother," Mrs. Ray Turnage, alumni personality for the month, said in a recent interview.

Mrs. Turnage, the former Lissie Chaudoin, came to Bible College from Healdton, Oklahoma, in 1950. She feels the Lord used lives of students from the College to impress her with a need for Christian training.

During her first three years at college, Lissie worked in the school office, serving part of this time as secretary to the dean and the registrar.

In August, 1953, she was married to Ray Turnage. Mr. Turnage began work with the National League Board in the fall of 1955. Since that time Lissie has shared in this work with her husband. "I feel," says Lissie, "that attending Bible College gave me a greater burden for our own Free Will Baptist work." This is evident in her work for the League Office. She is presently serving as bookkeeper, but she has worked in almost every capacity from janitor to stump speaker for the department.

Lissie prefers, however, to keep the emphasis on being a wife and mother. The Turnages have two children: Danny, 7 and Vicky, 5.

One of the most important things, Lissie feels, is to maintain a Christian home for her children. She stated, "I feel attending the Bible College has

February Gifts

After holding to an average monthly income of \$4,800 for the first eight months of the present fiscal year, general fund gifts dropped in February to \$3,609.53.

College officials explained the decline in gifts to two things: (1) the short, 28-day month; and (2) special gifts being sent to the Anniversary Campaign. "We must have operating funds first," President L. C. Johnson said, "for we are deceiving ourselves if we discontinue our regular support in order to make Anniversary gifts. Anniversary gifts are to be "special" gifts, that is, over and beyond the regular needs of the school."

A total of \$6,250 is needed each month in general fund gifts. General fund gifts this year average \$4,679 monthly. A balance of \$32,822.81 is needed in March, April, and May to supply the yearly gift income budget of \$75,000.

February gifts for each state are shown below with accumulated gifts June through February and with balance needed from each state.

Reford Wilson, newly appointed director of Free Will Baptists Foreign Missions.

The senior students have begun their "senior sermons" in chapel. Speaking thus far are Don Jones, Lewis Campbell, and W. M. Ellison.

Churches and individuals making gifts of \$100 or more to the 20th Anniversary Campaign will be recognized at the 11 a.m. service of the Bible Conference April 5. Churches which have already raised their Anniversary gifts are asked to have them in for this service.

The Anniversary Campaign, however, continues through May 31 of the present year, and a final report will be given at the National Association in July.

Five Thousand Free Will Baptist people have been challenged to give \$1 for each of the school's 20 years in training pastors, missionaries, and other Christian workers for the Free Will Baptist Church. These five thousand \$20 appreciation gifts will provide \$100,000 to help with the school's building program needs.

(Continued on page 2)

Dean Charles A. Thigpen has announced that the Bible College faculty and administration have approved the addition of a fifth year for ministerial students. The new program will begin in September of 1962.

The graduate of this program will earn the bachelor of theology (Th.B.) degree. The student will take the regular requirements for the four-year B. A. degree plus an additional year of courses in Biblical theology, philosophy, church history, Greek synoptic gospels, and supervised pastoral internship.

The internship program will place the ministerial student under the care of a Free Will Baptist pastor in the Nashville area where he will have actual responsibilities in church services and activities throughout the year.

Instructors for the fifth year will be Dean Thigpen, Dr. J. D. O'Donnell, and Leroy Forlines.

The expansion of the curriculum is the result of a long-felt need in the Free Will Baptist Church for further training of ministerial students.

The school's original two-year program begun in 1942 was extended to three years in 1950 and to four years in 1951. Since that time additional minors and majors have been developed and new departments have been added. The faculty has grown in number and in academic preparation as well as in teaching experience.

This addition to the educational program of the institution comes within the framework of its charter—"The Free Will Baptist Bible College is devoted to the promotion and impartation of higher Biblical education and such other education, instruction, and training as may be deemed essential to the equipment of Christian workers, teachers, ministers, and missionaries of both sexes for Christian service."

A Wonderful Conference

Why do hundreds of people travel so many miles to attend the annual Bible conference at Free Will Baptist Bible College? This year's attendance was at an all-time high. Extra seats had to be provided to seat the people in every service throughout the day and evening. We managed to seat approximately 700 people in our auditorium; others used the lounge as an overflow.

I think of four reasons as an answer to the above question. The first answer is that people enjoy and are blessed by good preaching. The preaching at this conference can be described in no other way than that it was great. Sometimes we hear complaints that the church is not producing great preachers today. Whether this is true or not, those in attendance at our recent conference would all say that we heard some of the most outstanding messages perhaps many of us ever heard. The preaching of the gospel will still attract men. The Bible Conference at Free Will Baptist Bible College is known for great preaching.

Closely associated with great preaching is great singing. I am quoting from an article written for the church bulletin of the First Free Will Baptist Church of Albany, Georgia, by a young lady who attended the conference. "The music was just great! You must hear it yourself to really appreciate it and the hard work being done by the music department. God has richly blessed our Bible College with talent. Besides the full choir, there were solos, trios, quartets and ensembles presented." We can say "Amen" to this statement written by Miss Brenda Kay Wiard. We do not look upon music as an end within itself, but as a ministry to be used to move men's hearts for the glory of God. Again, I say that those who attend the Bible Conference come expecting the best of religious music.

Another reason why so many come from so far is for Christian fellowship. It is a great blessing for ministers, returned missionaries, and other Christians to get together to fellowship one with another. Perhaps there is no other meeting in our denominational program that affords more opportunity for fellowship. The entire afternoon is left open for this purpose. The Bible Conference is one meeting where there are no motions passed and no resolutions offered. It is a time we can give ourselves to fellowship in the Lord without

In Memoriam

Leah Nichols Waddell, student, '51-'54, at her death April 5 left behind her a radiant witness. Leah, a native of North Carolina, served with her husband at churches in South Carolina, Virginia, and North Carolina. She was especially concerned with youth work. For two years she served as Youth Chairman for the Woman's National Auxiliary Convention, making a valuable contribution. Throughout her trying experience, Leah's faith and acquiescence in the will of God became a blessing to many.

