BIBLE CONFERENCE to be APRIL 4-8

The 22nd annual Bible Conference will be April 4-8 for a five-day program of challenging messages from the Word of God.

Speakers will be Dr. Samuel Sutherland of Los Angeles, Calif.; Rev. Guy Owens, Detroit, Mich.; and Rev. J. R. Davidson, Vienna, Ga.

The services will be held in the College's Memorial Auditorium. College officials have announced that guests cannot be accommodated in the dormitories this year. Outside facilities will have to be secured for guests staying overnight.

The conference will begin at 7:30 p. m. Sunday evening.

Summer School Dates Announced

The two-week summer session is scheduled for June 1-11. Pastors, church leaders, teachers, and laymen are reminded to plan now for this opportunity of further study in the truths of God's Word and in soul winning. A description of courses will be announced at a later date.

Seventeen additional full-time students have been approved to enroll for the second semester beginning January 20, Dean Charles A. Thigpen reports. This number includes eleven first-time enrollees and six students returning to the Bible College after an absence of a semester or more.

The evening school enrollment has not been ascertained, Mr. Thigpen said. The total registration for the year, including the summer session and the 287 registered in the fall, should go well beyond the 330 mark. "We have experienced a 15 per cent increase in enrollment this year over last year," the College official stated.

Things look bright for Free Will Baptist Bible College as we enter 1965.

We have recently been encouraged from letters received from over our denomination expressing appreciation for the ministry of our College. Gifts have been increasing almost monthly for several months. Many have encouraged us to keep the Bible College true to its original standards and purposes in spite of any pressure that might influence us to the contrary.

These words of encouragement mean much to all of us, and we dedicate ourselves anew to doing the best job possible under God in training young men and women in our denomination to stand true to God in a day of moral and spiritual letdown.

As all of us know, the pressures of this age are increasing against the dedicated consecrated Christian. Many churches have already lowered their standards and are waving the white flag of compromise. Protestantism has lost its protest, and many are now seeking ways to find accommodation with apostate Romanism. Many things which the church preached against a few years ago are now embraced and made a part of its program.

Free Will Baptist Bible College, though being aware of the changing world scenes and being willing to accommodate itself to the changing times as long as we do not have to compromise, is still committed to defending the faith once delivered to the saints and living true to the spirit of the Word of God as well as its letter.

In order for us to carry out these high standards, we need the encouragement of your support and your prayers. This is no time for the church and for Christian colleges to let down. We call for your prayers and for your moral and financial support in 1965.

Recent Chapel Speakers

The College family was challenged in chapel services January 8 when Major Diaz Lanz, former Commander of the Cuban Air Force under Castro, spoke concerning his conversion to Christianity and the menace and horrors of Communism. He is on tour of college campuses in America as a speaker for Christian Crusade.

Another guest speaker was Dr. Paul Loth, president of Evangelical Teacher Training Association of Wheaton, Illinois, who spoke in chapel January 11, emphasizing the need of training Christian teachers in the church and Sunday school. Dr. Loth works with more than 100 Christian colleges who are members of the Association including seminaries, Christian liberal arts colleges, and Bible colleges.

December Gifts Form Items of Praise

Gifts from Free Will Baptist churches and friends of the Bible College during December have formed items of praise to God by members of the College staff. Usually a low month of the year for gifts, December experienced the receipt of more than \$9,400 for the general fund, the best month for gifts so far during this fiscal year.

Two liberal individual gifts were included among these: one for \$300 to be matched with \$600 from the donor's employer, and another gift for \$340, also to be matched by the employer.

The annual gift for the Gower-Ennis Education Fund was received also during December with the donation to be spent for audio-visual aid. Mr. and Mrs. L. G. Ennis of Nashville are the donors.

Building fund gifts in November enabled the Bible College to pay approximately \$4,000 on the building fund bank note, as many individuals responded.

Conference To Feature Three Speakers

The 22nd annual Bible Conference, April 4-8, will feature as speakers Dr. Samuel H. Sutherland, president of the Bible Institute of Los Angeles and newly elected president of the Accrediting Association of Bible Colleges; the Rev. J. R. Davidson of Vienna, Ga., pastor and an early founder of Free Will Baptist Bible College; and the Rev. Guy Owens of Detroit, Mich., pastor-evangelist.

The conference program will also include special music by the College music department and daily missionary prayer band services. The first service will begin Sunday evening, April 4, at 7:30. Services are scheduled each morning and evening Monday through Wednesday with the five-day meeting closing at noon on Thursday, April 8.

Associated with BIOLA for almost 30 years, Dr. Sutherland has been its president since 1952. Prior to his work as a Christian educator, he did pastoral work in California at Grace Presbyterian Church, Los Angeles, and at Calvary Church, Hollywood; he also worked with the Church of the Open Door at Los Angeles, and has had a wide experience in young people's Bible conferences.

He graduated from Occidental College in 1922 and from Princeton Theological Seminary in 1926, followed by honorary degree of Doctor of Divinity in 1938 and Doctor of Laws in 1948.

The Rev. Mr. Davidson attended Eureka College, Ayden, N. C. He was one of the early founders of Free Will Baptist Bible College, having served on the Board of Christian Education for the denomination since 1935. Mr. Davidson, instrumental in raising the funds and locating the College, was business manager for the school from 1942 to 1947. He served on its Board of Trustees from 1937 to 1964. The denominational leader has held pastorates in Georgia, North Carolina, Texas, and Tennessee.

The Rev. Guy Owens, a native of North Carolina, graduated from Free Will Baptist Bible College in 1959. Active in Free Will Baptist work for several years, Mr. Owens was pastor of Gum Swamp Church, Greenville, N. C., the oldest Free Will Baptist church, and is presently with the Philadelphia Church in Detroit.

Services will be held in the College's Memorial Auditorium with the exception of the Wednesday evening service which will be held uptown in the 2200-seat War Memorial Auditorium. College officials have announced that conference guests cannot be accommodated in the dormitories this year. A nursery will be provided for pre-school-age children of guests.

**Dr. Samuel H.
Sutherland**

Rev. J. R. Davidson

Rev. Guy Owens

I want to share with you some of my views on our denominational situation that we need to be aware of. As a denomination, we are in a transitional period. We have been primarily a rural denomination. One of the saddest things that is happening in America today is that rural life is diminishing at a tremendous rate and our society is becoming urbanized. Our denomination is having to move with this trend and switch from a rural ministry to the metropolitan centers. The majority of Free Will Baptists who move from the old country church to the cities is being lost from our denomination. They either join some other denomination or cease going to church entirely.

