REPORT OF COMMITTEES

Obituaries—We your committee on Obituaries beg leave to report as follows: Since our last conference the Lord in His Divine providence has not seen fit to call from our number any of our beloved ministers, for which we feel very grateful.

By Committee,

M. L. JOHNSON
D. R. ENNIS
W. A. WILLIAMS

Temperance—Whereas, the last General assembly of North Carolina enacted laws legalizing the sale of intoxicating drinks in certain portions of the state, and realizing that such laws are detrimental to our people:

We therefore ask that this conference now in session go on record as opposing such laws.

We urge our people to refrain from visiting the so called A. B. C. stores or purchasing any of their products. We also ask that we support such candidates in our next general election who will pledge themselves to uphold our state prohibition laws.

BENJ. CASEY
J. F. DAVIS
C. H. COATS

Education—Since the National Conference convenes next week in, Nashville, Tenn., and it is generally understood that this conference will launch an educational program; We, your committee, therefore, recommend that we give our support to the program to be launched.

We further recommend that we insist on the churches to raise the \$12.00 per year as recommended by the State Convention to pay the debt against the Smithfield Church.

C. J. THOMAS
HARVEY CASEY

Ministerial Labor—We have examined the reports of all our ministers and find them to be very satisfactory.

We hear that some of our preachers, perhaps unthoughtedly use harmful remarks about their brother preachers. We urge them to be more careful about their conversation especially in regard to their brother preachers.

N. B. POWELL
J. C. ENNIS
L. W. WARREN
C. J. THOMAS

P. S. The above report was revised by the Committee after the conference adjourned, with the approval of the executive committee.

W. J. ALFORD

Ordaining Council—We the Ordaining Council beg leave to report as follows: We have examined Bro. W. H. Phillips and have found him orthardox in the Faith and practices of the Free Will Baptist Church. We have made arrangements for his ordination at the next Union Meeting in December.

We also recommend that Elds. M. E. Godwin and G. C. Joyner of the Western Association and Eld. J. R. Davidson of the South Georgia Association be accepted as ordained ministers, having been recommended to us by their respective Association for membership.

Orphanage Committee—We your Orphanage Board, realizing very keenly the need of our Orphanage, beg leave to report as follows: 1—The buildings need repair. 2—New buildings are needed. 3—The lawn needs improvement. 4—The drive-way needs to be improved. 5—The farm and orchard needs better attention in order that more food and feed may be produced. 6—We need more and better improved live stock, especially better dairy cows. 7—We need better equipped work shops and sewing rooms for the boys and girls. 8—We commend the Board and Superintendent for all they have done especially in their efforts to pay off all debts against the institution. 9—We realize that in order for the above mention needs that are outstanding together, with many others not here mentioned to be met, it will take the full cooperation of all our ministers and laity, therefore we recommend. 1—That each Church send at once to the Orphanage an amount equal to ten cents per member, in keeping with the request of the Superintendent and Board. 2—We also urge that a liberal free will offering be made on or about Thanksgiving in addition to the 10 cents per capita. 3—We ask that each Church hold a special Thanksgiving service. 4—In addition to your cash offering we recommend that we send a load of food, feed and clothing, or anything that can be used. But we suggest that you be very careful with perishable foods as often it will not keep in a usable condition.

5—We recommend that all our churches take a child to clothe or to help in some way. 6—We also suggest that this conference go on record as approving some kind of a program to be worked out by the Board and Superintendent (after the present indebtedness has been paid) to raise sufficient funds to meet the needs of the institution as quickly as possible. 7—We suggest that the membership of our churches who own property and are in position to do so, when they write their last will and testament remember the orphan boy or girl with a portion of the goods God has blessed them with, either in a gift in fee simple or as an endowment.

Respectfully submitted,

J. H. WILLIS

H. T. HINSON

W. J. LANGDON

Report of Ministerial Board—We your Committee on Ministerial labor have examined the reports of our ministers and find them satisfactory except Brother Herman Wooten, who has not reported. We recommend that our people be more liberal in their contributions to our aged and retired ministers. We also recommend that as Brother W. R. Coats is retiring from active work that his name be placed on the retired list of ministers.

N. B. POWELL

L. W. WARREN

W. P. THOMAS

W. J. ALFORD

Mission Report—Owing to the fact that our people have caught a great vision of the Mission work in the foreign field we hereby offer this resolution. 1—That since we have missionaries in the field owing to their need of our support that we ask all our ministers serving churches in the bounds of our Conference to raise not less than five dollars from each church for this purpose, and that it be sent to our State Treasurer, Brother W. W. J. ALFORD

H. R. FAIRCLOTH

Educational Report—We, the Educational Committee, wish to submit the following report. 1—We wish to ask that each church send one representative from their Sunday School to the summer camp at Camp Leach, that they might become familiar with new methods on carrying on Sunday Schools and Young People's work in the various churches. 2—That we, as a conference, stand behind and support the efforts of the Board of Education of the National Association in establishing an Educational Institution for our Church.

Respectfully submitted,

R. N. HINNANT

H. H. CASEY

C. J. THOMAS

Resolutions—Seeing the need of cooperating with the National Association and its programs, and the need of a united effort on the part of the Free Will Baptist Denomination be it therefore resolved: 1st—That we the Cape Fear Conference of the Original Free Will Baptist change its name from Conference to Association. 2nd—That the Cape Fear Association of the Original Free Will Baptist possess all assets and assume all liabilities of the said Cape Fear Conference. 3rd—That its Annual Session of the Cape Fear Association shall be a continuance of the annual session of the Cape Fear Conference and numbered accordingly, this being the Eighty-Second Annual Session.

M. L. JOHNSON

Realizing the great need of more money to carry on our mission work, Be it therefore resolved: That each Church set aside one Sunday in each year to be known as Mission Sunday. The pastor, or some other person designated by him and the church, will deliver a special message on missions and that a freewill offering be made in keeping with the request of the Mission Board in their report.

REPORTS OF STANDING COMMITTEES

Obituaries

We, your committee on obituaries, wish to make the following report: Since our last meeting, the Lord in His goodness has not seen fit to call from life into eternity any of our beloved ministers for which we feel very grateful.

M. L. JOHNSON

W. A. WILLIAMS

Temperance

We, your committee on temperance, beg leave to report as follows: First, as we look upon the human family, we see a great deal of intemperance. Beer and wine are being sold under the laws of the State, and a great number of the counties have legalized whiskey which is sold under the A B C Store System.

In paragraph 2, Section 4 of our church covenant, we find that it is against the laws of our church for our members to support in any way the said A B. C. stores or the stores that sell beer and wine.

Also some of our people are breaking the Sabbath by unduly patronizing filling stations on the Sabbath, and are attending places of unholy amusements, such as ball games, bathing pools and other questionable places on the Holy Sabbath.

Therefore, We recommend that this body go on record as opposing the A B C stores, or any other form of legalized, or unlegalized uses of intoxicating liquors as beverages.

We also recommend that this body request all of its members not to patronize places where they will not observe at least in some degree the Sabbath Day.

We recommend also that our ministers and Christian workers ever keep before our people the great need of living temperate lives.

Respectfully submitted,

M. L. JOHNSON,
N. B. POWELL,
R. H. JACKSON

Mission Board

We, your Mission Board, beg leave to make the following report: In our last years' report, we asked each church to raise at least five dollars for missions. In response to this request, seven of our twenty-two churches reported that they have raised some mission funds, and that four of them have raised the amount or more asked for by the Mission Board.

We appeal, therefore, to the delegates and ministers of those churches that did not raise anything for missions to again put this before your churches, and at least raise something. May we all do more in the future.

Respectfully submitted,

H. R. FAIRCLOTH,
W. J. ALFORD,
J. V. LASSITER

Ordaining Council

We, your Ordaining Council, have only one applicant for examination, but we only recommend that he exercise his gift when and where opportunity

presents itself, for at least another year, and then come before the Council again for ordination.

Respectfully submitteed,

C. H. COATS,
W. H. LANCASTER,
M. A. WARRICK

Ministerial Board

We, your Committee on Ministerial Labor, beg to report that we have examined the reports of our ministers, and have found them satisfactory, except Brother Herman Wooten, and J. R. Forrest who have made no report. We are very glad to have two of our retired ministers, Brother W. R. Glover and Brother W. R. Coats with us in person. We are very sorry to learn that Brother D. R. Ennis is unable to be with us.

We recommend that the association grant Brother J. R. Davidson a letter as requested to join the association where he has gone to work in Texas.

Respectfully submitteed,

N. B. POWELL,
W. P. THOMAS,
L. W. WARREN,
W. J. ALFORD

Proceedings

The Eighty-fourth Annual Session of the Cape Fear Original Free Will Baptist Association convened with the church at Lee's Chapel, Sampson County on November 3, 1938, at 10:00 a. m. The song service was led by Rev. Clarence Bowen of the Western Association and prayer was offered by Elder G. C. Joyner. Elder M. E. Godwin, pastor of Lee's Chapel Church, delivered the address of welcome, and Elder M. L. Johnson gave the response.

The Moderator made a few remarks in behalf of the welfare of the Secretary, W. A. Jackson, who was absent on account of sickness. The hymn, "I Need Thee Every Hour," was sung for this occasion by the congregation, and a special season of prayer offered for Brother Jackson, Sister Mittie West, Elder J. C. Griffin, Elder R. N. Hinnant, and Casper Tew. The prayer was led by Elder R. B. Spencer. Several others took part in the prayer and Sister Mitchel from Goldsboro closed the prayer. In the absence of Elder S. H. Styron, who was elected at the last Association to preach the Introductory Sermon, Elder Clarence Bowen of the Western Association was appointed by the moderator and preached a very interesting sermon. Obituary:

We your committee on Obituaries beg leave to report as follows:

It is with deep sorrow we report the death of Elder D. R. Ennis. Brother Ennis was born in Johnston County, North Carolina, on March 14th, 1871. In 1890 he professed faith in Christ and United with the Baptist Church at Pine Forest in Harnett County where his family had settled. He was first married to Miss Allie M. Byrd on January 4, 1893. To this union was born 7 children, 6 of whom are now living. Sister Ennis died May 8, 1932.

Brother Ennis' second marriage was to Miss Lila Gardener on April 7, 1934. His second wife also died April 14, 1937. In the days of his early manhood he surrendered to the Divine call to preach the Gospel. He also took membership with Prospect Free Will Baptist Church, and on March 16, 1910 he was ordained as an orthodox Free Will Baptist minister and uniting with the Cape Fear Conference at its annual session in the fall of 1910. Brother Ennis soon became a very active minister and was one of the outstanding men of our conference.

He faithfully served several churches as pastor and also was very prominent in the Evangelistic field.

Among some of the churches he served as pastor are: Lee's Chapel, Corinth, Robert's Grove. Oak Grove, St. Paul, Prospect and Rock Ridge.

Brother Ennis also organized and helped to organize several churches during his active ministry.

In 1919 he was elected a member of the Ordaining Council which position he held until 1934 at which time he retired from active work on account of his health. He however did not quit altogether but continued to hold services when he was able to do so.

On January the 17, 1939 the Lord called Brother Ennis to his final reward. His funeral was preached by Elder G. C. Joyner, assisted by Elder Henry Melvin. He was buried in the church cemetery at Prospect Church.

In the death of Elder Ennis we feel that we have lost a faithful friend and servant, and a loyal co-worker. We realize that our loss is his eternal gain.

M. L. Johnson, *Chairman*.

Report of Committee on Resolutions

We your committee on resolutions beg to submit the following resolutions:

Resolution No. 1. Subject: Education

Realizing the great need of education and our special need of an educational institution where our ministry can be trained, and where the youth of our church may receive their education in an institution where Christianity may be paramount, be it resolved:

First: That we endorse the action of our National Association in its endeavor to establish such a National Institution.

Second: That we request the Apportionment committee to appropriate something from the proceeds of this Association for our National Educational movement.

Third: That each church of this Association raise their ten cents per capita sometime during the next year and forward same on to J. R. Davidson, Bryan, Texas, on or before June 1, 1940.

Fourth: That our church Auxiliaries be requested to supplement the ten cents per capita, where possible.

Resolution No. 2. Subject: Sunday Schools

Whereas, several of our Sunday schools do not represent in the Annual Convention, be it resolved:

First: That this sort of laxity be corrected where possible, and that each school be requested to send a representative to our annual Convention.

Second: That each minister pastoring churches in this Association be requested to give the matter serious consideration and, if possible, see that the schools of their churches are properly represented in future conventions.

Third: That all ministers of this Association, and those pastoring churches in this Association be requested to attend the next Convention, convening with the church at Shady Grove Second Saturday in October, and give their moral support to the said Convention.

Resolution No. 3. Subject: Home Missions and Church Extension

Whereas, there are many places within the district of this Association,

where the gospel is needed to be preached, and where churches of our faith should be established, and whereas, we have too long neglected these needy fields, therefore, be it resolved:

First: That there be a joint meeting of the Mission Committee of this Association, and of the Cape Fear Union, at Smithfield F. W. B. Church, Monday, November 20th at 10:00 a. m. for the expressed purpose of surveying the field, and planning and devising ways and means of adequately meeting the needs, as they may find them.

Second: That those having any information of interest in this subject, kindly report the same to some member of the said committee, or that they attend the meeting and report same.

Third: That ministers or laymen interested in this subject be invited to attend the meeting at Smithfield.

Resolution No. 4. Subject: Amusements

Whereas, there seems to be a growing tendency on the part of some ministers of our country and many of our church people, to indulge in too many amusements of a worldly nature, such as professional ball games, the dances, race track, shows, and many other forms of world amusement, which we recognize to be questionable, therefore be it resolved:

First: That we go on record as strongly opposed to such amusement as may be questionable, and that we request our people to refrain from such, and to give themselves more diligently to the things which are of God, and not of the world.

