FRIDAY AFTERNOON

After enjoying the fellowship of the brethren during lunch hour we
reassembled at the appointed time for final business.

er by Eld. J. L. Smith.

Delegate from South Carolina Conference received a warm welcome.
Bro. Parker spoke of orphanage work in general and of conditions existing
in conference of which he is a member, especially the financial and spiritual
condition. He mentioned the spirit of missions which seem to be at its best.
This is or it should be in every conference.

Reports of committees were received and committees released.

Sunday School and Temperance—We, your Committee on Sunday School,
ask the body to adopt the following: Each church in the Eastern Conference
needs to carry on a good Sabbath School, therefore some plans need to be
made to see that this is accomplished. Also those churches which already
have Sabbath Schools should raise more funds for various needs, and in-
spire young people to do a greater work for the Lord.

Concerning Temperance—let us preach it, teach it and live it continually.
“Actions prove more than words.”

Eld. James Powell

Eld. G. W. Howell

Missions—We, your Committee on Missions, ask that the ministers of
our Conference set a worthy example before your congregations in the work
of missions so that our people will be able to see the need of giving more to

the cause of Christ than ever before in our churches and try to send in Conference—50c per male and 25c per female. \$1.00.

Received

the Howell Tabernacle before

Education—It becomes the duty of this Conference to raise funds for the purpose of helping young men who would prepare themselves for the work of the ministry and as a Conference we give consideration to the Bible College, Nashville, Tennessee.
