

College Announces Conference Speakers

The 1982 Bible Conference will feature four speakers, according to Dr. Robert Picirilli, dean. They are Dr. Alfred Martin, Rev. Dennis Wiggs, Rev. Joseph Jones, and Dr. Kenneth Riggs. The dates for the conference are March 7-11.

Dr. Martin, a teacher at Dallas Bible College, has been active for many years in the American Association of Bible Colleges. He was on the executive committee for 10 years and served as vice president and president. He also served two years on the Board of Directors of the Council on Postsecondary Accreditation (COPA). Dr. Martin served 31 years on the faculty of Moody Bible Institute, where he also was dean, vice president and dean of education. He has written several books and correspondence courses for Moody Press.

Rev. Wiggs has been a highly respected and successful Free Will Baptist pastor for 20 years. He currently pastors the First FWB Church of Beaufort, North Carolina. He is on the General Board of the National Association of Free Will Baptists and has been on the Board of Foreign Missions. Wiggs is a graduate of Bob Jones University and did graduate studies at Columbia Bible College.

Rev. Jones, a member of the English/

Speech faculty, has taught at FWBBC since 1967. He earned his B.A. at the college and received his B.S. and M.A. from the University of Alabama. At FWBBC, he was president of the student body and was chosen Outstanding Student for 1964-65. Jones has directed a number of outstanding dramatic productions for the college.

Dr. Riggs, Chairman of FWBBC's Teacher Education Department, has been on the school's faculty since 1971. He is recognized as an outstanding preacher and maintains an active preaching ministry. After receiving his B.A. from the Bible College, he earned an M.S. at Old Dominion University, an M.Ed. at Middle Tennessee State University, and a Ph.D. at George Peabody College.

The FWBBC Alumni Association will hold its annual meeting during the conference. Association President Gene Outland encourages alumni to attend the conference and alumni activities.

The annual conference has featured great preaching for nearly four decades. This year's meeting will continue that tradition. Plan now to be among the 1,200-1,500 who will enjoy the 1982 Bible Conference, March 7-11.

The Choral Union

Campus Drama, Music Program Highlight Christmas Season

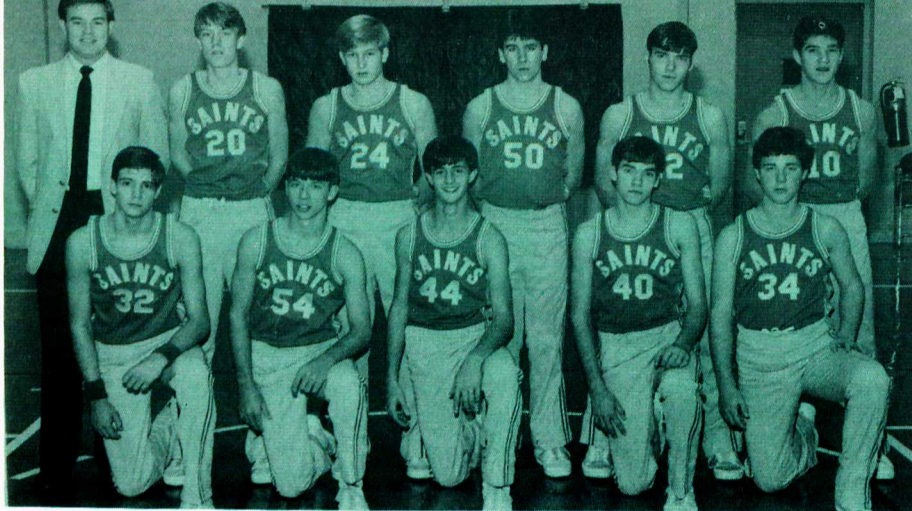

Two special programs highlighted the Christmas season at FWBBC in December. Harold G. Sliker's play, "The Other Wise Man," was presented three times on campus by the Evangel Players drama team. Then, on December 12, the Instrumental Ensemble and Choral Union presented a music program that featured selections from Handel's "Messiah."

Joseph Jones directed the moving and beautiful play, based on a short story by Henry Van Dyke, about a wise man who arrives too late at Bethlehem to worship the Christ child and spends his life searching for Him. The cast featured Randy Fosse, a senior from Marion, Illinois, in the title role.

Rodney Whaley's Instrumental Ensemble gave a rousing tribute to the season with selections from Tschaikowsky's "Nutcracker Suite" and Byer's "Christmas Spectacular." The Choral Union, directed by Dr. Vernon Whaley, is composed of students and others who wish to participate. Their voices filled Memorial Auditorium with the beautiful strains of Handel's great work. Four featured soloists—Robert Baines, Lynn Hodges, John Baker Thomas, and Vicki Whaley—were superb.

The college family is grateful for those whose time and talent combined to make this Christmas season very special.

The Florence Christian Academy Saints

Alabama Team Wins Basketball Tourney

Eight basketball teams from Free Will Baptist high schools in seven states participated in FWBCC's third High School Basketball Tournament, held on campus January 7-9. Taking first place, after three days of play and five undefeated games, were the Florence Christian Academy Saints from First FWB Church, Florence, Alabama. The Saints also won the college's first tournament, in 1979.

The Heritage Temple Hawks, from Columbus, Ohio, took second place. Third place went to the Farmington Christian Academy Warriors from Farmington, Missouri. The Van Buren Christian Academy team, Van Buren, Arkansas, was awarded the tournament's Christian Testimony Trophy.

Mark Johnson, the college athletic director said that the teams were well prepared and the competition was good. "This was probably the most balanced tournament we've had to date, in terms of competitiveness," he added.

The Florence team, coached by Bobby Montgomery, was well trained and cool under pressure, overcoming a lead held by the Heritage Hawks in the final game to take the championship, 57-53.

Randy Capps, a 5' 11" junior guard from Florence, was selected the tournament's Most Valuable Player. Seven other players were selected to join him on the All Tournament Team:

1. Kirk Addison, Liberty Christian School, Durham, NC
2. Ricky Bivens, Liberty Christian School, Durham, NC
3. Rod Hutcherson, Heritage Temple Christian School, Columbus, OH
4. Dale Kopp, Heritage Temple Christian School, Columbus, OH
5. Mark Lancaster, Randall Christian Academy, Memphis, TN
6. Joe McFarland, Farmington Christian Academy, Farmington, MO
7. David Miller, Peninsula Christian School, Newport News, VA

The tournament brought nearly 200 players, cheerleaders, and fans to the campus. Many expressed their enjoyment of meeting teams from other Free Will Baptist schools across the denomination.

Next year's tournament is scheduled for January 6-8, 1983. Florence, as this year's champion, will be invited back. Participation is limited to eight teams in order to preserve the double-elimination format. Coach Johnson says, "Invitations for next year's tournament will be going out within the next few weeks."

Fall Welcome Days Draws Record Attendance

The college's fall Welcome Days, held December 3-5, drew 255 prospective students and sponsors from 69 Free Will Baptist churches in 13 states, according to Dr. Charles Hampton, coordinator of the event. This was a record attendance for the fall session, he noted.

