Resolutions & Temperance Committee report read:

I. We the Resolutions & Temperance Committee feel that it would be good for us to come together for an alter of prayer prior to our morning business session that we might be drawn together in closer fellowship with God and one another. The reason for this resolution is that we, as Free Will Baptists are missing the blessings of God because of the ommission of Altars of prayer.

II. We feel that we as an association should endeavor to be more careful of the feelings of one another even to the least of us. That, we individually may be humble.

Signed - Rev. Ernest Bailey, Chairman

M.M.S.C. to Accept the above report.

Executive Board report read :

I. We the Executive Board request that Bro. Green meet with this board at the next regular meeting (regular meeting of the executive board), as he is not present today. Chairman will notify him of time and place.

II. The Board recommends that we contact Rev. Kettleman at F.W.B. Bible College at Nashville, Tennessee, for them to put on the program at the next meeting. Furnish the speakers and a Quartet for Friday night and Saturday services.

III. If we cannot get Speaker from Nashville we will contact Oklahoma Bible College. We request the Clerk to Contact the Bible College at Nashville first and then Oklahoma.
