Functions of Committees

Planning Committee: The Planning Committee consists of the Moderator, Executive Secretary / Treasurer, and Chairman of each Board and reports to the Executive Committee. The responsibilities of the Planning Committee are to make intermediate and long-ranged plans for State Ministries; coordinate the efforts of the Mission Board and Christian Ministries Board; to plan the State Association theme and speakers; and to handle any items of review by the Executive Committee or the State Body.

Steering Committee: The Steering Committee consists of the Moderator, Clerk, Executive Secretary / Treasurer, the Chairman of the Christian Ministries Board and the President of the Florida Women Active For Christ. Others may be appointed by the Moderator on a special need basis. It exists for the purpose of coordinating our annual State Meeting. The responsibilities for this committee shall be: to negotiate with the various locations concerning rates and arrangements and to recommend locations to the State Body; to work with the various Convention Bureaus to secure sites; to make site inspections when necessary; to set and approve the catering contracts for meeting rooms and meal functions with the host hotel; to coordinate the meeting times and room specifications for each session; to set the schedule for the State Meeting; to coordinate the registration process for the State Meeting; and to be the on-site liaison for hotel staff.

Budget Committee: The Budget Committee consists of three members of the Executive Committee appointed by the Moderator one year in advance. The Executive Secretary / Treasurer serves as an ex-officio member. The responsibility of this committee is to analyze and compile the State's General Fund Budget. Budget requests will be submitted in writing. A representative will be available from Florida standing boards and commissions to provide information to the committee. The Executive Secretary will present his operating

expenses and the Coordinator expense. Direction from the State Moderator concerning administrative items will be provided. The Budget Committee has the authority to request additional information in compiling the budget. This budget will be presented to the Executive Committee for approval and recommendation to the State Body for final approval.

Auditing Committee: The Auditing Committee is composed of three members which shall be elected for three year terms on a rotating basis, so that one new member shall be elected annually. Members of the auditing committee may not be members of any standing board or committee. They are to review financial documents to determine that the Treasurer's report of each board and the State Association clearly reflects the financial activity for the year.

Promotional Team Concept:

The Executive Secretary – He is tasked with being the point man, representing the state ministries, not necessarily the office, to our associations and churches. This is a part-time position requiring two dates a month to be traveling.

The Editor of the Coordinator – He is tasked with delegating articles to be written and compiling the content of the state newsletter in whatever time period and manner published. He may or may not be tasked with actual layout and printing. This could lead to a third area which would become the Media Coordinator for all of these positions (to handle their perspective promotions and graphic design and printing) or he may consider delegating this to the Media Commission.

Executive Secretary's Report

It has been my distinct pleasure to serve the Associations, churches, pastors and people that make up the Florida State Association of Free Will Baptists. I have been impressed by the kind and hospitable reception I have received at your Association Meetings, your local churches and in your homes. Your support and prayers kept me encouraged and moving forward in the midst of my travels and in the challenges we have faced. I had the distinct honor to visit each of our Associations except one. Due to scheduling conflicts I was unable to attend the Citrus Association during 2003. I also had the honor of being invited into a number of our churches for services.

In many ways 2003 was challenging for our State Association. We had numerous churches without pastors throughout the year. Several times during the year our State had as many as 10% of our churches seeking pastors. This office has done its best to bring potential pastors and churches together by maintaining lists of available men and churches seeking pastors. We have developed forms for pastors seeking churches to fill out to include their resumes, backgrounds and basic information that should be helpful to churches seeking a good fit for their congregation. These are kept on file and updated as needed. Our State Association also faced the challenge of a significant shortfall in Co-operative funds that were received this year. Although we can trace the reasons for the shortfall, we are still faced with the challenge of operating on less than we have budgeted for our ministries. Of course, our state also faced the challenge of a shortfall in our mission shares program. In spite of the shortfall, it continues to be the best means we have to support missionaries and their ministries.

We do want to extend our thanks to the churches and individuals who have been so faithful to support our Co-operative and Shares programs. Not only do our State ministries depend on your faithful support but so do each of our Florida missionaries.

Our State owes a great deal of gratitude for the team that produces "The Coordinator." We have one of the finest, if

not the finest State publication in our denomination. We commend Dr. Danny Conn for his work as our Editor; Ron Hunter for his expertise in lay-out and Jose Rodriguez and Daniel Perez for their efforts with the Hispanic edition. When you consider the time and effort these men put into this publication, you can see that it is indeed a labor of love for these men.