The largest group (15) came from Greenville, North Carolina. The most from one church was 13, who came from the Southside FWB Church of Paintsville, Kentucky. The following numbers were registered by states:

Alabama30
Colorado 1
Georgia33
Illinois 4
Indiana 8
Kentucky14
Michigan 5
Missouri11
North Carolina90
Ohio 2
South Carolina21
Tennessee32
Texas 4

The spring Welcome Days is scheduled for April 8-10. Why not bring a group of high school juniors and seniors from your church? For information, please write or call the college.

Largest Loan Fund Gift Presented to College

The largest single gift ever made to the college's student loan fund was recently received by President Charles Thigpen. Checks totaling \$10,000 were given to the college in memory of Clarence E. Coker, Sr., and in honor of Mrs. Laura Jane Coker. The Cokers are the parents of Mrs. Thigpen.

Mr. Coker, who went to be with the Lord in January 1980, was a lifelong resident of Clarendon County, South Carolina. He was a farmer and businessman until his retirement a few years before his death. Dr. Thigpen says, "Mr. Coker was a fine Christian man who lived by the principles of God's word. He was a leader in his local church, Turbeville Southern Methodist, and one of its most faithful supporters. Mrs. Coker, who survives, is a dedicated Christian who possesses a vision for the spiritual needs of men, both at home and around the world. We are honored as a college that members of the Coker family have chosen this means of honoring their parents."

Dr. Thigpen has long recognized the need for low-interest loan funds that will help financially pressed students. "This newly established loan fund will enable many young people to receive Christian training," he said.

If you are interested in establishing an honorary or memorial loan fund, please write or call the college.

Mississippi Couple Makes First Annuity Gift

The first annuity gift made to the college under the new Gift Annuity Program was given in December by Mr. and Mrs. Hubert Post of Tupelo, Mississippi, according to Public Relations Director Paul Kettelman. The Posts presented a deed to President Charles Thigpen for property valued at \$78,000.

Concerning his gift, Mr. Post said, "The Lord gave us this property many years ago. We have used it all of these years and felt it was only right that we give it back to Him. We knew of no better place to give it than to our college."

Under the Gift Annuity Program (GAP), the Posts will receive a quarterly payment from the college that is greater than the rent they had been receiving, said Mr. Kettelman. He says that they are also relieved of the responsibility of renting and maintaining the property. By giving the property to the college, rather than placing it in their wills, Mr. and Mrs. Post will save such expenses as probate costs and lawyers' fees, Kettelman observed.

On January 5, Mr. Kettelman personally delivered to the Posts the first GAP check to be issued.

If you would like information on the program, please write or call the college.

FWBBC Students Approved For Summer Missions Service

Twelve FWBBC students have been approved for service as 1982 summer missionaries, according to Rolla Smith, general director of the Foreign Missions Department. They will spend ten weeks assisting Free Will Baptist missionaries on five foreign fields.

The appointees are busy now raising funds to cover their expenses. The summer missionaries, their home states and the fields on which they will serve are listed below:

Michael Rial (OK)—Japan
Joanna Sasser (MO)—France
Ginny Reeves (MO)—France
Mark Williford (TN)—Brazil
Myron Stafford (MS)—Brazil
Daniel Felts (MO)—Brazil
Keith Stewart (VA)—Brazil
Phillip Smith (WA)—Panama
Cheri Bruner (GA)—Ivory Coast
Sarah Malone (IL)—Ivory Coast
Norman McFall (AL)—Brazil
Mr. and Mrs. Tim Coats (TN)—Panama

Rev. Smith says that the student summer missionary program serves several purposes. "The program is a means of helping the candidate and foreign missions board determine whether or not God's will for the candidate is foreign missions service." He notes that 26 Free Will Baptist missionaries formerly served as summer missionaries.

The summer missionary also lends a helping hand to his missionary host. Rev. Smith says that the work assignments vary from field to field.

Finally, the summer missionary's experience on the foreign field will leave a lifelong impression. Rev. Smith says that the experience "strengthens the candidate's commitment to Christ and fosters enthusiasm for missions...irrespective of his area of Christian service."

BIBLE CONFERENCE REPORT

"I am glad that our people have an appetite for the Word of God," said Rev. Dennis Wiggs as he addressed some 1,000 Free Will Baptists during the college's recent 1982 Bible Conference. It was apparent that he was right. As always, where you find the Bible being preached in truth and power, there you will find Free Will Baptists.

This year's conference, March 7-11, was well attended and the spirit was enthusiastic. Special music coupled with the messages to encourage the discouraged and inspire the weary.

Rev. Wiggs, pastor of the First FWB Church of Beaufort, NC, spoke four times from the Old Testament book of Jonah.

Dr. Alfred Martin, from Dallas (TX) Bible College, was also a featured speaker. His five messages ranged from Isaiah's description of the Saviour's greatness (Isa. 9:6) to Paul's description to Timothy of the believer (Soldier, Workman, Vessel and Servant, II Tim. 2) and the sufficiency of God's Word as the Christian's resource in perilous times (II Tim. 3:16-17).

Dr. Kenneth Riggs, chairman of the college's Education Department, spoke three times on the superiority of Jesus Christ as set forth in the book of Colossians. Especially

pointed was his message on the "inner sins" of believers in Colossians 3:1-14.

Rev. Joseph Jones, a member of the FWBBC English-Speech Department, preached three times on the theme "In Christ." He painted graphic pictures of the Christian's exalted position and pointed out that some 164 times in the New Testament the child of God is said to be vitally linked to the Lord Jesus Christ.

In addition to performances by a number of students and teachers in the college's Music Department, several guests brought special music during the services. Ann Thigpen Maines, daughter of President and Mrs. Charles Thigpen, sang several solos. An alumni quartet composed of Douglas Henderson, Blaine Hughes, Bill Gardner and Joe Creech was also a blessing.

The FWBBC Alumni Association met during the conference for fellowship and business. Alumni adopted a resolution reaffirming their confidence in the college and pledging anew their support.

The 1983 Bible Conference is scheduled for March 6-10. (See in this issue a list of the important FWBBC events scheduled for 1982-83.)

College Sponsors Seminar On Overhead Projector

Several hundred students and visitors attended a seminar on the use of the overhead projector that was sponsored by the college on March 1. Conducting the demonstration in the college's Memorial Auditorium was Miss Anna Sue Darkes, executive director of Faith Venture Visuals.

The challenging three-hour seminar was

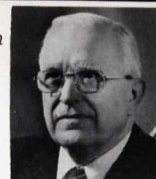

attended by elementary education students and other students who were interested in the use of the overhead. The college also invited area pastors, Christian school personnel and denominational employees, many of whom accepted.

To whet appetites for the afternoon demonstration, Miss Darkes used the overhead to bring a devotion for the whole college family in a special morning chapel service.

Dr. Kenneth Riggs, chairman of the Elementary Education Department, was pleased with both Miss Darkes' presentation and the response of those who attended. Her demonstration showed how effective the overhead projector can be as a tool for teaching in church and school.

For more information on the ministry of Faith Venture Visuals, you may contact them at Post Office Box 423, Lititz, PA 17543.