Gladys Campbell Elliston, student, '46-'47, died March 15. Mrs. Elliston, a native of Oklahoma, had served with her husband in churches of Oklahoma and Arizona. In 1958 they began the work in Nogales, Arizona, known as Arizona-Mexico Missions, Inc. Mrs. Elliston's special area of work was with young people. At the time of her death she was serving with her husband, teaching and supervising the dining hall at the academy in Nogales.

being concerned with denominational problems.

Another thing the large attendance to our Bible Conference seems to express is faith and confidence in what Free Will Baptist Bible College is doing. I believe on the whole more of our churches and people are behind Free Will Baptist Bible College with their support and prayers than ever before. It is easy to see what this institution means to our missionary program and to the pastoral ministry of our denomination. Our greatest desire is to keep faith with all you who support your college.

ALUMNI ASSOCIATION

By MISS MARY WISEHART, *Secretary*

Alumni Personality

Reford Wilson, alumni personality of the month, recently assumed the directorship of the Foreign Missions work for Free Will Baptists.

Reford came to the Bible College in January, 1946, as a ministerial student. Before this time he had taken work at Oklahoma A and M College at Stillwater. Later he also attended Southern Baptist College at Walnut Ridge, Arkansas.

Wilson

Since leaving the Bible College in 1948, Reford has served as pastor of churches in Arkansas, Oklahoma, and Michigan.

For ten years he was a member of the Foreign Missions Board of the National Association. Early this year he was selected as general director of the work.

On September 2, 1947, Reford married Jean Lane, also of Oklahoma and a student at the Bible College. Presently they are living in Nashville with their two children: Jonathan, 10 and Rebecca, 7.

Annual Luncheon Well Attended

A total of 169 alumni and guests attended the annual luncheon April 4 at the Hermitage Hotel in Nashville.

Paul Kettelman spoke to the group concerning crucifixion of self and living unto Christ. Don Clark sang.

Special guests were Trula Cronk, India; Lonnie and Anita Sparks, Ivory Coast, Africa; and Fred and Evelyn Hersey, Japan.

Alumni Project Extended

Robert Picirilli, director of the Alumni Campaign, reported a total of \$24,306 for the project. Of this amount \$22,706 has been paid. The remainder is in check-books and pledges.

Mr. Picirilli recommended that the Association extend the campaign one more year, and the group approved this action. The amount lacking on the total cost of the Alumni building is \$13,194.

\$26,000 Received in Anniversary Gifts

Anniversary gifts totaling more than \$26,000 were received and listed for the Anniversary Celebration service April 5 at the final service of the Bible Conference.

President L. C. Johnson announced thanksgiving by the Bible College for the many fine gifts and for all the people who had cooperated in the campaign.

"This is a marvelous response on the part of our Free Will Baptist people to join us in celebrating our 20th year," the College official stated as he read personally the names of churches and individuals who had contributed as much as \$100 to the campaign. Certificates of recognition were given to acknowledge these gifts with a blue seal indicating \$250 gifts and gold seals indicating gifts of more than \$500.

The following is a report on Anniversary gifts presented at the Anniversary service April 5.

Anniversary Campaign Extended To July

President Johnson announced April 5 at the Anniversary Celebration service that the campaign would be extended until the National Association in July.

"Although we have received many fine gifts, other churches and friends of the Bible College are now raising sizable gifts for our Anniversary program. Some churches that have already given want to raise their gift to a much higher level, and many individuals will yet want to make a gift for our 20th year emphasis."

"The Alumni Association," the President stated, "has pledged itself to raise \$14,000 during the coming year. This means that with \$6,000 now on hand for this purpose, we have to raise only \$10,000 between now and the National Association to have in sight the clearing up of this loan against the College properties."

"We are asking you who believe in what the Bible College is doing for the Christian young men and women who come here for training to keep this Anniversary Campaign alive so that we can celebrate a complete victory at the National Association in July," Dr. Johnson said.

\$23,000 Given By Alumni Association

1000 More Anniversary Gifts Will Pay Bible College Debt

The equivalent of 1300 Anniversary gifts of \$20 has already been given in the Anniversary Campaign, providing more than \$26,000. One thousand more \$20 Anniversary gifts are needed to pay in full the loan against College properties.

Free Will Baptists are challenged to give \$1 for each year of the Bible College's twenty years of training ministry in the Free Will Baptist Church.

The NEED—With a 50 per cent increase in the student body during the past two years, every building the Bible College owns is being used this year at capacity. Any increase in students for the coming year—and an increase is indicated by early applications—will mean that more students will be applying than the school can provide for. We cannot turn away the dedicated Christian young people who want the kind of education offered at the Bible College. We must provide more space or build a new building, but before this is done, we must clear the loan against our property at present. When money for the \$30,000 loan is in sight, the Board of Trustees can set in motion plans to meet the most pressing need for additional space and facilities.

THE CHALLENGE—

Loan payable at beginning of year	\$61,000
Interest expense on loan	2,650
Total amount payable	\$63,650
Paid during year	33,650
Balance due on loan March 31	\$30,000
Money on hand	6,000
Balance yet to be raised to clear all indebtedness	\$24,000
To be raised by Alumni Asso.	\$14,000
Amount to be raised by Anniversary gifts by Nat'l Asso.	\$10,000

Miss Laura B. Barnard will teach in the summer program for the first time. Courses she will teach are Bible Basis for Missions and Minor Prophets (Hosea and Joel).

President L. C. Johnson will teach Pastoral Problems, a course giving attention to some of the practical problems faced by the pastor in the local church.

Rev. J. P. Barrow will teach the book of Daniel and Doctrine of the Scriptures.

Other courses to be offered are Second Corinthians by Robert E. Picirilli and Homiletics by Mr. Thigpen.

A total of three hours may be earned from the above courses in the two-week intensified training program. Each person interested in attending the summer session is urged to send his application as early as possible. A summer school brochure will be sent to anyone upon request.

The cost of the 10-day session will be \$59, which includes registration, tuition, and room and board. Dormitory facilities are available with a good number of places for couples.

Music Records Available

Music director Don Clark has announced that a new music record is available to the public. The following songs by the 18-voice Ensemble are on this extended play 45 R.P.M. record: "Rejoice, Rejoice," "Now I Belong to Jesus," "To God Be the Glory," and "There is a Balm in Gilead."

