Sciotoville, Ohio, August 15, 1909.

The Ohio River Yearly Meeting sends Christian salutation to the Central N. C. Conference, praying the Great Head of the Church to preside over all your deliberations and enable you to transact all your business, to his declarative glory and for the rapid advancement of his cause, throughout the world. We have been greatly blessed within the past year, most of our churches have enjoyed revivals, resulting in several hundred additions to the churches, one new meeting house, the Prattsville, has been completed and dedicated, one new church, the Minerton, organized and another new meeting house, the King's Valley, nearly ready for dedication. We are glad to correspond with you, because many of our ancestors came from North Carolina, six of our young ministers were educated by correspondence, in the Free Will Baptist Theological Seminary and made much more efficient than they otherwise would have been, and because we have the same common faith. We have appointed our clerk, corresponding messenger to your conference of whom further information may be obtained. Please appoint one in return, to meet with us at Zaleski, Ohio, the Friday before the 2nd Saturday in August, 1910, at 2 p. m., and continue over the Sabbath.

THOS. E. PEDEN, Clerk.

TEMPERANCE—Seeing the marvelous victory already won on the temperance question in North Carolina, and realizing that there is yet much to be done:

Resolved 1. That we put forth a united effort to drive the conquered foe from the field by electing men to office who are thorough temperance men, and who we believe will see the law enforced.

2. That we as citizens rally to the aid of the executive officers of our State, and give them all possible aid and encouragement in enforcing all temperance laws.

3. That we ask the Congress of the United States to prohibit the shipment of intoxicating liquors from wet territory into dry territory, and we do all in our power every way to prohibit such importations.

4. That we as a Christian denomination render all possible aid to North Carolina Anti-Saloon League in its great work for the relief of our people from the mountains to the seashore, and that we forever favor total abstinence at the one paramount idea.

By the Committee.

SUNDAY SCHOOL—We your committee on S. S., beg to submit the following:

1. That we as an organized body urge the Sunday School work.

2. That we use our means to support and cultivate our S. S. chairs.

3. That we use our own literature printed at Ayden, N. C.

By the Committee.

MISSION—We your committee on missions beg leave to make the following report: Seeing the great need of missions we recommend that each church take up a collection at each quarterly meeting for that purpose.

By the Committee.

EDUCATION—We the committee on education beg leave to submit the following report:

1. That each preacher put these resolutions before his church.

2. That every member belonging to this conference be requested to pay ten cents per year for this purpose.

3. That every preacher should pay fifty cents per year for the like purpose.

4. That these resolutions shall go into effect immediately, and that every pastor shall appoint a collector in each church and said collectors shall pay into next conference the amounts so collected. All of which we respectfully submit to your honorable body.

### BIOGRAPHY OF ELD. GODFREY S. JOHNSON.

He was born May the 1st, 1840, died Dec. 2nd, 1908; making his stay on earth 68 years, 7 months and 2 days. He united with the church at Gum Swamp when he was but 18 years old. He was ordained as a minister of the Gospel, in the year 1882. Being a cripple he did not apply himself to the ministry to any great extent but what preaching he did was orthodox in keeping with the doctrine of his church. The most admiring thing about his preaching was when he preached a sermon he lived it. He did not tell others how to live and not live it himself, but lived an exemplifying life, strictly pious and Christ like.

He loved the church where his membership was, ever ready to do what he could to promote the cause of Christ.

In the year of 1866, Feb. the 7th, he was married to Elizabeth House. To this union there were given 11 children. The surviving part of them are imitating the life of their godly father, who was a loving husband, a good provider and a fervent laborer in the vineyard of the Lord; but his labors are ended, and he has been called up higher to mingle with the Saints of light who lived consecrated lives, to spend eternity with Christ and the redeemed who will chant the praise of him who gives life and immortality through the regeneration of the soul; having been killed to the love of sin and made alive to the love of Christ and holiness. Bro. G. S. Johnson's mortal body has been laid in the dust to await the resurrection morn, when saints will come forth and say, O death, where is thy sting, O grave, where is thy victory; the sting of death is sin, but the gift of God is eternal life through Christ our Lord.

**CLERK'S REMARKS.**

Another conference has come and gone. While we are not making the strides we would wish to, we have much to thank God for. A spirit of union and love has been manifest to a great degree. A spirit of progress is taking hold upon our people more than ever before. Our people are awaking to the cause of education and the great mission work, the life of the church and its only hope of advancement.