We are having to go into the cities and find a nucleus of Free Will Baptists, buy property on an inflated market, and establish churches. If we could salvage all these Free Will Baptists who are moving to the cities, our task would not be so difficult. It is almost like starting a new denomination in most of our cities. These new churches are usually heavily in debt and are small. They must have time to grow and build local church plants before there will be a great potential for other denominational ministries. There is little or no potential for growth in the rural areas. We must look to the city churches for our denominational growth.

Free Will Baptist Bible College faces a tremendous responsibility in training the kind of leadership that can take its place in the churches of these metropolitan centers. The hour is late and we must not be slowed down in our task.

I think a word of tribute is in order to many of our churches for the outstanding record of giving in the light of this transitional period. Many of the small rural churches and the new churches in the cities are giving as generously to denominational causes as any church group. Our entire denominational program is being supported in most part by small churches that could well use all their money locally.

Fine Arts Programs Scheduled During Spring

Three fine arts programs will be held on campus during the spring semester including a drama, vesper program, and music recital.

A vesper program entitled "Sound the Trumpet" will be given at 3:30 p.m. March 7 by the music and speech departments.

A faculty music recital will be presented at 8 p.m. March 12 by Donald E. Clark, soloist; Mrs. Ruth Pitts, soloist; and Mrs. Sarah Nicholas, pianist.

"Seven Years Underground," a Christian drama, will be presented at 8 p.m. March 19. Miss Lydia Radu, speech instructor, is writer and director of the play. It depicts the faith of one woman, Dr. Mary Vaska, against loyalty for the Communist party displayed by her two sons Alec and Ivan. The setting is Romania.

Dr. Vaska's two sons had informed the Communists of her lectures against Communism. She was sent to a concentration camp where she spent the next seven years of her life. The only thing that kept Dr. Vaska alive was her faith in God.

Miss Radu recently gave a speech recital at the College. The program was about Marie Antoinette, one of history's most controversial women.

Mr. Clark will be guest soloist at Oklahoma Baptist University's annual fine arts music festival February 26. He will sing the role of Christ in the presentation of "The Passion According to St. Matthew" by J. S. Bach.

Recent guests to the College include the Rev. and Mrs. Charles Osborn, Des Plains, Ill., the Rev. and Mrs. Eugene Workman, Glasgow, Ky., and the Bible College Board of Trustees.

Texas Layman Gives \$1000 to College

For the third consecutive year, a layman from Bryan, Texas, has led all other donors by presenting a gift of \$1000 to Free Will Baptist Bible College.

C. F. Goen, who has supported the school throughout its history, sent the gift to the College treasurer just before the close of 1964.

"I don't want praise for this effort," Mr. Goen said in a recent conversation. "I just want to help provide a better place for young people to get their education."

The Texas cattleman is a deacon of the Brightlight Free Will Baptist Church near Bryan.

The gift has been received to the Building Fund to help clear the \$20,000 loan yet due to a local bank. College officials explained that the \$20,000 indebtedness is the only outstanding obligation the institution owes.

"Perhaps the Lord may use Mr. Goen's giving to challenge others to make liberal gifts," President L. C. Johnson said.

CHRISTIAN SERVICE REPORT: 578 HEAR IN ONE DAY

"Practical experience prepares our students for Christian service."

This was the observation of Lloyd Plunkett, director of the Christian Service Department at the College.

"Of course," he added, "the personal witnessing of the students proves valuable to those to whom they minister" also."

"For example, yesterday (Sunday, February 7) was a good day for the Christian Service Department. A total of 578 people listened to 40 of our students as they presented lessons from God's Word."

Of that 578, there were 66 in classes at the Cloverbottom Hospital and school for the mentally retarded. At the Ross Hotel, six people were in the service, seven at the Harris Nursing Home service, 26 children at Martha O'Brian Center, and about 45 at the Tennessee Preparatory School service, he explained.

"Eight prisoners were in the service held by Bible College men at the State Prison Farm, and at the main State Prison 387 were in the chapel for a service of music, a sermon and testimonies by Bible College men; 28 prisoners in solitary confinement and five on 'death row' were given the same service," Plunkett stated.

Another area of practical work

for Free Will Baptist Bible College students has been opened, he announced. Evangelistic services will be conducted at the Nashville Union Mission twice monthly on the second and third Wednesday nights.

This is the first opportunity in several years for students to take part in rescue mission work. The mission, in downtown Nashville, holds evangelistic services each night along with its ministry to derelicts and homeless people. The service will include singing, preaching, testimonies, and personal work by a group of seven Bible College students, Plunkett concluded.

REGISTRATION REACHES 342 WITH 2ND TERM ENROLLMENT

The second semester registration of 18 additional day students and nine evening school students has brought to 342 the total number of students who enrolled this year for training at the Bible College.

Additional students for the second semester not listed previously in the BULLETIN are as follows:

William Baird.....	Nashville

John Cullipher.....	Nashville

1965 Summer Session To Be June 1-11

The 1965 summer session will open June 1 with six courses of Bible, music, history, doctrine, and sermon preparation being offered.

"This will be a wonderful opportunity for pastors, Sunday school teachers, laymen and other Christian workers to enjoy two weeks of Christian fellowship while earning up to three hours of credit in college work," Dean Charles A. Thigpen said. "Students may also enroll for the courses on a non-credit basis."

The objective of the summer session is parallel and complementary to the general objective of the College: **"This Bible College is devoted to the promotion and impartation of higher Biblical education and training as may be deemed essential to the equipment of Christian workers, teachers, ministers, and missionaries of both sexes."**

"The need has long been felt," said Dean Thigpen, "for training that will be accessible to Free Will Baptist workers already engaged in such services as pastoral or lay work. Here, then, are two weeks of intensive training designed especially for these persons who cannot take out time to attend the ordinary college term."

ACADEMIC LEVEL OF COURSES

Free Will Baptist Bible College will allow full college credit for the courses taught in the summer session toward a degree. However, those who do not wish to take these courses for college credit are encouraged to attend and will not be required to achieve the same level of work done by the college student.

RESIDENCE

Regular provision for room and board will be made in the dormitories and dining hall, and these accommodations will be available to any student, married or single. Room and board in the dormitory may also be available for a limited number of married couples, though private cooking privileges will not be possible. The charges for these provisions are listed under the section on expenses.

Free Will Baptist Bible College is at the crossroads. It has come a long way since September 1942 when nine students enrolled for the first semester, launching our denomination on an educational journey which has made possible a more effective ministry for the past twenty-three years.

I am convinced that we started in the only possible way and that was to purchase a residence building at a very modest figure but in a nice section of Nashville. Other residences have been bought and converted to school purposes as the need demanded and finances would allow. The buildings that have been built for school purposes have been an auditorium, a student lounge, and dining hall and kitchen.