The record sells for \$1.25 and mail orders are acceptable.

Hampton Conducts Extension School

Faculty member Ralph Hampton conducted a two-week extension school April 9-20 at Dayton, Ohio. Among the courses taught was New Testament Survey. Richard Howard, state executive secretary, led in the arrangement of the school.

Two schools have been scheduled for the summer. Rev. J. D. O'Donnell will teach Free Will Baptist Doctrines and Romans at a school to be held June 4-15 at the North Birmingham Church, Alabama. Rev. Roy Johnson led in the placement of the school.

Another school will be held at Anderson, Indiana, July 30-August 10 with Brother O'Donnell as teacher. Rev. Richard Cordell helped organize the school. Courses to be taught are Advancing the Small Local Church and Writings of Luke.

Bible College faculty members are available during June, July, and August to help local churches, associations, etc., in conducting Bible teaching programs for Sunday school teachers and other church workers. College credit can be granted for work taken.

The pastor can arrange a one-week or two-week school in his church that will start his teachers on a very helpful program of Bible study that will be a blessing to the entire church.

If your church is interested in an extension school, correspond with the Bible College right away.

Quartet to Visit Churches During June and July

The Bible College quartet plans services during June and July in churches of East Tennessee, Southwestern Virginia, North Carolina, and South Carolina.

The quartet holds services each summer in approximately 70 Free Will Baptist churches, promoting interest in the Bible College with a program of gospel songs, testimonies, and a Bible message. The quartet's ministry from year to year has won many friends for the school and has challenged scores of Christian youth for full-time Christian work.

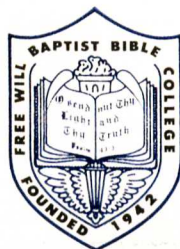

Quartet members are Jakie Creech, staff member at the College; James Puckett, graduating senior from Pine Bluff, Ark.; Bert Tippet, graduating senior from Norfolk, Va.; and Bill McCuin, sophomore from Hector, Ark.

Trustees to Meet May 30-31

The Bible College Board of Trustees will hold its annual meeting May 30-31 at the school. The group will review a report on the year's activities and financial operation. Plans for the coming year will be discussed.

Yearbook Dedication Honors Mrs. Polston

Mrs. Fannie Polston

The 1962 edition of *The Lumen*, College yearbook, was dedicated to Mrs. Fannie Polston, member of East Nashville Free Will Baptist Church and pioneer leader in the denomination. Jane Jones, *Lumen* editor, presented Mrs. Polston with the first copy of the annual in chapel services May 8.

The dedication message stated:

"No stream can rise higher than its source. Even so our Bible College began with the vision of those whose thinking was like a deep, clear fountain of power and purity.

"One who is responsible for the founding and progress of our college is Mrs. Fannie J. Polston . . .

. . . "Because of your dedication to God, your life of service to our denomination and our college and the challenge of your personal testimony, we appreciatively dedicate to you MRS. FANNIE J. POLSTON, the *Lumen* of 1962."

Rev. Paul Kettelman

Rev. Paul J. Kettelman, pastor of the First Free Will Baptist Church, Columbus, Miss., has been employed by the Bible College as field representative. He will begin his work June 1, following his moving to Nashville with his family the latter part of May.

The Bible College has been without the services of a full-time promotional worker since 1952.

Approved by the Board of Trustees for this work some time back, the Rev. Mr. Kettelman resigned from his church recently. He was one of the first students to enter Free Will Baptist Bible College in 1942 and was graduated in 1945. He later received his B. A. degree from Columbia Bible College in South Carolina. A Free Will Baptist minister for 17 years, Brother Kettelman served at Mt. Elon Church, Pamlico, S. C., Edgemont Church, Durham, N. C., and for the past six years at Columbus.

The Kettemans have three children: Greg 7, Carol 5, and Joy 3. Their Nashville address is 514 Achievement Drive.

There are three things that every person should know about himself. The first is who he is. This is self-identification. Second is why he is here. This is the purpose of life. The third is where he is going. This has to do with immortality. All these questions seem simple on the surface, but in reality are the most profound questions man has ever entertained.

"Who am I?" We need to identify ourselves. Communism is based on the philosophy that man is a material being. He has no soul. When he dies, that will be the end of his existence. He did not have divine origin; neither does he have divine existence nor divine destiny. Man, to the Communist, is nothing more than the highest being in the animal kingdom. Many professors in our high schools, colleges, and universities accept this same philosophy. Many preachers in our pulpits do not give God credit for creating the world or man. Man to them is a social being; his highest goal in life is to adapt himself to the norm of society and be a good citizen. Many deny that man is an immortal being and will live forever.

On the other hand, if you believe you were created in the image and likeness of God, life takes on a new dimension. It is easy to believe God had a purpose for you if He made you. Logically it follows that you are accountable to Him for your life.

It is very important to know who you are. Free Will Baptist Bible College fully accepts the truth that we were created by God and are accountable to Him.

The second question is "Why am I here?" Many who accept the truth that God created them fail to realize God has a purpose for them. If God has a purpose for your existence, your first duty is to find out what it is. We tell our students that God has a blueprint for their lives. Many young people have found God's will for their lives at Free Will Baptist Bible College.

The next thing you need to know is "Where are you going?" You are an immortal being. The grave is not the end of existence, but is just a passageway out of time into eternity. You must live somewhere forever. The Bible tells us of two places where the souls of men will be in eternity; one is hell, the other is heaven. So with each heartbeat, we are being pushed by an invisible hand through the gate of death into the arena of eternity.

More Than 200 Books Donated To Library

Mrs. Anna Barrow, librarian, reports that 283 books and \$102 have been donated to the College library during recent months.

The library now lists approximately 11,000 books, and additional books will be added each year, Mrs. Barrow stated. "We are always glad to have individuals send books, but donors should remember that only college-level books are usable," she said.

Business Education Course Increased to Two Years

Dean Charles A. Thigpen announced recently that the present one-year Business Education Course will be increased to a two-year program beginning in September.

