Youth Board Report

The Florida State Youth Board is anticipating another tremendous year in 1993 for youth competition.

To begin this year's competitive events, there will be a special youth outing on Friday, May 6, beginning at 12:00 noon. The activity will start with lunch at a local Pizza Hut and then a trip to Skate Mania roller rink. The cost for the youth activity is only \$5.00 per person.

This year the Youth Board is adding a meeting with the coaches to explain the competition rules and guidelines. This meeting will also give us the opportunity to answer any questions concerning State and National competition.

The Music and Arts competition will be held on Friday night beginning at 6:00 pm with Oral Communications and Instrumentals (except piano). The vocal competition will begin at 7:00 pm. The youth competition will continue with Bible Competition on Saturday morning at 8:00 am. The awards ceremony is scheduled at approximately 11:00 am.

The Youth Board recently purchased a complete sound system to be used for the State Youth Convention. The system consists of the following equipment:

- 6 Microphones
- 1 12 Channel Soundboard

- 5 Microphone Stands
- 1 Boom Microphone Stand
- 2 Speakers on Raised Stands
- 2 Monitor Speakers
- 1 Wireless Microphone

This quality sound system should serve the State for many years to come.

The assignments for the 1993 State Youth Competition are as follows: Randy Jackson - Bible Memorization, Friday Night Music Competition; Jimmy Aldridge - Bible Sword Drill, Oral Communications; Randy Hill - Bible Tic Tac Toe; Jim Christian - Bible Bowl; Pam Stewart - Registration

Pray for the Youth Board as we serve the youth of this state.

Home Mission Board Report

The Home Mission Board presently has the oversight of two state mission works: the Bayshore FWB Mission Church in St. Petersburg, led by home missionaries Curtis and Laverne Alligood, and the Faith Chapel FWB Mission Church in Jacksonville, led by missionaries Odis and Mary Nell Whitehead.

The Mission Board visited both works recently, conducting a service, and meeting with both the mission pastor and the congregations. We were pleased with this personal contact, and feel that both missions have experienced significant growth, strengthening, and development during the past year. You will hear reports from the missionary pastors during this meeting. We appreciate the fine work these men are doing, and pray that God will continue to use them to build strong Free Will Baptist Churches in these two strategic Florida cities. The board is working on a phase-out plan so that these works will become increasingly self-supporting over the next two to three years.

The board has committed \$35,000 of our present funds for the St. Pete work toward debt retirement on the property. We challenge the Florida State Association with a project to provide a matching amount over the

next year, to culminate at the 1994 association meeting. We believe this will reduce the indebtedness to a manageable size to enable the church to realistically move toward self-supporting status.

The board has discussed a new Florida mission work in the not too distant future. With the above-mentioned project and our phase-out plan, we hope to be able to announce a new mission project at our 1996 State Association. Join us in praying for God's direction and provision of the right missionary personnel, the financial strength, and the right target city in Florida.

We have been asked about the Gainesville work and its future. The mission board has title to the property which we currently rent to a church group of another denomination. The money from the rental, plus the sale of the old property, covers the bond payments, so we have little expense in Gainesville. **Are we planning to attempt another mission work in Gainesville? Probably, but not now.** We have invested about 20 years and many thousands of dollars in the Gainesville mission without any lasting success. We believe it is time to give it a rest. We are most reluctant to ask people across the denomination to again invest in Gainesville. To revive this work would be so costly as to prevent or seriously delay our starting a new work in another Florida city. We believe it wise to leave the Gainesville property as is for now, and focus our energies and finances elsewhere. Later, as the Lord directs and provides, we will still have the property in which to make a new start. Again, pray with us about his matter.

We commend Leroy Cutler and express appreciation on behalf of the board and the entire State Association for his faithful service (approximately 14 years) on the Home Mission Board.

