CHURCH COVENANT

Having given ourselves to God by faith in Christ and adjoining the Word of God as our rule of faith and practice, we now give ourselves to one another by the Will of God in this Solemn Covenant.

We will not forget the assembling of ourselves together for Church conference.

We agree to accept Christian admonition and reproof with meekness and watch over one another in love, endeavoring to keep the unity of the spirit in the bonds of peace, to strengthen the weak and admonish the erring. We everyone hold Christian principle sacred.

RULES OF DECORUM

1. After an introductory sermon is preached the Association shall be called together by the Moderator who presided at the last session, former clerk also officiating until organized.

2. The Association shall be opened and closed by singing and prayer.

3. The Association, when assembled, shall be composed of all the ministers and delegates chosen by the different churches comprising the body.

4. The officers of the Association shall consist of a moderator and clerk to be chosen from the members present in any way the members see fit.

5. It shall be the duty of the moderator to preside over the body during the session at which he is elected, to call the next session to order and to preside until re-organization is effected by the election and installation of his successor. It shall be his duty to keep order, enforce the rule of decorum, decide all questions on discipline and in case of a tie cast the deciding vote. He may speak on any subject but must call on some brother to preside while he is speaking.

6. It shall be the duty of the clerk to keep a minute of the proceedings and read the same when called upon by the body, and shall prepare the minutes for publication, unless the Association shall appoint some one else for that purpose.

7. Each church is entitled to three delegates.

8. A majority of the members shall rule in all cases, except the admission of churches; then the vote must be unanimous.

9. No member shall absent himself from the house without leave from the moderator; and no member shall take final leave of the Association without consent of the body.

10. All business shall be brought before the body by motion and seconded and be disposed of by good usage.

11. No person shall be allowed to speak more than twice on the same subject nor more than ten minutes each time without leave from the moderator.

12. No brother shall be interrupted while speaking unless he departs from the subject under discussion or uses words of personal reflection.

13. Only one person shall be allowed to speak at a time, and he must rise and address the moderator. In case two arise at the same time, the first seen by the moderator shall be allowed to speak.

14. This decorum may be altered, amended or abridged at any session of the Association by a majority of the members present.

CONSTITUTION AND ARTICLES OF FAITH

Be it known that we, the Freewill Baptist Church of Christ being in the State of Alabama, do believe in the doctrine of general atonement; we have been baptized upon a profession of faith in Christ and we are desirous of bringing about a reciprocal union; we propose therefore to maintain order and rules of our Association according to the following plan:

We believe the churches of Christ are mutually independent of each other, that congregational form of church government should be invariably preserved. Yet, we, being convinced of the utility of friendly intercourse and pious council of principles of union advantage and Christian love hold it a duty to the church to pay respect to

these principles with regard to the duty of the Association.

Article 1. The Association shall be composed of members chosen by the different churches in our union, who on producing letters from the respective churches certifying their appointment, shall be entitled to seats.

Article 2. The letters so produced shall express the condition of these churches respectively, that is the number of members received, excluded or died since last Association.

Article 3. This body shall have no conceived power to lord it over God's heritage or infringe on any of the internal privileges or rights of the Churches in our union. But shall only be considered an advisory council in all things pertaining to the internal concerns of the churches.

Article 4. The Association is to give the best advice in all matters of difficulty. If the union is broken between any of the churches the Association shall inquire into the cause of the breach and use its best endeavors to remove the difficulty. But if the breach cannot be healed, to withdraw from the churches it may look upon as unsound in principle or disorderly in conduct or practice until they be reclaimed.

Article 5. To take up no case of any kind in the union without the consent of a majority of churches, and then only to give advice.

Article 6. All newly appointed churches may be received into the union by their representatives presenting a letter from their respective churches. If found orderly and orthodox such receptions be manifested by giving the right hand.

Article 7. We believe that it is pointedly against the law of Christ to make a church a legislative body. We therefore, refuse to correspond with others in their respective bodies.

Article 8. For as much as the communion of the body and blood of Christ has become a matter of difficulty in many of the churches, we believe it to be free to all who can maintain a right by authority of the word of God.

Article 9. We believe in the general resurrection of the dead, and a universal judgment, and the joys of the righteous and the punishment of the wicked will be eternal.

Article 10. We believe that none but ordained ministers have the right to administer baptism and immersion in the apostolic mode.

Article 11. We believe that none but believers in Christ are fit subjects for baptism.

Article 12. We believe it is the duty of disciples of Christ to wash each others feet.
