TEMPERANCE COMM. REPORT* It says in I Thess. to abstain from all appearance of evil. We are most of us at least aware of the evil of dope in all forms and the damage it can do to the human mind and body. In Romans 12 it says to us to keep our bodies a living sacrifice We need to include in all our prayers, and our actions as Christians the earnest desire to reclaim our God

given right to guide our children in the paths of

righteousness. Dope is by far the most damaging thing that a child has to face so far. Let us keep our guard up and help them, talk with them, and help them face their problems. Satan does not drop his guard, and since we are in a fight to the end with him let us make our blows count.

We have concentrated on Youth this time, but they are the future church, and leaders of our country. So let us remember that the family that prays together stays together.