Second: That in the home, the pulpit, and the church schools we teach and admonish the youth of the evilness of questionable amusements, and endeavor to instill into their minds and hearts a regard for the moral laws and the full teachings of the Word of God regarding amusements.

We, your committee on resolutions, recognize the fact that the foregoing resolutions will be valueless unless put into practice, and we recommend, that if adopted, our preachers and delegates endeavor to put them into practice, and that one year hence, we check up to see that they have been put into practice in our churches.

Respectfully submitted,
Thomas E. Beamon,
C. B. Thompson,
M. E. Godwin,
Committee.

TEMPERANCE

We your committee on temperance wish to submit the following report:

1. We are glad to know that our ministers are trying to promote the cause of temperance in their churches.

2. We are very thankful to the dry forces for the splended work done in Johnston County in helping to vote the A. B. C. stores out on June the 29th of this year. This is a proof to us that inteligent christians will not cast their vote for the so called legalized liquor.

3. We wish to go on record as opposed to any form or use of alcohol as a beverage.

4. We recommend that we take advantage of every opportunity to oppose intemperance in any form.

2. This resolution has not brought the desired results.

Now therefore be it resolved:

1. That this body shall be known in the future as "The Cape Fear Conference of original Free Will Baptist of North Carolina."

2. That the Cape Fear Conference possess all assets and assume all liabilities that have been listed in the name of the Cape Fear Association.

3. That our annual session shall be a continuance of the annual session of the Cape Fear Association and numbered accordingly, this being the Eighty-Seventh Annual Session.

Temperance Report

We, your Temperance Committee make the following report and recommendation:

1. We realize that our nation is now facing a serious problem and that rationing of all necessities is inevitable. Sin, worldiness, and drinking of Alcoholic beverages are all on the increase. Some in authority seem to think our Service men should drink to be good fighters and have failed to do anything about the liquor laws that would make the purchase of strong drink any more difficult, without regard for the rights or privileges of others and claiming that control is better than prohibition, when actually there is no control. We regret that liquor is hauled on trucks with good tires, exempt from rationing regulations and sold without discretion, advertised in newspapers and magazines, to the disgust of all Christian people.

2. We, therefore recommend that this Conference go on record against the sale and use of strong drink in any form and that our ministers and Church leaders make every possible effort to see that the Discipline is enforced with respect to the sale and use of strong drink.

3. That we endorse the action taken by the North Carolina State Association relative to Temperance in it's 1942 session.

4. That we support the dry forces in their efforts to outlaw strong drink in North Carolina.

C. H. Coats

J. F. Davis

Benjamin Casey

Report of Committee on Missions

We, your Committee on Missions, report as follows:

1. We deplore the fact that too little attention has been given to missions during this past Conference year. No definite mission points have been established, and not a single church has been organized.

2. We are confident that the good Lord whom we are endeavoring to serve is not pleased with the fact that we have been so negligent of the worthy cause of missions.

3. We recommend that our ministry as well as the laity lift up their heads and "Behold the fields, so white unto harvest," and go out into these fields and labor with the Lord of harvest.

4. That Daly's Chapel church, which has gone down, has started a movement to revive and re-organize, and this place will be a mission point of this Conference for the ensuing year, and that the Rev. Thomas E. Beaman will direct the activities of this movement, and will be assisted by some of the members of the new Bethel Church of Kinston, N. C. The prospects for the revival of this church are good. A community-wide Sunday School will be organized there this coming Sunday, and regular church services will be held each Third Sunday afternoon.

5. We recommend that where possible each minister of this Conference look out and find one or more mission points, where the prospects of organizing a church are good and that these places be worked during the Conference year.

6. We are of the opinion that we ought to have anywhere from one to

five new churches coming into the Conference each year, and we ask that we all pledge ourselves today to do something about the Worthy Cause of Missions.

Respectfully submitted,

H. R. Faircloth

Report of Orphanage Board

The Orphanage Board of the Cape Fear Conference renders its brief report concerning the conduct and affairs of the Institution for the fiscal year 1941-42.

The Orphanage cared for an average of 85 children of which 5 were of this Conference.

Total cash received during year from Cape Fear Conference is	-----\$1,126.08
Total commodities, valued	-----308.23
Concert Class receipts	-----309.98

Grand Total	-----\$1,744.29
-------------	-----------------

1. The budget approved by State Association calls for \$27,000 with which to operate through August 31, 1943.

2. The Board of Trustees decided to ask churches to buy Defense Bonds in the name of the Orphanage and at such time as the Board deems it wise to convert these bonds into cash to build the Chapel.

3. We have learned that the budget was increased to take care of the rising cost of living at the rate of 10 per cent which would mean that we should raise a minimum of 10 per cent more per church than was raised last year.

4. We urge that each church and its organizations buy Defense Bonds minimum of \$18.50, \$37.00, and \$74.00.

5. We recommend each organization buy according to its financial ability.

REPORT OF COMMITTEE ON MINISTERIAL LABOR

We, your Committee on Ministerial Labor, beg leave to submit the following report:

We have examined the reports of all our ministers except Eld. C. R. Biggs, who failed to report, and find them very satisfactory and commendable.

N. B. Powell
A. T. Avery

TEMPERANCE REPORT

We, your Committee on Temperance, report as follows:

We see the drink evil of the nation on the increase in time of this great bloody struggle to maintain the freedom of a free people.

We, therefore, ask that all Free Will Baptists of this Conference think in terms of righteousness. May we cast our vote only for candidates who are known to be opposed to the sale or use of strong drink regardless of party affiliations.

We urge our ministers to continue their fight against this great evil in every way possible.

We recommend that our churches enforce a strict discipline in regard to the sale or use of strong drink.

We endorse the temperance report of the Eastern Conference at its 1943 session.

C. H. Coats
N. B. Powell

ORDAINING COUNCIL REPORT

We have examined Bro. J. D. Vernelson, having been recommended by West Clinton Free Will Baptist Church where he is a member, and find him orthodox in the faith, practices and doctrine of the Original Free Will Baptist Church and have ordained him by the laying on of hands, prayer and a charge to the full work of the Gospel Ministry.

We therefore recommend that he be enrolled as a regular ordained minister of this Conference.

Respectfully submitted,

C. H. Coats,

M. L. Johnson,

W. H. Lancaster,

Ordaining Council.

OBITUARIES

Committee on Obituaries report that we are glad that the Lord has not called from us any of our beloved ministers since our last Conference for which we feel very grateful.

M. L. Johnson

M. E. Godwin

EDUCATIONAL REPORT

We are glad to report that our Bible College at Nashville, Tenn., has an enrollment of thirty students who are being trained for Christian work. This enrollment is the largest per cent of enrollment that we know of in America. It is now an accredited institution. It is now being operated on a sound financial basis. God has put it into the hearts of many Christian people to give it their support.

I. We ask that our people be admonished to pray for the continued usefulness and the existence of the Bible College.

II. We solicit the good will and financial support for this Institution.

III. We request our people who are to send their children to college for some definite Christian training to patronize our own Institution.

I. Resolved that this Conference allocate 25% of all funds coming to the Annual Conference to the National Unified Program of the National Association and to be in effect 1944.

II. Resolved that we express to this church and community our thanks and appreciation for the splendid way in which they cared for this conference.

III. Resolved that we express our thanks and appreciation to the officers and Standing Boards and Committees for their work and untiring efforts during the time they have served us.

IV. That we be exceedingly grateful to our Heavenly Father for His

wise and kind leadership during the year and that we covet a continuation of His leadership and bestowal of his manifold blessings.

MISSION BOARD REPORT

We, your Mission Board, beg leave to report as follows:

The only mission work being done this year is the work done by Eld. T. E. Beaman at Daly's Chapel Church. This work was financed by Bro. Beaman in his own way and he has not accepted any support at all from this Board.

There is open to us virgin territory and fertile fields white unto harvest. We therefore recommend:

I. That our people pray for a spiritual awakening among our people in respect to missions in order that constructive and definite work may be done.

II. That we request our ministers and those doing pastoral work in our Conference to support through the churches the State Five Point Program and especially the mission work.

H. R. Faircloth, *Chairman*.

RESOLUTION

Whereas, there are many problems with which the minister has to deal, such as the study and adjustment of the organization and administration of all lay activities, the proper disciplinary measures of the mass groups of our churches, the proper help and adjustments of new ministers in finding work, and getting acquainted with our people, the advancing of the cause of Mission both Home and Abroad; Christian Education; the support of the Orphanage; and all other benevolent causes of our great Church; as well as the general expounding of the Gospel of our Lord and Saviour Jesus Christ, and whereas, when the ministers are called of the Lord, they are examined and ordained by men of God, previously thus set apart, and Whereas, when the people want someone to pastor their church, or churches, they call upon someone set apart as afore stated; in the performing marriage ceremonies, and conducting funerals, as well as all other religious rites, they immediately turn to the Gospel Minister, called of God and set apart by godly men, and whereas there are many things, sacred and holy, which the minister is to handle and deal with, these by right and by teachings of the Sacred and Holy Scriptures belong to minister and he alone, and to depart from this principle, is to throw the sacred Scriptures to Junk Heap and for men to take the affairs in their own hands, and thus cheapen the sacred call and position of the gospel ministry. Therefore, in the light of the aforesaid statements and facts, be it resolved by this conference, that we give to the ministerial profession of this conference, the right to devise and arrange for the making of their annual reports to the Conference, after this session, and to handle their own affairs in keeping with their profession, and with the understanding and agreement that same is to be in conformity to the discipline of this Conference.

Be it resolved farther that a Ministerial Character Committee of five ministers be elected to-day, nominations of which shall be thru the duly appointed nominating committee, for the purpose of carrying out the above resolution, and that they make their report to the Conference at the next session.

Approved by Committee on
Resolutions,

RESOLUTION

Whereas: White Oak Grove did at the last session of the Eastern Con-

ference move its membership to said Conference without asking for a letter of dismissal and recommendation; and

Whereas: The above act is contrary to the provisions of our Discipline, and

Whereas: We do not wish to have any church of our denomination in bad standing; therefore be it resolved:

First: That the Secretary of this Conference be instructed to furnish a letter of dismissal and recommendation to the Secretary of the Eastern Conference for White Oak Grove.

Second: That we hereby declare that any church who in the future wishes to unite with another Conference must first secure a letter from this Conference and upon failure to do so it will be declared excommunicated.

Third: That this Conference will not receive any church from another Conference into full fellowship of the Conference without a letter from the Conference from which it comes.

Fourth: That we ask all ministers pastoring churches in this Conference to follow our Discipline in receiving and dismissing members from and to other churches.

Signed: M. L. Johnson,

Approved by the Resolution Committee:

Thos. E. Beaman, C. A. Lassiter.

SUPERANNUATION REPORT

We, your committee on Superannuation, have given much time and thought to the question of Superannuation, as it affects our Conference. It is our belief that we can best support our Retired and Disabled ministers, and the cause of Superannuation in general by cooperating with our State Board of Superannuation in it's program.

THEREFORE: We recommend that this Conference now in session give it's whole-hearted approval to the State and National Superannuation program. And that we ask all our churches to support this work by sending liberal offerings to the State Board of Superannuation as often as possible.

Signed:

Thos. E. Beaman

M. L. Johnson, *Chairman-Treasurer.*

REPORT OF COMMITTEE ON EDUCATION

1. All reports which we have read and studied concerning our Bible College located at Nashville, Tennessee, have been encouraging. The school had a good enrollment on the opening dates. Many promising young ministerial students representing several states of the Nation were among the number to enroll.

2. Many of our churches are systematically supporting the school financially. We urge all churches to adopt a plan to support the school systematically rather than by occasional donating to same.

3. The fields are "so white unto harvest" and the laborers so few. Let us pray the Lord of the harvest to send forth more laborers into the vineyard and that when they are called we send them to our own institution.

Thos. E. Beaman,
Mrs. M. E. Godwin.

OBITUARY COMMITTEE REPORT

The Obituary Committee submit the following report:

Since our last meeting the Lord has seen fit to call from us one of our Beloved Ministers in the person of Rev. W. R. Glover.

Brother Glover was born May 23, 1861, in Cumberland County, and was ordained to the Gospel Ministry in the year 1888. While his health would permit he was a very active Minister of our Conference, having served many of our churches, among which were Shady Grove, Johnston Union, Robert's Grove, Lee's Chapel, Powhatan, Oak Grove, Prospect, Pleasant Grove, Corinth, Hopewell and others. Brother Glover was active in the Conference and Union Meeting, having served on many of the Committees of both.

For about 10 years Brother Glover had been on the Retired list due to advanced age and failing health.

On June 21, 1944, at the age of 83, Brother Glover was called to his Heavenly Home where he will receive the Reward of a Good and Faithful Minister.

In his passing he leaves, besides his wife, a host of friends and nine children, and a host of other relatives who suffer a great loss in his going.

Also in his passing we lose a faithful brother, therefore, we ask that this Conference now in session, stand for a moment in silence and then offer a prayer of dedication to his memory.

Signed:

M. L. Johnson,
M. E. Godwin,
M. A. Warrick.

MISSION REPORT

We, the Committee on Missions, report as follows:

We find no mission work done except the work that has been done by Rev. Hermon Wooten at Mangrum's Grove in Wake County.

By your committee,

J. A. Barbour,

H. R. Faircloth.

TEMPERANCE REPORT

We, your Committee on Temperance, report as follows:

The need for a continual fight against the evils of any and all beverages containing alcohol is growing greater each year.

Doctors, Lawyers, Ministers, Physiologists, Peace Officers and all people engaged in or connected with the problems of the delinquent youth of America, are continually brought face to face with children in their teen age who are victims of this greatest of all evils. Thousands of parents are at the cross roads with their boys and girls and don't know what to do.

