GENERAL BOARD MINUTES
January 9, 1988

Charles Denman opened the meeting, held at the Cross FWB Church, with a few words of encouragement for the new year. Bro. Bobby Ferguson led in prayer.

Those present were Charles Denman, Rita McDuffie, Bro. Paul Dean, Tanya Dean, Sherry Anderson, Mike Anderson, Bob Welker, A.V. Jennische, Ken Mayo, Bro. Bobby Ferguson, Sam Clements, Bro. Ned Graham, Bro. Herbert Richards, Danny Davis, and Ed Morris. Bro. E.R. Mayo was our visitor.

Bro. Ned Graham gave a devotional which he opened with prayer. He read Jeremiah 20:9. He pointed out that we should not become resigned to the situation around us, but seek the Lord's guidance and follow it. We need more today to commit ourselves to serving the Lord. He ended his thought for the day with prayer.

The Student Loan Board report was given by A.V. Jennische. A form letter to be sent to delinquent loan recipients who have made no effort to pay on their loans was read. So far it has brought very little results. After some discussion, the matter was referred back to the board to come up with a plan whereby the board can obtain some type of relief and possibly take care of accounts not being paid. They will report back to the board when this plan is formulated. A mmc to receive the report.

Bro. Paul Dean gave the Christian Education board report. He encouraged us to get as many of our youth involved in competition as possible. He announced that the youth competitive activities will be held on May 7, 1988. All youth, whether in competition or not, are encouraged to attend. The place will be announced later. A mmc to receive the report.

The Home Mission Board report was given by Bro. Ned Graham. They are trying to assist chruches without pastors and encourage them during these trying times. He mentioned the new work to be started by the F. Houston Church on Highway 6 near Houston. Bro. Bobby Ferguson told us that the First Church Houston, the mother church, will begin services within two weeks in the home of a member of said church who lives in the area of the new mission. From that they will rent a building. He stated that the district and state could help by beginning a building fund for the mission to be sent when a building is begun. The Baytown area is a possible place for the work. The Missionary at Large sent a letter of resignation. Bro. E.R. mayo is a possible choice for the position. It was recommended that the Home Mission Board assure Bro. Mayo that he has a place of service in this district as soon as his health problems are solved. The Cedars of Lebanon church rent money will be used for upkeep of church building and parsonage as needed. A mmc to receive the oral report.

Bro. Herbert Richards gave an oral report from the Ordaining Council. Bro. Bobby Ferguson commended the Ordaining Council for the valuable service they rendered the district in1987. A mmc to receive the report.

The Board of Trustees was not represented at the meeting.

Danny Davis gave the Camp Board report. He stressed that we need camp directors. No decision with TMPA has been reached as yet. A mmc to receive his report. Danny was commended for his faithfulness to our camp and for a job well done. We should not impose upon his faithfulness, but assist him when

he needs assistance and take a more active part in the up-keep of the camp.

Ed Morris gave the Retirement & Insurance report. He presented the following recommendations:

1. That we increase payments to all recipients to $75.00 per month.

2 That we notify each church to submit names of qualified recipients who are members of their churches to this board six (6) months in advance of eligibility.

A mmc to accept the report and accept each recommendation to be voted upon by the district at the annual meeting.

Sherry Anderson gave an oral report of the Auxiliary work which was received as information.

Charles Denman gave a short, oral report for Master's Men. A retreat was announced for March at the camp for Master's Men and sons. His report was received as information.

A mmc that the Coop allocation remain the same for the year 1988.

A mmc that the clerk's appreciation fee and the assisting clerks's fee remain the same for another year.

A mmc to adjourn. Ed Morris dismissed in prayer.

Respectfully submitted,

1987 ANNUAL CAMP REPORT

Nineteen eighty seven was a roller coaster year for our camp.

Because of the date change of the state meeting, camp dates were hastily changed to the first two weeks of June, and many campers were not able to attend. Hindsight tells us if we would have split camp, with the state meeting in the middle, things would have been better.

Work days scheduled in May were not well attended even though lunch was provided. Our thanks again to those that did come out.

However, this cloud has a silver lining. Camp did go on in 1987, and souls were saved, and rededications were made. For this we give thanks to God.

Speculation that the camp would be sold to TMPA put the brakes on improvements in 1987, but with this still in limbo, we must look to several maintenance projects in 1988.

At the reading of this report, we only have the April, 1988, payment left to pay off our debts incurred to remodel our bathrooms three years ago. From everyone who has used our facilities these three years, we thank you, the Central Texas District for your financial support.

Several people have mentioned to me that for one reason or another it would be easier for them to pay a day's wages for someone to work the grounds and buildings. For this reason, we have acquired the part-time services of Sandi Patterson. She has several years of experience with lawn care with both Texas A&M and with a private lawn care company. She also will be doing preventive maintenance to the buildings.

Nineteen eighty seven marked a sad time for camp as we learned of the departure of our most experienced camp director, Raymond Getz. Almost every year since I can remember, with one exception, Raymond has taken the reins of camp and guided through some high and low times. He helped to line up workers and teachers for both camps, as well as take care of campers' insurance, evangelists, and any emergencies that came up during camp for many years. Thanks, Raymond and Everyl, and we hope the Lord leads you back our way.

With Raymond gone and Wes Bigelow in Oklahoma, our two most experienced camp directors need to be replaced. For this we ask your prayers that God will touch the heart of a man or woman in our district to step in and fill the void, and take a leadership role much needed for camp to be a success in 1988.

Thank you for your prayers and support in 1987.

CHRISTIAN EDUCATION BOARD REPORT

The C.E. Board sponsored two activities last year, both of which were successful.

The annual CTS competition was held at the Fellowship church. We had good competition. Our district was well represented at the state meeting in Odessa.

Also, following the competition, pizza was served and a Christian movie was shown. We were glad to see many attend who were not competitors or sponsors.

In late August, at Camp Carlos, a week-end retreat was held by Bro. Wes Bigelow with our district youth. It was a good week-end with several making commitments and many strengthened through the seminars given on being a teen Christian leader.

This year the CTS competition will be May 7, at the First Church Houston. Also, on April 8 & 9 at CAmp Carlos, another youth retreat will be held with the Hillsdale YET team. More information will follow on both activities.