Dr. Johnson

Dr. L. C. Johnson To Bring Baccalaureate, Graduation Messages

Dr. L. C. Johnson, the college's first president and first chancellor, will preach the 1982 baccalaureate message on Sunday evening, May 9, as Free Will Baptist Bible College celebrates the completion of its 40th year, according to President Charles A. Thigpen. Dr. Johnson will also speak at commencement exercises on May 13.

Some 84 graduates are hoping to finish two-, three- and four-year programs in May. About 63 seniors anticipate the completion of Bachelor Degree programs, 11 plan to receive the three-year Christian Worker's Bible Diploma, and 10 are scheduled to complete work on the two-year Associate of Science in Business program.

Dr. Johnson served 34 years as FWBBC president before he retired from the office in June 1979. The Board of Trustees asked him to serve as chancellor of the college, which he did for two years, until June 1981.

Graduation week begins with the baccalaureate service and ends with commencement exercises. Other special events include a concert by the College Choir and a breakfast for the graduates and their families, hosted by the college.

648 Enrollment Sets New Student Record

A record 648 students enrolled at FWBBC for the 1981-82 school year, according to Registrar Charles E. Hampton. They came from 35 states and six foreign countries, his records show.

The largest number from one state is the 108 from North Carolina. Other states that are well represented in this year's student body are Tennessee (96), Alabama (61), Virginia (51).

The spring semester registration, completed in early January, saw 49 new students join returnees for a total semester enrollment of 533.

It is significant that 40% of the student body is preparing either for the preaching ministry or the mission field. Ministerial students number 175. Missions students total 86.

We thank God for this outstanding group of young people.

Christmas Project Tops \$55,000, Passes 1981 Total

Students, faculty and staff returned from Christmas holidays with nearly \$53,000 in gifts for the college, according to Public Relations Director Paul Ketteman. The funds were raised while the college family was home for the vacation and were turned in and totaled at a special chapel service held on campus January 7.

The total finally reached \$55,290.52 before the drive was officially closed, surpassing last year's total of \$53,749 by over \$1,500.

Except for \$4,500, all of the money raised has been in cash, signed monthly check-books, and corporate matching gifts. Mr. Ketteman also pointed out that raising it cost the college virtually nothing, since it was done voluntarily.

The Christmas Project receipts will help the college meet its \$580,000-general fund gift budget for 1981-82.

Daily Activities Stopped For Day of Prayer

February 10 was a Day of Prayer at Free Will Baptist Bible College. What is a Day of Prayer? Alumni are very familiar with the long-standing practice in which the administration suspends all classes and gathers the college family for a prolonged time of prayer.

On the latest Day of Prayer, everyone met in the auditorium to sing, share special needs, and hear a challenge on prayer. Then the body was broken into smaller units led by upperclassmen for a long season of prayer. As time drifted toward the lunch hour, students and college personnel reassembled in the auditorium to hear testimonies. Some testified of a closer fellowship with the Lord. Others admitted that a burden for the lost that had been fading had been renewed. Some announced calls to specific fields of Christian service.

Free Will Baptists can know that Free Will Baptist Bible College still believes in prayer and urges every student and teacher to walk close to the Lord in the fellowship of prayer.

75 Summer Interns Need Sponsoring Church

Some 75 FWBBC students will need a Free Will Baptist church in which to serve a 10-week internship this summer, says Dr. Joseph Ange, director of the internship program. The interns will include ministerial, Christian education, and music students, he adds, as well as some who are being trained in more than one of these areas.

"The cost is nominal for sponsoring an intern," he says. "Almost any church can afford a summer intern." In the past, 290 interns have served in 28 states and two foreign countries. Some churches in the newly admitted Atlantic Association (Canada) are already planning to use FWBBC students this summer.

Dr. Ange stresses the good work done by interns in the past eight summers. Reports show that they led over 1,300 people to the Lord and saw over 3,000 make other decisions.

Could you use a Bible College student this summer? To help in VBS? To assist in community visitation? If you could, write or call:

Faculty/Staff and Seniors Split Basketball Games

FWBBC faculty and seniors shared the victories in a pair of annual basketball games played Friday, February 26, in the college Activities Building, according to Athletic Director Mark Johnson.

In the women's contest, the faculty narrowly squeezed out a victory over the seniors, 33-30. Debra Moore proved that English/Speech are not her only specialties as she scored 16 points for the teachers. Senior Kim Stegall led her squad with 10 points.

While the men's game was spirited, the outcome was never really in doubt as the seniors led the way to a 71-54 victory. Mark Riggs scored 18 points, leading all seniors. Jeff Gaskins, ably assisting the faculty team, scored 21.

These games have become an annual finale to the campus basketball season, and are looked forward to by both spectators and players.

Graduate School On Schedule, Areas of Study Outlined

Plans for the new Graduate School are taking shape well, according to President Charles A. Thigpen. He sees no barrier to opening the school on schedule in August 1982. Seven students—all FWBBC graduates who live in the Nashville area—have enrolled in the first Graduate School courses, which were taught by Dr. Robert Woodard during the fall and spring semesters of this school year.

The school will open with a one-year program for ministerial students who have already completed an undergraduate major in Bible. The graduate program will lead to a master's degree in pastoral studies. Eight major subject areas will be covered in the program, according to FWBBC Dean Robert Picirilli. These areas will be broken down into specific courses which will be announced later. The eight areas are:

OLD TESTAMENT—A Biblical theology approach will be taken. The Old Testament will be dealt with as a whole and theological themes will be studied in selected books/portions. Attention will be given to the covenants as providing the basic framework for the progress of revelation.

NEW TESTAMENT—The approach will be Biblical exegesis. Methods of exegesis will be studied and selected portions will be exegeted. The goal is to provide a foundation for the Biblical/expository preaching of the New Testament.

SYSTEMATIC THEOLOGY—The Arminian and Calvinistic systems, as well as the other conservative views, will be compared.

BIBLICAL PREACHING—The preparation

and delivery of expository messages will be featured. The emphasis will be on careful interpretation and application of the Word. Methods of Bible study also will be treated.

PASTORAL LEADERSHIP/CHURCH DEVELOPMENT—This study will view the Biblical concept of the ministry, interpersonal relationships, various philosophies of church growth, and church administration, including church finances.

BIBLICAL COUNSELING—This study area will include both one-on-one counseling and the preaching and church life that meets people's needs. The Biblical teachings on personality will be examined. Practical counseling experience may be included.

CHURCH HISTORY—The history of the Church in its post-reformation period, especially in America, will be studied.

APOLOGETICS/CONTEMPORARY THOUGHT—Biblical teachings will be set in and against current thought patterns. The perspective will be Biblical/theological, rather than philosophical. Defense against various forms of Biblical criticism may be included.

Financial support for the Graduate School has been fair, according to Dr. Thigpen. Over \$147,000 in gifts and commitments had come in through February, including 65 Founder's Club gifts of \$1,000 or more. Dr. Thigpen estimates that it will cost \$250,000 to launch the Graduate School.