We, your committee, firmly and honestly believe the only real remedy is to remove the places of sale of alcoholic beverages from the public eyes and never again allow its legal sale within our country. We, therefore, beg that this conference go on record against any man or set of men either religious or political who favor the legalizing of the sale of the very thing that is demoralizing the youth of the land.: We ask further that our ministers continue to preach against every present day evil and wish to commend them for their diligent efforts in the past.

We also desire the cooperation of all praying people of this conference and especially the mothers of young children and those fine young men and women in the uniform of our great country who are subjected to this curse.

Prayerfully submitted,

C. H. Coates,

N. B. Powell, *Committee.*

RESOLUTIONS BY THE COMMITTEE

3. That we thank all officers and standing boards and committees, also any and all special committees for their services during the year.

4. That we take courage anew and resolve to do what we believe honestly God would have us do during the coming year.

goodness toward us and that we envoke his blessings and benedictions for the coming year.

Thos. E. Beaman,
W. H. Lancaster,
M. E. Godwin.

EDUCATIONAL REPORT

The word education is broad and comprehensive. It may, and does have a variety of meanings and definitions. As a Christian organization we desire to consider it as a process of training and development of the believer whereby every resource, faculty and natural endowment is brought in subjection to the will of God.

In the Bible College, Nashville, Tenn., owned and operated by Free Will Baptist, we have an educational institution, which aims to educate and train, ministers, missionaries, and Christian workers, and others, which is distinctly Christian and fundamental in its teachings. It is an institution that stands for "The faith, once and for all times delivered unto the saints." This school is worthy of our best support.

It is the aim of North Carolina Free Will Baptist to contribute the sum of \$20,000.00 to this school in the near future to be used in enlarging the institution. Our Conference, through our churches and individuals, are urged to contribute a fair share of this sum.

The Bible College should have a place in the daily prayers of our peo-

ple. We request our ministers and the laity to pray much for the college, its faculty and officers.

R. McLeod,
W. J. Langdon,
Thos. E. Beaman.

TEMPERANCE

We, your Committee on Temperance, make the following report:

There seems to be no less alcoholic drinks being sold now than in the past several years. The church leaders are not able to do very much to help correct this alarming situation because many of those in political office forget their promises once they get elected.

This Committee is of the same opinion we were one year ago at the sitting of this Conference. We then asked that this Conference go on record against any man or set of men, either religious or political, who favor the sale of strong drink.

We would like for this stand to be made permanent, in keeping with the spirit of the Discipline, the great Doctrine of the Original Free Will Baptist Church, which our forefathers expected of us, and the plain teaching of God's eternal word.

We wish to thank our ministers for the stand they have taken in this matter. We also wish to thank each person who has said a prayer for those who have suffered the horrors of World War II. We ask you to continue your praying until all those in service are safe home again.

We ask that this Conference spend at least one minute in silent prayer in memory of those who lost their lives during the war.

Prayerfully submitted,

C. H. Coats,

Temperance Committee.

RESOLUTION

Be It Resolved:

I.—That we refrain from taking special collections at our annual Conferences, and that we take up a worshipful offering at each 11:00 o'clock preaching service, and that the offering be turned over to the Finance and Allocation Committee to be allocated to our several Causes and Institutions as they may deem advisable.

II.—That since a collection is scheduled on the program to be taken for the Orphanage, that an exception be made at this session, and this session only, and that said collection be taken for the Orphanage as scheduled on the program, but that in future sessions no discrimination be made for any institution, or any phase of our denominational work, either state or national.

III.—That where necessity arises for a special collection, the same may be taken, but permission to take up a special collection must be given by the Conference by a majority vote.

REPORT OF EDUCATIONAL BOARD

After the last session of our Conference we received from our State and national Educational Boards, the quota assigned to the Cape Fear Conference, for the Expansion of our Free Will Baptist College, Nashville, Tenn., which amount was \$3,500.00. We met as soon thereafter as possible, and assigned a quota to each of our twenty-five churches, and immediately notified each church of our actions, and the amount of their quota, together with a suggestion that as much of the amount be raised this year as feasible, and if practical, all of the amount be raised so that the matter might be behind them.

Knowing that the responsibility of raising our educational money rests with each pastor, who is the official head of the church, we caused a letter to be sent to each minister pastoring churches in our Conference, whether he was a member of our Conference, or of some other Conference, informing him of the amount of the quota of each church he pastored in this conference. By these methods we have made proper and official notification to each church.

We have promised to make an open report to this, and each succeeding session, of the Conference, until the campaign ends, as well as to our Union Meetings, which report will show what each church has done. Our report on the liquidation of the quota is as follows:

We desire that our Conference be a leading example to all other Conferences in North Carolina, as well as the United States, in matters involving our National Educational program, and to this end we earnestly request of our pastors, and churches to raise their educational money as soon as possible, and send it to our state treasurer, Rev. Rashie Kennedy, 713 Simmons St., Goldsboro, N. C.

We need at our Bible school more buildings, and equipment to meet the physical needs for housing our constantly increasing enrollment of students who go to our school to be trained for full time service in our church. To meet these needs of the physical plant we must have a large outlay of money during the balance of this year and the next. Your good will, prayers, and continued financial support is greatly needed.

We desire to go on record as endorsing and recommending to our National Educational Board, the making of our Bible College of Nashville, Tenn., a four-year Bible School by the addition of two more years work to the present curriculum, making a total of four years of training to those students who may so desire it.

We recommend that in the future all ministerial students of our conference be requested and encouraged to attend our Bible School at Nashville, Tenn., where practical, and that we encourage a full college course at said school, before entering upon full pastoral duties, whenever this can be made possible.

Since our Bible school offers courses of Christian training, in Sunday School Organization and Administration, Music, Young People and Adult Women's work, we pass on to our people the need of a number of trained workers in these fields of endeavor, and we request those of our lay-leaders to look into the possibility of taking a course of training at our Bible school, and thus better preparing themselves for service in our church.

We believe that through our Bible school the Cause of Christ as represented by our Church, can best be served; for when men and women have been fully trained for full time leadership, both in the home land and in the foreign, and when a large number of them have been trained and sent out in world-wide Missionary endeavor, together with a large number here in the home land to help our home ministers then greater numbers can be reached and won to Christ. To this end we earnestly beseech all ministers

and laymen to work for a greater Bible College at Nashville, Tenn., to serve our noble denomination in the training of full time Christian workers, missionaries and ministers.

Respectfully submitted,

Thos. E. Beaman, Chairman,

Mrs. M. E. Godwin,

Educational Board.

Some mission work has been done by Bro. Gidion S. Stephens with satisfactory results. We wish to commend Bro. Stephens for his work.

We respectfully request the conference not to vote to disburse our Mission Funds direct from the floor, but that disbursement be made through this Board.

Thos. E. Beaman,

H. R. Faircloth.

TEMPERANCE

We, your Committee on Temperance, wish to report as follows:

Strong drink is still king of all beverages and is being sold to young and old in alarming quantities. We ask that our report of last Conference be re-read, for in it we asked for a permanent stand to be taken against strong drink and those who advocate its sale or use. We are again thinking our ministers for their coopertion and ask that the churches and conference support them in their efforts to dethrone King Alcohol. C. H. Coates.

We have examined the following licentiates and have ordained them according to the usages of the Original Free Will Baptist Church.

Bros. W. O. Lassiter, J. Walter Stanley, Wilson W. Parker, and Buck Wilkins; to be enrolled Ordained Ministers.

We also recommend Bro. L. R. Ennis' name be listed with the Ordained Ministers of this Conference, subject to presentation of his letter from the Central Conference of which he comes.

Bro. Broodie Singleton of St. John Church has been licensed this year and Bro. Royster Martin of Riverside Church. We ask that their names be listed as licentiates.

We expect all licentiates coming before the Council for examination to be able to answer in writing all the questions now in use as prepared by the Council.

By Ordaining Council.

REPORT OF MINISTERIAL LABOR COMMITTEE

We, your Committee on Ministerial Labor, make the following report: During the year one of our ministers went off with the Vandenburg movement. The Committee went at once to see Elder Emmitt Murphy and he turned his credentials over to the committee, and stated he would continue with this movement.

We are glad to say all our other ministers are in harmony and doing a wonderful work.

We recommend that Elder P. T. Blackman's name be excommunicated from the roll of the licentiates for departing from the faith.

By the Committee.

REPORT OF COMMITTEE ON OBITUARIES

It is with sadness that we record the death of a brother minister, Elder M. A. Warwick. Brother Warwick was born August 14, 1865; died September 11, 1947. Elder Warwick was a charter member of St. Paul Church of Sampson County. He served his church faithfully as a deacon, and Sunday School Superintendent. Elder Warwick was ordained as a Free Will Baptist minister in the Original Cape Fear Conference in its session at Powhatan Church, 1930. During his ministry he was very active in our church and its various auxiliaries, attending the Conferences and Union meetings regu-

larly. We the Committee, feel that the Conference has lost a great man, for he was always encouraging in all Christian endeavors.

May we the members of the Cape Fear Conference extend our deepest sympathy to his family in their great loss. It may well be said of him that he served and served well.

We, your Committee ask that this Conference stand in silent prayer as a tribute of respect and honor to the memory of our dear brother and minister, Elder M. A. Warwick.

By Committee.

REPORT OF EDUCATIONAL BOARD

We beg to report as follows:

That we continue our support to the Free Will Baptist Bible College, Nashville, Tenn., and that our churches, if possible, finish paying their allotment of the expansion program funds by session in 1948.

That some of our churches have conducted some time during the summer, Daily Vacation Bible Schools with very good results. We would like to urge that all churches plan for such schools during the summer of 1948, and that they file with us a report so that same can be embodied in your educational report in the session of 1948. Your board will give valuable assistance to any church desiring a Daily Vacation Bible School.

We find a great need for a course in Teachers Training to be given in our Sunday Schools annually. We are entering this field and through co-operation with our State Sunday School Associations, we will help any Sunday School to have a training course, given in the churches of this Conference. No more worthy educational work can be done than the training of our teachers and officers of our Sunday Schools.

We further recommend that the Ministerial Association and the Moderator of the Conference or someone appointed by him work out an itinerary for a group visitation of all our churches in 1948, and acquaint our churches with the program of the Conference, with emphasis of a full and complete program, and to build up good will, and the morale of our churches.

We recommend that all Sunday School Superintendents meet together in some central location with the Conference Educational Board, and the Union Sunday School Board to make plans for progress and improvement in our Sunday Schools; the time and place of this meeting to be set by the Conference today.

Respectfully submitted by Committee.

REPORT TO CAPE FEAR CONFERENCE BY ORPHANAGE COMMITTEE

The Cape Fear Conference, through the leadership of its ministers and the generous giving of its members, resulted in the greatest year of receipts. The total received from the Conference according to the Orphanage records is \$3,162.05.

We have cared for ninety (90) children, eighteen (18) from within the bounds of the Cape Fear Conference.

The Board of Trustees suggested a budget of \$75,000.00 for the next year and the State Association approved it. We have reason to believe that the Cape Fear Conference will raise its proportionate part of the budget. We hope to have our Thanksgiving service November 27th in the Church (though it will be unfinished, we can use it). The public is invited to bring baskets for a big picnic dinner.

Please remember that November and December are Orphanage months and let us strive to raise as much as possible during these months.

For the Board of Trustees, Staff and the Children, I thank you for your continued support of the past year.

James A. Evans, Superintendent.

Respectfully submitted,

Our home is in the best condition at present of all the years it has been in operation, however, we, your Committee, ask that the following be adopted.

First that fifty (50%) of all Orphanage funds collected at this session and on through the years, including the work of the Union Meeting, be earmarked until sufficient funds be collected to erect a Cape Fear building on the Orphanage grounds. Said building to have a minimum of 20 beds and all plans to be approved by the Board of Trustees. That the committee be allowed to help raise said funds.

By Committee.

MISSION BOARD REPORT

No report was made.

TEMPERANCE REPORT

We, your Committee on Temperance, wish to report as follows:

We believe this to be the opportune time as a body of believers in the doctrine of the Holy Bible and the practices of the Original Free Will Baptist to do all in our power to discourage the manufacture, sale and use of any and all alcoholic beverages.

There are millions of hungry people in almost every part of the world who need the material used in the manufacture of strong drink for food, if they are to continue to exist.

We believe that if it is necessary to close the places temporarily, it is just as necessary that they remain closed forever, therefore, we recommend that our ministers take a firm stand and make a fearless fight against king alcohol until he is dethroned and forever disposed of.

Respectfully submitted,

C. H. Coats,

W. H. Lancaster.

For the diligence and loyalty of our ministers during the past year, we pledge sincere gratitude; but, realizing the power and deception of the world, the flesh, and the devil, we urge persistence in well doing, diligence in study, constancy in prayer, and love to both God and man that the cause of our Lord and Saviour may be advanced in every part.

Superintendent's Report to Cape Fear Conference

Seventy-six children were cared for last year. From the Cape Fear Conference, eight of these were within the bounds geographically of the conference.

Your budget of \$6,000 was computed on a ten months' basis, so that we could close the books as of August 31. \$4,890.23 was paid in and credited to your account. The 1948-49 budget for your Conference is \$4,800.

Construction on the chapel, the dairy barn, and Albemarle Cottage, was mentioned as progressing satisfactorily to the Board.

We have endeavored to raise fruits, vegetables, and stock for our use, including milk and eggs. Some meats are kept in the locker and some fruits and vegetables. A small amount of canned field peas, corn and tomatoes were put up by the women and children.

The last child admitted was from the Cape Fear Conference. May I urge you to give liberally in our November drive and the May Campaign. Each of you are inviteed to attend the Thanksgiving Service on November 25th.