The advantages of the two years of work over the one-year program are many, Mr. Thigpen stated. The student will have more training in Business Education courses so that he will be further advanced at the end of his work, he will be getting more Bible and Christian Education courses to make him better prepared to help in local church work, and he will have the value of another year in a Christian atmosphere, the dean explained.

A good number of women students have earned Business Education Certificates during the past two school years, showing that this type of training is needed for the young people in the Free Will Baptist Church.

The Certificate in Business Education will now be awarded for the two-year program although students are encouraged to attend the Bible College one year for a program of business subjects and Bible.

Miss Phyllis Rivers is head of the Business Education Department.

James Combs, business manager of the 1962 *Lumen*, College annual, announced that extra copies of the book are available to the public at \$6 each.

A yearbook will be sent postage paid for mail orders from churches or friends of the students.

Annual Report to Board

By L. C. JOHNSON, *President*

This is the 17th annual report that I have made to the Board of Trustees of Free Will Baptist Bible College. In two areas this our twentieth year has been the greatest in the history of our institution. This has been a record year in number of students and also in gifts. Notwithstanding some factors that might have worked against an increase in enrollment, this year brought one of the greatest increases in the history of the institution.

Prospects for next year are for another increase even beyond the 58 per cent increase of the past two years. A chart study of our enrollment indicates that from past growth patterns we are due for a leveling off. However, with more of our churches being pastored by those who have received their training here, we might well expect a consistent growth in our student body if we are able to accept it.

If you will note in the financial section of this report, we have broken all records in income. While gifts to the general fund held steady, gifts to the Alumni Campaign and to the Twentieth Anniversary Campaign shoved the total giving to its highest point. I think this Board will wish to express its thanks to the Alumni Association for its enthusiastic support. At its annual meeting in April it was voted to continue the campaign to pay for the Alumni Building. The Alumni are to raise \$12,500 to complete this project.

The Anniversary Campaign has been moderately successful. One last appeal is being made before the National Association for enough funds to retire the indebtedness. With the Alumni Association assuming the completion of its project and with what is now on hand, \$10,000 in extra funds will put the institution debt free.

Adequate buildings to take care of the needs of the institution remain our most acute problem.

To illustrate the acuteness of our housing problem, I bring to your attention this situation: If applications from women students come in in proportion to last year, we will be forced to turn down a number of applicants. Notwithstanding the critical need in this area, it is the feeling of the administration that a classroom-library building is even more necessary than to increase housing for students.

The fifth year Th.B. program has been worked out and is listed in this year's catalog. It is our feeling that this should be offered only if there is suf-

Eight Students Honored at Commencement

Elbert Tippet, graduating senior from Norfolk, Va., achieved honors in two areas as recognized during the Commencement service May 31. He was selected by the faculty as most outstanding student and received an award as the student body president.

Most outstanding boy award went to James Combs, junior from Crab Orchard, W. Va., and most outstanding girl award went to Barbara McGahey, graduating senior, from Columbus, Miss.

Other students earning honors were Thomas Hughes, New Bern, N. C., graduating *magna cum laude* (2.5 grade average or higher); Stanley Outlaw, Midland City, Ala., merit award as runner-up to most outstanding student; Jane Jones, junior, Bryan, Texas, editor award for work on the 1962 *Lumen*.

Class scholarship medals went to Stanley Outlaw, senior, James Combs, junior; Brenda Hampton, sophomore, Charlotte, Tenn.; and Brenda Ludwig, freshman, Ashland City, Tenn.

Hughes was elected by the faculty to membership in the national Delta Epsilon Chi Honor Society for having the highest scholastic average in the 1962 graduating class.

Society awards went to the Louisa May Alcott girls' group and to the William Jennings Bryan boys' group.

efficient demand to warrant it. The report from the Dean's office indicates sufficient demand to inaugurate this program at the beginning of the coming year.

There has been perfect, harmonious relationship between the faculty and administration. I am sure this Board is pleased to know that the faculty that you have employed is as free from professional jealousies, and works in as near perfect harmony as you will hope to find. This, unfortunately, is not always true even in some Christian institutions. As president of the institution, I pay high Christian tribute to those who are my co-laborers in this ministry. I also express appreciation for the confidence this Board of Trustees has always manifested in this administration.

Announcing Summer Session 1962 — June 5-15

SUMMER SCHOOL STUDENTS AND FACULTY — 1961

OBJECTIVE AND ADVANTAGES OF THE SUMMER SESSION

The charter of Free Will Baptist Bible College states that

The Free Will Baptist Bible College is devoted to the promotion and impartation of higher Biblical education and such other education, instruction, and training as may be deemed essential to the equipment of Christian workers, teachers, ministers, and missionaries of both sexes of Christian service.

The objective of the summer session is parallel and complementary to this general objective of our college. The need has long been felt for training that will be accessible to Free Will Baptist workers already engaged in such services as pastoral or lay work. Here, then, are two weeks of intensive training designed especially for these persons who cannot take out time to attend the ordinary college term.

The advantages of such an arrangement are easily seen. There is, first of all, the intensiveness of the work which enables the accomplishment of a few courses in a short period of time. There is also the fact that this period of study will take the pastor or other church worker away from his own church for

only one week end (and those who live near enough will not even miss this). This is an opportunity for pastors, Sunday school teachers, and other Christian workers to gain a new perspective and a refresher course in the Word of God.

ACADEMIC LEVEL OF COURSES

Free Will Baptist Bible College will allow full college credit for the courses taught in the summer session toward a degree. However, those who do not wish to take these courses for college credit are encouraged to attend and will not be required to achieve the same level of work done by the college student.

RESIDENCE

Regular provision for room and board will be made in the dormitories and dining hall, and these accommodations will be available to any student, married or single. Room and board in the dormitory may also be available for a limited number of married couples, though private cooking privileges will not be possible. The charges for these provisions are listed under the section on expenses.

ADMISSION

Admission into the summer session

will be open to anyone who desires. Those who plan to attend should fill out the attached application as soon as possible and send it along with the \$2 matriculation fee to the Registrar, Free Will Baptist Bible College, 3606 West End Avenue, Nashville, Tennessee.

EXPENSES

Matriculation Fee (see above) . . .	\$ 2.00
Registration Fee	5.00
Tuition	27.00
Room and Board	25.00

Total expenses for summer session \$59.00

If both a man and his wife register for the summer session, the wife will be charged only \$10 for matriculation, registration, and tuition.

