APPRECIATION COMMITTEE REPORT

We, the Appreciation Committee, on behalf of the Florida State Association, wish to express our appreciation Christian Home Free Will Baptist Church for their warm welcome and hospitality.

The special invitation to share your beautiful facilities with us is gratefully acknowledged. The excellent service, the good food, and the decorations have served to remind us that God is truly the giver of all good gifts.

The musical program has been excellent and a real blessing. The good preaching has challenged us, and the fellowship was warm and caring.

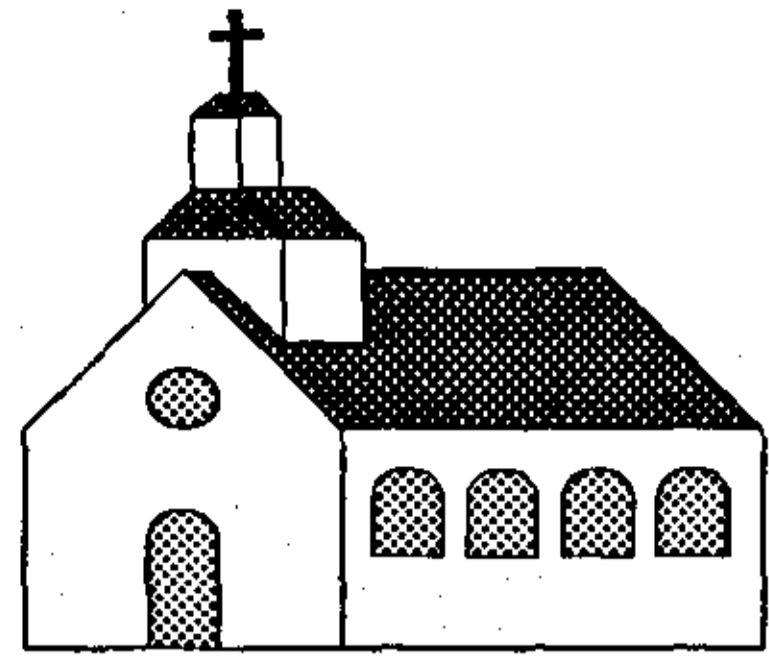

Memories will live on of these special services, as we move ahead to better serve our Lord. Thank you each one for sharing a part of this great commission.

HOME MISSION BOARD

The mission board oversees three Florida mission works: Bayshore Free Will Baptist Church in St. Petersburg, First Free Will Baptist Church in Gainesville, and Faith Chapel Free Will Baptist Church in Jacksonville. It was our privilege as a board to visit all three missions this year, meeting with both the missionary pastor and the congregation. In each case it was a fruitful visit, giving us insight into the particular situation and needs. We hope that we were an encouragement to each group in their effort to build a church. Each missionary pastor will report on his particular work as an addendum to this report. We commend missionaries Curtis and LaVerne Alligood, Bobby and Gloria Clyatt and Odis and Mary Nell Whitehead for their faithful labor in the Lord's vineyard. We are expecting and praying for the Lord to use them to establish strong Free Will Baptist churches for His glory.

The need for property for the Jacksonville mission work is pressing. That is why we have appealed to the FWB Churches and people of Florida to bring a special offering to this associational meeting. We are hoping for gifts sufficient to provide a good down payment when suitable property becomes available. Thank you for giving to this need.

We are happy to report the sale of the Davie church property. The monthly income generated from this sale is being set aside for a future mission work in South Florida. Pray for the Lord's direction and provision in such a future mission work.

Our financial report is somewhat better this year than last year. We appreciate all who have shared in the support of Florida home missions. We encourage others to join us in this venture to establish Bible preaching, soul winning Free Will Baptist Churches in our growing state of Florida. The need is great; the fields are white unto harvest. We surely want to be faithful in bringing in the sheaves as God has provided the opportunity.

Sincerely submitted by:

THE YOUTH BOARD

The Youth Board met in Gainesville at the Holiday Inn on January 18 and 19, 1991. Members present were: Jimmy Aldridge, Jim Christian, Randy Hill, Randy Jackson, and Pam Stewart. The first order of business was to elect new officers. After much discussion of the responsibilities of each office, it was decided to elect a chairman and a secretary. Randy Jackson was elected Chairman, and Pam Stewart was elected Secretary.