Report of Committee on Obituaries

We, the Obituaries Committee, are happy to report no death among our ministers. For this fact we are very thankful to our Lord. Realizing that some of our ministers are in very poor health, namely: Bros. W. R. Coats, H. R. Faircloth, C. H. Coats and G. C. Joyner, we are asking this Conference to bow in special prayer in behalf of these brethren.

By Committee:

Rashie Kennedy,
G. C. Joyner,
M. E. Godwin.

Temperance Report

We, your Temperance Committee, report as follows:

The ministers of our Conference and those serving churches from other

conferences have diligently preached and taught against the use of alcoholic beverages. We, therefore, believe it necessary to continue the fight and work and pray in the name of Jesus Christ our Saviour and Lord. There is opportunity now facing us as Christians, to vote out the legal sale of beer and wine in every county where it is now sold, and vote against the sale of all alcoholic beverages at every opportunity.

We urge our church officers to enforce church rules and discipline in regard to the sale and use of alcoholic beverages.

C. H. Coats,
W. H. Lancaster,
J. A. Barbour.

Report of Credentials Committee

We, your Committee on Credentials, report that the First Free Will Baptist Church of Raleigh, N. C., through their committee, have made application for admission into the Cape Fear Conference.

We recommend that this church be admitted and that their delegates be seated.

J. Walter Stanley,
W. C. Westbrook,
R. McLeod.

Report of Ordaining Council

We, the Ordaining Council, humbly report as follows:

There has been no candidate before the Council this year.

We urge each one to pray that the Lord of the harvest will send laborers into the harvest for the harvest is plenteous but the laborers are few.

Ranton H. Jackson,
C. H. Coats,
W. H. Lancaster,
T. E. Beaman.

Board of Superannuation

Report of the North Carolina Board of Superannuation to the Cape Fear Conference of Free Will Baptists for the year 1948-49.

Total receipts from the district -----\$591.24

This is a decrease from the previous year of \$27.84.

This amount was given by the following groups:

Churches	- - - - -	\$166.37
Auxiliaries	- - - - -	27.33
Sunday Schools	- - - - -	107.54
Leagues	- - - - -	6.00
Individuals	- - - - -	67.00
Conferences	- - - - -	25.00
Unions	- - - - -	192.00

Total - - - - - \$591.24

Any of our ministers who do not already have it, may take up to \$2,000 Retirement Insurance through the National Board if they can qualify for it.

There are now 2 of our ministers receiving benefits from the Benevolent program of our work.

Our budget for the new year calls for \$7,500 to be raised for Superannuation by all the departments of our denomination. Of this amount the Cape Fear Conference churches have been asked to raise \$650 during the month of October.

M. L. Johnson,
Chairman-Treasurer.

Educational Report

During the conference year several of our churches conducted Daily Vacation Bible Schools with excellent results. It is the desire and aim of your board to direct and supervise the phase of our educational program with the expressed hope of having such a school in every church in the entire conference this coming year.

At last conference you directed that we have special meetings of the Superintendents of our Church Schools and Ministers in early December of 1947. This was complied with and the meeting was held in our Smithfield Church, with most of the ministers of the conference, and the superintendents of our schools present. At this meeting we worked out a conference-wide training program with three classes to operate simultaneously, viz.: in Goldsboro, Smithfield and Shady Grove.

We gave the first unit of the training program which was Sunday School Organization and Administration. 217 were graduated from this course of study. Graduation exercises were held in Smithfield High School before a large representative audience.

We found ways and means of financing the entire training program independent of the Conference, and are happy to report that to date all bills are paid, and we have a small balance in the treasury for promotional purposes.

The State Sunday School Convention has asked that we organize a District Sunday School Convention in conformity to our State and National program. We, therefore, request this Conference to grant us the permission to supervise the organization of such a Convention, and that such permission be granted on condition that the proposed district Sunday School Convention be subordinate to the Conference.

The second unit of our training course is now in progress with classes at Shady Grove, Smithfield and Goldsboro. We recommend that all teachers, officers, prospective teachers and our ministers enroll Friday night, November 5, at the places designated and begin training for a great awakening program in the denomination.

We further recommend that our people continue their support of the Bible College at Nashville, Tennessee.

T. E. Beaman,
Mrs. M. E. Godwin.

Report of Mission Board

We beg to report as follows:

There appears to have been an increased interest in missions among our people. The exact figures of our churches to State and National Mission programs are not available. But we do know that they are increasing.

Your Mission Board has been generally working toward a better system whereby we will be able in the not too distant future to furnish you annually with these figures.

Earlier in the year arrangement was made for state mission aid for our Wooten's Chapel Church, the refinancing of their loan and the better establishment of their work and we are happy to tell you that this church has made wonderful progress, and that new life and interest has come to the church.

There are many places in our territory where mission work is needed, and where churches of our faith could be profitably established. May we join our hearts and hands in making possible work at these places.

We wish to submit the following to you for your consideration.

Rules and Regulations governing the Mission Board:

1. The Board shall be composed of four (4) members, elected for a period of four years, with two (2) members retiring each year.

2. The officers shall be: Chairman, Assistant Chairman, Secretary, and Treasurer. Any two officers may be combined when it appears to be the best interest of the Mission work.

3. The Board shall meet as often as may be deemed necessary and attend to all matters pertaining to missions within the territory of the Cape Fear Conference, but must meet at least twice a year.

4. The Conference Treasurer shall hold all funds designated for Cape Fear Missions, and pay out same on order of the Board, or when said order is duly signed by the chairman and secretary of the Board. Annual reports shall be made to the conference of all funds.

5. All ministers doing mission work for which they desire to be compensated by the Mission Board, must first apply to the Mission Board, and receive their permission to do the work under due regulations of the Board, before they can be compensated with mission funds.

6. Mission points, or stations, may be opened and maintained by the Board for such a length of time as may be deemed best. Employ evangelistic Missionaries, and such workers as may be deemed necessary for the proper promotion of the mission work.

7. Annual reports shall be rendered to the Conference by the Board.

8. These rules and regulations may be revised and amended at any annual session of the Conference, provided, however, that a motion to amend, or altar, must first lie on the table three (3) hours before the vote is taken, and during which time it must be read at least twice, and provided further that to amend or altar these rules and regulations a two-thirds vote must be had.

Approved by the ministerial Association, October 27, 1947.

Your Mission Board having been governed by the foregoing rules and regulations, since their approval by the ministerial association on October 27, 1947, now feel that we should ask the conference to approve of same, herewith submit them for your due consideration.

Recommendations

First. Full and complete co-operation with the State and National Mission programs, and that we in turn ask a full recognition of this Board.

Second. That the Conference allocate an amount annually for Cape Fear Missions.

Third. That our churches and their auxiliaries and individuals make periodical contributions to Cape Fear Missions, in order that we may have funds with which to operate. We cannot operate without funds, any more than a mill can operate without logs.

Fourth. That we request our people and particularly our ministers to report to us every place where there appears to be an opportunity for missions for our church.

Fifth. That our people be and are hereby requested to pray much, privately and publicly, in all church gatherings for the cause of Missions and evangelism.

By Committee

T. E. Beaman

Mrs. Robie Strickland

Temperance Report

We your Temperance Committee report as follows.

Since last conference several counties in N. C. have voted out the legal sale of beer and wine. This is encouraging to those of us who are in the fight. However, we must continue this fight and do it in a Christian way. Until the sale of "Old John Barlicorn" is branded and outlawed in every village, city, county, state and nation.

We wish to thank our ministers and laymen for their faithful support in the fight, and we humbly solicit the continued efforts of all the Christian brotherhood.

We wish also to thank the good ladies for their boldness in the part they have taken to help outlaw this evil.

We urge our people to stand solidly behind any effort made by the law enforcement officers to stamp out the illegal sale of strong drink in any form.

Report of Orphanage Committee

We your Orphanage Committee beg to report the following. We visited our Orphanage on October 18, 1949, and found it in the making of much progress. With a modern dairy nearing completion, and with other improvements, such as pastures and gardens, for fresh vegetables for the home. We do not think that the dairy herd and the supply of hogs at this time is enough to supply the home with all that is needed. But efforts are being made to increase in both the dairy and hog supplies.

There is need for funds for the completion of these much needed improvements.

We hope that this Conference will give all the support possible.

Report of Ordaining Council

We the Ordaining Council report as follows:

We have received no application for ordination this year.

We urge that each church make sure that the man they recommend for ordination is qualified for the work required of him and that he has work awaiting him.

We do not believe it is a good policy to ordain anyone to the gospel ministry until he is called to a pastorate, therefore, we shall appreciate the cooperation of pastors and churches in this matter.

We also ask that the name of brother C. M. Coats be placed on the list of licensed ministers.

Rev. William Ruffin Coates' Life and Labors

WILLIAM RUFFIN COATES

WILLIAM RUFFIN COATES was born in Johnston County, North Carolina, near St. Mary's Grove Free Will Baptist Church on December 2, 1866. He was a very bright boy, and when he was a young man he took advantage of every educational opportunity in his reach, but was, as he often expressed it, a very sinful man until the Lord arrested him at the age of 28, and gloriously saved him by His power and grace.

Then, he united with St. Mary's Grove Free Will Baptist church of the Cape Fear Conference of Original Free Will Baptists, and was soon elected clerk of the church. A little later he was elected superintendent of the Sunday School. He led the singing and taught the Bible class for four years, at which time he was called to the Gospel ministry. He was ordained on January 16, 1898. He served as pastor of churches in Johnston County as follows: St. Mary's Grove, Bethel, Hopewell, Tee's Chapel, River Side, Johnston Union; in Harnett County: Prospect, Pleasant Grove; in Sampson County: Shady Grove, Oak Grove, St. Paul; in Wayne County: St. John, Casey's Chapel; in Wilson County: Saratoga, Aspin Grove, People's Chapel; in Nash County: Flood's Chapel, Stony Hill.

In 1912 he was appointed a member of the Executive Committee of the Cape Fear Conference. He was moderator of the Conference for four years. He was a member of the Board of Trustees of the Free Will Baptist Orphanage when the Institution was established in Middlesex, N. C. He served on the Board of Ordination of the Cape Fear Conference for 25 years, which position is one of responsibility and trust.

In 1920, feeling the call to a broader field of service, he left his native State to do Evangelistic work in the State of Georgia, taking with him a layman of note and great profit as a singer, Bro. R. E. (Bob) Thomas. He held revival meetings in South Georgia churches of the Original Faith as follows: Pleasant Hill, Neal's Chapel, Shady Grove and Oak Grove with great success.

When Rev. Coates was young in the ministry, he dedicated his life to God and His cause. He secured a History of Free Will Baptists by Rev. I. D. Stewart, covering a period from 1780 to 1830. Using the information contained in this and several other histories of our church, he was well informed as to Doctrine and Practices of the Original Free Will Baptists. In 1912, when what is known as the "Unknown Tongue Faction" undertook to dominate the church, Rev. Coates led the Conference to victory in several courts of the land by being well posted on the Doctrine and practice of the Free Will Baptists from Queen Mary's reign in England to the time of this contest.

Rev. W. R. Coates, retired from the active ministry in 1936, due to ill

Report of Board of Education

Our Bible College, Nashville, Tenn., opened this year with the largest enrollment in the history of the institution, and because of the crowded situation our physical plant is taxed to the utmost. To meet the needs in the future we must enlarge the present plant and equipment. Our people are urged to give abundantly, over and above regular gifts for maintenance, in order to make possible the building and equipment necessary to adequately meet the needs. We ask our officials to advise the college that we recommend to them that they pay as they go, and not incur a financial obligation on our people.

In school at Nashville, we have one of our own boys, studying for the ministry, namely: James Earl Raper. This boy is a very promising young man and is worth our support. Gifts should be sent direct to the college, with the request that they be credited to the said student. Personal items

or gifts such as tooth paste, sox, handkerchiefs, etc., should be sent direct to the student: Address, 3609 Richland Avenue, Nashville 5, Tennessee.

In our own local training, and teaching program, we have been reasonably successful. All of this work will be continued.

The young people's enlistment program is getting well underway. We are striving to enlist a minimum goal of 2,000 young people in a mighty Christian Crusade for Christ. This aspect of our work has the earmarks of a very promising endeavor.

Report of Mission Board

FOREIGN MISSION PROGRAM

Our foreign mission program is making progress. It deserves our urgent and constant attention and support. Our Cuban school of Missions, operated and maintained by the National Board of Foreign Missions, is training native missionaries. The opening of this school is a great forward movement.

We urge that our people go "all-out" so to speak for our Cuban work, particularly at this time, when an expansion program is on. Here are ways you can help over and above your regular budget contributions:

1. The adoption or underwriting the support of a student in school, at a cost of \$20.00 per month.
2. The support of a native missionary preacher at a cost of \$30.00 per month.

This can be done by a penny a meal plan. All such funds are to be sent in via of your board, but all remittances are to be made payable to J. W. Alford. This arrangement made for recording and reports only. All such funds must be earmarked "Foreign Missions."

STATE MISSION PROGRAM

Our State Mission program is making progress and is cooperating with us in our Conference. Our folks should support the State program.

CAPE FEAR MISSIONS

We are happy to tell you that we now have lined up the most progressive and aggressive program for local missions of any conference in the nation. It has taken us a long time to get in a position whereby we could show progress. We are now ready to go along with such a program.

Twenty-three new mission points have been approved. We are ready to begin work in these places just as soon as we can find the approved workers and only as money is available for support of such missions. Two of these places are already open and are being maintained by us.

Soon after the session of this conference, an itinerary of all the churches will be made, by the board, and ministers and such conference officials as can help. The purpose of such will be to acquaint our people with our program of missions, as well as the new Go-Forward Program of the Conference. The meetings in our churches will not be fund raising meetings, but rather, they will be on the inspirational, teaching and informative plan, hence, no collections taken at these meetings.