A SUGGESTION TO CHURCHES

We believe that there are many pastors who will desire to attend the summer session if their churches will encourage them to do so. The best kind of encouragement a church could give its pastor would be to pay his expenses for the session. We suggest, therefore, that our churches discuss this matter with their pastors and support, in this way, those who desire to come.

Courses of Instruction

Appeal for 1000 Anniversary Gifts

Trustees Commend Employees

The Board of Trustees of Free Will Baptist Bible College held its annual meeting May 30-31, 1962, and issued the following statement.

"The past year of the institution represents one of the greatest years in the history of the College. The largest student body has been enrolled during the year and highest income has been received."

The members of the Board voted their appreciation to the administration, faculty, and staff for the services rendered during the year. A letter of commendation was sent to each employee.

In considering plans for future expansion and growth of the institution, the Board of Trustees agreed that one of the most acute needs is the construction of a classroom-library building.

NEW FACULTY AND STAFF MEMBERS ANNOUNCED

PITTS

The College faculty will be increased by two members this year with the addition of Rev. Leroy Forlines and Mrs. Ruth Landes Pitts, according to a recent announcement from President L. C. Johnson.

Miss Barbara McGahey, graduating senior in May, has joined the College staff to work in the administrative offices as cashier and secretary.

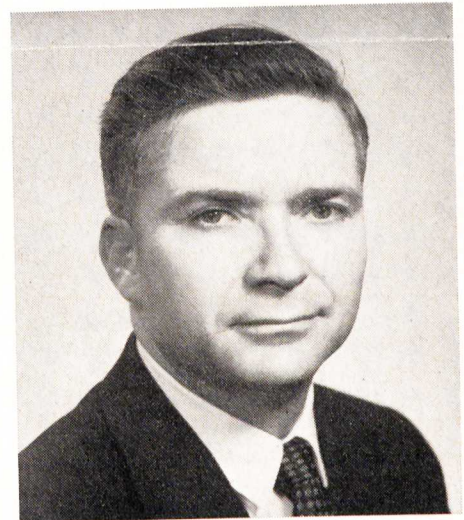

Mr. Forlines, returning after a leave of absence to study at Northern Baptist Theological Seminary, Chicago, where he received the B. D. degree in May, will teach courses in Bible and theology. He is continuing advanced studies at Winona Lake School of Theology this summer. Forlines served as an instructor and dean of men from 1953-1960.

MCGAHEY

Mrs. Pitts, daughter of a Texas Baptist minister, will serve as a part-time instructor in the music department. She will assist Donald Clark in teaching voice lessons and will have charge of the beginning chorus. Married to a Baptist minister, Mrs. Pitts at 22 years of age is a candidate for the Ph.D. degree in music at Peabody College, Nashville. She holds the degrees of B.M.E. from Baylor University and M.A. from Peabody.

Miss McGahey, daughter of Mr. and Mrs. I. C. McGahey, Columbus, Miss., has been a student at the Bible College for the past four years, earning her B.A. degree in 1962. She was chosen most outstanding girl student in 1962 and was president of the Louisa May Alcott ladies literary society which won honors for the year.

FORLINES

School to Open September 10

The Bible College will open its doors September 10 for the beginning of its 21st year in the training of Free Will Baptist young men and women for Christian ministries.

Dean Charles A. Thigpen forecasts another increase in enrollment this year if the present trend continues.

"We are in contact with a good number of young people who have not yet sent in their applications," the College official stated. "If as many come in September as have indicated they would, we will have as many as last year's record number, and probably a few more," he said.

School facilities can accommodate 90 girls and 70 boys in the dormitories and approximately 150 day and evening students, running the student body to a potential of 300.

Prospective students are urged to send their applications as soon as possible.

ALUMNI ASSOCIATION

By MRS. JUNE CRITCHER, *Secretary*
3606 West End Ave., Nashville

ALUMNI PERSONALITY

E. B. McDonald, elected vice president of the Alumni Association this year, is business manager and treasurer for the

MCDONALD

Bible College. Contrary to the picture of a business manager with a black moustache and a stony heart, this one doesn't wear a moustache and has a soft spot where the stone is supposed to be.

His past experience has taught him how to advise a student who wants to get married, own a car, eat three meals a day and stay in school. Don't.

In spare moments he enjoys reading and putting words together for himself. He dreams of writing his own novel some day. Also he finds time to enjoy the sport of a former president.

When Mr. Mac, as he is known to students and co-workers, came to the College in 1948, married and the father of a son, he joined the College staff as bookkeeper. Because of this position, he took five years to finish work toward a B.A. degree. In 1953 he graduated *cum laude* and was the first student elected as outstanding student of the year.

Mr. Mac served as pastor at Sweeten Creek and Avery's Creek churches in North Carolina. While he was in college, he was pastor at Shady Grove, Mt. Zion, and Trinity churches; and after finishing school, at New Macedonia and Dickson churches. He has always been active in denominational work and presently serves as clerk of the Cumberland District Association.

A native of North Carolina, Mr. Mac graduated from Valley Springs High School, Skyland, and from Cecil's Business College, Asheville. He has done additional work at Winona Lake School of Theology, Scarritt College, and Peabody College.

His wife is the former Katherine Cox, also of North Carolina. She attended the Bible College for one year. Presently she is Food Service Manager at the College.

The McDonalds have four sons: David, 17; Timmy, 12; Richard, 10; and Donald, 6.

Board Member Commended for Years of Service

Rev. James F. Miller, Knoxville, Tenn., pastor and member of the Bible College Board of Trustees since 1944, was commended in a recent letter from the Board for his 18 years of faithful services fruitfully rendered in the interest of the Bible College as well as the denomination.

Regret was expressed by the Board and the president of the Bible College for the loss of Brother Miller who retired from membership on the Board with the expiration of his term in July.

In addition to his work with the Bible College, the Rev. Mr. Miller served as moderator of the National Association for a period of seven years. He has served pastorates in Missouri, North Carolina, and Tennessee. He is pastor of the Forest Grove Church, Knoxville, at present.