Jimmy Aldridge gave a report on the T-Shirt sales. It was decided that each board member would receive 25 shirts to sell in their individual districts. It was also agreed to set up a booth at the State Competition to sell any extra T-Shirts already printed.

The Board discussed the new guidelines they wanted to follow when paying for contestants expenses to the National Competition. Due to the limited amount of funds, the rising costs of the state Competition, and registration for the National, the Board voted to phase-out, after this year, any contributions to individual entries to the National. Registration fees to compete at the National will continue to be paid. The remaining funds will be used for State Competition expenses, and hopefully in the future, for state-wide youth rallies and projects.

Assignments were made for the 1991 competition:

Randy Jackson - Memorization and Master of Ceremonies for Music
Jimmy Aldridge - Sword Drill, Set up displays for Art, and T-Shirt sales
Randy Hill - Tic Tac Toe and Securing judges
Jim Christian - Bible Bowl and Trophies
Pam Stewart - Oral Communication and registration for State and National

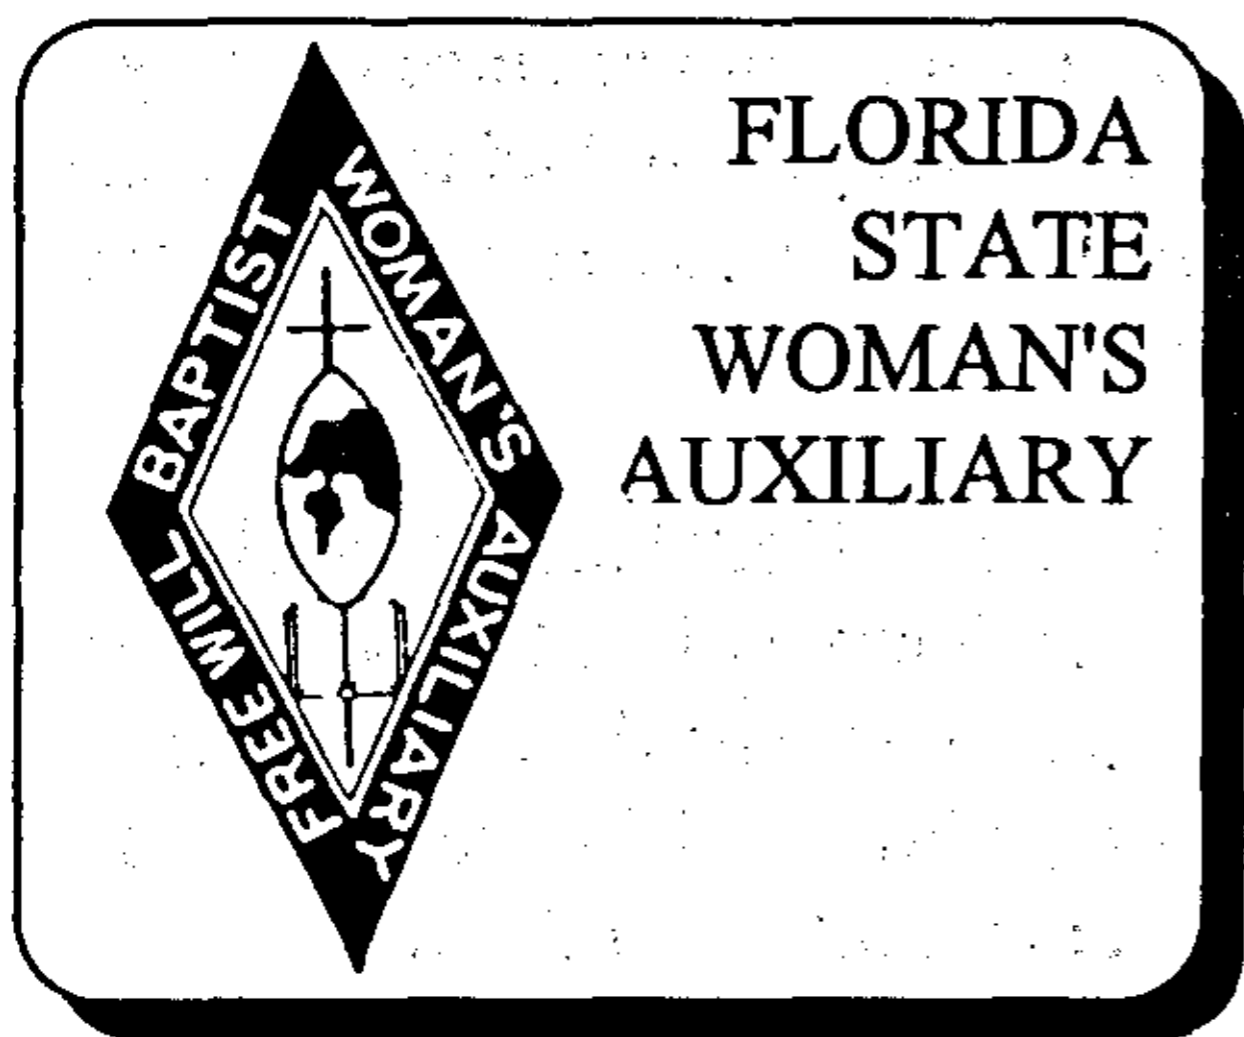

The Board met again on Saturday morning to visit facilities in the Gainesville area that had showed an interest in hosting the State Competition. After discussing with the hotels the cost for conference rooms, sleeping rooms, and available dates, the Board booked the Holiday Inn in downtown Gainesville for the dates of May 24 and 25. This proved to be a good choice since the only expense the Board had to pay to use the facilities was a rental fee on the PA system.

The Youth Board met at the Holiday Inn in Gainesville, May 24, 1991 in conjunction with the State Youth Competition. All Board members were present. Pam Stewart distributed copies of the list of competitors and Randy Hill completed the judging assignments. It was discussed that letters requesting judges were sent to all churches and these were the only people who had volunteered. It was suggested that maybe by having such a limited list of judges this year others will get involved next year.

