HOME MISSIONS BOARD REPORT

This year has been very active with two on-going projects, the Gainesville work and the St. Petersburg work. We can be rightfully proud of the accomplishments during this year at these mission churches sponsored by you as joint projects with the National Home Mission Board.

The turnboughs are at capacity in their present building which is being leased from an oil company. Their greatest need is property of their own. Elmer and Gladys are making a good mark for Free Will Baptists in the Pinellas Park FWB mission church. Their average attendance for the year was 41 in morning worship. They

received \$17,438.91 in offerings for the year.

The Rollins are still meeting in a motel on Sundays and Wednesdays. Their church property is located in a nice residential area of Gainesville. Their building plans have been approved and the lot is almost cleared. The only hinderance now is the sale of the bonds. They need to sell \$75,000 in bonds, enough to build the building. We will be asking for volunteer labor from the people of Florida to assist Brother Howard Gwartney, our National Home Missionary builder.

The Board met in Fort Myers for the semi-annual meeting in May and surveyed the area for the potential of beginning a new work there. We discovered that property is extremely high in price. This area will be kept in focus for the future.

One of our board members, Harvey Hill, had open heart surgery this year and is doing fine. We thank you for your prayers in his behalf.

YOUTH BOARD REPORT

The Florida State Youth Board met in conjunction with the State Competition in Tampa, Florida May 17 and 18, 1985. All members were present. Brother Powell led in prayer. Programs, registration and leaders for each phase of competition were considered. Boxes of materials were opened. A meeting with all the judges, scorekeepers and leaders was held to answer any questions.

The board met again on Saturday morning and decided to give each Bible winner \$175 and each talent winner \$125 to assist in expenses to the National.

The youth board met at Cocoa FWB Church Oct 30, 1985 preceeding the state association. All members were present except Charles Powell, who has left our state. MSC to hold the 1986 youth competition May 16 & 17 at Wesconnett FWB Church in Jacksonville.

The decision was made to use five judges in each music and arts category. The high and low score will be discarded, and the other three averaged. Pastor's must be encouraged to send names of those attending to help in this phase of the competition. A suggestion to use people other than Free Will Baptists to judge was rejected, because we have tried it before and it did not work. Some of our people felt strongly about using our FWB people to judge our FWB youth.

Sis. Helton suggested we encourage our quiz leaders and pastors to be sure that the Bible Teams know all their regular questions, so those teams we send to the national can represent Florida with dedication and sincereness.

It was decided to hold a short meeting at the end of the association so that our two new board members could be included in electing a chairman of our board.

WOMAN'S AUXILIARY REPORT

The State Woman's Auxiliary enjoyed a good year in 1984-85. During the fiscal year we had a total income of \$7,992.96 and a total expenditure of \$7,704.93. These monies were sent to different missionary accounts, the Bible College in Nashville and the WNAC offices. We feel this was a good year for us.

We report 243 members for the state with six (6) districts and one (1) local reporting.

The auxiliary adopted as our state project for 1985-86 the Ivory Coast hospital and Dr. Eagleton. Since Mrs. Eagleton does not have a home state, we also voted to adopt her as a "Florida missionary". We voted to ask each local to send \$5.00 per month to an account to help defray the expenses of the National Association which will meet in Tampa in 1989.

To help with our 1989 National Association, the auxiliary has compiled a cookbook of 325 recipes which we will be offering for sale for \$5.00 each after January 15. To help with our table favors we ask ladies with small children to save small baby food jars for sand sculptured table favors. Bring them with you in June to the Auxiliary meeting in Ocala, June 6 & 7.

APPRECIATION COMMITTEE REPORT

The appreciation committee expresses our thanks to the Cocoa FWB Church and Indian River Association for the delicious meals and warm hospitality. We want to express to Bob Chaffin and all the musicians appreciation for the uplifting music. We express our appreciation to Gene Helton for 10 years of outstanding service as moderator of the state association. We recommend a rising vote of thanks be expressed for all of the above.

HISTORICAL SOCIETY

Motion is made for the formation of the Florida Free Will Baptist Historical Society.