Alumni Dinner

The alumni dinner was held in the College dining hall on Wednesday during the week of the National Association. Approximately 150 persons were present. Dr. Johnson spoke briefly at the dinner, encouraging the alumni to keep the Bible College in our "Prayer Budget."

42 Room Apartment Building Purchased

To meet the need of crowded conditions in general on the Bible College campus, the Board of Trustees recently purchased the Belle Haven Apartment building at 3619-21 Richland Ave., adjoining the present campus.

Costing \$27,500, the 42-room brick building will be used eventually as a dormitory to house all the single men with an expected capacity of 75 students and a supervisor's apartment. The present men's dormitories can accommodate 65 men.

Since some of the tenants are still living in the apartment building, the College does not plan to use the building until about January 1, school officials have stated.

The space at present occupied by the men will be used to alleviate the crowded conditions in classrooms and to provide additional teachers' offices.

A bank loan was secured to finance the purchase of the property. Regular payments on the loan are expected to be made as income enables the school to do so.

250 Students Register For 21st Year

Two hundred fifty students have enrolled for the school's 21st year beginning September 10, Dean Charles A. Thigpen has reported.

The alumni member in the news for September is layman Ray C. Turnage, new superintendent of the Free Will Baptist Home for Children at Greeneville, Tenn. Formerly the director of the National Free Will Baptist League department in Nashville for the past seven years, Mr. Turnage began his new duties September 1 accompanied by his wife, Lissie, and their two children, Danny 7, and Vicki 5.

A native of North Carolina, Turnage entered the Bible College in 1950 following his graduation from McClenaghan High School, Florence, S. C. He was graduated from the Bible College in 1954

and later studied at Nashville's Peabody and Trevecca colleges.

He has become well known to many Free Will Baptist people while serving as Food Service Manager at the Bible

College from 1954-1958, his work with the League Board traveling the length and breadth of the denomination, and his work among many of the various youth camps over the states.

General Fund Gifts Average \$5,000 Monthly

General fund gifts during June, July, and August have averaged more than \$5,000 each month, which is at the level of gifts for the past three years. College officials point out that general fund income must be increased to more than \$7,000 each month in order to reach the goal of \$85,000 in general fund gifts for the current fiscal year.

The report on states' gifts below shows gifts for the month of August and the balance needed from each state by May 31, 1963.

Alumni project gifts for June-August total \$3,155.15, while Anniversary gifts for the same period are \$4,719.98.

SPEAKERS AT RECENT MISSIONARY CONFERENCE

The Home Missions program October 9 at the Missionary Conference included (left to right) Rev. Homer Willis, director; Rev. Lee Whaley, Alaska; Mrs. Ethel Whaley, Alaska; and Rev. Mark Vandivort, New Hampshire.

tation work to secure financial support for several months and will probably go to the field sometime next year, Rev. J. Reford Wilson, Foreign Missions director, has reported.

The addition of the above seven persons to the 38 Bible College alumni now

serving as missionaries brings to 45 the number of former students which can be counted in our Foreign missionary force.

The missionary director also reported that 22 applications for missionary service are on file and that most of these are students at the Bible College.

The annual Missionary Conference sponsored by the Home and Foreign Missions Departments was recently held here on the campus of Free Will Baptist Bible College.

I have attended all thirteen of these annual conferences. This has given me the opportunity of observing the development of our missionary program as reflected in these conferences. As best I can remember, this was the only conference when all the speakers were our own Free Will Baptist missionaries. In past years, in order to have someone of competent missionary stature as a speaker, the missions departments would have to bring someone in from other missions.

I am not opposed to bringing in anyone who can be a help to us, whether they be Free Will Baptist or belong to another denomination, but I am exceedingly pleased that we have reached the place in our missions program that we have competent, qualified personnel within our own denomination.

Dan Cronk, Dan Merkh, and Dave Franks deeply impressed me as high caliber, dedicated, competent foreign missionaries. Luther Sanders, Lee and Ethel Whaley, and Mark Vandivort made us all aware of the possibilities of opening up new frontiers here in our own homeland. We all know that Brother and Sister Willey and Miss Barnard are outstanding missionary personnel that any denomination would delight in having. The same could be said of many others that were not privileged to be in our Missionary Conference.

The things I refer to concerning our Missionary Conference and our missionary personnel could be said concerning our pastoral leadership. Perhaps no denomination has made greater advances in these areas than our own. Free Will Baptist Bible College is grateful to have had a part in making these things possible. Your gifts and prayers have been turned into a pastoral and missionary force which gives a new frontier to our Free Will Baptist denomination.

Officers Attend College Meeting

Dean Charles A. Thigpen and Treasurer E. B. McDonald attended the meeting of the Accrediting Association of Bible Colleges in Chicago October 23-26. Free Will Baptist College is an accredited member of this association.

Mr. Thigpen is the official delegate to the meeting while Mr. McDonald served as alternate. Mr. McDonald also attended the conference of the Midwest Association of Business Administrators of Christian Colleges October 23-24 and the Writers' Conference at Wheaton College October 25-27.

Alumni Personality

Arriving home in time to speak at the recent Missionary Conference was Rev. Luther Sanders, home missionary to Hawaii. Mr. Sanders and his wife, Helen, and daughter, Brenda, have been working in Hawaii for the past three years.

SANDERS

While on the mainland, the returned missionary will begin a program to raise \$60,000 with which to purchase property in Hawaii for a much-needed residence and church. The present small rented house, serving for home and

church, is badly overcrowded at church services.

With a down-payment of \$10,000 furnished by the Home Missions Department, Sanders must raise \$20,000 more this year and the balance of \$30,000 later. He will visit churches in October and the early part of November before returning to Hawaii; however, he will spend three months next summer in an extensive campaign to promote the project.

Luther and Helen are from Betsy Layne, Ky., and attended the Bible College from 1946-48 and later attended Bob Jones University. Previous to entering missionary work, he held pastorates in Florence, S. C., Cordova, Ala., and Monett, Mo.

News Briefs

Richard Sample, '61, assumed the pastorage of the First Church, Baxley, Ga., September 1.

