RESOLUTIONS

Nov. 1965

That the churches be notified of the main business concerning the quarterly meeting two weeks in advance of the quarterly conference.

Nov. 1966

That the quarterly meeting select the ministers to speak at each quarterly conference, the speakers to come from our immediate area, while in session.

May 1968

That any licensed minister who is pastor of any church in the East Kansas Quarterly Conference and is in good standing with the quarterly conference be given a vote in the quarterly meeting.

Feb. 1965 - That it would be good for us to come together for an altar of prayer prior to our morning business session that we might be drawn together in closer fellowship with God and one another. The reason for this resolution is that we, as Free Will Baptists are missing the blessings of God because of the omission of Altars of prayer.

(over)

November 1967

That there be a gathering at the altar for prayer prior to the devotion service of each Quarterly meeting.

Respectfully submitted,

Very truly yours,