Report of Ordaining Council

We, the Ordaining Council of the Cape Fear Conference of the (Original Free Will Baptist, ask permission of this honorable body to report as follows:

We have examined and ordained the following:

C. M. Coats, Smithfield, N. C., who passed the Council's examination February 22, 1950, and was ordained at the union meeting which convened with Johnson's Union April 29, 1950.

T. C. Smith of Goldsboro, N. C., and Albert T. Coates of Smithfield, N. C., met with the Council at the Smithfield Free Will Baptist Church and passed the Council's examination October 23, 1950. They were ordained at the union meeting which convened with Landwood Chapel, October 28, 1950.

We therefore, recommend these brethren to the grace of God and the fellowship of the Cape Fear Conference of the Free Will Baptist.

On September 2, 1950, the Council questioned Bro. James Earl Raper of Goldsboro, N. C., and recommended him to the Goldsboro Free Will Baptist Church for license.

(NOTE OF CLARIFICATION)

At the Council meeting October 23, 1950, after hearing the recommendations and reports about Bro. T. C. Smith, Rev. T. E. Beaman made a motion that the Council disregard the report of some who are against Bro. T. C. Smith and ordain him on the merits of his examination. The motion was carried by a unanimous vote. It was suggested that the above statements be recorded in the Council's annual report.

RECOMMENDATION

The Council recommends that the above named brethren continue their studies as the Council deems necessary.

RESIGNATION

Due to the fact that I, Ranton H. Jackson, am moving out of the Cape Fear territory, I deem it wise to tender my resignation, effective today, as a member of the Ordaining Council. I pray God's blessings upon you and beg your prayers as I go into another section of the State.

Temperance Report

It is apparent to everyone, that the liquor traffic is on the increase in North Carolina as well as in the nation, and the world. We believe that every Christian minister and layman ought to do everything in his or her power to help put the evil down and out.

We recommend that everyone refrain from patronizing places of business where beer and wine is sold. We ought also to cast our votes against any and all candidates who we know to be in favor of legalized liquor in any form.

We believe that many so-called places of recreation, are kept open for the sole purpose of selling strong drink, and that our people will do well if they stay away from them.

We recommend that this conference go on record as favoring a State wide referendum on the sale of beer, wine, and hard liquor, and that we ask our representatives to support this stand in the next Legislature of North Carolina.

We know full well that some may say that we are getting into politics if we have anything to do or say against the liquor crowd, we would like to remind such that the voice of the people is the voice of God and God is never wrong.

We believe that in supporting the above, we shall honor the memory of our forefathers and safeguard those who shall live in the future.

Statement Describing Promotional Work

Although the general work of the Cape Fear Conference is divided, by Constitutional provision, into specific fields of endeavor—namely: Christian Education, Missions, and Church Extension, and benevolence, it is recognized that a more lucid description of “promotional work” would not only be appreciated by our people but would also inspire a higher degree of cooperation on their part in the prosecution of a go-forward program. When however, the departmental boards shall have fully defined their respective phases of work and determined their methods and mediums of activity, “promotional work” will have become general knowledge throughout the Conference. For immediate purposes the following are submitted.

1. The Executive Board of the Conference shall seek to coordinate the work of all standing boards and subordinate general organizations. Duplication of efforts, faithfulness to recognized responsibilities, and a reasonable appeal for church support will be undertaken.

2. The cultivation of a high degree of Christian fellowship among the ministers of the Conference and the laity shall be socially and educationally promoted. The activities of individual ministers and local churches shall be widely publicized with the view of inspiring a more gracious service.

3. A competent survey of every Church community shall be made with the view of enlisting active and prospective church members in a mutual program of community betterment.

4. The improvement of local church organization, the training of teachers and officers, remodeling and enlarging churches, supervising Christian recreational activities and building new churches all of these shall be undertaken as “promotional work.”

5. Essential literature shall be written and made available to the churches as a means of securing enlightened cooperation in a truly progressive program.

The Conference was well attended and was in all very forward in all its deliberations. All reports showed that progress is being made in all phases of its work.

The people were kind and cooperative during the sitting, and the hospitality was everything to be expected, also plenty of good food was served.

There was one report made that should be of interest to this Conference. Rev. R. P. Harris read the Rules of Church Discipline as was revised by the Revision Committee, the revised work was accepted and approved.

I was appointed to preach the introduction sermon and received many compliments from preachers and laymen who were very much interested in the Doctrine of the Original Free Will Baptist, as I preached it. They passed the work of the Revision Committee.

I attended the Western Conference and was also received in a cordial and hospitable manner, the fellowship of the brethren was good and the Conference well attended. They also passed and approved the work of the Revision Committee.

Rev. William Ruffin Coates' Life and Labors

(Continued from page 4)

health and old age, however, his mind was very active and his memory was excellent until the end of life. He passed away at his home in the city of Raleigh, N. C., September 11, 1950, at the age of 84, having suffered for more than two years with cancer of the stomach. He leaves his widow and three daughters and one son, also several grandchildren.

The Cape Fear Conference passed a resolution in its last session to dedicate this minute of the 1950 session to the memory of Rev. W. R. Coates, and that Revs. L. R. Ennis and C. H. Coates, prepare the above for publication in the minutes.

The resolution also asked for a full page picture of Rev. Coates, over a suitable caption.

The following poetic thought is requested by Sister Coates and the children:

I cannot say—and I will not say
That he is dead . . . he is just away.

With a cheery smile and a wave of the hand
He has wandered into another land
And left us dreaming how very fair
It needs must be, since he lingers there,
And you—O you, who the wildest yearn
For the old-time step and the glad return
Think of him faring on, as dear
In the love of there, as the love of here;
Think of him still as the same, I say ,
He is not dead . . . he is just away.

This is by Sister Coates:

When I think of you dear husband the
Things so good and true
It makes my heart long again for you,

For I know you are home at rest
Up above the angels blest,
And I know you have no pain or care
For all is glad and peaceful there.

Precious husband, dearest one
I can say to you, well done
Your fight is finished and on high
Your spirit brave will never die.

Husband when I think of you
I think of all your goodness too,
And the memories, O how they cling
As tender joys they ever bring.

It is requested by this committee that a copy of this "Life and Labors of Rev. W. R. Coates" be published in the Free Will Baptist paper at an early date.

RESOLUTIONS REGULATING AID TO CHURCH BUILDING PROJECTS

Adopted by Executive Board November 26, 1950

Whereas, The Constitution of the Cape Fear Conference provides that the Executive Board shall allocate all undesignated funds to the work and objects supported by the Conference; and,

Whereas, A major phase of the Conference work is that of missions and church extension;

THEREFORE RESOLVED:

That all churches and mission points that desire financial aid from the Conference as a means of acquiring building sites, church edifices, chapels, educational buildings, and improvements shall qualify as applicants according to requirement (4) below, and according to one of the other three requirements under numerals (1), (2), (3)

(1) Title to property shall be vested in the Board of Trustees of the Cape Fear Conference.

(2) Title to property shall be vested in the Trustees of the church and the Trustees of the Conference.

(3) Title to property shall be vested in the Trustees of local church, but the Executive Board of the Conference shall maintain full supervision of the church budget, including all debt payments, maintenance of property, operational expenses, salaries, and gifts.

(4) That building plans and estimates of cost shall be approved by the Executive Board.

DISCUSSION OF RESOLUTIONS REGULATING AID TO CHURCH BUILDING PROJECTS.

(1) Title to property vested in Board of Trustees of Cape Fear Conference.

The purpose of this rule is to answer the question, "Who shall hold title to necessary property used by an unorganized mission point congregation?" Answer: Trustees of the Conference. This rule is further justified by the very fact that Conference money would necessarily be invested in such property.

(2) Title to property vested in Trustees of the local church and the Trustees of the Conference.

This rule applies to duly organized churches that are confronted with the purchase of suitable locations on which to build and the subsequent construction of church edifices. This rule would likewise be practical for established churches that might consider moving to more suitable property, said change of location being understood as entailing greater expense than the local church would be able to pay without aid from the Conference. It is to be noted also that this rule could work advantageously in the liquidation of defaulted local church indebtedness.

(3) Church budget supervised by Executive Board of the Cape Fear Conference.

The practical effects of this rule are many and varied. The chief aim, however, of this rule is to insure the financial success of the local church in handling any of its building needs, and at the same time, to justify the confidence of the churches of the Conference in the use of church extension and Conference mission funds. The Executive Board, by this method, would undertake and effect the expenditure of funds provided for this purpose with the view of advancing the Kingdom of God, while guarding a high degree of Christian fellowship and inspiring the liberality of the churches.

(4) Building plans.

By this rule the Conference, through its Executive Board, approves all building plans for those churches that receive gifts from Conference funds that are to be applied toward the construction of church buildings.

IV—STUDENT LOAN FUND

This fund will be loaned to worthy students in our Bible College. We will need in the end of 1951, \$500. In 1952 we will need an additional \$1,000, and individuals, Sunday Schools, Woman's Auxiliaries, and churches are urged to make contributions to this fund. This is a Cape Fear Conference project. VI—YOUTH MEETINGS

In our **"GO-FORWARD"** Program we have five special objectives as follows:

1—To enlist 2000 young people in a vast program of activity and christian living.

2—To conduct at least four youth revivals in this division

3—To strive to win one hundred converts for Christ

4—To increase church attendance and growth in all departments of church life and activity through the young people

5—To multiply the trained and consecrated leadership of youth

In the special rallies held we have had thousands of young people to attend. Through this over-all casting to interest the young people, we have been reason-

ably successful. We are getting results. All this work will be followed with specific organization and training of our youth.

We have just commenced this work. Please remember; it is still in the infant stage, and please be patient with us. We are doing what we can, as best we can, with what we have to do with.

VII—THE FAMILY LIFE

The following resolution was adopted by the Executive Board in the meeting held September 24, 1951:

WHEREAS, our Free Will Baptist homes are no exception, and ,

WHEREAS, there is a definite need for a return to the devotional, religious, and spiritual life of the home, and,

REPORT OF THE BOARD OF MISSIONS AND CHURCH EXTENSION

We have been engaged during the year with many problems for which we have sought the solution. We have approached every problem on a long-ranged basis. We have been confident that the solution to all of these problems was of momentous concern. Momentous for the reason that the success, or failure, of the new **"GO-FORWARD"** Program of the Conference depends upon the promotional activities of the Mission Board and the full cooperation of the ministers of the Conference, and such ministers as are pastoring churches within our Conference. With this in mind, we give you some of the special objectives of the Board as contemplated in the said **"GO-FORWARD"** Program.

1—Rehabilitation Of Present Churches: Every church in our Conference is operating under a very low percentage of their maximum ability. While it is true some are operating on a higher basis of efficiency than others, yet we need a program of rehabilitation of the churches. A program of rehabilitation will bring enlivened vision and new life, and if understood and faithfully promoted, our churches are capable of blooming, so to speak, like a rose in the valley.

2—Relocation Of Some Churches: Some of our churches are improperly located. Because of changing conditions, the building of new roads, and the general advancement in the communities in which they are located, the relocation of the church is most desirable. In most instances, the task of such relocation and the subsequent proper development of the church building and the church program is such that the churches need outside assistance. It is one of the proposed plans of the program to assist such churches and their pastor in such a relocation problem.

3—Rebuilding And Remodeling Churches: The most of our churches need a rebuilding and remodeling program. The problems are complex. Within the congregations there are usually found carpenters who know very little about the proper design of a church building, but they can and will be helpful in preparing the plans of a church building. It is the aim of the Board of Missions to arrange for, and always in cooperation with the pastor and the local church, architectural services, etc, and in all cases, to have the plans approved by the Executive Board of the Conference. All churches should be rebuilt or remodeled on a standard modern basis with facilities for properly housing the Sunday School and other activities of the church. It should be the desire of every pastor and all the officials of our Conference to cease the building or remodeling of churches on such a fashion as to discredit our cause rather than adding credit and prestige to same.

4—Landscaping And Beautification Of Grounds: Every plot of ground on which one of our church buildings is located, regardless of the size or type, should be landscaped and beautified. Such grounds should thereafter be well kept. The attractiveness of such grounds or plots will add much to the public eye appeal and will show not only to the members, but to the general public that we do care, love, and respect that which we have dedicated to our Lord and Master. Your Mission Board will advocate and help the churches in the planning and developing of the church property.

5—Lord's Acre And Harvest Day Projects: One of the best means of financing the expansion program of any church is by means of these projects. They are sound and biblical. We have available literature on these projects. Some is for free distribution, and some will be for sale. Any minister or church member who desires to inform themselves and promote the project may not only have this literature available, but may likewise have the experience, wisdom, and cooperation of the Mission Board in the planning and development of these projects.

6—New Church Building Goals: We believe that with the foundation which we have laid, that if our Mission Board is permitted to continue its program without interruption, that beginning with the year 1952 we can build a minimum of five churches a year. We recognize the fact that it is one thing to organize a church, another to build, and another to maintain it, and that the organizing and building of churches and bringing them into our Conference as "white elephants" is dishonorable. We therefore propose that every new organization shall be properly organized, properly located, and that its building program, as it may be launched, shall be on a modern basis, and that the financing of same shall be conducted on a sane business basis. Whatever we do, we must do sanely and wisely and for the glory of our Lord and Master.

7—Promotion Of The Go-Forward Program: The entire resources of the constituency of the Conference should be placed squarely behind the program. We should move in unison; for in unity there is strength. The aim of the Board is to promote the conference program as it relates to Missions and church extension, and to coordinate its work with every other department of the entire program.

8—Cooperation With Other Agencies: Full cooperation should be had with our state and foreign mission program.