Please pray as final plans are laid. Pray for the Graduate School's teachers and administrators. Pray that students will be led to enroll. Pray for property and for financial support. And pray that God will use the young men who are trained to do a great work for Him.

1982 Summer School Includes Three Sessions

Whether you are a pastor who wants to "whet his sword," an alumnus who would like to pick up a course you missed, or a prospective student who wants to sample FWBBC, you can get it during the college's 1982 Summer School. NC Church Makes Record College Day Gift

Parker's Chapel FWB Church, Greenville, NC, raised \$16,034 for FWBBC on November 29 in the first attempt the church has ever made to hold a College Day. Rev. Jim Nason, pastor, challenged his congregation to designate \$5,000 from the treasury for the college and to raise a matching sum in offerings, for a total of \$10,000. The people responded with offerings that more than doubled the amount he challenged them to raise.

President Charles Thigpen, who was guest speaker at the church for College Day, commended Rev. Nason and his people. "This is the largest amount ever raised by one of our churches on its first College Day," he said. "We are deeply grateful to our many friends at Parker's Chapel and for the leadership of Pastor Nason."

Your church could also have a College Day for Free Will Baptist Bible College. Please contact the college for information or materials.

Excellent Sales Reported For New Choir Album

Although it has only been available for a few weeks, "Well With My Soul," the newest album by the College Choir, has sold very well, according to Rex Maynard, manager of the college store. "At the close of Bible Conference, we had already sold over 500 albums," he says. In addition to Bible Conference guests, a number of records have been purchased by students and FWBBC personnel. Spring choir and drama tours after the conference were also helpful in boosting sales.

College Graduates 40th Anniversary Class

Seventy-five graduates received degrees and diplomas at the college's 1982 Commencement Exercise held on campus May 13, bringing to a close the school's 40th year of ministry. Dr. L. C. Johnson, the first president and only chancellor of the school, delivered the baccalaureate message on Sunday evening, May 9, and brought a graduation challenge on Thursday, May 13.

President Charles A. Thigpen felt it appropriate that the founding president bring the 40th anniversary baccalaureate message. He described a college as "the extension of someone's vision." In the case of Free Will Baptist Bible College, that vision was uniquely Dr. Johnson's.

Taking his text from Genesis 1:31, Dr. Johnson described the Christian life as pleasing to God, satisfying to the individual, and beautiful to others.

In his graduation address, Dr. Johnson recommitted the college to academic and spiritual excellence, to a strong emphasis on Biblical evangelism, to a continued adherence to Biblical standards, and "to Biblical principles of pastoral administration that recognize the dignity and priesthood of every believer."

Twenty-nine graduates received the Bachelor of Arts Degree, 25 the Bachelor of Science Degree, 14 the three-year Christian Worker's Bible Diploma, and seven the two-year Associate of Science in Business Degree. One of the largest graduation crowds ever assembled in the activities building witnessed the event.

President Thigpen Announces Faculty Changes for 1982-83

Two teachers announced at the close of this school year that they will be leaving the Bible College to minister elsewhere, and President Charles A. Thigpen announced the addition of a new teacher for the 1982-83 school year. Dr. Joseph Ange and Dr. Lillian Huffman have resigned from the faculty and Rev. Bobby Aycock will soon be joining the college.

Dr. Ange closes 10 years of dedicated service to the college as Director of Religious Activities and Christian Service. He has served as campus pastor and has effectively supervised the witnessing outreach of hundreds of students each year. Dr. and Mrs. Ange will continue to live in Nashville, which will serve as headquarters for a full time evangelistic ministry Dr. Ange has begun.

Dr. Huffman joined the FWBBC Teacher Education Department in 1976, when the new department was in its infancy. She has contributed significantly to the college's teacher training program. She plans to remain in the Nashville area.

Bobby Aycock has returned from Brazil after 21 years of missionary service, to teach missions at the college. He is originally from North Carolina and graduated from FWBBC in 1957. This summer he is preparing for his new role as teacher by studying at Trinity Evangelical Divinity School. Rev. Aycock will begin as full time missions instructor for the college this fall.

Ambassador Chorale To Perform At National Association

A 15-member vocal ensemble, The Ambassador Chorale, will represent the college at several services during the National Association of Free Will Baptists meeting in Fort Worth this summer. The group will also hold services as it works its way west prior to the meeting. Dr. Vernon Whaley will direct the ensemble.

Spring Welcome Days Sets Attendance Record

A record number of prospective students and their sponsors graced the FWBBC campus during spring Welcome Days, April 8-10, according to Dr. Charles Hampton, coordinator of the semi annual event. The 356 visitors came from 96 churches in 20 states to sample the Bible College.

Following their visit, President Charles A. Thigpen said, "It is thrilling to know that there are hundreds of young people who want to learn more about the ministry of Free Will Baptist Bible College."

Welcome Days will fall next school year on December 2-4, 1982, and April 7-9, 1983. Please write the college for more information:

College Purchases New Richland Avenue Property

3503 Richland Avenue
COST: \$87,000

3517 Richland Avenue
COST: \$75,000

3519 Richland Avenue
COST: \$102,500

The Bible College recently bought three pieces of property on Richland Avenue, east of the campus, for \$264,500. This includes three existing brick buildings that, for the time being, will be rented to married students. Eventually, the buildings could be used to house up to 46 single students, if the college's enrollment makes it necessary to add more dormitory space.

The addition of the new property is part of the college's general expansion plan. Property to the west and north of the college is to remain residential, according to city zoning codes, so the logical direction in which to expand the campus is east.

Development Director Ronald Creech has shouldered the responsibility of raising the funds to underwrite the purchase. If you would like to help, please designate your gift to the FWBBC building fund.

\$41,230 Given To Bible College In Matching Gift Programs

In 1981-82, FWBBC received more money in corporate matching gifts than it did from nearly 90% of the states that support the college! Only four states—Alabama, North Carolina, South Carolina and Tennessee—exceeded the \$41,230.27 that came from 67 companies that matched their employees' gifts to the college.

The number of companies sending matching gifts to FWBBC is up by 20 from 1980-81; the total amount of matching gifts is \$13,775 higher.

Over 800 companies in the U.S. and Canada match gifts their employees make to educational institutions. Some match dollar for dollar. Others double, and even triple, the amount given by an employee.

The procedure is simple. It usually requires only that the employee fill out a form recording his gift. The college verifies that it has

received the gift and the company matches it. Simple!

To see if you work for a matching gift company, check with your personnel office.

Or, you may write the college for a list of matching gift companies. Do it today! You *could* double your giving to FWBBC without it costing you one more cent!

A record \$715,473.87 in gifts to the college's general and building funds was reported recently for the 1981-82 fiscal year. President Charles A. Thigpen thanked Free Will Baptists for their generous support for their college when he addressed the denomination's representatives at the National Association of Free Will Baptists, meeting in Fort Worth, Texas.

