We of the public morals committee would like to make these recommendations:

- 2) As a nation that is greatly blessed with prosperity and freedoms we have a great need for thankful spirits. To show our thanks may we thank God for our country and pray consistently for our leaders. I Timothy 2:1-2, "I exhort therefore, that first of all supplications, prayers, intercessions, and giving of thanks, be made for all men; for kings and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty."
