	<u>REPORTS</u>
of the	<u>Temperance Committee</u>
work.	We, the Temperance Committee, recommend the following:
	1. That temperance be given careful thought on the part of both the ministry and the laity. May we examine our lives, and those things that hinder our Christian testimony be repented of, and, may each of us by the Grace of God walk separated from all forms of worldliness and abstain from all appearance of evil. In examining ourselves may we forsake any habits that may enslave us and hinder us from putting God first. "Romans 8:1, 6 -- There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the spirit. For to be carnally minded is death: but to be spiritually minded is life and peace."
me	
item:	
	2. Inasmuch as there is an alarming tendency on the part of both Ministry and Laity to become lax in our attitude of what we once considered wrong, may our attitude become Christ-like toward the following:
ability	1) Alcoholic beverages
	2) Dancing
	3) Card playing
	4) Movies
sage	5) Tobacco
	6) Observance of the Lord's Day as a day of worship
	7) Immodest dress
to	8) Television
	9) All things that hinder our Christian testimony
	3. That our churches study and observe our church covenant.
for	That our members give themselves to Bible reading and prayer, faithful attendance to the House of God, and supporting the work with their tithes and offerings.