9—Distribution Of Literature: We recognize the effectiveness of the spreading of the Gospel through the printed page. This is as fundamental as the oral preaching of the Gospel. We can, and should, distribute annually thousands of pieces of Christian literature. We should produce much of this literature. We will produce and distribute literature bearing on the faith and doctrine of our beloved Denomination.

10—A Full Time Promotional Missionary: We have reached the place when we must think and plan in definite terms for the employment of a full time missionary on a salary and expense basis to promote this work. The members of the Mission Board are merely supposed to be directors of the program and the Board as is now constituted is made up of busy pastors or laymen. They cannot do this work. It is a full time job and if we get results, it must be placed on that basis.

11—Financing The Program: Our people are grand people. They will finance this work once they understand that it is being done on a safe and sound basis. We frankly believe that every dollar we need will be forthcoming. Ways and means will be announced and promoted from time to time.

12—Youth Revivals: There is a feeling and a demand upon us that we conduct a number of youth revivals in strategic places during the summer of each year, and that we use our young college students if these are available. Such places as are now in the making, when complete, will be announced. If these are successful, we must have the full and complete cooperation of our older ministers and our churches. We plead for this cooperation.

13—Missions And Evangelism Courses: The Board of Education will offer to our people in the near future two new courses of study; one in the field of Sunday School Evangelism, the other in missions. Since these subjects are related to our work, we shall go all out to make them effective.

14—The Christian Family: Although this responsibility is specifically assigned to the Board of Education, there is a need for full cooperation by this Board in stressing great **Emphasis** on a return to the Christian Family Life, and we shall feel obligated to the fullest extent.

During the year we have received for State Missions, \$5.50; for Foreign Missions, \$89.93; Cape Fear Missions, \$306.95.

We are confident that much more than \$89.93 has been given to our State and Foreign Mission work, but since it was not sent via this office as required the Cape Fear Conference has lost the credit.

A budget of \$600 for the year 1951-52 has been prepared and apportioned to the churches. We shall need this money as soon as our churches can make it available to us.

In conclusion, we beg to say to you that we can grow, we can develop into a strong and powerful people. It is up to us. Let us accept the challenge and

go forward, remembering the statement of our God to Moses, "Speak unto the children of Israel, that they go forward."

REPORT OF THE BOARD OF ORDINATION

November 2, 1951

To the Cape Fear Conference of Original Free Will Baptists—Greetings:

We beg to report as follows:

We have held one meeting on July 18 for the purpose of giving a preliminary examination to prospective candidates for the ministry. At this meeting we examined Brothers Robert M. Fader, W. C. Odem, Lenard Woodall and W. A. Martin. These brethren having passed satisfactory preliminary examinations, we issued to their respective churches permission to grant the said applicants license to preach the gospel.

In this connection, we wish to respectfully call your attention to the requirements as stated in the new National Treatise, page 49, chapter 11, section 1-2.

"When a church desires that one of its members should be licensed or ordained to preach the Gospel, it requests the quarterly meeting or association of which it is a member to examine, by council, such member. The examination for license should refer to the piety and doctrines, the convictions and purposes respecting the work of the ministry, and the reputation for character and ability

of the candidate, and his present and prospective educational and professional qualifications. The examination for ordination should include all that is required for license, and also satisfactory examination respecting the life and labors of the candidate, and his attainments, at least in the departments of english, education, doctrinal and pastoral theology and homiletics.”

According to this regulation, churches cannot license or re-license a minister without the permission and written authority of this Board. We have no choice in the matter.

We have ordained one minister this year, Brother J. C. Hathaway.

Respectfully submitted,
The Board of Ordination
C. H. Coats, chairman

REPORT OF THE OBITUARY COMMITTEE

We, the Obituary Committee, are happy to report that God in all his wise council has not seen fit to take one of our beloved ministers from our midst.

Reports of Various Boards and Committees

REPORT OF THE EXECUTIVE BOARD

In accordance with the requirements and stipulations of the Constitution and the By-Laws of the conference, your Executive Board has endeavored to discharge the functions and duties required of the Board. We have been required to attend to many routine matters, as well as some very weighty matters. It is the purpose of this report, not to burden you with the routine matters, but to report on the more weighty and important matters.

In the meeting held on February 22, 1952, in our Smithfield Church, we were presented with a petition from the Raleigh Church, requesting the Executive Board to come to their rescue. After adopting suitable resolutions regarding a new set-up for the Raleigh Church, we authorized our Executive Secretary, Thomas E. Beaman, to arrange for a joint meeting with the Raleigh Church on February 29.

On February 29, we held a joint session with the church in Raleigh. At this time we presented the mutual regulations and agreements which we had drawn up and adopted in the meeting on February 22. The church adopted unanimously, the agreements. In these agreements we stipulated that joint ownership was to be acquired. A new financial set-up followed.

The necessary regulations and agreements having been established, we handed the entire assignment over to our Executive Secretary with instructions to proceed to execute them and to make his report when he had finished the assignment. We are attaching hereto, and making a part of this report, a specific report on the Raleigh Church, which gives the gist of his report.

In other meetings during the year, we handled routine matters with some consideration given to further arrangements and interests of the Raleigh Church.

On October 27, we held a meeting in Smithfield at which meeting we authorized the Moderator and Secretary of the conference to make application to our National Home Mission Board for a gift of \$500.00 for the Raleigh Church. We also, authorized the renewal of the applications to the State Mission Board and to our own Conference Mission Board for the renewal of our applications.

At this meeting we received into conference membership, Rev. Herman Hersey and Rev. Earl Glenn.

Respectfully submitted,

THE EXECUTIVE BOARD

RALEIGH CHURCH

The First Free Will Baptist Church, located at 802 North Bloodsworth Street, Raleigh, North Carolina, did on the 16th day of February, 1952, petition the Executive Board of the conference for council, and assistance in the re-organization and administration of their church, throughout the period of their struggle to become securely established.

On February 22, the Executive Board did by suitable resolution accept the petition, and set up necessary rules and regulations for a working mutual agree-

ment with the church at Raleigh, one of which joint title was to be acquired to the property.

A joint meeting of the Executive Board and the Raleigh Church was held on February 29, in the church building at Raleigh, resulting in the adoption of the plans and agreement which had been submitted in writing. The vote was unanimously in favor of the proposed arrangements.

Joint title has been acquired to the property. A new financial system set up. All indebtedness was ascertained and set up in order on the books. The pulpit was supplied by a joint pulpit committee until a regular pastor was secured. Rev. Herman Hersey was installed as resident pastor on July 1, on a full time basis.

The indebtedness against the church is as follows:

Deed of Trust—Balance	\$ 7,500
Notes and interest to Individuals	3,070
Total	\$10,570
Assets:	
1. Approximate appraisal of real estate	\$25,000
2. Furnishings and equipment	1,000
Total	\$26,000
Assets less liabilities	\$15,430

The church has made wonderful progress under the new set up and under the leadership of the present pastor. Attendance, both in the Sunday School and the worship services has increased 300 per cent. The membership has been very cooperative with us. They have been everything we could have asked for.

The Salvation of the Raleigh Church justifies our *Go Forward Program*. This program, and the money having been retained in the treasury to be used in promotional work, has enabled us to salvage our Raleigh Church. But for this, we would have already lost the church and the investments which had been made.

Respectfully submitted,

THOS. E. BEAMAN, *Executive Sec.*

REPORT OF TEMPERANCE AND CIVIC-RIGHTEOUSNESS COMMITTEE

As your Temperance and Civic-Righteousness Committee and as ordained ministers of the gospel in the State of North Carolina, we believe that the Holy Bible is the divinely inspired Word of God and should be revered as such. Therefore, we recommend to your heading and admonition Romans, chapter 6 (verses 11-13 especially).

Likewise reckon ye also yourselves to be dead indeed unto sin, but alive unto God through Jesus Christ our Lord.

Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof.

Neither yield ye your members as instruments of unrighteousness unto sin: but yield yourselves unto God, as those that are alive from the dead,

and your members as instruments of righteousness unto God.

Secondly, we recommend that we adhere strictly to our Church Covenant and urge that this covenant be read to all new members when being received into the church, and to the entire membership at such time as the pastor of the church may deem proper.

COVENANT

Having given ourselves to God, by faith in Christ, and adopted the Word of God as our rule of faith and practice, we now give ourselves to one another by the will of God in this solemn covenant.

We promise by His grace to love and obey Him in all things, to avoid all appearance of evil, to abstain from all sinful amusements and unholy conformity to the world, from all sanction of the use and sale of intoxicating beverages, and to "provide things honest in the sight of all men."

We believe that it is hard to be a pleasing servant if one is a reluctant disciple. We believe that he will be limited in influence and success if he does not lay aside the weights of the world and the questionable deeds which will mar his fruit-bearing. Unless parents practice temperance and civic righteousness, they cannot expect their children to do so. Likewise, ministers and laymen, as well as other Christian leaders, should lead strictly temperate lives. Society demands this of them, for their influence constantly speaks for or against moral reform and the improvement of society.

In every walk and relationship of life, whether in the home, the office, the factory, the field, the pulpit, or the legislative assembly, men should stand for civic righteousness and temperance. If they fail, they are traitors. They are traitors to temperance. They are traitors to public good, traitors to manhood, traitors to honesty, traitors to character, traitors to righteousness, traitors to Christ.

TRAITORS

"We honored him with public trust,
A man we thought was true as steel
He shameless followed greed and lust,
A traitor to the public weal.

"Another trains our girls and boys,
A trusted teacher in our schools;
She cares alone for thrills and joys,
A traitor she, a flippant fool.

"And he who feeds the hungry flock
The bread of life, the food of soul,
Is scorned and damned while devils mock
If he betray his sacred goal.

"All traitors these to God and man;
Despised, condemned by everyone,
But there is treason seldom named
That's worse by far than these have done.

"The dad who lives as less than man
Is traitor to his trusting son;
Nor child, nor time, nor heaven can
Undo the wrong that he has done."

REPORT OF THE BOARD OF MISSIONS AND CHURCH EXTENSION

October 30, 1952

We have endeavored to make progress in all of the fourteen point program of your board. The accomplishments are far from what we would have them to be. However, we are happy to report that progress has been made. Some of the accomplishments will be made specifically stated on the specific report on the *Go-Forward Program*.

1. TITHING CAMPAIGN: Your Board sponsored a Tithing Campaign. During the month of February, every minister of the conference and those pastoring in our conference was asked to preach a sermon on Tithing. Every Sunday School superintendent and teacher requested to cooperate through the Sunday School and all were requested to make a report in order that we might give to our people a report.

The following ministers made their report as requested: Leonard B. Woodall, Jr., Robert M. Fader, Gideon Stevens, W. A. Martin, J. Walter Stanley, C. M. Coates, C. H. Coates, Lloyd Vernon, L. R. Ennis, Thos. E. Beaman, Earl Glenn, W. O. Lassiter, Albert T. Coates, J. C. Hathaway.

Reports reveal the following:

1. Eighteen sermons on tithing were preached and heard by more than 3,000 people who were in attendance.
2. Ninety-seven new tithers were acquired. (Note: If their yearly income averaged \$1,000 per year—it would mean an increase in church offering of \$9,70 per year.)
3. Approximately 7,000 tracts and pieces of literature were distributed. The distribution of literature still goes on. Some pastors and teachers have written in as many as three times for additional tracts and pamphlets.
4. One hundred eighty-four of the 224 pastors, teachers and superintendents of Sunday School participated in the campaign which was the largest total number on record ever to co-operate in a single plan simultaneously on a Conference-wide scale.
5. We will reap in the future abundantly as a result of the investment we made in this endeavor.

II. \$100-A-MONTH CLUB: This club was organized under the directions of the Board of Missions, as a part of its planned program, to meet a long felt need for a fund especially ear-marked to aid the beginning of new churches. We have set a goal of \$100 a month. Hence, the name \$100-A-Month Club. Of course, we did not expect to reach the goal the first year, but gradually, we believe that we will have a membership sufficient to receive \$100 a month to this specially earmarked fund. This fund now amounts to \$323. The expenses for promoting this club has been paid by our regular Mission Funds. Hence, all money received is now in the hands of the treasurer of the Conference. Let us clearly understand now, that this money is *not* for use in helping churches already organized, but to be used in helping churches *get* organized and set up. The regular Mission Funds will be used for helping the now existing churches.

III. THE LORD'S ACRE PROJECTS: We sponsored three special regular conferences for study and understanding of the plans and methods. One was held at Oak Grove, one at Lee's Chapel and one at Smithfield. The pastors of the churches in each area, the Lord's Acre Committees and other interested individuals attended these conferences. Besides the holding of these special regional conferences, a special contact was made with approximately fifty individuals who did not attend these conferences. The result of these conferences has been that our people have been better informed as to the plans and purposes of the projects.

Several of our churches sponsored the Lord's Acre plan and in some instances they had a Harvest Day Sale. Reports have not been turned in from all of the churches, therefore, we cannot make a full report now.

Tee's Chapel deserves special recognition. A large number of members planted an acre. Others had chickens and hogs. Each project was marked with a sign "The Lord's Acre." The pastor and his church held a dedication service of each plot of ground so earmarked. Field scenes were also taken in motion picture. These crops have not all been harvested and therefore, no financial report can be given.

Our Shady Grove Church also went all out for the Lord's Acre Project, marking each plot of land that was set aside for the "Lord's Acre." After the crops were gathered and converted into cash, the combined offering was made at the church worship services on Sunday, October 26. The total Lord's Acre and Harvest Offering was \$2,323.16.

Lee's Chapel Church had a very good Harvest Day Sale. The receipts from the sale which included the proceeds from the Lord's Acre Projects amount to \$1,182.

Daly's Chapel Lord's Acre and Harvest Sales netted them \$275.00.

