REPORT OF COMMITTEE ON TEMPERANCE.

We your committee on temperance beg leave to submit the following report: Seeing the great necessity of temperance, we therefore ask our brethren to abstain from intoxicating drinks. We further ask the ministers to impress the great importance of temperance upon their congregations by preaching at least one sermon to each of their churches during the ensuing year upon this subject.

REPORT ON EDUCATION.

We your committee on education present for your consideration the following report: From the history, both of men and of nations, we learn that education is the greatest necessity of modern civilization. The most powerful ally of the church of God, and the most useful means of extending the bounds of the kingdom of Christ. We learn, however, that among many highly educated people crime, corruption and skepticism have increased, showing that such peoples have not been rightly educated and that education of the heart is of even greater importance than cultivation of the mind. We, therefore, recommend these as the best means we can devise for attaining true education among the people of our denominations:

1. That every family take and read the organ of our denomination, "THE FREE WILL BAPTIST."

2. That the head of every family should earnestly encourage Bible reading and the reading of solid instructive books and clean moral newspapers in his

family and that he discourage trashy novels, cheap magazines, and sensational papers.

3. That every family of this conference give support to our Seminary at Ayden, both with money and patronage, thereby doing our part to make it a success and a blessing to the whole denomination.

4. That our people watch strictly the public schools in which their children are educated, and that they insist that the teachers who teach said schools shall be of the best moral character.

5. That our conference put itself on record as favoring Bible reading and prayer in the public schools.

That each pastor, church officer, and church worker use their best efforts to establish a Sabbath School in each church in our conference. That each church at the next sitting of conference shall report by separate letter the growth and condition of its Sabbath School if such school has been organized. That such information be tabulated and appear on the minutes, and that the churches be requested to make a small increase in the minute fund they send up, that the extra cost of such minutes may be covered.

7. That we as a conference strive earnestly and persistently for an educated ministry by doing all we can to help the younger ministers to attain a thorough education, and by encouraging those older ministers, whose circumstances are such that they are unable to pursue a course of study, to read and study at home such books as may be helpful to them in their work of expounding the word and bringing souls to Christ.

By motion, the reports on temperance and education were received. The committee to apportion the retired ministers fund reported as follows: Elders D. P. Miller, \$30.49, J. Bennett \$15.00, G. W. Dunn \$15.00. Widow of R. Gaskins \$12.00, of J. A. Miller \$8.00. of W. H. Slaughter \$12.00, of E. C. Nobles \$8.00. of H. Jones \$8.00, and J. Vernon \$12.00.

By motion the Clerk was requested to prepare the minutes for the press and draw on the treasurer for \$8.00 as compensation for his services.

By motion, The FREE WILL BAPTIST Publishing Co., was requested to publish 2000 minutes, send 50 each to the Central, Western, Cape Fear and S. C. Confer-

ences: distribute the remainder among the churches of the Eastern Conference and draw on the treasurer for expenses.

By motion, W. A. Jones and C. K. Dunn were appointed delegates to represent the Eastern Conference for one year in the meetings of the stockholders of the Free Will Baptist Theological Seminary.

The moderator appointed Eld. R. F. Stilley, W. R. Sawyer and W. A. Jones as delegates to the Central; R. Grice, J. D. Grice and J. Jones to the Cape Fear; J. W. Sewell, B. W. Wells, and A. E. Rouse to the Western; and C. S. Churchill, J. W. Sewell and R. F. Daughety to the Union Conferences.

By motion, thanks were extended to the people of this community for the kindness and hospitality shown during the sitting of this Conference also to the officers of this body for the faithful discharge of their duties.

By motion, conference closed until Thursday before the 4th, Sunday in Oct. 1905. Prayer by Eld. W. W. Lewis.