Being located in a section of the city where large homes and apartment buildings were available, the College has been able to meet its basic needs with the purchase of the type buildings mentioned above. The time has come, however, when such buildings are totally inadequate and cannot meet the needs of our present enrollment. New buildings must be built or the growth of Free Will Baptist College will have to cease and our present program made to suffer. Buildings built for family homes will not take the traffic of the present student body. Neither will the facilities meet the needs even though the buildings might endure the traffic.

Free Will Baptist Bible College will be coming to you and all of our people with perhaps the most challenging task with which we have ever been presented—the task of providing a Christian educational opportunity to every Christian young man and woman in our denomination. There is nothing that will guarantee the growth and expansion of our denomination like the right kind of an educational program. We must not fail this opportunity.

Young men and women from all over our denomination are knocking at the doors of Free Will Baptist Bible College. We will be calling on every Free Will Baptist church and individual to help us open these doors to these, our future church leaders.

President L. C. Johnson discusses plans with Treasurer E. B. McDonald and Public Relations Director Paul Kettelman.

LaVelle Sawyer dared to accept the challenge of witnessing for Christ in the United States Air Force.

The lieutenant, soon to become captain, said, "This has been the most challenging situation in our lives . . . Our experience here has served to convince me more than ever before that one of the greatest needs today is the personal witness of a layman. We can reach people where the preachers can't—out in the fields, on the flight line, and in the office."

A desire to pursue specialized training for Christian service motivated LaVelle to enter Free Will Baptist Bible College in 1955. Even though he was not a ministerial student, his deep desire to win the lost to Christ kept him faithful to his course of study which he completed in 1959.

LaVelle and Sandra (Powers) went to London in 1963 and will be there until November 1966. They have two children, Marieda, 3, and Michael, 1.

In addition to his daily personal witness and military duty, he teaches the Adult Bible Class in the London Area Chapel, which serves personnel from all three major branches of the service. Sandra is president of the Protestant Women of the Chapel (Woman's Auxiliary).

In Times of Fear, Immorality,
Helplessness, A Big Question
Lays Heavily on the Hearts
of Christian Students

BY ANN WILLIAMS, SOPHOMORE
JIMMY JONES, SENIOR

"...WHY CAN'T WE TURN THE TIDE?"

As the tides of universal crises flood the happiness and security of society, fear and a sense of helplessness grip the hearts of Christian college students. They are faced with a critical world situation. Everything seems to be carried farther and farther out into an ocean of hopelessness by greed and lust. Some young Christians seem to eagerly rush out into the waves lest they be left behind, unwilling and perhaps unconscious that they can turn the tide.

With an optimistic attitude supported by a staunch, godless philosophy of life, young adults who know not Christ bravely look out over the horizon at a big world full of adventure, challenge, wealth. All it needs is more science, more philosophy, more so-called truth, to become a "best" world. Those of this ideological face would rush on, sweeping the poor, the hungry, the primitive masses out into the sea.

They would say, as lovers of pleasure, "We want no starvation or sadness around us." These individuals, growing by numbers even now until they are changing the world with their ambition, would rid themselves of family institutions, Christian homes, democracy at its best, and Christian education. They would say there is no morality except what is right in their own eyes; there is no limitation on man; he is free!

Except for the grace of God, every Christian student would have been out there with them. But why are we so different now? If that question had been asked of everyone of us, we would have given God the credit. We would boldly and rightly stand up and say that we have the Truth, the only Truth. And in having such we think ourselves far different in character from those out "there." Actually, basically, we're no different in nature, in ways of life, in customs. But we do have Christ. Certainly, we, as Christian students, are being presented with the problems of the world; but in view of the Bible, it is up to us to heed what we hear, to recognize our own responsibility in turning the tide from fear and immorality to peace and salvation. Our aims should be centered around Christ; He is the one who can turn the tide of this lost world with all its evil people. He is the one who takes away the fear, who convicts of immorality, who gives hope.

Christian campuses must have Christian students.

It is a truth that Satanic forces are active on these campuses. Why shouldn't they be? . . . It is in such places that their evil work is overcome the most. The more dedicated we become to Christ, the more dedicated Satan becomes to destroy our faith. The aim of the Christian school then is that of building character—building people who can turn the tide of sin, people who are strong, faithful, worthy. Yet the Christian school cannot do it all. We have to take advantage of what it has to offer. One day we too will be out "there." If we're not strong in the things of the Lord, we will be as a ship without a sail, a plane without wings. We won't be able to fool the world. Our actions will reveal the truth of our character. Where do we stand now? Do our thoughts, our actions reveal a shallowness of individual Christianity? Just how far from that sinner are we? No doubt, we're only a step away . . . and that, by the grace of God.

Fortunately, most of us on this campus have a real purpose in life. But it is not without reason that others never see us praying, reading God's Word, studying diligently. As a man thinks, so is he, and his actions speak so loudly that others cannot hear what he says.

How encouraging it is to see someone live a dedicated life, without blemish, unselfish, loving, forgiving. We are fortunate to have those individuals in our faculty, administration, and student body. But they cannot carry the burden alone. Everyone must do his part. The time has come when the responsibility can no longer be shifted to another's shoulders. Either we must all turn the tide, or no one will. Our responsibility continues where their perspective ends.

We must not feel defeated by the world, for we serve a Saviour who will overcome the world. As Paul the Apostle said, "We are troubled on every side, yet not distressed; we are perplexed, but not in despair; Persecuted, but not forsaken; cast down, but not destroyed; Always bearing about in the body the dying of the Lord Jesus, that the life also of Jesus might be made manifest in our body."

Looking at ourselves as we really are—not as we like for others to think we are—then we can begin to accomplish something. We can make our own campus a lighthouse for our people . . . and for others who are rushing along with the tide.

28 TO RECEIVE DEGREES

Coffey

Greathouse

The largest number of graduates in the history of Free Will Baptist Bible College will be awarded degrees at the 1965 Commencement Service May 27. Twenty-eight seniors will complete their four years of education.

The commencement week exercises will begin with the baccalaureate service on Sunday evening at 8 p.m. with the Reverend Rufus Coffey, director of conference ministries for Free Will Baptist Foreign Missions, bringing the message.

Dr. W. N. Greathouse, president of Trevecca Nazarene College, Nashville, will bring the commencement address at 10 a.m., May 27.

A native of Virginia, Mr. Coffey received the B.A. degree from Bob Jones University in 1951 and has attended Vanderbilt University, Nashville.

