## HOME MISSION BOARD REPORT

We are very pleased to inform you that all of our mission projects are advancing very well at the present time.

- 1) Bro. Elmer Turnbough's work in St. Petersburg is now averaging in the 50's and they are continuing to upgrade their building and grounds. The Turnbough's are to be commended for their faithfulness to the task as they minister in a very transient area.
- 2) Bro. Bobby Clyatt, Missionary-Pastor to the Gainesville work is now averaging in the 20's. A beautiful new sign has been erected on the corner of their property by the Master's Men of the Hollywood Church. We are thankful for the facilities in Gainesville and the future looks very bright for continued growth.

- 3) Bro Odis White head is our newest missionary to Jacksonville. They are presently meeting in rented facilities and are averaging in the 20's. One of the greatest needs of this young mission is land and a building of their own. Pray that God would open the right door as Faith Chapel Free Will Baptist Church moves forward in reaching souls for Christ.

This past year the Mission Board has spent many hours working to see that the interest of Florida Home Missions has been preserved in closure of the Mt. Olive FWB Church, 4802 SW 51st Street, Davie, FL. Action has been taken to maintain the original wishes of the church and to prevent the sale of the property to an outside interest. Bro. Larry Montgomery is to be commended for extra work he has put into this matter. It is our hope to sell the properties and to invest the monies into another new work in the South Florida Area. Please pray with us as we try to settle this matter.

Thank you for your prayers and support as we labor together to build strong Free Will Baptist Churches in the State of Florida.

Rev. J.D. Norris, Chairman

FROM THE FLORIDA FREE WILL BAPTIST HOME MISSION BOARD, INC. TO RECOMMEND CONSTITUTION AND BY-LAW CHANGES:

We recommend the following changes in our Constitution and By-Laws:

- 1) Constitution Article 1 to read: This board shall be known as the Florida Free Will Baptist Home Mission Board, Inc. instead of as presently reads: Florida State Home Mission Board of Free Will Baptists. (This change is legally necessary to bring our name into conformity with our incorporation papers.)
- 2) That we add By-Law Section 14: The board shall have the right by majority vote to sell any personal or real property it deems is not necessary for continued religious use. (this change is necessary since Section 13 gives the authority to purchase property, with an implied right to sell; however, this section 14, for legal purposes, gives explicitly the right to sell.)
- 3) The previous Section 14 becomes Section 15.

## FLORIDA STATE YOUTH BOARD

In May of 1989, the Board met in an informal manner to make a decision about the amount of money that should be given to our winners to get to Tampa for the National Youth Conference. It was the decision of the Board to give the Bible Winners \$125.00 and the Music and Arts winners \$75.00

Approximately 450 attended our State competition in Marianna, Florida in 1989.

The Florida State Youth Board met on Monday, July 17, 1989 in Tampa during the National Association. All members of the board were present.

We discussed some of the problems encountered at the State Youth Rally held in Marianna in May. We realize that the sound system was ineffective, there was a problem with the piano and time limitations could have been planned better. We as a board want to apologize to our youth over the State and we want to put that meeting behind us and begin to plan and work together for a better state meeting next year. The problems were not the fault of any one individual and could not have been solved with the limited time there.

With this in mind, we made the following decisions:

- 1) We will begin right away and try to locate a centralized place, hopefull in Jacksonville. We may have to rent a place that would be big enough to accomodate all of the activities.
- 1) We plan to devise a plan to break up our individual catagories and have them perform in different rooms, so that we can judge the number of entries we have in a shorter period of time. This will also include the Bible portion of Competition on Saturday morning. We will work on a schedule when the Board meets at the State Meeting in November.
- 3) We want to encourage our districts to judge more closely in our districts and not just send everyone on to the State Competition. Sometimes the Districts are sending individuals on to the State because they have no one competing against them in a category.

- 4) The Board will be asking a representative in each District to assist the board in recommendations of how or what we can do to insure the funding that our youth will need to get to Arizona in 1990. When we come up with a plan, then we will need help to execute that plan.
- 5) The most important thing discussed was the fact that we must have our Pastors to support our Bible Competition in their individual churches. We feel that more and more of our youth are participating in music and arts and not participating in the Bible category. Our pastors must support this aspect of the competition. We need their help.

The Youth Board is ready for new direction and we plan to work together to improve our Competition on a State Level. If you have suggestions, please let us know.