Reasons: 1. Much of our heritage has been or is presently in danger of being lost. 2. 1985 is the Semi-Centennial of the reorganization of our denomination into the National Association of Free Will Baptists.

Functions:

1. To collect biographical information, pictures, sermons and Bibles of men who are significant to Free Will Baptist history in the state of Florida.
2. To collect and preserve church histories and associational histories.
3. To establish a depository (archives) whose curator would seek a collection of complete minutes from every district association and their histories.
4. Act as a depository for historical books written about the movement, booklets, newsletters and other information. The curator or member of the Historical Society could contact families of deceased pastors to offer to preserve their ministerial records and papers.
5. To present semi-annually an historical research paper. One of these meetings should coincide with the annual state association. This is not to restrict the number of papers presented at the meeting to just one.
6. To correspond with other individuals and historical societies.
7. To encourage membership participation and authorize dues.
8. To publish a booklet entitled Perspectives which shall contain the research papers presented at the meetings.

CHRISTIAN EDUCATION BOARD REPORT

There are more of our churches showing a great deal of interest in Christian Education. We had several calls this year about Christian Day Schools and what a church must do to meet the requirements of the state.

There is a great deal of information available on Christian Education, even a new program for home study. Several of our colleges are now offering correspondence courses for those who have not had the privilege to go off to college or if they want to further their education.

• There are several good Teacher Training Programs available through our national offices that we would like to see each of our churches use. Not only would this encourage our teachers, but our students as well.

The Christian Education Board would like to encourage you to pray and work for better education to help build a stronger and better church.

EXECUTIVE BOARD REPORT

Met May 25, 1985, Ocala, Florida. No recommendations were made which require associational approval.

Met Oct. 30, 1985, Cocoa Florida. We recommend the following:

5. Missionary Jimmy Aldridge presented information and challenge for the Free Will Baptist Foreign Missions Advance Celebration. MSC to recommend to the state association:

- a. that we endorse and participate in the Advance Celebration program,
- b. that the general officers appoint the state chairman for the program,
- c. that his expenses be paid out of the general fund,
- d. that we set a goal for our state of \$50,000 for the 3 year period.

6. Jeff Lunsford gave a report of the investigating committee concerning the Central District/ Auburndale Church situation. We agreed to meet later to gain additional information from the district officers.
7. Since the stated reason for the Auburndale Church's exclusion from the Central District has been rectified, we recommend that the District expedite the matter of restoring the church into official fellowship. The state clerk is to address a letter to the Central District concerning this recommendation.
8. The expenses of our speaker for this associational meeting are to be paid, plus an honorarium of \$400.
9. We recommend a). our state's involvement in the denomination's enlargement program, "Target 90". b). Larry Montgomery is to be appointed our state coordinator for this program, c). the coordinator's expenses to the denominational leadership conference are to be paid from the general fund.
10. Recommend that we transfer \$3000 from the general fund C.D. to the Convention Fund.

RESOLUTIONS COMMITTEE

1. Be it resolved that this body give a moment of silent prayer in honor and memory of Brother Gerald Amerson, for his labor of love for his Lord and for his beloved denomination.
2. Be it resolved that this body stand in honor of our Brother Carlton Lambert and his wife for years of service to the Alabama Children's Home and that this State Association bestow upon them the title of Faithful Servants.

PLACEMENT COMMITTEE REPORT

We recommend that the 1986 State Association meet Oct. 29-31 at Lake Jackson FWB Church in Tallahassee.

BUDGET COMMITTEE REPORT

1. We recommend that \$60,000 be set as the goal for the State Cooperative Plan of support in 1986.
2. We recommend the following distribution of Co-op money: National—40%; State—60% to be disbursed as follows: Home Missions - 65%; Youth Board - 12%; General Board - 8%; Promotion - 8%; Children's Home-5%; Historical Society - 1%; Convention Fund - 1%.
3. We recommend our treasurer be paid \$40 per month from the general fund.
4. We recommend the moderator and clerk be paid \$200 each from the general fund.
5. We recommend that \$100 per quarter be given to CONTACTO magazine from the general fund.
6. We recommend that the treasurer sit in with the Budget Committee as an advisor.