The Board met with all coaches, judges, and scorekeepers at 6:00 p.m. to go over rules and answer any final questions. The Music and Arts Competition was held on Friday night and Bible Competition on Saturday morning. Randy Jackson conducted the awards ceremony. More than 75 young people received awards and had the opportunity to represent the state of Florida at the National Youth Conference in West Virginia during July.

More than 400 people attended the Youth Competition in Gainesville. The Board would like to express a special thanks to Ginny Aldridge for preparing the information packets for the contestants at State Competition.

During the year of 1990 the Auxiliary took in a total of \$3,549.21 and disbursed a total of \$2,858.24. We supported various missionaries which included Ron and Linda Moore, Dennis and Trena Owen, Jeff and Susan Turnbough and various others. We gave to Home Missions and Foreign Missions, the Alabama

Children's Home, our state missionaries, the Ebenezer church in Miami, and to the WNAC Office. We do not set goals, but we ask that each auxiliary try as hard as they can to support missions as much as they can and just see how much we can raise. We thank God for all that He does through the Florida Free Will Baptist Women.

We met at the Auburndale Church the first Friday night and Saturday in June. Our program included a panel which consisted of ladies from each district taking questions from the audience concerning the auxiliary work and how they handled each situation in their area. Diana Bryant directed the panel. Sandra Jackson brought a study on the auxiliary work through flannelgraph. We had a "hands-on" seminar during the Friday night meeting to help prayer chairmen, study chairmen, etc., find interesting ways to keep prayer and programs before the ladies.

For 1991 and 1992 our project will be to support the Dennis Owens' the Ron Moores', and the WNAC furniture account. All monies marked "State Project" will be equally divided between these three accounts. Every lady was encouraged to donate \$1 for the Eunice Edwards loan fund during this year.

Depending on the outcome of the meeting place for the State Association next year, we voted to meet on June 5 and 6 at the Souls Harbor Church in Pensacola. If the state decides to meet in a central location at a designated place and

include all aspects of the FWB state work, then our meeting will also be held at that time.