Free Will Baptist Bible College is rendering the greatest service of its twenty-three year history. All prospects for next year point to a record enrollment that will challenge the administration of the College with its greatest responsibility.

Every available foot of space is already utilized to its capacity. A record number of applications are on file already. Every additional student to our past enrollment will have to be provided for by the purchase or erection of additional property. The Board of Trustees and the administration are still committed to taking care of every worthy student who wishes to enroll.

We say to every prospective student to get his application in as soon as possible in order for arrangements to be made for his accommodations. Do not withhold your application for fear of not getting in. Should it come to the point where no more applications can be accepted, everyone will be duly notified.

What does this say to our Free Will Baptists across the United States? I believe it says that we are being offered a golden opportunity to give a thoroughly Christian education to our young generation of Free Will Baptists. If for any reason we fail this opportunity with our Christian young people, as a denomination we will suffer in years to come for our failure. I cannot believe that Free Will Baptists are willing through the withholding of their funds to turn any young man or woman away from the doors of Free Will Baptist Bible College.

Alumni Association

By Miss

JEAN PITTMAN, Secretary
3606 West End Ave., Nashville

"Whatever you are giving now should be doubled," Dr. Samuel Sutherland told alumni at the 1965 Alumni banquet. Dr. Sutherland, president of the Bible Institute of Los Angeles, urged loyalty of alumni in supporting the principles and purposes of the school as well as in giving.

A total of 182 alumni and guests met in the Bible College dining hall for the annual banquet. Bill McCuin and Glenda Hayes, graduating seniors, presented music for the program.

Special guests of honor were Rev. and Mrs. J. L. Welch, Rev. and Mrs. J. R. Davidson, Dr. and Mrs. L. C. Johnson, Dean Charles A. Thigpen, Dr. Sutherland, and the current graduating class.

Rev. James Miller, who served on the Board of Trustees of the College from its beginning until 1962, was extended honorary membership in the Alumni Association.

N. R. Smith was elected to the Executive Committee. The program committee for the coming year is Mrs. June Critcher, Homer Willis, and Robert Picirilli. The same slate of officers will serve again this year: Jack Paramore, president; Randy Cox, vice president; Jean Pittman, secretary-treasurer.

Alumni President Jack Paramore (left) and Bible College President and Mrs. L. C. Johnson listen to address by Dr. Sutherland (right) at the Alumni banquet.

Class Of '54 Has Reunion

The class of '54 held a reunion during the recent Bible Conference, the second reunion since its graduation. Class members and guests attended a luncheon April 6 at Belle Meade Buffet. Members attending the reunion were June Critcher, Robert Edwards, Johnnie and Ruth Floyd, Bobby and Jane Jackson, George C. Lee, James Earl Raper, Ray and Lissie Turnage, Eugene Waddell, and Sam Wilkinson.

A time of special prayer was held for two of the three missionaries from the '54 class: Evelyn Hersey in Japan and Lonnie Sparks in Africa.

1100 Attend Conference

The attendance of the recent Bible Conference reached 1100 at the Wednesday night service in the War Memorial Auditorium in downtown Nashville. As many as 700 were in attendance at services held on campus, as the 1965 Conference received one of the biggest responses in its 22-year history.

Free Will Baptists from all over the country came to the annual five-day meeting.

Dr. Samuel H. Sutherland, president of the Bible Institute of Los Angeles, in the opening service outlined the foundational facts of the Christian faith. In another message the BIOLA president described the complete Christian and illustrated the blessings of being in the hands of God by presenting the limitless space surrounding man as "our future playground."

"As far as the East is from the West," Dr. Sutherland said, "He has removed our sins. That's far enough for me! The depth of His love is measured by His descent to earth in the form of man, and the height of His love is seen in His position on the Throne."

The Rev. Guy Owens preached evangelistic sermons which met with several decisions. The 27-year-old Detroit pastor brought messages on hell, sin, and backsliding among other subjects.

The Rev. J. R. Davidson, veteran Free Will Baptist pastor, presented sermons on the mysteries of God.

Several missionaries brought greetings and special prayer requests in missionary prayer band services. Bill and Joy Jones, Sammy and June Wilkinson, Miss Eula Mae Martin, and John Moehlman spoke at the one o'clock services.

A 100-voice choir composed of present and former choir members added rich blessings to the Wednesday night service as they sang "The Hallelujah Chorus" and "Christ Returneth." The record attendance resulted from the cooperation of area churches coming together for the service at which Dr. Sutherland spoke.

Choir Tour Is Great Success

By BETTY HALLIBURTON, Senior

The day arrived at last! At 9 a.m. on Monday, March 22, a chartered bus left Free Will Baptist Bible College, for a seven-day tour across East Tennessee, North Carolina, and Virginia. The group consisted of 37 choir members, Director Don Clark, Public Relations Director Paul Kette-man, and Chaperone Peggy Jo McElhinney, member of the college office staff.

Getting Ready For The Tour

The first service at Knoxville, Tennessee, was opened with the theme song of the entire tour "Make a Joyful Sound!" Here, as in the following churches, the people had made ample provision for feeding and lodging us in their homes.

On Tuesday we traveled over the beautiful hills of Eastern Tennessee and Western North Carolina to the second service at Durham in the auditorium of a high school.

The next day, we crossed the southern part of Virginia for a service in the Bethany Free Will Baptist Church in Norfolk. Thursday we traveled to Richmond for the final service in Virginia.

The remaining services of the tour were in North Carolina: Grace Church at Greenville on Friday night; Ruth's Chapel at New Bern on Saturday night; Bethel Church at Kinston on Sunday morning; Mt. Calvary at Hookerton on Sunday afternoon; and Faith Church at Goldsboro on Sunday night.

The tour was a very successful one financially, with offerings and checks amounting to \$2789.25. But, more important, the tour was a great spiritual blessing. Each service afforded opportunity for spiritual growth and inspiration.

FROM MY DESK . . .

(Continued from Page 2)

The churches and the individual Christians across our denomination constitute the only endowment Free Will Baptist Bible College has. We only plead with you to put into our hands the necessary money to build and equip the necessary buildings to accommodate the students coming to Free Will Baptist Bible College. The next few months face us with some of our greatest opportunities and responsibilities. We need your prayers and your gifts.

GRAMERTON CHURCH INCREASES SUPPORT

Dear Dr. Johnson:

I am happy to report to you that we have increased our giving to the Bible College by \$300, making a total contribution to the College of \$900 yearly.

We are aware that the Bible College is the heart of our denominational work and if it is not supported by the churches of the Free Will Baptists it will suffer defeat; our missionary program and denomination as a whole will also die. Our trained leadership will dwindle and finally diminish. It is my hope that all other churches of our denomination will get a vision of the College need and will support it.