IV. THE RALEIGH CHURCH: It has been necessary for us to aid our Raleigh Church in supplementing the pastor's salary and we have allocated for this purpose \$50.00 per month from June through October. It will also be necessary for us to continue this allocation for some time to come.

V. OTHER APPLICATIONS: We have other applications for assistance and we probably will be getting others during the coming year. If we help those who are appealing to us for assistance, we must have an additional income from our churches.

VI. DONATIONS TO MISSIONS: According to the best available information, the Conference Churches contributed to missions, including Foreign Missions, State and National Missions, and Cape Fear Missions, the sum of \$1,098.88 during the year.

Do we believe in Foreign Missions? Do we believe in our State Mission Program? Do we believe in our own Cape Fear Mission Program? Yes, indeed we do, to the large and staggering sum of \$1,098.88.

WOMAN'S AUXILIARY CONVENTION

The Cape Fear Woman's Auxiliary Convention held two semi-annual sessions during the year. A central theme was chosen and emphasized throughout the programs in each session. The spring session convened with our Oak Grove Church on April 12, 1952, at which session the theme "Thy Will Be Done" was chosen. The fall session was held with our Shady Grove Church on October 3, 1952, at which session the theme "The Hour Has Come For Self-Denial" was used and emphasized.

Twenty-seven auxiliaries make up the convention with approximately five hundred seventy-five (575) members.

The receipts for the year have been \$464.11. This money has been used for the support of our denominational work. The Convention has, within the past

year, re-decorated and purchased new furnishings for a room in the girls' dormitory at our orphanage at Middlesex, North Carolina.

We are striving to enlist more women in our auxiliaries, and by so doing, we will not only have more workers, but we will also be prepared to do a greater promotional work.

We greatly appreciate the cooperation and assistance of the ministers of the conference, and respectfully solicit their continued cooperation as the women of our conference undertake to promote the general Cause of Christ as represented by our church.

Respectfully submitted,

MRS. CARL DUDLEY

TRAINING PROGRAM

I. *Free Will Baptist League*

A course of instruction will be offered in the month of January in League Leadership Training. Institutes will be held at Kinston, Goldsboro, Smithfield, Raleigh and Lee's Chapel. We shall strive for a combined enrollment of 300. We have a very definite plan which we will follow.

II. *Sunday School Training Course*

Beginning the latter part of January, we will give another course in the ETTA cycle. The subject will be "World Wide Missions." The training centers will be the same as for the Leagues.

III. *Students in the Bible College and Student Loan Fund*

This year we have five students in our Bible College, Nashville, Tennessee. We must give some aid and assistance to these students. It will be necessary for us to increase our Student Loan Fund in order to help them continue their studies in our Bible College.

Churches, Sunday Schools, Leagues, Woman's Auxiliaries and individuals are requested to contribute this year to this fund. The earlier you can get in your contribution, the better, as it will be needed in the very near future.

IV. *The Family Life*

During the year we have given considerable emphasis to family life. One Union Meeting Session was devoted to the general discussion and emphasis and this phase of our *Go-Forward Program*.

We have authorized the procurement of available texts, pamphlets and booklets on the Family Life and authorized the writing of some for our own particular use. These we expect to distribute during the coming Conference Year.

This particular item of the *Go-Forward Program* was assigned to your Board of Education and we will continue to do our best to carry out the requirements of the assignment.

Institutes were held at Kinston, Goldsboro, Smithfield and Lee's Chapel, in which Institutes a course of instructions in "Sunday School Evangelism" was given. The enrollment was very gratifying, and the work accomplished by the students was commendable. We held a big rally in Smithfield following the completion of the course. The rally was well attended.

During the year, our churches contributed the following amounts to education: Goldsboro \$364.46; Robert's Grove \$64.00; Oak Grove \$7.35; Hopewell \$35.00; St. Mary's Grove \$35.00; Bethel \$82.00; Riverside \$5.00; Smithfield \$50.71; Johnson's Union \$56.83; Casey's Chapel \$41.20; Powhatan \$37.00 Total \$778.55.

We are confident much more money was given to education than is reflected in the above figures, but they gave it in such a way that we could not get the actual figures. Thus, the Cape Fear Conference loses the credit which rightfully would belong to us.

We issued several bulletins for the information and enlightening of our people.

We also mailed out several thousand bulletins and pamphlets about our college work in Nashville, Tennessee.

REPORT OF THE BOARD OF ORDINATION, OCTOBER 31, 1952

To the Cape Fear Conference Original Free Will Baptists, Greetings:

We have held eight meetings of the board this year for the transactions of the business pertaining to the ministry. There has been a great deal of work required of us and we have performed the duties to the very best of our ability.

We have authorized the renewal of the license of all licentiate members, whose licenses had expired.

Brother Robert M. Fader, Kinston, North Carolina, having satisfactorily completed his examinations, we authorized his ordination. He was ordained in Bethel Free Will Baptist Church, Kinston, North Carolina on the 29th day of June, 1952, with Rev. C. H. Coates, Rev. L. R. Ennis, and Rev. Thos. E. Beaman officiating at the Ordination rites.

Brothers Leonard Woodall, Jr., and W. A. Martin completed satisfactorily their examinations. We ordained them in our Smithfield Church on October 27, 1952, with beautiful and appropriate ceremony administered by Rev. C. H. Coates, Rev. L. R. Ennis, Rev. Walter W. Reynolds, Rev. W. H. Lancaster, and Rev. Thos. E. Beaman.

We have been supervising and directing the studies and further requirements of a number of our younger ministers who have been ordained and those whose ordination is pending and these brethren have made considerable progress in their studies.

We are happy to report that during the year, none of our ministers have died.

The ministers of the Conference have met in four regular sessions during the year and one emergency session for fellowship and consultation in matters pertain-

ing to the general work of our conference.

We have done more work this year as a board than any one year during the history of the Conference and we have had to devote a considerable amount of time and expense during the year to properly discharge the duties and functions of this board. We have the satisfaction that we have accomplished a great deal and feel that much of the labors will bear much fruit. Besides ordaining Brother Robert M. Fader, Brother Leonard Woodall, Jr., and Brother W. A. Martin to the Gospel Ministry, whose names we request be enrolled on the official list of ministers, we have also recommended the admission to membership in the conference Rev. Herman Hersey, pastor of our Raleigh Church, and Rev. Earl Glenn, pastor of our Smithfield Church. These latter two ministers having been admitted to membership by the Executive Board, we request their official registration.

We wish to again respectfully call to the attention of our churches, the requirements as stated in the new National Treatise, page 49, chapter 11, section 1-2.

When a church desires that one of its members should be licensed or ordained to preach the Gospel, it requests the quarterly meeting or association of which it is a member to examine, by council, such member. The examination for license should refer to the piety and doctrines, the convictions and purposes respecting the work of the ministry, and the reputation for character and ability of the candidate, and his present and prospective educational and professional qualifications. The examination for ordination should include all that is required for license, and also satisfactory examination respecting the life and labors of the candidate, and his attainments, at least in the departments of English, education, doctrinal and pastoral theology and homiletics.

According to this regulation, churches cannot license or re-license a minister without the permission and written authority of this Board. We have no choice in the matter.

We are also happy to report that the harmony and fellowship of the ministers of your conference is excellent.

Respectfully submitted,

We wish to respectfully call your attention to provisions in the Constitution of the Conference Article 7, which reads as follows: "Each church shall contribute to the Conference program \$10.00 annually for each 100 members, or fraction thereof."

This means that if a church has less than 100 members, they pay the \$10.00

for the fraction thereof. But if the church has 101, and less than 200 members, they will pay \$20.00.

The above is in no sense meant to reflect on anyone, or any church. It is a factual matter as provided in the Constitution. We are sure that many churches did not so understand.

We would respectfully request those churches which have overlooked, or failed to send in the correct amount, mail in the balance due as soon as possible.

In the first day session we received from Lee's Chapel Church, \$40.00 for Cape Fear Missions. The worship offering was \$32.30. \$80.00 was received as Conference Funds. The above receipts were not included in the Treasurer's report, for the reason they were received after the report had been mimeographed.

The reports reveal the following additional information:

1. Total Value of church property \$217,000.00; 2. Received by letters—42; 3. Statement—none; 4. Baptized—166; 5. Dismissed—99; 6. Died—28; 7. Increased Net—197; 8. Decreased—93; 9. Male Members—1,693; 10. Females—2,721; 11. Under 13—58; 12. Total membership—4,432; 13. Sunday School enrollment—3,632; 14. Woman's Auxiliaries—575; 15. League Membership—305; 16. Ministerial Support—\$24,840.48.

Note: Totals of other items are shown in other reports. We are not repeating here.

S. S. 1951 enrollment was 3,299—1952 enrollment 3,632, a gain of 333. Records show gains each year under the *Go-Forward Program*, a justification for the program.

The majority of our teachers and officers of the Sunday Schools have been taking training to better prepare themselves for more effective usefulness. Our ministers, largely speaking, are taking the courses of instructions given by the Board of Education. The training program will be re-activated in January, and will include special training in League Leadership.

I have spent approximately three and one-half months this year in the interest of the Cape Fear Conference and the Program. I have furnished the Conference office space, the use of Water, Lights, telephone service, office equipment, etc.,

without charge. The expenses in the proper conduct of the business have been held to a minimum. The items of expenses will be shown in the Treasurer's expenses.

The accomplishments truly justify the investments in time, talents, labor and money.

Indeed, we are going *forward* with the work of the Kingdom as represented by the Cape Fear Conference.

Respectfully submitted,

THOS. E. BEAMAN

Executive Promotional Secretary

Note: We omitted under caption St. John, the installation of memorial windows, at a cost of \$1,027.00, making a total cost of a little above \$9,000.00.

Report of the Cape Fear Mission Board

October 29, 1953

Whereas, on Sept. 17, 1953, our beloved brother and member of your Mission Board, Brother N. C. Strickland, passed away:

We recommend that a resolution of respect be passed at this conference for his faithful service rendered to God while serving the Cape Fear Conference.

May we bow our heads in a moment of silent prayer and meditation at this time.

Your Mission Board held its first meeting Feb. 5, 1953, for the purpose of planning our Conference Mission Program. Every member was present from the Raleigh Church and Rev. L. R. Ennis representing the Conference Executive Board.

In this meeting we set as our aim:

- 1—To promote the mission program of the conference in all our churches.
- 2—To help in setting up proper mission points when they were brought to our attention.
- 3—To help organize sound Free Will Baptist churches.
- 4—To promote the Lord's Acre Project and Harvest Sale.
- 5—To cooperate with the State and National Mission Boards and ask every church in the conference to cooperate, for Jesus said, "Go ye into all the world and preach the Gospel."

The following is a copy of the minutes of the Mission Board meetings:

Smithfield—Feb. 5, 1953

The meeting was opened with prayer and roll call of members with every member present.

The progress of the Raleigh Church was discussed and Rev. Herman Hersey, pastor, gave a very informative report of the work.

His report showed that there were 39 members when he assumed the pastorate, 44 new members had come into the church, and the Sunday school had an enrollment of 76 with an average attendance of 67. A strong league was also reported.

There was \$521.86 raised in the state-wide mission drive for the debt retirement and the Raleigh Church raised \$288.23 of this amount.

The State Mission Board made an appropriation of \$150.00 in Sept. 1952.

Plans were made for the Raleigh Church to make application to the State Mission Board for future support and your Mission Board chairman was instructed

to send out letters to pastors and others in an effort to raise additional funds for the debt retirement of the church.

The meeting was closed with prayer.

Smyrna—March 28, 1953

This meeting was opened with prayer and a discussion followed in regards to the raising of additional money to help the Raleigh Church meet its installment on April 5, 1953.

Further discussions were held in regards to offering financial aid to Smyrna and Lanwood Chapel Churches.

Our chairman read a copy of his letter of appeal that went out to every minister pastoring in our conference in regards to raising money for the debt retirement of the Raleigh Church.

The Mission Board met on Sept. 29, 1953, and again on Oct. 27, 1953, for the purpose of discussing and preparing its report to this conference.

Report of Temperance and Civic Righteousness Committee

Seeing the moral decadence of our day, we, your Temperance Committee make these recommendations:

That we pledge to adhere strictly to paragraph two of our church covenant which reads as follows: "We promise by His grace to love and obey Him in all things, to avoid all appearance of evil, to abstain from all sinful amusements and unholy conformity to the world from all sanction of the use and sale of intoxicating beverages, and to provide things honest in the sight of all men."

That we use our influence and votes against the election of representatives and senators to our state and national legislative bodies and any other public officials who advocate the use or sale of strong drink.

That our people should realize that intemperance is not only in strong drink, but we should be temperate in our everyday habits, and do nothing that would cause our brother to stumble.

Respectfully submitted,

C. M. COATES
L. B. WOODALL

Warren Jackson, President, and Mrs. Emerson Warren, Secretary.

Raleigh Church in our own conference, and assisted in putting a new roof on the home of one of our missionaries in Cuba. Other gifts have been made to missions by local auxiliaries.

Recently the convention voted to buy new drapes for the dining hall at our orphanage. This money has already been acquired.

Each phase of work in our "United Program" has been recognized and support has been given.

The Convention held two sessions during the year. At the meeting in April, with Casey's Chapel Auxiliary, yearly reports were made, and all business transacted. On October 14th, we met with Lanwood's Chapel Auxiliary for an inspirational meeting which was very successful.

We greatly appreciate the cooperation and assistance of our ministers of the conference, and respectfully solicit their continued cooperation and prayers as we continue to labor for this worthy cause.

Respectfully submitted,

MRS. CARL DUDLEY

Free Will Baptist Bible College—

Our Bible College opened in September with 60 new students, representing 18 states and Cuba. There were 150 students of which 52 were from North Carolina. The college has made tremendous gain and is doing a marvelous job. We urge our people to give their loyal support to the college. We have here today for free distribution, a good supply of the college bulletins which tells a good story of the college work.