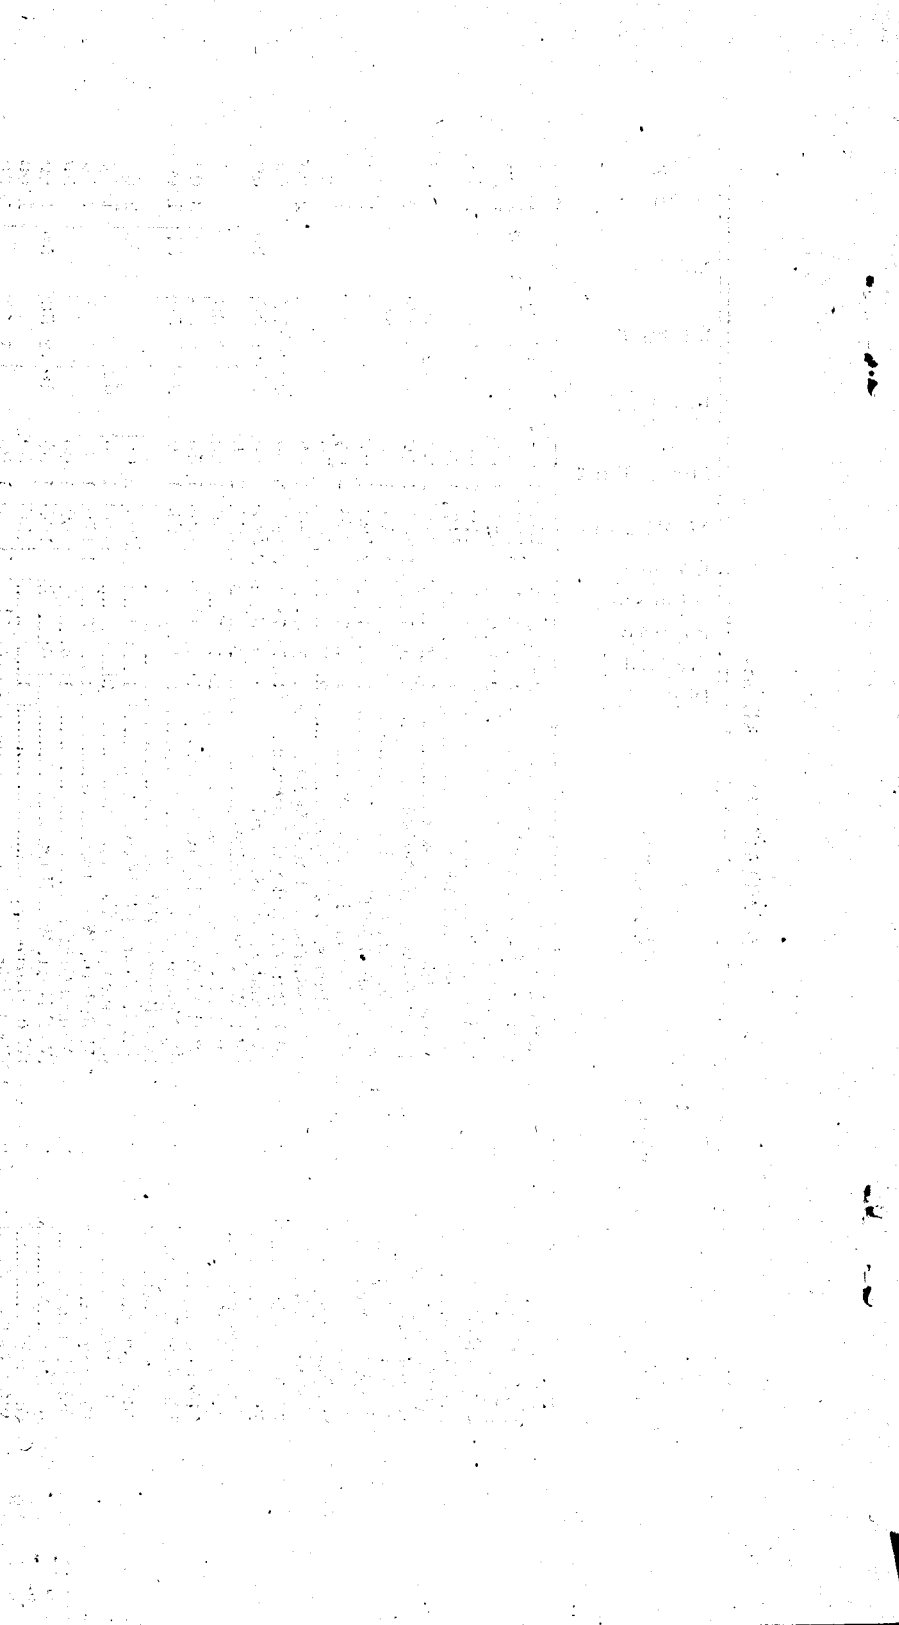

Education and the mission work are twin sisters and our ministers and laymen as well, should cry aloud for these two principles and spare not. Let it be fixed in the minds and hearts of our people that our Seminary at Ayden shall be sustained.

It is ours and we must nourish it. We implore our people to send up a good sum for education from every church. We can not afford to send men into the field unprepared. God bless our conference.

J. M. BARFIELD, Clerk.