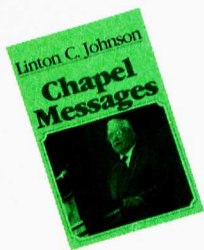

General fund gifts, which help to cover day-to-day operating expenses, totaled \$571,144.12. This fell just barely short of the \$580,000-gift budget adopted for the year. Eight states exceeded their gift quotas for the year: California (109%), Colorado (135%), Georgia (104%), Minnesota (117%), Nebraska (129%), North Carolina (121%), South Carolina (104%), and Tennessee (115%). North Carolina led all states in support for both the general fund (\$102,460.44) and the building fund (\$79,514.88) for a total of \$181,974.88 (about 25% of the total gift income for the year). The college's board of trustees has set the 1982-83 general fund gift budget at \$600,000.

The building fund also enjoyed healthy support for the year, receiving \$144,329.75.

Dr. Johnson's Chapel Messages Published By Randall House

Fifteen of Dr. L. C. Johnson's best chapel messages have been published in a paperback book by Randall House. Appropriately titled *Chapel Messages*, the volume includes such memorable sermons by the former president as "How To Tame A Lion," "Bulldog Tenacity," and "Straight Talk To Girls."

The book was released at the National Association in Fort Worth. The messages were taken from actual chapel tapes and edited into a highly readable form by Randall House personnel. The practical advice and homespun wisdom that have characterized Dr. Johnson have been carefully preserved. Many Free Will Baptists, especially alumni, will want to order a copy.

The book sells for \$3.95. Copies may be ordered from Randall House, P.O. Box 17306, Nashville, TN 37217. Please add \$1.00 for mail orders totaling \$10 or less.

Public Relations Staffer Returns To Pastorate

Rev. Larry Hughes, who has served as a public relations representative for the college since July 1981, recently resigned from the staff to accept the pastorate of the Cross Timbers FWB Church in Nashville.

Hughes came to the college from the Canton (NC) FWB Church to promote College Days among our churches. He also helped to increase the college's receipts from corporate matching gift programs. He expresses gratitude for every pastor and church with whom he was privileged to visit during the past year.

Summarizing his reasons for leaving the staff, Hughes said that he felt the strong leadership of the Lord back to the pastoral ministry, which has always been his first love. He also said that his family needed him at home more than his responsibilities for the college permitted. "My deep appreciation goes to those at FWBBC for allowing me to serve this year," he said recently. "After a year of being on the inside, I appreciate her ministry and those who serve here even more," he added. Mrs. Hughes, who directs the campus health service, will continue to work for the college.

President Charles A. Thigpen says, "Brother Hughes has done a fine job for the school this year. We hate to lose him. He has served effectively and with distinction." He described Mrs. Hughes as "an invaluable addition to our student services."

Mr. Hughes assumed his new pastoral duties in early August.

Canton FWB Church Does It Again!

Does *what* again?

Breaks *another* College Day fund-raising record!

This year, the western North Carolina church set a goal of \$25,000 to be raised during its annual Walk-A-Thon/College Day weekend, June 12-13. But, reports Rev. Harvey Dupree, pastor of the church, when individual and corporate matching gifts were totaled they came to \$26,829!

Rev. Larry Hughes, who pastored the Canton Church before he came to work in the college Public Relations Office, returned to Canton to represent the school for the drive. He was one of 51 Rev. Dupree reports participated in the 10-mile Saturday Walk-A-Thon.

In nine years, the Canton Church has raised over \$107,000 for Free Will Baptist Bible College, in addition to regular monthly support, by conducting Walk-A-Thons and holding College Days. The total raised each year has grown from \$2,500 in 1974 to this year's record amount. Every year the church has set a new, higher goal for itself, and has broken its goal every time.

The college deeply appreciates the people of this outstanding church.

Students Reap 3,000 Decisions In Christian Service Activities

During eight months of the 1981-82 school year (September through April), FWBBC students led 1,347 people to Christ and saw 1,745 others make various decisions, according to the Christian Service Department.

Students gave out 103,000 tracts during the year, over 14,500 in April alone, as they took their classroom training into the streets, churches, and public institutions where they witnessed for Christ. Students preached 2,700 messages, rendered over 6,000 musical numbers, and dealt with more than 16,000 people about spiritual needs.

Christian service is required of every student at FWBBC. The college concentrates on developing every young person it enrolls into a confident soulwinner and witness.

Pray for the ministry of each student as the college begins its 41st year this month.

The Ambassadors

The Evangels

Student Groups Featured At National FWB Convention

Two student performing groups were included in the program of the National Association of FWB, which met July 18-22 in Fort Worth, Texas. The Ambassadors, a 14-voice ensemble, and The Evangels, a three-man drama team, represented the college several times during the convention and at the National Youth Conference, which was held at the same time.

In addition to performing, the students worked at the FWBBC booth, where they met many prospective students who expressed a keen interest in attending the college.

Her Classroom Was Her Mission Field

Phyllis Ann Rivers, who went to be with the Lord on June 19, after battling cancer for many months, told the Lord in July 1962, "I will serve You on any field You choose for me." The occasion for that decision was the Wednesday evening service of the National Association of Free Will Baptists, meeting that year in Nashville.

Two years before, she came to Nashville from her position with Ashland Oil Company to chair the college's new Business Department. She was enthusiastic in her work; tireless in her efforts to train good business students. But, she may have wondered, was this truly the ultimate place of Christian service for her? Could God be asking her to leave her home and her two aging parents to serve Him on a foreign field?

Those who knew and watched her have no doubts. Her mission field was the students she taught. In a memorial service held June 20 at Horton Heights FWB Church, where she was a member, President Charles Thigpen described her from Mark 14:8, "She hath done what she could." Rev. Paul F. Hall, her pastor, and Rev. Harold Critcher, her former pastor, praised her faithful, dedicated service to her local church as she directed social events and helped to bring people to church.

On June 22, having finished ministering on her "mission field," Phyllis Rivers was laid to rest beside her mother in Paintsville, Kentucky.

President Thigpen says of her:

Phyllis Rivers served Free Will Baptist Bible College well for 22 years. She was dedicated to her work and loyal to the college. She had a deep love and special appreciation for each student. Really, her work was her *ministry*.

We thank God for her life, her work and her example. She will be greatly missed by all of us at the college.

(The college has established The Phyllis Rivers Memorial Student Loan Fund to help meet the needs of financially pressed students. Some of these young people will not be able to receive the Christian education Miss Rivers devoted her life to providing without some source of help. This semester there are 268 men and 242 women in the student body. Of these, 379 are single and 131 are married.

By classes, the college enrolled 183 freshmen, 137 sophomores, 93 juniors, 75 seniors and 22 special students.

There are 117 ministerial students and 74 missions students in the student body.

New Teachers Added To Fill Faculty Vacancies

Four new teachers have recently joined the FWBBC faculty, according to Dr. Robert Picirilli, dean. The new additions are Rev. Bobby Aycock (whose hiring was announced in the May/June **Bulletin**), Rev. Ray Lewis, Mrs. Ann Pate and Rev. Garnett Reid.

Rev. Aycock, who served for 21 years as a missionary to Brazil, will teach missions courses. He graduated from FWBBC in 1957, took graduate work at Bob Jones University, and is continuing his study at Trinity Evangelical Divinity School. His wife, Sue, has joined the staff as secretary to the registrar.