Officers for the year are:

Peggy Hutto - President
Diana Bryant - Vice President
Pauline Dickerson - Secretary
Thelma Wiggins - Treasurer
Karen Owen - Field Worker
Bertha Turner - Historian

District secretaries should send their report at the end of the year to Pauline. District treasurers should send their monthly report, along with monies, to Thelma Wiggins monthly.

WOMAN'S AUXILIARY FISCAL
YEAR ENDS ON DECEMBER 31

Respectfully submitted, Peggy Hutto,
President

NOTES:

Issues printed were: Nov/Dec, Jan/Feb, March, April, May/June, July/Aug, Sept/Oct, and Nov/Dec. Printing bi-monthly seems to work out best for the amount of material we receive and for the material to be printed on a timely basis.

Regarding supplies: We have found a good source for supplies. For example, the mailing envelopes are ordered by the thousand and last approximately two years for a cost of about \$75. These will need to be ordered again after the Nov/Dec issue goes out. Consequently, the costs for supplies will vary from year to year, but will average around \$50.00 per year.

Based on 6 issues per year, the average cost per issue is \$418.00.

BOARD OF CHRISTIAN EDUCATION

Greetings from your Florida State Board of Christian Education. We continue to seek new ways and avenues which we feel will be beneficial in serving our Florida Free Will Baptist Churches. This past year, through our State Paper, The Coordinator, we have tried to bring attention to various areas of Christian education that will assist and be productive in the church, the home, and the church pew. WE will continue to try to advance and promote Christian Education and the need of feeding, edifying, and developing the people of our state.

This past year, we were able to extend two \$100 scholarships to two Floridian students who were continuing their education. They were Mitzi Dye of the Bayshore Free Will Baptist Church, and Eric Thomsen of the Wesconnett Free Will Baptist Church. This brings us to a total of six students that we as a state association have been instrumental in aiding as they felt the hand of God upon their lives to continue their education and preparation for a particular service and field that God has lead them in. We need your assistance in informing any student who is enrolled (first semester) in any

of our four Bible Colleges, to contact the chairman of the board and explain that they are eligible to receive this scholarship.

We also encourage any pastor or layman that has an idea that is working well in your church to submit those ideas to us so that we may submit them for publication in our state paper, hoping they might aid a sister church.

We also want to continue to encourage our pastors to give much consideration and prayer to the ministry of a local, church based Bible Institute. The dividends are great and the rewards will be many as your congregation elevates to new spiritual heights.

Again, we assure our churches across the state of our continues commitment and goal as your Board of Christian Education to endeavor to promote the educational aims of the Florida State Association of Free Will Baptists. We have an illustrious past, a present that is encouraging, and a future that is glorious. Let's labor together, working to achieve the goal as designed in II Timothy 2:2, "And the same that thou hast heard of Me among many witnesses, the same commit thou to faithful men who shall be able to teach others also."

Respectfully submitted,

Dr. Edward W. Green, Chairman

REPORT OF THE RESOLUTIONS COMMITTEE

I. Whereas in a local church the pastor's salary is the public knowledge of the Body, and

Whereas in a Baptistic form of government the members of that Body are entitled to complete knowledge of all financial matters, and

Whereas National leaders are the servants of the National Body and employed by boards who represent the churches of the National Association of Free Will Baptists, and

Whereas to protect the reputation of our denominational leadership and boards, Therefore, be it resolved that salaries of all directors of departments and department heads within those departments be specified individually in budget reports recommended to the National Body.

Therefore be it further resolved that this Body recommend this resolution to the General Board of the National Association of Free Will Baptists for adoption and implementation at the National Association of Free Will Baptists beginning in the 1992-93 budget.

II. Whereas there exists a continual need for financial stability with our Christian homes, churches, associational, state and national works, missions, Bible college, etc.,

Whereas this is a spiritual matter that is based upon the teaching and application of the Word of God in the life of the believer,

Whereas this comes about by the maturing of our FWB people and churches,

Be it resolved that we encourage our churches, their leadership, and membership to recommit themselves to endeavor to mature our people through sound Bible teaching, training, and especially pastoral preaching from our pulpits.