May the Lord bless you, the faculty, and the student body as you work for Him and the promotion of His kingdom work.

Yours in the Master's Service,

GRAMERTON

TEXAN ELECTED STUDENT LEADER

Yearbook Dedicated To Dr. Picirilli

The first copy of the 1965 LUMEN, Bible College annual, was presented to Dr. R. E. Picirilli, registrar and professor of New Testament, in chapel services April 28 by LUMEN Editor Raymond Lee.

The dedicatory message read: " . . . Every educational institution must have an administration with leadership ability, and instructors with the ability to effectively teach.

"This ability to teach effectively most definitely characterizes the man to whom this book is dedicated.

"Because of your academic achievements, inspirational teaching, good-natured personality, and faithful service to our school, we the yearbook staff dedicate the 1965 LUMEN to you . . . Dr. Robert E. Picirilli."

Senior Student Raymond Lee, Houston, Texas, was elected president of the student body for 1965-66 by students on election day, May 7. Selected to assist Lee in his duties were Vice President Jimmie Ferrell, junior, Smithfield, N. C.; Secretary-Treasurer Donna Watson, sophomore, Lowland, N. C.; and Chaplain Jackie Williams, senior, Franklin, La.

Student leaders are selected on the basis of their Christian character, attitude, contribution to student life, scholarship, and all-around leadership ability.

The student body officers have definite responsibilities in the varied student activities during the school year.

ONE AMONG US HAS GONE

I have just learned that Brother James F. Miller has gone Home, May 14. Brother Miller served on the Board of Trustees continuously from its beginning until 1961 when he requested to not be re-elected because of his age and declining health. Along with other brethren such as Brother J. R. Davidson, K. V. Shutes, George Dunbar, Melvin Bingham and J. L. Welch, Brother Miller helped chart the course of Free Will Baptist Bible College in its formative years. I personally am indebted to these brethren for the mature, experienced counsel they gave me so often in reaching decisions that safeguard the institution.

I cannot forget the trembling lower lip (a trade-mark of Brother Miller) when I was called before the Board of Education in Columbus, Mississippi in 1942 and told that God had impressed them that I was the man to be president of our school to open in September. He was moderator then. I was 28 years old. I had never thought of such a ministry. I had no ambition for it. As I recall, I did little or no praying about it. I was deeply impressed with these men and their certainty that this was God's will. I accepted on the strength of their conviction. Perhaps I should have analyzed it more for myself and prayed more. But I still have great respect for those older and more experienced than I. I have not regretted my decision.

I feel I have a great heritage, having sat under the counsel of such a man as Brother Miller and these others whom I have named.

Tupelo Church Sends \$700 Offering

The Free Will Baptist Church of East Tupelo, Mississippi, received special offerings for the Bible College during their pre-Easter revival for a total gift of \$734.05. Rev. Luther Gibson, pastor and Trustee of the Bible College, has led his church in giving strong support to the Bible College over the years. In addition to the church's special offering in April, the regular gifts from Tupelo amounted to \$192.24.

Total gifts to the Bible College general fund during April amounted to more than \$10,000, one of the best gift-income months during the year.

College officials are looking for another good month in May so that the financial operation for the current school year may be closed out with sufficient income to pay all expenses.

"Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord..." Paul's admonition to the Corinthian Christians was no doubt given because they were fickle and shallow concerning spiritual things.

A great many mature Christians are deeply concerned that along with the rise of church membership during the past several years there has been a rise in the crime rate in this country. There has never been a time in modern history when the church was as active as it is today. Huge sums of money are spent and the church is better off educationally, financially, and physically than at any other time in its history. With all of these assets, it is not being able to influence society as it did with a handful of early believers who were able to shake the Roman Empire. The average layman is wondering why he is getting so little reward and inner satisfaction from all the investment of time and money he is making to his church. The average pastor is also perplexed and wonders why his messages and his efforts are failing to feed and move the people of his congregation.

Perhaps most of us are alarmed as to why we are so insensitive to spiritual things even though we wish we were. These are days when we must be true and steadfast to the Lord in spite of the lack of revival fires which motivated our forefathers. Paul seems to be saying that in spite of a lack of emotional surges which we long for, be steadfast and unmoveable. If God chooses to give us revival fires which

THEY DID IT IN MICHIGAN!

by Paul Ketteiman

Director of Public Relations

A few months ago someone challenged the Wolverine Association of Michigan to double their last year's giving to Free Will Baptist Bible College. The pastors of the Association accepted the challenge. Recently when they met and tabulated their giving for the year they had given some \$1,300 above twice the amount they gave last year. They did it! The Wolverine Association did it! They **doubled** their giving!!

I attended their Association June 4 and felt the spirit of unity and harmony that prevailed. God blessed throughout the day. All of their reports were good. They have not robbed their home mission or foreign mission programs to give to the Bible College. Along with doubling their gifts to the College, they have shown marked acceleration in their giving to the other departments.

Since Free Will Baptists Bible College began, Wolverine Association has been represented at the College by their young people in the student body. Many faithful and fruitful laborers have gone out to serve our denomination around the world.

When you experience the fellowship and share in the spiritual blessings as I did recently, you can only conclude that the generous spirit of the Wolverine Association pays big dividends. These people are not only making an impact for God in Detroit, but in their state and around the world.

Why doesn't your association determine to share in blessings like theirs? The Wolverine doubled their giving! Why not set a goal to be generous in your association toward denominational causes! The Lord will bless your people for their generosity.

WEST END AVENUE PROPERTY PURCHASED

The purchase of a 21-room, cut-stone building from Dr. R. W. Grizzard, adjoining the present school property, has been approved by the College Board of Trustees. The \$75,000 addition is the first step in a Bible College major expansion campaign presented to the 1965 National Association. The Board of Trustees has announced plans to build a modern college plant at its present site by securing near-by properties as they become available.

The building, a massive three-story structure, is well constructed and designed, and can be easily adapted to

**NEW COLLEGE PROPERTY,

use by the school. The first floor has 12-foot ceilings, and two 12 x 24-foot rooms will be especially valuable for classroom space. Present plans are to use the building for classrooms and teachers' offices in order to relieve temporarily the crowded conditions which existed last year. A two-story, cut-stone garage, also suitable for use, is located behind the main building.

"The purchase includes an acre and a half of land and is an excellent beginning for the

expansion program," Dr. L. C. Johnson said. This added land will be the site for construction of future buildings needed by the school. The lot gives the Bible College 100 additional feet of land facing West End Avenue, one of Nashville's main thoroughfares, which is also U. S. Highway 70S. The property extends back the full width of the block 400 feet to Richland Avenue. Surrounded by a mossy three-foot high stone wall, the lot joins the school's present Haven property on the west.