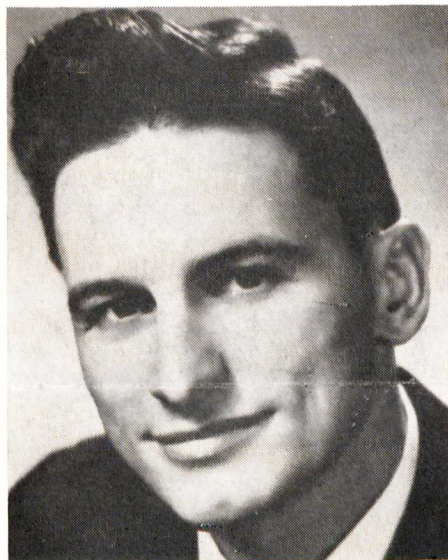

Bobby Rogers, '51-53, became pastor of the First Church, Columbus, Miss., August 17.

Several Bible College alumni are home on furlough from their missionary appointments: Lonnie Sparks, '54, and Anita (Kaminsky), '53-54; Dave Franks, '55; Dan Merkh, '53, and Margaret, '56-57.

Dan Cronk, '45, and Trula, '45 are home for their second furlough.

Robert E. Picirilli, director of the Alumni Association project to raise \$37,500 to pay for the purchase price of the administration building on West End Avenue, reports that \$28,437.63 has been raised by former students of the Bible College.

With only \$9,112.37 to go, alumni members in the various states are pushing to complete the project by the next annual meeting in the spring.

Missions Minor Added to Curriculum

A minor in missions courses has been incorporated into the curriculum beginning with the fall semester, according to Dean Charles A. Thigpen.

Approved by the faculty last spring, the new minor will enable missionary candidates to earn 18 hours in the field of missions.

Courses include Introduction to Missions, History of Missions, Biblical Basis of Missions, Missionary Principles, Indigenous Ministry, Survey of Non-Christian Religions, Modern Cults, Introduction to Cultural Anthropology, Introduction to Linguistics, Area Studies, and Contemporary Problems.

Miss Laura B. Barnard, veteran Free Will Baptist missionary to India, is head of the missions department.

Have You Made Your Will?

Many people each year neglect to make a will to insure that their estate will go to the persons or institutions that should be remembered.

The Lord has blessed some of our Free Will Baptist people with material means. He certainly wants a person to take care of his family obligations and He wants a person of means to help provide for the Cause of Christ after he is gone. This can be done best by remembering Christian missions, evangelism, and Christian education in his will.

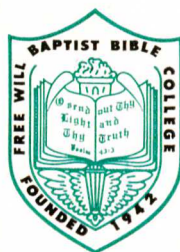

For the benefit of those who wish to make mention of Free Will Baptist Bible College in their wills, a legal form is suggested below:

"I give, devise, and bequeath to Free Will Baptist Bible College the sum of _____ dollars, and I direct that the receipt of the College, signed by the Treasurer, be accepted as sufficient voucher for the same."

Students Give the Answer The Denomination's Supply Line

By PAUL J. KETTEMAN,
Director of Public Relations

A scene in the Student Lounge where some students have gathered to talk and listen to the record player.

Why students travel an average of more than 500 miles each to attend Free Will Baptist Bible College is summarized in testimonies by the following students coming from various backgrounds.

JOE JONES, sophomore, Alabama.

"Two years ago I answered the call to preach in a revival held by Evangelist Bobby Jackson. Later Mr. Jackson talked to me about the Bible College, and I decided to get my training here."

JOYCE HOGSHEAD, special student, Illinois.

"Even though I have had four years in another school to be a school teacher, I felt the Lord wanted me to come to Bible College to learn more about Him and His plan for my life."

HELEN FINCH, freshman, Florida.

"My father came to Bible College in 1953. I was only nine years old, but from that time I've wanted to come to school here."

JOHN STEWART CRAFT, junior, North Carolina.

"After God called me to preach, I knew I would have to go to college somewhere. Being a Free Will Baptist, I felt I should go to a Free Will Baptist school."

RAYMOND LEE, freshman, Oklahoma.

"I intend to be an engineer but feel it is important to come here first to be grounded in the Word of God and in Christian living before I attend a secular college."

Returning home from a recent trip, I found myself waiting at the ramp of a ferry that was carrying other cars across a small river. The river barred me from my duties and obligations on the other side. I was forced to wait for transportation across that river before I could be active on the other side.

Twenty-five years ago, Free Will Baptists sat at the side of a river of lethargy, discouragement, and carelessness, looking across to the place where they knew they should be in their denominational program. On one side of the river were thousands of young people who would give themselves in service and on the other side lay the fields of the world in which they should serve. But there was no ferry. There was not even a ramp to approach a ferry. Through the vision of dedicated men the approach was built, the ferry was set into operation, and more and more Free Will Baptists are being transported across that river into dedicated service for Christ.

Free Will Baptist Bible College has served as God's means of moving our people to His service in many parts of the world.

Two mission fields manned by four missionaries have expanded through the vision given by God's faithful teachers of the Word at the College into more than a dozen fields and 68 missionaries. Besides these missionaries some five to six hundred ministers have received training in Free Will Baptist Bible College in the past twenty years. Several hundred other Christian workers serving as educational directors, pastor's wives, musicians, Sunday school teachers, evangelists secretaries, etc., have

(Continued on Page 2)

From time to time it is important to discuss the particular area of education in which our Bible College functions. The reason for this is that the Bible college program of education is comparatively new to the majority of us. In essence, however, the Bible college type of education was the earliest known in America. Studying the early history of some of the great colleges and universities, we find in their curriculum a similar pattern of education to the modern Bible college pattern. It is well to remember that the church was the first to enter the field of higher education in this country. The church saw to it that the Word of God and Christian morals had the central place in the curriculum and general emphasis in these institutions. Of course, the institutions were not always called Bible colleges, but the courses of study and general emphasis were very similar to our Bible colleges of today.

As our country developed and life became more complex, the state through taxation entered the fields of education and has greatly taken over the responsibility of educating the citizenry. The church seemed to be willing to relinquish its rights in the educational field and let the state assume more and more of this responsibility. The state has made less and less room in its curriculum for the Bible and morals. Its program of education is almost totally secular. It prepares the student to be the master of the physical world about him. It is almost lacking in effort to show man his relationship to God. Any system of education that fails to do this is secular.