Be it further resolved that these areas be considered and emphasized especially beginning from the State Association:

1. Teacher training for sound Bible teaching in our churches
2. Young convert and new member teaching
3. Sound stewardship teaching and preaching

4. Biblical and rewarding reasons for giving and sharing God's financial blessings

5. The potential areas of giving in the church; associational, state and national ministries

Be it further resolved that our churches be encouraged to come to greater financial accountability by budgeting of income and giving and especially be concerned with the area of "pastoral support", trying to get our pastor a full-time servants in the field of service, substantially supported, so that souls can be won to the Kingdom of God..

III. Whereas new residents of the State of Florida are required to pay an extremely high vehicle registration tax, and

Whereas most of our new Pastors come from out of state and are under a financial hardship,

Be it resolved that our churches be encouraged to help pay their Pastor's vehicle registration expense along with the customary moving reimbursement.

FLORIDA STATE WOMAN'S AUXILIARY

The Florida State Woman's Auxiliary is glad to report an enrollment of 210, up 12 from last year's report.

Our women gave \$8178.79 to mission causes in 1991, supporting foreign and home missions, the Children's Home, and various WNAC causes.

Our State Project this year is to support the Dennis Owens, the Ron Moores, and the WNAC furniture fund. After the new office furniture is paid for, that portion of the state project will go into WNAC's general fund. Also, each local Auxiliary is encouraged to give \$1.00 per month to the Eunice Edwards loan fund.

In order to better accommodate our women, the Auxiliary has voted to try meeting on Friday next year instead of Thursday. Also, in addition to our business meeting and worship service, we will be adding a seminar in the afternoon.

PEGGY HUTTO, PRESIDENT

YOUTH BOARD

The State Youth Board is excited to report that our activities of the 1992 Youth Competition will begin on Thursday afternoon, with a trip for our youth to the Young's Horse Ranch. This activity will be followed by a Bar-B-Que on the lovely veranda of the Ocala Hilton.

The Youth Competition will feature music and oral communication on Friday evening at 6:30 p.m. in the Grand Ballroom. The Bible Competition will begin at 8:00 a.m. on Saturday, May 30, 1992. At the conclusion of the competition, awards will be presented at the Awards Ceremony. At that time, the winner of the T-Shirt contest will be presented a \$50.00 gift certificate to Randall House Publications.

Since sound quality is so important in competitive activities, the Youth Board is checking into the possibility of purchasing a portable sound system to be used at competition, youth retreats, etc.

The board is also in the process of setting up an annual Florida State Youth Retreat. At these retreats, we would like to feature well known christian athletes or celebrities as well as fun-filled christian activities. A tentative date in November has been discussed for the 1992 retreat.

It is the desire of the State Youth Board to provide quality Christian activities for the Youth of our State.

HOME MISSION BOARD

The members of the Home Mission Board have been happy to serve you in the phase of the Lord's work, and submit the following informational report:

Bayshore - St. Petersburg

This mission church is doing very well under the capable leadership of Rev. Curtis Alligood and his wife Laverne. The Alligood's son, Bryan, and his wife Dana, have also moved to St. Pete to assist in the work. At the time of this associational meeting a FWB couple from Washington State, Bill and Barbara Felker, are moving to St. Pete to be a part of the work. These Christian laborers should prove to be a great asset. Attendance figures show a definite increase, and finances have proven satisfactory. The church has been able to do some remodeling, and to enclose a porch area to give additional and much-needed classroom space. The church has a good future for ministry in St. Petersburg.

Faith Chapel - Jacksonville

Brother Odis Whitehead and Mary Nell Whitehead have done a good job

of ministering in this newest of our state mission works. They have been able to report several saved and baptized and a good increase in attendance.

The Faith Chapel mission has relocated to a new property much more conducive to a church program. While it is presently a rental situation, there is a very good possibility of purchasing this property, perhaps as early as next year. The board is taking this under consideration in its plans for the future.

Gainesville

Bro. Bobby Clyatt, by mutual agreement, has been released from contract with the mission board as of May 1. We appreciate the efforts that Bro. Bobby and his wife, Gloria, have put into the mission over the past three years. Also by mutual agreement, the small Gainesville church group has vacated the property and relocated to Alachua, north of Gainesville. Bro. Clyatt and this group have the blessing of the mission board and we hope this move will prove beneficial in the building of a good, strong FWB Church.