Alumni Personality

Medical work among the Indians of the United States is a part of the future plans for the August alumni personality, Ronnie Winkle, M. D. Ronnie received the doctor of medicine degree from Howard University College of Medicine, Washington, D. C., in June. He is presently interning at the United States Public Health Service Hospital in Seattle, Washington.

Ronnie was born in Checotah, Okla., and later moved to Richmond, Calif., where he attended public schools. He graduated from FWBBC, *cum laude*, in 1957; attended Memphis State University, '57-59; and received the B. A. degree from the University of California, Berkeley, in 1961.

Dr. Winkle will have many opportunities in Washington to witness among seamen, fishermen, and American Indians. His future plans include a possible two or three year work among the Indians somewhere in the United States. "We are in the process now of determining where this will be and ask your prayers for guidance and wisdom to take advantage of our opportunities," says Ronnie. He and his wife, Kay, have three children: Ronald Keith, Ronna Kaye, and Richard Kevin.

200 ATTEND MEETING

Approximately 200 Bible College alumni met May 14 during the National Association in Raleigh, N. C., for a meal and time of fellowship. The main point of discussion was the alumni project. Jack Paramore, alumni president, urged members of the group to take out \$1,000 life insurance policies, making the college the beneficiary. In this way the alumni hope to raise \$100,000 as a potential endowment for the school. The Reverend L. R. Ennis of Goldsboro, N. C., former president of the Bible College, pledged \$1,000 of paid up insurance to the alumni project. To date, \$40,000 in insurance has been taken out. The response among alumni has been very favorable and there are indications that other friends of the school may be interested.

College President L. C. Johnson brought a brief message to the group before the meeting was dismissed. An offering of \$140.89 was received.

\$50,000 ENDOWMENT CREATED

The alumni of the Free Will Baptist Bible College adopted as their project for the current year the challenge of building an endowment through life insurance policies. The project immediately met with much enthusiasm. It is believed that within the first six months approximately \$50,000 has been raised in this way.

An all-out effort has been made to enlist every alumnus in this project. "We hope to get as many of the alumni as we possibly can to include Free Will Baptist Bible College in their life insurance or retirement program," stated Evangelist Jack Paramore, president of the Alumni Association. Mr. Paramore went on to say, "Most of us could bequeath the school at least \$1,000; many could do more. With 1500 alumni now on the field and more than 250 students now enrolled, the potential is tremendous. There is really no reason why we can not secure \$100,000 this year."

The project is not confined to the constituency of the Alumni Association. All interested friends of the school are encouraged to help the Bible College through this means.

The alumni president further states, "The greatest job we now have is to solidify the results. We need to hear from those who have not responded but who have made definite plans to participate in the project. We want their names and the name of the insurance company along with the amount of the bequest. Some have set aside stock or other investments for the school, and we want to know about this also. A complete report will be given at the annual alumni meeting during the Bible Conference, April 3-7, 1966."

PARAMORE TO HEAD EXPANSION CAMPAIGN

The Bible College Campus Expansion Program will be headed by Rev. Jack Paramore, Greenville, N. C., evangelist, President L. C. Johnson has announced.

"We are glad to secure the services of Mr. Paramore to head up this campaign," the College official said. "Mr. Paramore knows the Bible College and its ministry, and his experience as a member of the College quartet and as a Free Will Baptist evangelist for the past seven years enables him to present our plans and needs to the Free Will Baptist people over the various states."

Dr. Johnson further announced that recent plans by the Board of Trustees call for the expansion of the College campus in its present location in a one-million dollar program. As announced to the National Association in July, plans include the purchase of near-by land and construction of suitable buildings for a modern college plant. An academic building and one or possibly two dormitories are the first units planned, the president said. The first step in this direction was taken recently in the purchase of valuable property on West End Avenue which also adjoins the school property line on Richland Avenue. The school now owns two vacant lots which may be used for new buildings.

A 1958 graduate of the Bible College, the Rev. Mr. Paramore has been closely associated with the school for the past seven years and serves at present as president of the Alumni Association. He has been leading the Alumni project to raise \$100,000 in endowment money through an insurance program among Alumni members.

Mr. Paramore will begin his duties for the Bible College in early December. While continuing his evangelistic ministry, he will promote the expansion campaign by holding Bible Conferences, campaign rallies, and Bible College days

The first substantial gift for the new campus expansion program was sent by Ruth's Chapel Free Will Baptist Church of New Bern, N. C. Dr. L. C. Johnson, president, stated, "It is this kind of consistent, sacrificial giving that has enabled the Bible College to continue training Free Will Baptist young people for 24 years."

In a letter accompanying the check, Rev. A. L. Hines, pastor of the church, said: "God has been real good to us here at Ruth's Chapel. There is a spirit of revival in the church for which we praise the Lord . . . We are grateful for the ministry of the Bible College. It has meant much to many lives. Since we are glad to be a part of such an institution, we are enclosing in this letter a check for the amount of \$1,000 to be applied to the building fund."

Rev. Paul Kettefman, Public Relations director for the school, states, "Gifts for the month of September lack less than \$500 doubling those given during the same month last year."

The Lord hath done great things for us; whereof we are glad. With these words, David praised the Lord for the things He had done for him. He had taken this lad from the shepherd folds and had made him king. When Saul had tried to kill him on several occasions, God had protected him and prospered him in every way. Israel had grown and prospered under his leadership, and David did not forget to give God all the credit and glory for what had been accomplished. God does good things for some men and they take the glory unto themselves. Others give God the glory. Our Free Will Baptist denomination has had a new awakening in the last 25 years. It is getting to be that you are not far from a Free Will Baptist church anywhere you travel in this country. Twenty-five years ago this was not true. There were great areas of our country where there were no Free

Will Baptist churches. We thank God for our brethren who are going into these areas and beginning new works. These new churches seem to be growing faster than the old established works. As we look at the extension of our Free Will Baptist ministry into these new areas, we join with David in saying, **"The Lord hath done great things."**

Twenty-five years ago very few of our churches had adequate educational facilities. Today most of our churches have greatly improved facilities. As we look at these improvements, we can also join with David in saying, **"The Lord hath done great things."** Twenty-five years ago our missionary program was very weak. Today more is invested in this ministry than in any other within our denomination. Twenty-five years ago Free Will Baptist Bible College was not in existence. Today we have approximately 150 young men studying for the ministry within its halls and some 300 students from 30 or more states making up its student body. Within less

throughout the denomination. His work will include enlisting area workers for the campaign. Mr. Paramore said the immediate goal will be to seek one thousand donors to give \$1,000 each in raising \$1,000,000 as soon as possible.