The Florida State Youth Board met in conjunction with the Florida State Association meeting in Miami, Nov. 1, 1989. The following items were confirmed:

- 1) The State Competition will be held May 18 and 19, 1990.
- 2) We will try and locate a place that will meet the requirements of the Board. Bro. Jimmy Aldridge will visit the Jacksonville area and report back to the board. We have been contacted by Bro. Neil Thomsen that we can meet at the Wesconnett FWB Church if need be.
- 3) We are asking that each Moderator suggest a member of his association to give us a name of a person who can act as a liason to the Board so that when we make plans they can be passed on effectively to all the churches. We also need help in raising money to help our winners get to Arizona.
- 4) The Board respectfully asks our clerk to correct our By-Laws to correspond with the decision that was passed last year in regards to mileage - Article 4.

All members of the Board were present.

#### STATE WOMAN'S AUXILIARY REPORT

The Woman's Auxiliary had an exciting year! Although our enrollment dropped by a few, we were still able to accomplish a lot for the Lord.

\$7018.44 passed through our State Treasurer this year for projects like St. Petersburg, Gainesville, Jacksonville, Dennis and Trena Owen, Ron and Linda Moore, Jeff and Susan Turnbough, and many more.

Our 1989 retreat and State Meeting was at the Immanuel Church in Jacksonville in June. Trena Owen was our Keynote Speaker. Rev. Turnbought and Rev. Whitehead also spoke briefly. After our Friday meeting the Jacksonville ladies treated us to a delicious buffet and we all sat around preparing place cards for the National Association.

In July we saw several years of hard work pay off as we converged on Tampa for the National Woman's Auxiliary Meeting. The cookbooks had been prepared and all sold. The monies had been utilized to purchase lovely table decorations, corsages and favors. Our ladies greeted the ladies of America in a fashion that only they could. The sawing, cutting, gluing, painting, etc. had finally paid off. Everything was beautiful to surround a beautiful lady named Mabel Willey as she blessed our hearts and he hearts or over 800 people at the banquet. As God blessed "Mom" she blessed us and we were grateful to share in so wonderful a service.

But these things are passed and now we must strive to serve God more and better through the Auxiliary. In August about 75 questionnaires were mailed to pastors. To date only about 10 have been returned. Pastors, please find your questionnaire and return it. It is very important to the auxiliary work. Our main projects this year are to help Jeff and Susan Turnbough with Susan's medical expenses and Dennis and Trena Owen with personal expenses while he goes to school.

We ask all auxiliaries not affiliated with a District to join one real soon. The local dues will be \$2.50 per member this year and should be sent in by December 31. All treasurers and secretaries of Districts should send in their reports by December 31.

Our next meeting will be in June, 1990 and will be at the Gainesville Church. Please make your plans now to attend. There are lots of interesting things that take place at these meetings.

Another great big thanks to all those ladies (and men) who worked so hard to make our part at the National so successful. May that same harmony and hard work continue as we continue to promote missions through the Auxiliary.

Peggy Hutto, President

### CHRISTIAN EDUCATION BOARD REPORT

One item of business was presented to the Executive Board during the year for them to act upon.

"The C.E. Board would pay the first semester books for any Florida student attending our FWB colleges. This is to be done by sending a check for \$100.00 to the student after they have enrolled and are attending." MSC to adopt.

After meeting here, the C.E. Board would like to ammend the motion to include the following, " . . . send a check up to \$100.00" and that the phrase "after final withdrawal period" be added to read "after they have enrolled and are attending after final withdrawal peroid."

As a board we want to renew the interest in the FREE FWB Lending Library by having a new catalog listing available material by the first of December. We will continue to seek those materials that wil be beneficial for church growth, discipleship, Sunday School growth, Youth work, etc. Please remember that these materials are free, all we ask is that you take care of postage and handling.

After meeting today we are excited to announce to you that we will be presenting to you in some of your up and coming Associational conferences a plan of "How to Start a Bible Institute", and some suggested areas of study that would fit most any church. Our board as agreed on this avenue to action and hope to be able to report at our next state meeting the success of several Bible Institutes under way. We hope that our state leaders will help support this effort and give us opportunity to promote this work.

Beginning the first of the year you will find an article by of our Board members in the COORDINATOR encouraging "Christian Education" from a number of different points of view.

We hope to provide incentives for Sunday School Workshops, Minister's Retreats, Youth workshops, etc. as well as the Bible College Assistance Fund, the Free FWB Lending Library and Bible Institutes in the future.

There is great need for spiritual growth among our people. We believe "that Faith cometh by hearing, and hearing by the Word of God", and that edification is as much a part of the Great Commission as Evangelism is.

Please pray for the endeavors of the C.E. Board this next year.

