#### THURSDAY MORNING.

The following was presented in memory of A. T. Dawson:

Bro. A. T. Dawson was born at Institute, Lenoir county, April 23, 1851, and died at Kinston November 5, 1921. He joined the church about 1870; was married to Trumella Nethercut, December 22, 1875; served as county commissioner of Lenoir county about eighteen years; was a member of the Board of Trustees of the Seminary and President of the Board for a number of years.

He was loyal to the church, the paper and the Orphanage, having contributed liberally to the support of each one. He never opposed any institution that had for its purposes the betterment of humanity. His life was an exemplary one. His honest conviction and fairness toward all issues which came to his knowledge was one of the many characteristic evidences of a broad Christian life.

Patient and strong under suffering, faithful to all duties, public and private, kind and human in his sympathy, a Christian in his thought for others, he has become a shining example for us to emulate.

His brave Christian spirit and abiding faith in his Savior will ever be an inspiration to those who knew him. May the memory of his life serve as an incentive to the high ideals and lofty aspirations which he ever kept in view.

## Educational Report.

We, the Committee on Education, report our findings as follows:

That in 1919 our people seeing the great need of education and the great fields of service, initiated a program to build a college; that in 1920 the slump following the great world war hit our undertaking a serious blow; that there is an administration building now about two-fifths completed, and that at the present rate of the collection of funds, it will take longer to complete the building program than our people first anticipated. In view of the fact that the administration building has been under construction for two years, that we are so badly in need of a working educational institution, and believing an educational institution to be the rock bottom of our denomination, we submit the following recommendations, which we believe will complete the administration building by next fall, and be to the best interest of our denomination, to-wit:

First That the campaign for the College and Orphanage be separated, and that all funds collected on notes and pledges in the future given on this campaign be used for the erection of the College building, and a campaign for that purpose continued.

Second. That we pledge our support to the orphans of our brethren, and assure the Orphanage Directors that we want to help equip our Orphanage so it will be second to none.

W. B. EVERETT.

L. A. FULFORD.

Report of treasurer adopted as follows:

Received at last Conference \$1,035.73. Paid to Jas. Tugwell for retired ministers \$100.00, D. W. Alexander for expenses to the General Conference of the United States \$60.00, J. C. Moye for expenses to the General Conference of the United States \$80.00, R. L. Little for services as clerk \$20.00, Printing Company for stock \$150.00, G. L. Rouse, treasurer of Mission Board \$25.00, M. Hinnant, treasurer of Orphanage \$166.23, M. B. Prescott, treasurer of College \$278.50, H. LeRoy Harris for services as collector for College \$57.00, Free Will Baptist Printing Company for minutes \$114.50. Total paid out \$1,051.23. Total received \$1,035.73. Overdrawn \$15.50.

F. McCOY TRIPP, Treas.

## Orphanage Report.

We, your committee for Orphanage beg to report as follows:

1st. We heartily endorse the work of the Orphanage and encourage our people to give it ample support.

2nd. It is a common report that several of the preachers of this Conference are not putting the work of the Orphanage before their churches, and we recommend that this Conference here and now, inquire if the preachers have faithfully presented the matter to their churches, and should a delegate be present, whose pastor has not presented the matter to his churches, he be requested to report the matter at once.

3rd. We recommend that every church be requested to have a special Thanksgiving service and strive to make a liberal offering for the institu-

tion on that day in compliance with the request of the chairman of the Board of Directors.

J. W. ALFORD,  
W. B. NOBLES,  
J. F. HART.

#### Ordaining Council

We your Ordaining Council beg to submit the following:

We have examined L. W. Humbles, J. H. Little and J. J. Dail and recommend that they continue as licentiates for another year and give themselves diligently to the study of God's word and prayer. That we have also examined Bro. M. E. Tyson and recommend his ordination.

Respectfully submitted,

C. J. HARRIS, Chairman.  
N. D. WIGGS, Secretary.  
J. C. MOYE,  
J. T. BUNDY,  
W. B. NOBLES.

#### Temperance Report.

We your committee on Temperance beg leave to submit the following:

1. We feel that we cannot advocate too strongly the strict conformity of our people to the living of a temperate life, obeying that Divine injunction of the apostle to "be temperate in all things."

2. That they abstain from the use of intoxicating liquors, since the tendency of drinking intoxicating liquor is to lead men to commit crime. Four-fifths of the crimes committed in our country are connected with whiskey drinking. Drunkenness is the parent of more murders, thefts, etc., than any other cause. Strong drink confuses the judgment, blunts the moral sense, inflames the passion, perverts the affections, and leads to almost every crime. It ruins soul and body for time and eternity.

N. D. WIGGS,  
C. J. HARRIS,  
A. L. FLANAGAN.

#### Sunday School Report.

Realizing the Sunday School work to be of supreme importance we beg to submit the following:

1. That whereas, the work done through the medium of the Sunday School has been of untold volume in our church, and realizing that a continuation will bring to us a rich reward in the future, we urge that great emphasis be made on evangelism in the Sunday School; for unless the major purpose of the school be to lead its pupils to Christ its work will be like "sounding brass or tinkling cymbals."

2. That we insist that our people organize Sunday Schools in the churches where they do not now exist.

THOS. E. BEAMAN,  
J. W. WOOTEN,  
W. L. HART.

The following resolutions were presented by Rev. Thomas E. Beaman from the State Convention:

Advisory Resolution. Resolved, That this Convention advise all churches belonging to said Convention, that should any church allow any minister belonging to the Co-operative Association to do work in said church, then the Convention will feel itself compelled to disown said church or churches and will also instruct the conferences to which said church or churches belong to take similar action.

THOS. E. BEAMAN,  
J. W. ALFORD,  
D. W. ALEXANDER,  
E. C. MORRIS.

Family Altar. Realizing the great need of a higher standard of living among our people as the best means of overcoming the many evils of our day, and that the only way to this higher standard of living is a closer walk with God.

Be it Resolved, 1. That this Convention go on record as favoring and whole-heartedly recommending to our people that they go back to the custom of our fathers in establishing the family altar as the best way to a more consecrated life.

2. That this Convention recommend that our Conferences and union meetings take this question to the homes and hearts of our people in the most forceful way that they may be able to.

D. B. SASSER.

For Change in Book of Discipline. (Adopted). Whereas, The Convention ordered the revision of the Book of Discipline,

Be it Resolved, That section 5, under the heading, "The Ministry" be interpreted to mean that the committee on investigation has a right to silence the offender until the next Conference, and the Conference has a right to deal with the offender regardless as to whether or not his home church or a church that he is serving deals with him.

A. H. OUTLAW,  
J. E. DAVIS,  
W. M. HOWELL.

Whereas, A certain doctrine or theory generally known as Darwinism or Darwin's Theory of Evolution is being propagated over this Christian land of ours, said theory being in direct opposition to the teaching of the Bible and detrimental to the cause of vital religion.

Be it Resolved, That we as a denomination of Christians, believing in the eternal God, His Son, Jesus Christ, and the Bible as the inspired Word of God, go on record as denouncing in no uncertain terms said teaching as false, misleading and dangerous to the future welfare of the church.

Further, in thus expressing ourselves, we renew our profession of faith in God as the wise Creator and Preserver of the universe, and in the Bible as His inspired Word.

R. F. PITTMAN,  
T. E. BEAMAN.

Sister Lillie Smith made the following report of the work done by the Ladies Auxiliary Convention: Organized since last Conference, Ladies Aid Societies 3; Little Workers Leagues 2; donated to college campaign \$100.00; to Orphanage \$10.00; to Rev.