Mrs. Paramore with their children, Sterl, 8, Hannah, 5 and Miriam, 3, will move to Nashville from Greenville, N. C., in early January.

N. C. STUDENT RECEIVES AWARD

At a regular chapel service, the Leah Waddell Memorial Fund scholarship was awarded to Jim Griffin, of Ayden, N. C., by Dr. L. C. Johnson. The \$75 award is given annually to a North Carolina student. Griffin is a member of the Liberty Church.

than a quarter of a century, Free Will Baptist Bible College has trained hundreds of pastors and practically the entire missionary force of our denomination. The investment that we have made in a training program for our pastors and missionaries and Christian young people has done more to bring about this change than perhaps any other investment. When we say that Free Will Baptist Bible College does not cost but that it pays, we are expressing a thought that is easy for any of us to see. **"The Lord hath done great things,"** and we are glad. We are glad for you who have stood with us in making this ministry possible.

MATCHING GIFTS BENEFIT SCHOOL

Nearly \$3,000 in matching gifts has been given to the Bible College in recent months. This program, sponsored by many American and Canadian corporations, matches the gift of any employee to an educational institution. Some companies, such as Ford Motor Company, even double the donation. A Ford employee in Michigan recently sent the Bible College a gift of \$500. Subsequently, a check for \$1,000 was received from his company—a gift totaling \$1,500!

A Michigan employee of the Pittsburg Plate Glass Company has obtained nearly \$600 in matching gifts for the school. A \$60 gift has been received from the Lockhart Mills in South Carolina. Pending is a \$50 gift to be sent from Burlington Industries, matching the gift of an employee from Smithfield, N. C.

EVANGELISTS ADDRESS STUDENT BODY

Evangelists Jack Paramore and Wade Jernigan delivered six stirring messages before the entire Bible College student body. Visiting on campus during September, each spoke during three regular chapel services.

Mr. Paramore preached a series of sermons on the many opportunities and obligations of Christians to occupy a place of service to Christ. His final service was concluded with over 50 students responding to an invitation to yield themselves more fully to the Lord's work.

Mr. Jernigan, home missionary to Jerome, Idaho, brought his messages along general Bible themes. Also engaged at the time in a revival at the West Nashville Church, Jernigan's preaching was a further challenge to all, and especially to the new students as they were adapting themselves to Christian commitment.

SOCIETIES CHOOSE 1965-66 LEADERS

Names like Louisa May Alcott, Christina Rossetti, and John Bunyan cause most people to think of the great fiction, poetry, and allegorical literature written by these outstanding Christians. But in the minds of Bible College students, these names conjure up visions of rush week, fellowship, and spirited competition. These are the names chosen by three of the six societies sponsored by the school for the enrichment of campus life.

In 1955 four societies were formed, the three named above and the William Jennings Bryan society. Of these four, two were for the women and two for the men. At first these proved very adequate and were successful in promoting campus spirit, but as the school continued to grow the societies became overcrowded and lost much of their flexibility. So in 1964 two more societies, the Brontes and the Pi Gamma Chis were added to accommodate the increased student body. The six societies are functioning well today, adding much to each student's spiritual, social, and academic life.

As each school year opens, the societies launch their recruiting campaigns to enlist the membership of as many new students as possible. Posters, displays, and promotion material spring up over night on the campus. Socials and special programs are sponsored by the societies as they compete for the attention of each

in-coming student. Then on the last night of "Rush Week," the new students make known their choice and enlist in that society.

But following the loud, insistent clamor of rush week, there comes a period of calm and quiet. The societies huddle together and begin laying plans for the capture of the trophies awarded at year's end to the men's and women's society that has contributed the most to campus life. The award is made on the basis of athletic achievements, academic standing, and the school spirit displayed. The competition is keen, but always in a Christian spirit. Lasting friendships begin to form and spiritual ties are bonded in the weekly **society prayer meetings**.

Through the whole year, the spirit and vigor created by the societies infects everyone, oftentimes even the faculty and administration. The contributions made by these groups are innumerable and the school life would indeed be dull and empty without them.

Students Leave For Convalescent Home Services

SCHOOL SPONSORS 33 GROUPS

"There are presently 33 Christian service groups going out from the school," reports Dr. Douglas Simpson, director of the Bible College's Christian Service Department.

Every day of the week students go out as witnesses for Christ to needy places in the city of Nashville. They visit hospitals and nursing homes, conduct Bible clubs for children, distribute tracts, and do house-to-house witnessing.

This training, the actual doing of what they have been taught, is perhaps the most valuable offered by the school.

Reports from the department for the months of September and October show:

Messages preached	360
Classes taught	380
Persons dealt with	898
Persons saved	83
Other decisions	88
Tracts distributed	5,415

Bible College officials plan to open the million-dollar campus Expansion Campaign in January of 1966. The College Board of Trustees in their regular semi-annual meeting, December 7-8, will confirm the campaign opening date and will decide on construction plans for the coming year.