James Osborn, Chairman

## PROMOTIONAL SECRETARY'S REPORT

FROM: DON HANNA, PROMOTIONAL SECRETARY

I have chosen for my text verse this year Psalms 90:16 "Let thy work appear unto thy servants, and thy glory unto their children. And let the beauty of the LORD our God be upon us: and establish thou the work of our hands upon us; yea, the work of our hands establish thou it." It is my desire and prayer to see the work of God among Free Will Baptist be established so His glory may be passed on to our children.

In keeping with the recommendations of the State Association, I have visited all of the local associations at least once this year. I have also attended the state youth competition, a Central Association Bible conference, and visited the South Florida youth camp. During this past year, the Central Association voted to adopt the co-op plan of support to the state. I also have maintained a file of preachers looking for opportunities to serve the Lord in our state.

Let me take this opportunity to express my thanks for all the wonderful folks that helped with the planning and various duties of the National Association. From all the reports I have heard, the National was a tremendous success. I know it was from the part of the Florida State Association, and you are to be commended for a job well done.

Now that the National is over and it will be at least 10 years before it comes to Florida again, I would like to suggest to the executive committee, we discuss a new state-wide project, and a recommendation be passed on to the State Association.

It is exciting to hear the reports and see the vision our men have for reaching the lost for Christ. We are growing and Our People are responding to the needs. Yet there is much that can be done if we would just keep our people informed of the needs, a great challenge lies before us. I trust I will be able to do my part as God gives the opportunity to serve our State.

Enclosed you will find some statistics to help you see our growth pattern for the last five years. These figures were gleaned from the state association minutes and are only as complete as those minutes are.

Trusting Jesus for greater accomplishments

## BUDGET COMMITTEE REPORT

1. We recommend that the budget for this next year be \$65,000 for the Cooperative Plan of support.
2. We recommend the following distribution remain in effect for the upcoming year: 60% to remain in the State and 40% to go to the National Association.
3. We recommend that we combine the Promotional Fund with the General Fund and underwrite the State Promotional Office, including the cost of printing and mailing THE COORDINATOR from the General Fund. The Promotional Secretary's budget has been set at \$5,500, and will not change, although these funds will now be combined. The state distributions are as follows:

Home Missions . . . . .	65%
Youth Board . . . . .	16%
General Fund . . . . .	10%
Children's Home . . . . .	7%
C.E. Board . . . . .	2%
4. We recommend that we continue to give \$40 to our treasurer from the General Fund per month.
5. We recommend that we continue to give \$200 each to the Moderator and Clerk from the General Fund.
6. Our entire state program benefits from Co-Op giving and yet only a handful of our churches and pastors give faithfully to the Co-Op plan of support. If Florida Free Will Baptists could back this worthwhile method of support, we could start more churches, increase our giving to missions (thereby removing some of the heavy load our missionaries must bear), and in general benefit the FWB work in our state. In light of our diversity of giving, we therefore respectfully recommend that our state leaders, pastors, and churches take a long and prayerful look at the Cooperative Plan of support, and promote and implement this program state wide. We do commend the many churches who are presently giving substantial amounts through their local churches or other channels.

Respectfully submitted, Elmer Turnbough, Bobby Clyatt,  
Doug Carey

## APPRECIATION REPORT

The Appreciation Committee wishes to express the deepest appreciation of this body to the Ebenezer Free Will Baptist Church, the Hispanic Association, and all of the local churches who have made us feel so welcomed. We have experienced the warmth of Christ's love that has melted away any language barrier and increased our sense of one-ness. The delicious meals and lovely appearance of the facilities have only increased our pride in calling you our sister churches.

We have received tremendous blessings from the music services and wish to especially acknowledge the Hispanic hymns and instrumental music shared on Wednesday night.

We wish to commend those who have so ably presented the Gospel during these meetings, and praise God for the burning challenge received by all who desire to fulfill the Great Commission.

Finally, we respectfully request that this report be read in Spanish before the body by Bro. Tom Willey, whose interpretive skill has helped to edify us all.

THE COORDINATOR REPORT

November 1, 1988 - October 31, 1989: Issues covered - 9  
 2000 copies of each issue are printed with the exception this year of the special one for the National Association. 6000 copies were printed of this special six page issue.

Printing	\$2445.40
Postage	859.83
Supplies	94.16
Editor's Salary	<u>1125.00</u>
Total Expenditures	<u><u>\$4524.39</u></u>

In a normal year, the average cost per issue is around \$400. This year's figures are somewhat misleading due to the one-time large expense for printing the special issue for the National Association Meeting in Tampa.
