Foreign Missions: We, your committee on Foreign Missions, prayerfully submit the following,

In as much as we find among the very last words of our Lord the famous scriptures known as the great commission "go ye into all the world," and being convinced that the Lord has a special place for Free Will Baptists in this great work of evangelizing the world in this end time age we therefore present for your consideration the following recommendations:

1. That we give our loyal support in prayer and worshipful giving to the present \$40,000.00 campaign which has been launched by our National Board of Foreign Missions.

2. That each church in this association set in order some regular system of financial support to the Foreign Mission cause.

3. That everyone take membership in the "Missionary Prayer Band" as organized by our student body in the Free Will Baptist Bible College in Nashville, Tennessee, and that we comply with the request as set forth by this

Band that we go to the Lord in prayer daily for the evangelization of the world.

This association is to be highly commended for their support to this cause in the past, but let us remember that we all could do more, no greater investment could be made than an investment in human souls. While money is so plentiful and satan is getting the use of so much of it let us invest now in this important matter of freeing souls from sin.

Committee: Winford Davis, W. K. Weston, Frank Linton.

Home Mission: Realizing the Lord has given to this Association a great field of work and that it is our responsibility to enter in and occupy this field for Him we recommend:

1. That following prayer a worker be nominated from the floor to launch the Home Mission work.
2. That the elected worker be given the privilege of selecting a helper, or helpers, to assist in this work.
3. That this worker, with assistants be paid a reasonable amount as agreed upon by the Home Mission Board.
4. That a plan be introduced in each church of this Association for constant monthly giving to keep the Home Mission fund supplied.

Committee: Louella Thomas, Carl Bough, Lowell Martin.

Publications: We, your committee, submit the following report:

Realizing the vital importance of our church paper the "Free Will Baptist Gem" to all phases of our denominational work we recommend:

That all our people support by subscription, moral support and financial aid this worthy publication.

That all our Sunday Schools, Leagues, and Woman's Auxiliaries use Free Will Baptist literature.

Committee: W. H. Potts, I. V. Sell, O. T. Allred.

Temperance: We, your committee, submit the following report:

Realizing the demoralizing effect of intoxicating beverages upon the people of our nation we recommend the following:

That we, as a denomination, unite our efforts with

other Christian organizations in prohibiting the sale of liquors in and around our army camps.

That our people be temperate in all things striving against the use of tobacco in any form.

To, as far as possible refuse to patronize places of business selling liquor.

We request our ministry to devote one or more messages each year to the subject of intoxicating drinks and their effects.

Committee: Pauline Warren, Alice Dickey, Audra Dill.

Sunday School: We, your committee, wish to submit the following report:

We recommend that all officers and teachers be fully consecrated christians, and have for their chief aim the advancement of Christ's Kingdom.

We urge that teachers open class with prayer and also bear in mind that their duty is not only to teach Bible facts, but to present them in a manner in which they can be applied to daily living.

We recommend the use of Free Will Baptist literature in our Sunday Schools wherever practical.

We recommend that as far as possible we live up with the National Sunday School Convention.

We recommend that every Christian attend Sunday School regularly.

Committee: Alta Maberry, Dorothy Davis, Irene Farris.

Obitlary: We, your committee wish to submit the following report:

We extend to our bereaved members of this association heartfelt sympathy in the loss of their loved ones and ask them to look to God who is our refuge in time of trouble.

"Blessed are those who die in the Lord."

Committee: Loretta Shipley, Eula Whistance, Velma Smith.

Christian Education: Realizing the necessity of Christian Education in the lives of young people and Christian workers we recommend the following:

1. That individuals, churches and church organizations support our Free Will Baptist Bible College by the Annual endowment plan.
2. That special prayer be given daily in behalf of the

College activity (faculty, student body and Board of Trustees).

3. That each church in our Association sponsor a Daily Vacation Bible School during the Associational year.

Committee: Marie Hyatt, LaRue Baily, Ruby Fast.
