REPORTS OF COMMITTEES.

TEMPERANCE—Seeing the marvelous victory already won on the temperance question in North Carolina, and realizing that there is yet much to be done:

Resolved 1. That we put forth a united effort to drive the conquered foe from the field by electing men to office who are thorough temperance men, and who we believe will see the law enforced.

2. That we as citizens rally to the aid of the executive officers of our State, and give them all possible aid and encouragement in enforcing all temperance laws.

3. That we ask the Congress of the United States to prohibit the shipment of intoxicating liquors from wet territory into dry territory, and we do all in our power every way to prohibit such importations.

4. That we as a Christian denomination render all possible aid to the North Carolina Anti-Saloon League in its great work for the relief of our people from the mountains to the seashore, and that we forever favor total abstinence as the one paramount idea.

By the Committee.

SUNDAY SCHOOL—We your committee on S. S. beg to submit the following:

1. That we as an organized body urge the Sunday School work.

2. That we use our means to support and cultivate our S. S. chairs.

CLERK'S REMARKS.

We have passed another conference year. The Lord has blessed the labors of his servants wonderfully. Many have been brought into the fold of Christ the past year. Many changes have been wrought. Many old Veterans of the Cross have passed over the river, and are resting under the shade of the trees. When we look back fifty years and remember the old ministers we have heard preach Jesus and Him crucified, such as old Eids, James Moore, R. K. Hearn, Joseph Sauls and many others we could mention; and look down the line of time to the present, we must say the Lord has been merciful to His people. Oh how necessary it is that we should serve him faithfully, and do all we can for the furtherance of His cause. Amid all the changes that may take place, He cares for those who love and serve Him. We are down to 1908, with His mercies still surrounding us. Many of the old veterans that have been laboring in the cause for lo these many years are laying down their armor one by one and going to their long home. We who are yet spared should do all we can to have their places filled.

There is a resolution on the minutes on education, requesting all the members belonging to the Central Conference to pay into the hands of their church treasurer, and it be sent to the conference and it be used for the sole purpose of helping the young men, who feel divinely impressed to preach the Gospel of Christ; to prepare themselves to preach so plain and simple that the world will be constrained to say, they are the servants of Christ, advocating the doctrine our fathers so faithfully preached.

Brethren, let us help them so they can go and proclaim the cause of Christ, Paul's admonition to Timothy was to study to show thyself approved unto God.