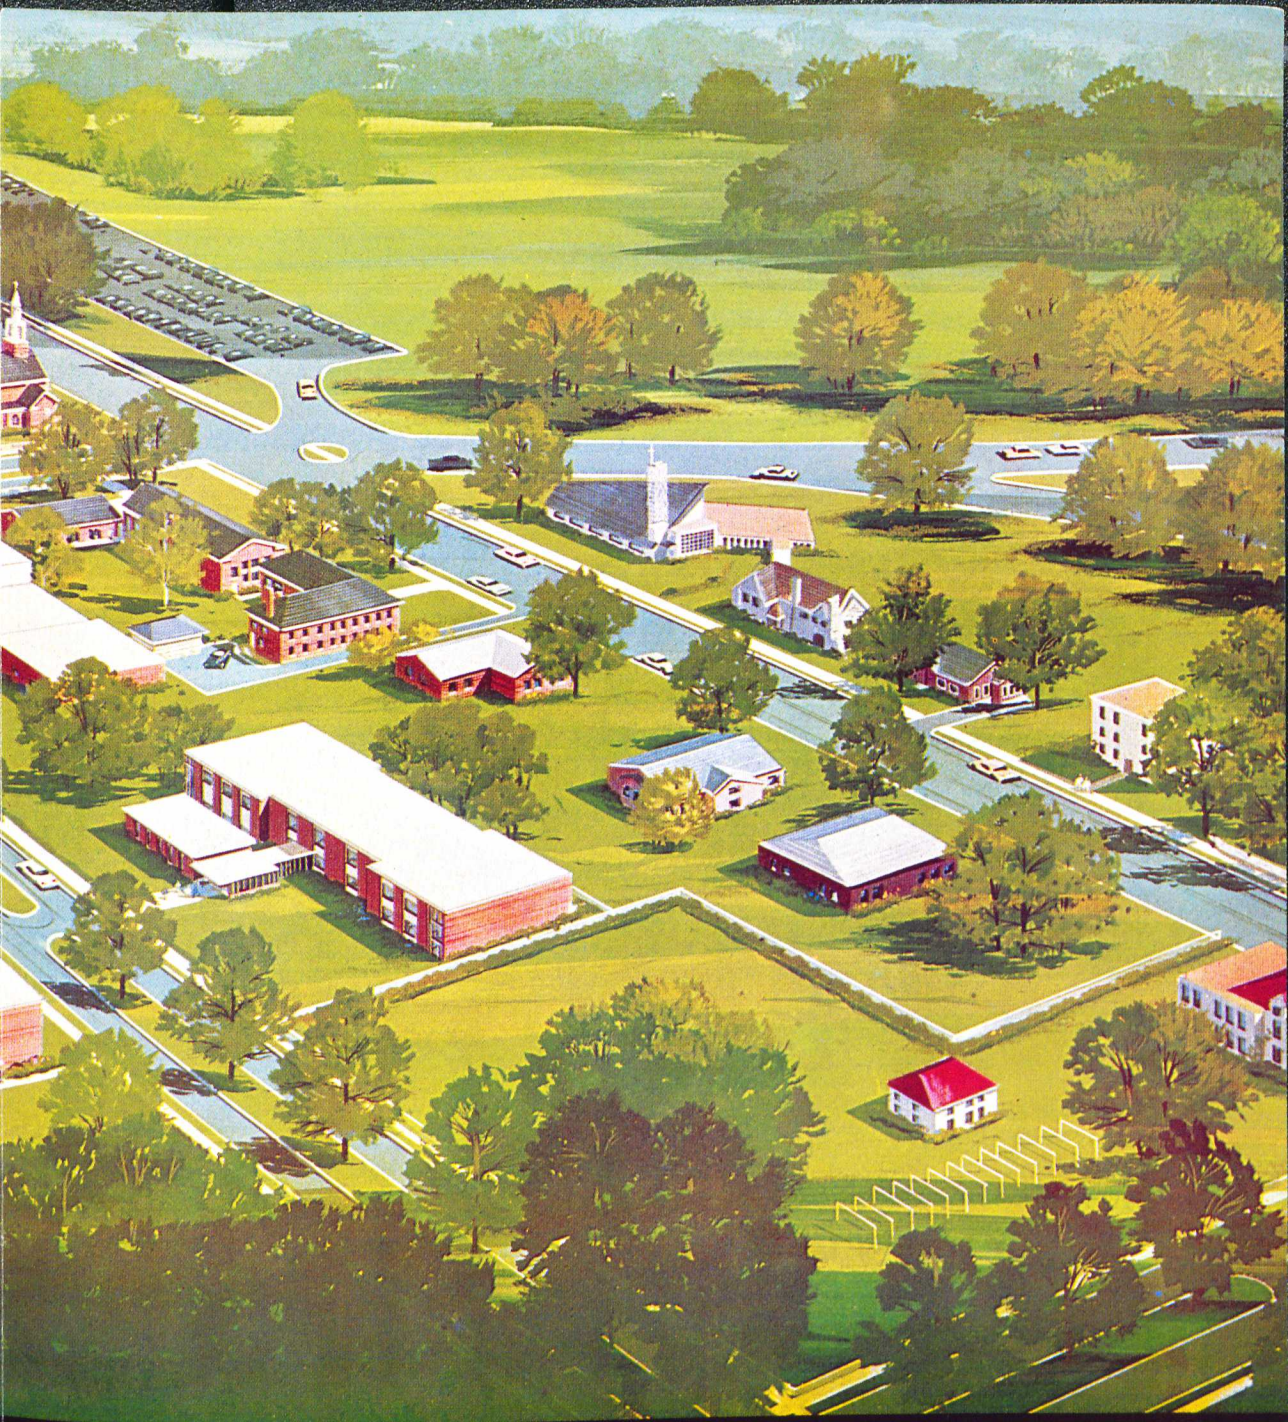

President L. C. Johnson reported that an early meeting with Rev. Jack Paramore, director of the project, would further establish the campaign plans.

Since the announcement of the campaign at the National Association last July, several churches and individuals have expressed interest in supporting the program financially. Over \$5,000 has already been given, with several more commitments from individuals. Continued support must be raised by finding 1000 individuals who will give \$1,000 each toward the \$1,000,000 project.

Present plans call for the construction of an academic building in the spring, and a men's dormitory as rapidly as the expansion program will permit.

Bible College Alumni News

JEAN PITTMAN—Secretary

ALUMNI CHOSEN "OUTSTANDING YOUNG WOMEN"

Two Bible College alumni, Miss Ruby Griffin and Miss Mary Ruth Wisheart, have been selected for inclusion in the 1965 edition of "Outstanding Young Women of America". This volume, published annually, is a biographical compilation of approximately 6,000 outstanding young women between the ages of 21 and 36.

Miss Griffin, of Calhoun City, Mississippi, attended the Bible College for two years, 1953-54. Going on to receive her M.D. degree, Dr. Griffin is now in language study in Lausanne, Switzerland, preparatory to entering Ivory Coast, Africa, as a missionary.

Miss Wisheart graduated from the Bible College in 1955 and later returned as an instructor in the English department. A native of Myrtle, Missouri, she is presently completing work on her Ph.D. degree at George Peabody College for Teachers.

The guidelines for selecting those entered as "Outstanding Young Women of America" are unselfish service to others, charitable activities, community service, professional excellence, business achievement, and civic and professional recognition.

Arkansas Alumni Set \$1,000 Goal

The Arkansas Chapter of Bible College alumni met during the Arkansas State Convention for a fellowship supper and for the purpose of discussing plans for better support of the school.

The alumni of the state agreed to raise \$1,000 by May 31, 1966, to apply to the expansion program as outlined by the College Board of Trustees. This amount is to be raised personally by the members of the Arkansas Alumni Chapter and is to be presented to the College before the above date.

In other action, the body discussed having a statewide College day to be observed by each church in order to aid in reaching the state's quota of the general fund.

Officers elected by the group were: William Mishler, president; Keith Johnson, vice-president; Dave Joslin, secretary-treasurer; and Marion Pettus, executive committee member.

Present for the meeting were 23 guests, with Rev. Paul Kettelman as special guest speaker.