Public education has come to so dominate the educational system that private education must allow it to determine the policies, curriculum, and standards of education. The problem private institutions face is how to meet all the demands of public education and have any room left to teach and emphasize those things for which the private institution was specifically created. At this point is where Bible college education boldly declares its dedication to the church that created it and to the cause of Jesus Christ. Bible college education is not defiant in its attitude, but declares itself to be wholly committed to the cause of Christ and to the church and to those principles which secular education overlooks or minimizes. The Bible college has other interests that it must attend to that are not a part of the public system of education.

The Denomination's Supply Line

been trained at the College. More than two hundred students are at this minute in preparation for the task of manning new fields, serving as replacements, etc. Since 1942 our people have invested some \$300,000 in property for our present campus. This figure divided by the twenty years of service would mean that we have invested \$1,250 per month to purchase property. This is less than one cent per month given by each Free Will Baptist. Has this amount been adequate? Could we have grown more if facilities had been more ample? How many mission fields are unmanned today or insufficiently manned and equipped because we failed in providing means to afford adequate training for all who would have come? How many cities are without a church because of our unwillingness

(Continued in Page 4)

This does not mean that the Bible college program of education is not standardized. While public education is standardized to develop the student horizontally, that is to bring him into masterful relationship to the world about him, the Bible college system is standardized perpendicularly and horizontally. It brings the student into proper relationship with God (perpendicular) and then seeks to bring him into a servant's relationship to men (horizontal).

Bible college education believes firmly that it has a particular task to do. Not being able to harmonize this task with all the demands of general education, it set about to standardize its own program of education in the light of its purpose. The Accrediting Association of Bible Colleges, which is fully recognized by the United States Office of Education and meets the highest educational standards, was created to accredit institutions functioning in the Bible college areas of education. Free Will Baptist College is fully accredited by the Accrediting Association of Bible Colleges.

Bible college education would re-establish God and His Word in education. Bible college education would integrate all true knowledge with the Word of God. Bible college education is based upon the belief that the Word of God is true and the mind is free to discover all truth as it relates to its teachings. Bible college education repudiates the "open mind" concept of education which feels free to question the miracles of the Word of God and all that is supernatural. Your Bible College is committed to the great fundamentals of the Christian faith and to separated Christian living.

Gift Income Needs Acceleration

General fund gifts for June-October have averaged \$4,672 with the gifts for October at \$4,376 coming under this figure slightly. A generous boost in gifts is needed for the Bible College to operate properly during the remaining seven months of the fiscal year. Note the following financial facts.

1. Amount needed each month to supply states' gifts budget for year . . . \$ 7,083.
2. Amount needed to clear old building fund projects . . . \$14,000.
3. Amount needed to pay for Belle Haven Apartment building . . . \$27,500.
4. Each church should study the record of states gifts below and accelerate its gifts accordingly.

STUDENTS GIVE THE ANSWER

(Continued from Page 1)

SHIRLEY ROBERTS, junior, Kansas.

"I had full intentions of going to another college, but when I answered the call to the mission field, I realized I could get the needed training at Free Will Baptist Bible College."

GERMAN VOGEL, special, Argentina.

"I was born and raised in Argentina and was converted in Michigan two years ago. I talked with some students from the Bible College and saw how their lives had been changed, and I felt the desire to have this change in my life."

ELLA RAE JONES, R. N., senior, Alabama.

"For some time I have felt the Lord might want me on the mission field as a medical missionary. The main reason I am here is to find God's will. Naturally, if I go to the foreign mission field, I shall need the preparation in Bible and missions that I am now receiving."

JIMMY JONES, sophomore, Texas.

"I came here because I wanted something different from what I saw in other schools. I am not sure what career I will go into, but I want at least one or two years here as a Christian background. Then, too, I was influenced by my brother and sister who attended here. They both like it, so I thought I would too."

LARRY ELLIS, freshman, Tennessee.

"God called me into the ministry, and I feel He wants me to train at this institution. I want to be grounded in Christian truth and Free Will Baptist doctrine."

ANNA McELHINNEY, freshman, Missouri.

"Since my sister is on the College staff, I had occasion to visit the College several times. I was impressed by the wonderful Christian atmosphere and decided I would like to take the business courses offered."

The Denomination's Supply Line

(Continued from Page 2)

to give to the ministry of Free Will Baptist Bible College?

With the increasing growth of our world population, the modern modes of transportation, the improved studies in linguistics, the outreach of modern communications systems, we must recognize an ever-increasing responsibility for this and future generations to herald forth the Gospel message of salvation through Jesus. "And how shall they hear without a preacher?" (Romans 10:14). Free Will Baptist Bible College remains the chief source of supply for trained workers who have been called of God into special service.

Can we honestly pray, "Even so, come, Lord Jesus," (Rev. 22:20) if we have been lax in the support of our supply line for the great army that must continue to stand at the front and fight for souls of men? Will there be adequate replacements? Are we not already feeling the shortage of workers in many areas of our ever-expanding work?

That we haven't done all we could in financing our education program is evident. There is no question that the nine buildings that we own today are inadequate to meet the rising demands that are to be made by the above mentioned forces. What can we do to stem the tide? I would like to suggest three things that every Free Will Baptist can do to guarantee the future of Free Will Baptist Bible College until Jesus comes.

First, every Free Will Baptist can pray. God is not out of the prayer answering business. Our problems as a denomination can be met through prayer.

Second, every Free Will Baptist can give of his financial income and, thereby, undergird present needs as well as meet future needs for the institution. If every Free Will Baptist would give \$1 this year, our College would have more than twice the income it had last year. Besides your personal gift, you can encourage

your local church to support the Bible College monthly.

Third, every Free Will Baptist should leave something from his estate to the Bible College. Endowments from those whom God has blessed with sizable incomes could insure Free Will Baptist Bible College for future generations. Have you prayed about your will? Are we not stewards over what we leave when we die as much as we are stewards over what we spend while we are living?

Have you personally done all of these three things? Ask God to help you meet your responsibility to the supply line of our denomination!