Resolutions Committee Report

1. Whereas, Mrs. Randy Bryant and Mrs. Leroy Cutler have served singlehandedly as registrars for this meeting and yet have done an outstanding job,

Therefore be it resolved that we commend them for their efforts and thank them for their service.

2. Whereas it is very important to document our Christian Heritage, and whereas this duty has been entrusted to our State Historical Committee, and whereas they have produced a thoroughly superior document,

Therefore, be it resolved that we applaud their effort, appreciate their produce, and commend their work as excellent.

3. Whereas the Home Mission Board has adopted the goal of reducing the indebtedness of our St. Petersburg work, and, whereas the Mission Board has designated \$35,000 of its own resources and has requested an additional \$35,000 from our Florida churches, and whereas our St. Petersburg work must reduce the debt to a managable amount in order to become self-supporting,

Therefore, be it resolved that our State Association churches in Florida commit to raising at least \$500 each during this next year to reach the goal of a total of \$70,000.

David Williford, Darrell Holley, Paul Oppy

Florida State Woman's Auxiliary Report

The Woman's Auxiliary reports 211 members for 1992. Our receipts were \$7,546.11, disbursements were \$7,489.32, and we report having one new District Auxiliary formed.

We supported a number of missionary accounts during the year, and our State Project was divided between WNAC, Ron and Linda Moore, and Dennia and Trena Owen.

We encourage every church to organize an Auxiliary, every Auxiliary to support their District, and every District to support the State work.

We appreciate very much the opportunity to meet in conjunction with the Florida State Association. We are experimenting this year with a banquet and seminars in addition to our annual meeting. We hope our ladies will be helped by these additions.

Peggy Hutto, President

Historical Commission Report

In the year since its formation, the Historical Committee has taken as its major goal the initial publication of an annual historical bulletin, entitled *The Historical Review*. We are happy to have completed this publication in time for our State Association Meeting. This first issue contains the following articles:

"Our Fathers Have Told Us" - a devotional meditation on the purpose and value of church history.

"The Death of Polycarp" - an early martyr story from the year A.D. 168

"Who Now Will Follow Christ in Life" - a hymn written in 1527 by George Wagner, a German Anabaptist, before his execution

"The English General Baptists" - a very detailed, scholarly study of the history and theology of the English Baptists of the early 1600's.

"The Standard Confession of 1660" - a reprint verbatim of the early English Baptist confession which was brought to America and used by our Free Will Baptist forefathers in the Carolinas

"Origins of Free Will Baptists in West Florida" - a ground-breaking article which shows the connection between Liberty and Salem Associations and the early nineteenth-century Free Will Baptists of North Carolina

"A Prince and a Great Man" - the last article by Sister Laura Belle Barnard before her recent death, a biography of our own Dr. E.L. St. Claire.

"What Free Will Baptists Believe and Why" - a sermon preached by Dr. St. Claire about 1890 describing the Biblical basis of our faith and practice.

We published enough for each church to have three copies, but we also had some extra copies printed. They are available for \$2.50 each. The total cost of the publication was \$313.96 (which will be reflected, of course, in the 1993 Treasurer's Report). Our present financial status is as follows:

May, 1992	\$423.77
November, 1992	+ 500.00
Balance	923.77
Publication	- <u>313.96</u>
May, 1993	<u>\$609.81</u>

We thank the Executive Board for the gift of \$500 which it made to us in its meeting in November. These funds will keep us going for one or two more years. Should the Association be pleased, we think that it would be appropriate to add this Committee to the budget, perhaps at one-half of 1% (the percentage at which the National Association funds the National Historical Commission).

We encourage our churches to read *The Historical Review*, to pass around the copies, to use them as the basis of a group study of church

history in general, and our Florida Free Will Baptist history in particular. We encourage all delegates and visitors at the State Association to visit the exhibit table and to look at some of our display of books, minutes, and photographs which pre-date the National Association.

The State Historical Committee thanks you for the opportunity of serving the State Association this year and asks for your prayers and support in their efforts.