Mount Allen Junior College—

The Board of Education of the North Carolina State Convention in September of this year, purchased the old school property in the town of Mt. Olive, N. C., for the sum of \$25,000 dollars, paying down, \$4,000 and financing \$21,000 over a period of 18 months. It is the intention of the Board of Directors to begin operation of the school on November 9, 1953.

Training Program

Free Will Baptist Leagues Training Program—

In the month of January we held Institutes at Kinston, Goldsboro, Smithfield, Raleigh, and Lee's Chapel Churches. The enrollment far exceeded our goal of 300. This training program will be continued in 1954.

Sunday School Training Program—

Institutes were held in Kinston, Goldsboro, Raleigh, Smithfield, and Lee's Chapel Churches. The course of instruction offered was on *World Missions*. The enrollment was approximately 150.

The Family Life—

It is the aim of your Board, to give much emphasis on this subject in the next year's program. We are gathering materials now for use in conducting institute training in 1954.

Students in Bible College—

We have been working with young people and directing their attention toward the Bible College, and we have some students in College now, and are expecting more to enter in the near future. We shall presently find their training will pay our denomination big dividends.

Correspondence Courses—

The Free Will Baptist College, Nashville, Tennessee, is now offering Correspondence Courses, and we urge those who are interested to write direct to the College for information and enrollment blanks. This training will afford those who would like farther preparation for Christian service and opportunity for limited training.

Report of the Board of Ordination, 1953 Session

Greetings to the Cape Fear Conference of Free Will Baptists:

We are happy to tell you that none of our ministers have died during the year for which we are grateful to our heavenly Father. The health of our ministers is about as usual.

We have performed the regular routine duties during the year, and have endeavored to be faithful in the performance of our duties.

During the year we have ordained two ministers, namely: Brothers Wm. F. Speicher and James Earl Raper, with appropriate ceremonies. We ask that their names be recorded in the list of ministers.

In order to have an organized and up-to-date record of the regulations governing our work, we have gone through the minutes and records, and have set them in regular order. This does not embody any new regulations, but are the regular duties assigned to the Board. They are as follows:

By-Laws for the Ordaining Council

1. The Ordaining Council shall be at liberty to organize and operate independent of any and all boards, and shall be required to answer only to the annual Conference of Churches in regular session or the Executive Board.

2. It shall be the duty of the Council to examine all applicants for license as prescribed in the National Treatise.

3. The Council shall examine all applicants for ordination, when a request is made by some church that wishes his services as pastor, and shall issue to him a suitable certificate of ordination.

4. The Council shall not be at liberty to ordain any man to the gospel ministry who cannot furnish sufficient proof of a Divine call and reasonable preparation which qualifies him for any and all duties required of a pastor.

5. The Council shall have power to issue certificates of ordination to applicants on a time basis, or probation, and request him to study as long as the Council deems necessary.

6. The Council shall have power to recall any certificate which it has issued to any man, when and if he has failed to comply with any and all agreements made between the Council and bearer.

7. The Council shall be charged with the responsibility of disciplinary measures of all ministers and their ministerial labors.

8. These By-Laws shall be in full effect when approved by the annual Conference in regular session.
9. Any amendment to these By-Laws shall be presented to the annual Conference in writing and shall be approved by at least a 75% vote of the delegates and preachers present. All amendments shall be on the table 6 hours before the vote is taken.

Respectfully submitted,
THE BOARD OF ORDINATION

Report of the Obituary Committee

1. We thank God that He has seen fit through His wonderful love and mercy to spare our beloved ministers for another year.

2. Sister H. R. Faircloth, wife of our dearly beloved brother, Rev. H. R. Faircloth, passed into the eternal world on October 12.

She was born in Fort Worth, Texas, April 28, 1882.

Brother and Sister Faircloth were married Dec. 3, 1902, and had labored together for the remainder of their lives.

Sister Faircloth labored in the home, while Brother Faircloth was serving God by carrying the gospel.

She was laid away in the Knollwood Cemetery until the Great Day of Resurrection where the "Dead in Christ shall rise first," to meet the Saviour and be with him forever.

"May the God of peace, comfort the bereaved ones and lead them to a closer walk with Him."

"The Lord giveth and the Lord taketh away, Blessed be the name of the Lord."

3. Brother N. C. Strickland, of Corinth Church passed into the eternal world Sept. 17, 1953. Brother Strickland was a member of the Corinth Free Will Baptist Church since his conversion. He was not only active in his church, but was active in the Cape Fear Conference from the time of its reorganization until his death.

He is survived by his wife, who is a daughter of the late Brother Zack Taylor, three sons, and six daughters.

He was laid to rest in the Strickland Family Cemetery.

May God comfort his loved ones and may they realize that their loss is heaven's gain.

Reports of Various Boards and Committees

Report of Credentials Committee

We, your Credentials Committee, report as follows:

1. All churches of the conference have reported.
2. We have a registration of 62 official delegates and conference officials. We ask that these be properly seated.
3. We have examined the application of the Community Chapel Free Will Baptist Church, Buies Creek, North Carolina, together with their church report, and find them properly organized. We request their admission to membership in the conference and their delegates seated.

 W. H. LANCASTER

Report of the Executive Board

We have met in a number of meetings during the year to attend to any, and all, administrative matters claiming our attention. We have handled the business affairs of the conference with all the safety, security, and economy possible.

We handled, in co-operation with other agencies of the conference, the purchasing of the church property at Buies Creek, N. C., and directed that title to the property be vested for the present time with the trustees of the conference. These transactions involved a great deal of time, labor, and some necessary expense. However, our investments are secure, and we are confident we can look with approbation to the future prospects for growing a strong and thriving church at this place.

In mutual co-operation with the Raleigh Church, and the Church Finance Association, Inc., we assisted in the arranging of the re-financing of the indebtedness of the Raleigh Church. This all worked out satisfactorily.

On August 16, we met in joint session with the Executive Boards of other conferences of the state and the Executive Board of the State Convention for the purpose of working out some general statements of policies and recommendations to be made to the National Association of Free Will Baptists.

On August 19, we met with the Executive Board of the State Convention in joint session for the purpose of working out some general statements of policies and regulations regarding the North Carolina Treatise.

We worked in co-operation with other agencies of the conference in the conducting of the area conference for our church people. We were most gratified at the attendance, almost 200% above our expectations, and in the interest shown by those attending. The accomplishments during the year prove the justification for these conferences.

The state of fellowship in our conference is excellent. Our ministers and churches, generally speaking, are very co-operative.

Respectfully submitted,

THE EXECUTIVE BOARD

Report of Mission Board of the Cape Fear Conference

Only one official meeting of the Cape Fear Mission Board has been called since the last session of the conference, and this one convened at the Goldsboro Church in the latter part of the winter. The Reverend Albert T. Coates, chairman, presided over the meeting and a number of things were discussed and acted upon in the interest of promotion of our cause of missions.

Chairman Coates pointed out the fact of his being so much bounded because

of his employment with the government, expressing feeling that it would be better for the promotion of the cause were some one else designated as chairman, J. R. Davidson was elected as chairman, Albert T. Coates, associate chairman, and Milton Wiggs, secretary.

Brother Coates agreed to take responsibility of promoting the emphasis for re-activation of the \$100 a month club. Quite a bit of correspondence has gone out to our churches in interest of this project, but, to report the actual returns, would be impossible at this time. We would rejoice were our people to align themselves until at least 100 persons were giving at least \$1.00 each month with which to spread the Gospel and organize new churches in the bounds of the Cape Fear Conference. There are several places at this time presenting a challenge to us in opportunities afforded.

We agreed on full co-operation in whatever projects might develop of interest for setting up of new stations, and voted to assist in the development of a new church at Buies Creek. We rejoiced that the organization is reported.

Having received no reports of projects entered into and improvements made, we are only able to report in a general way. It has come to our attention that Shady Grove realized above \$2,000.00 in returns from a harvest sale. The women of the Goldsboro Church promoted an improvement program of some \$700.00 value at their parsonage and furnished a guest room, while the church added a \$1,500.00 musical instrument to the church assets. It is reported that St. John and Daly's Chapel engaged in a Lord's acre program, however harvesting of the crops is incomplete. We regret failure to be able to make full report of all of our churches' activities which should come through our board, but we pledge a more complete accounting in the future.

It is encouraging to be able to say that at least nineteen of our twenty-eight churches have responded in promotional effort as stewards of the Gospel of Christ. No doubt the nine have done something, but failed to keep books as they should. The nineteen reporting supported financially in a missionary way by giving \$816.25 to Foreign Missions, \$142.97 to National Home Missions, \$241.66 to State Missions, and \$67.86 to Cape Fear Missions. This makes a grand total of \$1,268.56.

We would love to recommend that every church establish one designated hour of prayer weekly in which prayer is made for spiritual revival among us, for an effective program for spreading the Gospel, and that our people may begin giving themselves to the Lord and to their churches as personal soul-winners.

By the Committee,

J. R. DAVIDSON, *Chairman*

ALBERT T. COATES, *Associate Chm.*

MILTON WIGGS, *Secretary*

Our first course of instruction will be on "Personal Soul Winning." Institutes will be held at Raleigh, Smithfield, Lee's Chapel, Goldsboro, and Kinston. It is our desire to enroll 300 or more in these institutes.

One new Sunday school was organized at Buies Creek, and we otherwise assisted in the establishing of the work there.

We plan to organize new Sunday schools, or to assist in the organization of eight places in January, 1955, as our part of an expansion program of the conference.

Our goal for 1955—"A Daily Vacation Bible School in every Church."

We held, during this year, three regional conferences, covering all the conference territory, for the specific purpose of studying the plans, methods, goals, etc., for the D. V. B. S. These conferences were largely attended, and the results have been that we have increased the efficiency of the work done in the schools held last summer.

We plan like conferences in the early part of 1955.

In the regional conferences we studied the making of our youth more missionary minded, and requested of each church to take a daily offering earmarked for missions. The following churches co-operated:

Casey's Chapel	\$ 8.76
St. John	12.70
Shady Grove	21.00

Your Board of Education offers below a suggested pledge form for Sunday school teachers and officers to sign. It is presented as a courtesy service only and may be revised or altered to meet your needs. Those pastors and superintendents who are now using such a pledge form find it most effective. They are getting results. Under this plan they allow no one to hold office or to teach in Sunday school unless they sign the pledge, nor to continue to serve unless they live up to their pledge.

Sunday School Teacher and Officer's Pledge

Realizing the great responsibility that has been placed upon me as a teacher

or officer and that the church has placed its confidence in me, I humbly and prayerfully sign the articles of this covenant and will, with God's help, be faithful and true to my office:

1. I will now re-dedicate my life to God and ask Him to use me as His servant.
2. I will prayerfully and faithfully study each Sunday school lesson. I will use the Word of God, also my experience and knowledge as a means of improving the spiritual lives of my students and lead the lost to Christ.
3. I will attend all services of my church and will encourage my pupils to do likewise.
4. I will co-operate with the pastor and superintendent in all things. I will attend every Sunday school council meeting. I will attend any training classes that are offered to make me a more efficient teacher or officer.
5. I will notify the superintendent and my assistant teacher or officer when I am sick or on vacation.
6. I will visit my pupils as opportunity presents itself and will try to get new ones in my class.
7. I will co-operate with the extension superintendent in helping him get the lessons to those who are sick.
8. I will abstain from all worldly amusements and will do nothing that will be a reproach to my Christian testimony.
9. I will use only the teaching material that has been approved. I will learn the doctrines and belief of our Church and will teach the same to my pupils.
10. I will teach and practice stewardship principles as taught in the Bible with respect to my money, time, and talents.
11. I will resign if at any time I am unable or unwilling to cheerfully carry out the articles of this pledge.

Note: It is suggested that this pledge be signed once a year by every officer and teacher. This can effectively be done at an annual installation service.

Woman's Auxiliary Report

The women of the Cape Fear District are happy to have a part in the centennial celebration of our conference.

We have held two conventions this year. In April with Powhatan Church and in October with Goldsboro Church. These conventions were well attended and were both inspirational and informative.

We feel that progress has been made in our work during the year and the co-operation among our women has been wonderful. Our auxiliaries have given the following support to the work of our denomination:

Local church work	\$1,294.60
Home Missions	280.31
Foreign Missions	280.56
Orphanage (plus commodities for the home)	385.00
Superannuation (plus gifts of \$130.50)	184.50
Bible College, Nashville, Tenn.	69.25

The support of our ministers is recognized and deeply appreciated. We desire their prayers along with other Christians that our women might do a greater work for our Master.

Respectfully submitted,
MRS. CARL DUDLEY

Report of the Board of Ordination

During the year we have attended to all routine matters claiming our attention. We have ordained two ministers, namely: Rev. Fred Hersey and Edward Taylor. We ask that their names be enrolled in the list of ordained ministers.

We have received an application for transfer of conference membership from Rev. Chester Phillips, pastor of the First Church of Smithfield, N. C. We ask that he also be enrolled subject to the receipt of his letter from the conference from whence he previously held membership.

We have cancelled the Certificate of Ordination of one Gideon Stevens, and ordered its surrender to this Board. We ask that his name be dropped from the list of ministers.

The general fellowship of our ministers is excellent.

We are indeed grateful to our heavenly Father for sparing the lives of all our ministers during this year.

The above report covers a period from the 1953 session to the close of business, October 30, 1954. It does not include the receipts at this session, neither have the

October bills nor the expenses of this session been paid.

My books are open at all times for inspection by any one. All bills paid as shown by this report have been properly authorized, and where reimbursements have been made, a proper order was drawn and the receipted bills are attached. These too may be inspected by any one.

Respectfully submitted,

H. T. HINSON, *Treasurer*