The mission board remains in possession of the Gainesville property and is presently renting it to a church group of another denomination. We have assumed the financial obligations for the bond program which financed this property. In due time we will consider the possibility, timing, strategy, etc. for a new mission work in Gainesville. Pray that we will have wisdom from God in this matter.

We solicit your prayers for God's guidance as we carry out our responsibility to our existing mission

BOARD OF CHRISTIAN EDUCATION

The Florida State Board of Christian Education appreciates the possibilities and potentials that lie in the local churches of our state. We, the C.E. Board, want to thank you for your faithful support and prayers offered on our behalf.

This past year we have channeled some of our funds to four \$100 scholarships to our Florida youths that are preparing themselves for future ministry and service to our Lord, denomination, and state. Those recipients were: Mr. Willis Beauchamp, FWBBC, First, Tampa; Angie Duncan, FWBBC, First, Tampa; Danny Elliott, Southeastern, First, Tampa; Keith Hatton, Hillsdale, First, Tampa. We are proud of our young men and women that are respondent to the call of the Master upon their lives and are willing to prepare themselves for a fruitful and prosperous service for Him. Let's hold these and others that shall continue their education and preparation for the Lord.

There are several objectives and plans that your Board is considering:

- 1) Plans are being considered for a pastor/wife retreat. We want to assist you dear pastors in your local ministry and we feel this would be very beneficial and productive. The program, date and subjects are in the making and we hope that we can forthwith finalize these ideas and start promoting this meeting.
- 2) We still want to encourage each pastor to seriously consider starting a local Bible Institute for the training and edification of our church people.
- 3) We also want to remind you of our tape-lending library that is available FREE of charge to any church wishing to use this avenue of ministry. These tapes range in interest and help from church growth, discipleship, youth ministry, and Sunday School success ideas. These tapes are free for the asking, all we ask is that you underwrite the postage and handling of the tapes.
- 4) We also want to encourage each District Association to consider extending some type of support for those students that are continuing their education from your local churches. This can be accomplished through you local/district Co-Op giving. We do ask that if any pastor has a young man or woman attending first semester in any of our Bible Colleges that they notify the board so we can expedite their scholarship.

If you have any suggestion or comments on how we may better serve, we would appreciate hearing from you.

Respectfully submitted,
Edd Green, Chairman

Report of Committee Reviewing State Co-Operative Plan Structure

On Tuesday, April 14, 1992, a committee authorized by the Florida State Association met in Ocala to discuss ways to improve funding of the state work. Representatives from seven district associations were present: Edd Green (S FL), Odis Whitehead (Gr. St. John), Paul Oppy (N FL), Tim Owen (W FL), Jerry Whitworth (Salem), Jim Christian (Ind River), and David Williford (Liberty).

The committee discussed the present financial picture and the state program of giving. It was reported that state funding is declining at an alarming rate. After much discussion the following proposals were made:

- 1) We recommend a change in the method of Co-Op support. We ask the state to recommend that each local association adopt a local co-op plan of support. churches would be encouraged to give 10% of their undesignated receipts to their local co-op program.
- 2) Churches that are not currently giving to co-op are encouraged to begin by giving 3% of their receipts to co-op, and to increase their giving by 1% each year until they reach at least 10%.
- 3) A recommended model of giving for the local co-op program would be for each local association to retain no more than 40% for local ministries

and send at least 60% to the State co-op fund.

4) The following suggestions for local ministries that local association might begin:

- a) Local missions
 - b) Christian education activities like Bible Institutes, youth activities, scholarship programs, etc.
 - c) Local outreach ministries like youth missions trips, radio ministry, etc.
 - d) Pastor's retirement fund
- 5) We recommend that the boards receiving co-op funds prepare a financial summary projecting how this increase in funds would enhance the scope of their ministries.

These proposals are based on successful programs from at least four local associations within our state. If adopted, these proposals would allow the state to develop more programs aimed at strengthening the local church. Examples would include state-wide youth retreats, local workshops designed to help the local church, provision of tools for ministry, aid in evangelism, church growth, discipleship, etc.

We recommend that this program be adopted by the state and all local associations for a one-year trial..

Respectfully submitted,
Tim Owen, Chairman