Rev. Lewis is teaching business, replacing Miss Phyllis Rivers, who went to be with the Lord during the summer. He is a 1976 FWBBC graduate, and earned a degree in business at Pembroke State University before coming to Nashville. He has pastored in North Carolina and Alabama, and has taught at Liberty Christian School in Durham, NC, and at Tennessee Valley Community College in Tuscaloosa, AL.

Rev. Reid resigned the pastorate of the Cross Timbers FWB Church in Nashville to direct the college's Christian Service Department and to teach Bible and homiletics. He graduated from FWBBC, summa cum laude, in 1977 and received his Master's in Bible at Bob Jones University in 1978.

Mrs. Pate has joined the college's Teacher Education Department. She has taught six years in the Metropolitan Nashville Public School system. After attending FWBBC for two years, she earned her B.S. in 1967 and her M.A. in 1969 at the George Peabody College for Teachers.

In addition to these four new full-time teachers, Mrs. Judy Simpson, who teaches at Tennessee State University, will teach English part time at FWBBC this semester.

President Charles A. Thigpen says, "We are grateful for the years of pastoral experience, missionary work and teaching that these bring with them to our faculty."

Dr. Picirilli also announced that Miss Debra Moore, who has taught in the college's English/Speech Department since 1977, resigned from the faculty during the summer.

We welcome these new members to the Bible College family and trust that you will pray for them as they begin this new ministry.

Additions, Changes Announced In Staff Positions

Several staff additions and changes were recently announced by Treasurer E. B. McDonald as the Bible College began a new year.

Mrs. Sue Aycock, wife of Rev. Bobby Aycock, has become secretary to the registrar.

Jeff Gaskins, who began working for the college late last school year, has returned to serve as a men's dormitory supervisor.

Miss Darla Jolly, a 1982 FWBBC business graduate, is serving as secretary to the student deans.

A change was announced for Mrs. Clara Picirilli. She has moved from the position of dining hall hostess to the Christian Service Department, where she is secretary to the director.

Red Cross Credits FWBBC With 127 Blood Donations

The college's fall blood drive for the Red Cross saw 155 volunteers present themselves to give blood on September 21, according to Bert Tippet, coordinator. Of these, 127 were able to give blood, 36 for the first time.

The drive brought the number of pints given to nearly 1,500 since the college began holding the semi-annual event in 1976.

Red Cross personnel have often praised the students and teachers for their willing spirit and cooperative attitude.

Giving blood is one more way the people at FWBBC say to the world "We care!"

Nine Men Enrolled As Graduate School Opens

Nine students enrolled for graduate studies this fall when FWBBC officially opened its new graduate school, according to Dr. Robert Picirilli, dean. This is approximately the same number of students that enrolled when FWBBC first opened its doors to undergraduates 40 years ago. Serving with Dr. Picirilli on the faculty are Dr. Robert Woodard and Rev. Ralph Hampton.

The one-year course of study leads to a Master of Arts in Pastoral Studies. The fall semester curriculum includes classes in Old Testament Theology, Modern Church History, Biblical Preaching, and Traditional Theological Systems.

All graduate school classes and special activities are centered in the Patton II building on West End Avenue.

By the grace of God, the graduate school will give to Free Will Baptists new preachers, better trained than ever before.

Pray for the graduate school. Designate your special gifts to the FWBBC graduate school.

Three Trustees Elected By National Association

Two new trustees were chosen for the FWBCC board, and one was re-elected when delegates met for the National Association of FWB at Fort Worth in July. Rev. Bob Ketchum and Rev. Lewis Perry were chosen to serve their first six-year terms and Rev. Tom Malone was elected for his second term.

Rev. Ketchum pastors the Grace FWB Church of Broken Arrow, OK. The Oklahoma native has also pastored in Tennessee and served as a full-time evangelist. Ketchum is a member of the Oklahoma State Mission Board and has served on the State Sunday School Board.

Rev. Perry, also a native of Oklahoma, pastors the Victory FWB Church in East Wenatchee, WA. His 25 years in the ministry have included other pastorates in Oklahoma, Alabama, Nebraska and Idaho. He has served on the FWB Sunday School Board and on the Executive Committee of the National Association of FWB.

Rev. Malone, pastor of the First FWB Church of Florence, AL, was recently elected chairman of the FWBCC board. In addition to extensive experience as pastor and evangelist, the Illinois native served for several years with the college's Office of Development.

All three trustees are FWBCC alumni. Ketchum and Perry graduated in 1962 and Malone graduated in 1963.

Church Ads Vital To Yearbook's Success

For many years, the publication of FWBCC's yearbook, *The Lumen*, has depended on the support of FWB churches. This support has come through the purchase of ads.

Last year, each student who received a copy of the 1982 *Lumen* paid \$12. The actual cost of the book was just under \$20. Who paid the difference? Those churches that bought yearbook ads.

Those whose churches appear in each edition of the *Lumen* are showing their support and encouragement for FWBCC students. They are also associating themselves with other outstanding FWB Churches.

Ads are available as follows:

Full Page \$90
Half Page \$50
Quarter Page \$30

A free copy of the *Lumen* will be sent to all full- and half-page ad subscribers. Pictures may be used with all ads.

All ads to be used in the 1983 *Lumen* must be submitted by December 1, 1982. Send your ad to:

Conference To Present Foreign Missions Ministry

Foreign missionaries Mrs. Mabel Willey, Rev. Carlisle Hanna and Rev. Norman Richards will challenge FWBCC students and other college personnel during the annual missionary conference, to be held on campus November 1-3. General Director Rolla Smith and Associate Director Eugene Waddell will also speak.

"Mom" Willey, one of the denomination's pioneer missionaries, spent much of her life laboring in Panama and Cuba with her husband, Thomas. She will report on her recent two-week visit to Cuba and the Christians there.

Rev. Hanna, with his wife, Marie, has spent some 30 years in India. They are the last FWB missionaries ministering in that land of lost multitudes. Both are FWBCC alumni.

Rev. Richards, a 1961 FWBCC alumnus, has completed three terms of service in Ivory Coast, West Africa. With his wife, Bessie, he has established a strong, growing work there.

Rev. Smith, after years of successful pastoral ministry, characterized by a burden for missions, assumed the post of general director in 1975. Since then, he has visited nearly every field where FWB missionaries labor, and has shared his burden in scores of FWB churches.

Rev. Waddell, after nearly 20 years of service on the Foreign Missions Board, joined the department in 1981. During his years as a pastor, he always kept the burden of world evangelism before his people.

The conference will open with Sunday and Monday evening services, and will take in the full day on Tuesday and Wednesday. Please pray that the entire college family will find a renewed burden for the lost and that many will answer God's call to service.

Fall Welcome Days Features "Amahl" Production

Prospective FWBCC students and their sponsors will be treated to a special presentation of Gian-Carlo Menotti's Christmas opera, "Amahl and The Night Visitors," when they visit the college during **Welcome Days**, December 2-4, according to Dr. Charles Hampton, coordinator of the event. Other activities will include classroom visits, basketball games, and a variety program.

"Amahl" will be presented on Thursday night of Welcome Days and is a joint production of the FWBCC Music and Speech Departments. The one-act opera is the first ever commissioned especially for television, and was first presented on December 24, 1951.

President To Visit Alumni On Mission Fields

President Charles A. Thigpen will visit FWBCC alumni who are serving on the mission fields of Brazil and Uruguay when he takes a three-week tour of their ministries, November 15 to December 4, his office has announced. The tour, which has been approved by the board of trustees, will give Dr. Thigpen a first-hand view of the life and labors of former students who are ministering on these fields. Dr. Thigpen says that he expects to be able to better challenge present students with the needs of the foreign field when he returns.

Please pray for a safe and profitable journey for Dr. Thigpen.

Rev. Hanna

Kentucky Pastor To Hold Fall Campus Revival

The Reverend Billy Hanna, a 1973 FWBCC graduate who pastors the Trinity FWB Church of Bowling Green, Kentucky, will conduct the fall campus revival, October 6-10, according to President Charles A. Thigpen. Reverend Hanna is a native of Pamplico, South Carolina, and also pastored the First FWB Church of Savannah, Georgia.

Services will be held in the college's Memorial Auditorium. The revival will begin with Wednesday morning chapel and will close on Sunday evening.

Your prayers for the campus revival will be appreciated and may be vital to a rich outpouring of God's spirit on the college and the denomination.

Dr. Thigpen, Dr. Riggs On AABC Program

President Charles A. Thigpen and Dr. Kenneth Riggs, chairman of the Teacher Education Department, will participate in the program of the American Association of Bible Colleges (AABC), meeting October 28-30 in Kansas City. This is the 36th annual meeting of the AABC, which accredits some 96 Bible colleges in the United States and Canada.

Dr. Thigpen will moderate a group session in which administrative topics will be discussed. Some of the subjects to be addressed are Growth During Adversity, Fund Raising, and Denominational Financial Accountability. Dr. Thigpen is a member of AABC's board of directors.

Dr. Riggs has been asked to speak at a session involving teacher education personnel on the subject, "State Requirements in Teacher Education." He will also moderate the discussion to follow.

Free Will Baptist Bible College has been a member of AABC since 1958.

Christmas Project Goal Set At \$50,000

FWBCC students and the members of the college family will be trying to raise \$50,000 for the college general fund during the Christmas break. The goal, which was set by Public Relations Director Paul Kettelman, is eight percent of the \$600,000-gift budget he is responsible to raise in the 1982-83 fiscal year.

In the last six years, the Christmas project has grown tenfold, from \$5,500 raised in 1976 to more than \$55,000 last year.

Your cooperation this year is especially important if the \$600,000-gift budget is to be met. Please sign a checkbook or make a gift to the project if a student or other member of the college family approaches you. Or, you may send a special gift to the college marked "Christmas Project." Your support is deeply appreciated.

Seven Christian Schools To Vie In Third Basketball Tourney

Teams from seven FWB high schools in five states will compete January 6-8 on campus in the college's third annual basketball tournament, according to FWBBC coach Mark Johnson. In the past, the tournament has brought scores of young people together to enjoy the competition and fellowship.

The following schools will compete this year:

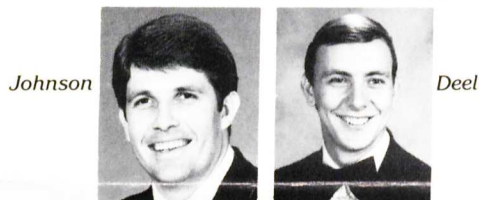

Farmington Christian, Farmington, MO
 Florence Christian, Florence, AL
 Heritage Temple Christian, Columbus, OH

Replacing him is Byron Deel, a 1981 FWBBC graduate, who is completing his Master's degree in physical education at Middle Tennessee State University. The changes will take place at the end of the fall semester, in mid December.

Coach Johnson, son of Dr. and Mrs. L. C. Johnson, is the first full-time athletic director to serve the college. An alumnus of FWBBC, he earned his B.S. and M.Ed. in

physical education at Middle Tennessee State University. His new work as disaster preparedness and unit training officer, will place him in charge of the training of some 1,500 men. His responsibility will be to prepare them for the possibility of nuclear and biological warfare, natural disasters, and the rescue of people from downed aircraft. He says that he also looks forward to opportunities to minister to the spiritual needs of the men with whom he will work.

Mr. Deel graduated from FWBBC with a B.S. in Bible and elementary education. In addition to pursuing his studies at MTSU, he has worked as a graduate teaching assistant at the university and has served as a substitute teacher in Rutherford County schools. He will assume his duties for the Bible College when the spring semester begins in January.

Dr. Charles Ryrie, noted author, educator and Bible scholar, will bring four messages during the college's 1983 Bible Conference, March 6-10, says Dr. Robert Picirilli, dean of the school. The conference will also feature Rev. Ben Scott, Rev. Sam Truett and Rev. Jonathan Thigpen.

Dr. Ryrie is Professor of Systematic Theology at Dallas Theological Seminary and the author of the popular Ryrie Study Bible and numerous books. He was ordained at the First Baptist Church of Alton, Illinois. He earned his A.B. at Haverford College, his Th.M. and Th.D. at Dallas Theological Seminary, and his Ph.D. at the University of Edinburgh. In addition to his association with Dallas Seminary, Dr. Ryrie has taught at Midwest Bible and Missionary Institute, at Westmont College, and served as president of Philadelphia College of Bible. He has served since 1962 as Professor of Systematic Theology at Dallas.

Rev. Scott, who is in his 11th year as pastor of the First FWB Church of North Little Rock, Arkansas, has been preaching for 38 years. His pastorates also include churches in his native Missouri and in Oklahoma. Mr. Scott served for 12 years as a trustee of FWBBC. His wife, Genelle, is in her second term as president of the Woman's National Auxiliary Convention (WNAC). The Scotts have three sons: Randy, Fred, and Len. Rev. Scott will speak four times during the conference.

Rev. Truett is a native of Florence, South

Carolina, and presently pastors the West Calvary FWB Church of Smithfield, North Carolina. He has served as treasurer, clerk and assistant moderator of the North Carolina State Association of Free Will Baptists. After attending the University of South Carolina (Florence), he earned his B.A. at Bob Jones University. He has also done graduate study at BJU. His pastoral ministry spans 15 years and includes churches in North and South Carolina. He and his wife, Anne, have one son, Chris. Mr. Truett is scheduled to preach four times during the conference.

Rev. Thigpen, son of FWBBC President and Mrs. Charles A. Thigpen, teaches in the area of Christian education in the Bible College's Department of Christian Ministries. After earning his B.A. at FWBBC, he received an M.R.E. from Temple Baptist Theological Seminary. Before joining the college's faculty in 1980, he served as Christian Education Consultant for Randall House Publications. For five years he was coordinator of the National FWB Youth Conference. He and his wife, Yvonne, have one daughter, Jessica. Mr. Thigpen is scheduled to preach three times.

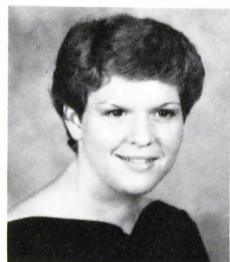

Rev. Gene Outland, president of the FWBBC Alumni Association, is planning activities for former students, who always enjoy returning to the college during Bible Conference.

Free Will Baptists are invited and encouraged to attend the 1983 Bible Conference. Prayer support is urged from those who will attend and those who cannot.

Music Department Retreat Proves Special Blessing

The annual retreat for music students, held each fall at Camp Na-Co-Me, southwest of Nashville, provides a full weekend for concentrated rehearsals of special music programs. But it is also a time for the students and teachers who attend to seek a special touch from the Lord that makes their music meaningful.

On October 22-24, 143 teachers and students attended the 12th annual music retreat. Members of the College Choir and Mixed Chorus worked on music for the Missionary Conference, a presentation of Saint-Saen's "Christmas Oratorio," and Menotti's "Amahl and The Night Visitors."

In addition to large chunks of rehearsal time, the schedule was generously sprinkled with times for testimonies, Bible classes, relaxation, and vespers. Dr. Vernon Whaley, Music Department coordinator, taught three lessons from the Book of James. Richard McDonald and Rodney Whaley, teachers in the department, also conducted services. The result: A large number of students yielded themselves for full-time Christian service and renewed commitments to live holy lives.

"Music retreat is more than a scheduled rehearsal," says Dr. Whaley. "We are interested in developing our musicians spiritually, emotionally, and mentally...The 1982 retreat reaped a harvest of young people who committed themselves to total obedience to Christ."

\$50,000-Christmas Project Needs Your Cooperation

More than 500 Bible College students and employees will represent the school during the Christmas holidays in an effort to raise \$50,000 for the general operating fund, according to Paul Ketteman, public relations director.

This is the seventh annual Christmas Project to be promoted for the college. Last year, the total raised in gifts, signed checkbooks and commitments was over \$55,000.

If you are approached by someone from the Bible College, or are in a special service, please help. Or, if you wish to send a special gift, you may mark it for the Christmas Project. The drive will help to meet the college's \$600,000-gift budget for this year. Gifts may be sent to:

Christian school principals and teachers across the denomination have been invited to a conference at the Bible College on February 21-23 that will feature Dr. and Mrs. Roy Lowrie, as well as educators on the FWBBC faculty and from several Free Will Baptist schools, according to Dr. Kenneth Riggs, chairman of the Teacher Education Department.

1982 Missionary Conference

Foreign Missions Conference One of Greatest at FWBBC

The recent Missions Conference, held on campus November 1-3, has been hailed as one of the most outstanding ever held at the college. "I cannot remember that we have ever had a better missions conference," said Dr. Robert Picirilli, looking back over 27 years of such meetings.

Bobby Aycok, missions teacher at the college, with 21 years of missionary experience, feels that the conference was a great unifying force, bringing together missions students and the rest of the student body in a common focus on world evangelization. "We are all involved in world outreach, whether we are missionaries or not," he said.

All of the foreign missionary speakers did well. The fields of Cuba, Panama, India, France, and Ivory Coast were represented. General Director Rolla Smith and Associate Director Eugene Waddell surveyed the need from their perspective as administrators in the FWB Foreign Missions Department.

It is widely agreed that "Mom" Mabel

Willey added a very special dimension to the conference. With an enthusiasm that belied her 77 years, she retraced the path of the Lord's leading in the ministry that she and her husband, Thomas, carried on, first in Panama and later in Cuba. She spoke in three services. Her final invitation to full surrender to the will of God opened the door for the Holy Spirit to lead more than a hundred to the altar.

Other missionary participants were John Murray, Norman Richards, and Carlisle Hanna.

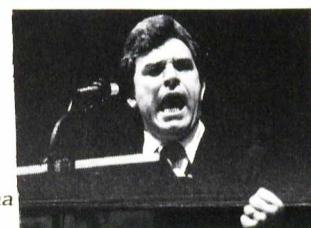

Dr. LaVerne Miley made several observations following the conference. "The Holy Spirit impressed upon our hearts the challenge and obligation of sharing Christ with the whole world. Commitments were made in response to this moving of the Spirit. Some have since then joined the Foreign Missions Fellowship (on campus), testifying to the Spirit's working in their lives and their subsequent yielding to Him to go where he leads." Dr. Miley served for 19 years as a missionary to Ivory Coast and now teaches at FWBCC.

"Music City, U.S.A." Theme For Fall Banquet

The FWBCC faculty, staff and students took a musical tour of Nashville on October 15, when the fall banquet was unveiled. The theme was "Music City, U.S.A.."

Tour guide for the evening was junior Jeff Stegall. Stops included imaginary visits to Vanderbilt's Dudley Field, where a brass ensemble performed Purcell's "Festival Prelude," and a recording studio, where sophomore Amy Ellis was cutting a record. Other performances were a bluegrass quartet, public relations assistant Frank Breeden at the piano, and music teacher Lynn Hodges, who sang Puccini's "One Fine Day" from *Madam Butterfly*. A highlight for the evening was a surprise visit by "Cousin Minnie Pearl," played by Mrs. Lynda Barker, student supervisor.

An excellent program, a fine meal and good fellowship combined to provide a memorable evening for the college family.

Billy Hanna

Fall Revival Ranks High Among Campus Meetings

This year's campus revival, October 6-10, will be remembered as one of the outstanding meetings conducted at FWBCC. Rev. Billy Hanna, pastor of Trinity FWB Church, Bowling Green, Kentucky, preached a series of messages that touched the hearts of many.

In service after service, the Spirit moved across the people. The altar area was full several times and people had to kneel in the aisles.

The campus has felt the touch of God. Lives have been changed. The college family thanks God for His work and for that of His servant, Billy Hanna.

Pray that commitments made will be kept and that the revival spirit will spread.

South Georgia FWB Churches Welcome College Students, Teachers.

Seven FWBBC teachers and 26 students attended the South Georgia Association at Baxley on Saturday, October 23, and conducted Sunday morning services in 29 churches on October 24, in a drive that resulted in nearly \$12,000 in gifts, checkbooks and commitments to the college development fund, according to Ronald Creech, director of development. The 33 FWBBC representatives chartered a bus for the trip and reported a warm welcome from the Georgia pastors and laymen.

Visitors from the college were featured on the association's program. Messages were preached by Dr. Stanley Outlaw, Dr. Kenneth Riggs and Rev. Jeff Gaskins. Others brought special music.

Gifts to the college in Sunday morning offerings, checkbooks and commitments averaged over \$400 from each of the churches involved. Some 22 decisions made in Sunday morning services were also reported and over 100 prospective students were contacted.

Both visitors from the college and host pastors gave enthusiastic reports on the results of the weekend.

Mr. Creech praised the men who worked with him to arrange and carry out plans for the weekend, and for the generous financial support. "I hope to plan more of these special weekends in Georgia and in other states," he said.