As you are aware, our agreement with Randall House ended in 2003. We are grateful for the relationship we had with them and with their support of our State Ministries over the years. We do trust you will continue to use them for all your literature needs.

As was discussed last year, we will be offering a Senior Summit in November of this year. This year's Summit will be held on November 8-10 at the Holiday Inn in St. Augustine. Rev. Bill Evans will be the principle speaker for this year's summit. We will be having evening worship services, some morning seminars, and a time to tour the city of St. Augustine. We are looking forward to beginning this ministry for our senior saints.

In closing, let me thank you for the privilege of serving in this capacity. It is always an honor to represent this State and its ministries. I also want to offer a special word of thanks to the Ryanwood Fellowship Free Will Baptist Church of Vero Beach for allowing me to serve in this capacity. They have been more than gracious to allow me to pursue and carry out this ministry. Please allow me to acknowledge the support and encouragement of my wife, Diana. She has spent many nights at home by herself while I am on the road. I appreciate her selfless attitude as I serve our State Association.

Christian Ministries Board Report

In 2003 the Christian Education Board and the Youth Board were combined to form the Christian Ministries Board. This new board assumed all the duties of the two previous boards. The stated purpose of the Christian Ministries Board is to (1) Promote the educational aims of the Florida State Association of Free Will Baptists; (2) Coordinate and direct youth training and competitive activities; (3) Encourage and equip Christian leaders and workers for effective ministry through the local Church.

Toward that goal, this past year the Christian Ministries Board sponsored three Christian Workers' Conferences: one in Ft. Walton, one in Orlando, and a Hispanic CWC in Miami; with the total of over 200 in attendance. Plans are already underway for the 2004 Conferences.

The 2003 State Youth Conference had 103 registered contestants in 81 entries. Forty-five entries advanced to the National Youth Conference in Tampa, where ten groups or individuals were recognized for their top marks. In following the tradition established by the Christian Education Board, over \$5,000 was awarded in scholarships to Free Will Baptist Bible College students, E-Team, and Youth Evangelistic Team members to encourage Florida youth in developing their service to God.

The most ambitious effort of the Christian Ministries Board this past year was the 2004 Ministers' Retreat. In January, fifteen couples boarded Royal Caribbean's, *Sovereign of the Seas* for a five-day cruise to Nassau, Bahamas. Our goal for the Ministers' Retreat is to provide a time of refreshing and

uplifting fellowship for the minister and his wife. We hope that each church will encourage and enable their pastor and his wife to attend the Ministers' Retreat.

The members of the Christian Ministries Board consider it a privilege to serve God and His people in this ministry. Thank you for the opportunity to be involved in teaching, training and encouraging Florida Free Will Baptists in their ministries

The CM Board members: *Danny Conn, Kellie McNeal, Charlie Elliott, Mike Taggart & David Baker*

Mission Board Report

The Mission Board for 2003 experienced some losses and some gains. The board regretfully lost Kevin Flannagin who relocated to Indiana and Tom Collins who resigned. The board gained Dave Thomas and Jimmy Aldridge who are filling these open positions. The board also employed Tom Collins to manage the finances.

Don Walker, our missionary to Gainesville, is doing a GREAT job. The numbers and finances are growing steadily. In two years the number have grown from Don and his wife Dede to an average in the 50's. In the second anniversary service Don reported an attendance of 103.

We are really excited about this work and believe that its success is providing the board with ways of starting other successful Free Will Baptist churches.

In November the board hired Andres Sancho for a Hispanic work in West Palm Beach. Andres and his wife Nora came from Chili where they served in a variety of ministries. Since arriving, Andres has begun to write a religious column for a local newspaper in exchange for free advertisement. The board thanks Lonnie Buser, pastor of West Palm Beach Free Will Baptist Church, for providing Andres a place to meet.

Congratulations to Board Member Jose Rodriguez. He has been selected to preach on Tuesday evening at the July National Convention in Kansas City, MO.

Respectfully Submitted,

Jim Christian, Jose Rodriguez, Percy Cunningham,
Jimmy Aldridge and Dave Thomas

their representatives on the Executive Board annually. A majority of members shall constitute a quorum.

- **By – Laws Section 4** - delete the phrase, "State Association Treasurer, or someone designated by the State Body" and "State Association Treasurer."

It will read - (1) It shall be the duty of the State Executive Office to receive all funds, pay all appropriate bills, disburse co-operative and designated funds in a timely manner according to the State Association's budget; (2) It shall be the duty of each State Board Treasurer to receive all funds for the board he serves, pay all appropriate bills, and disburse appropriate funds in a timely manner. (3) The State Executive Office and all State Board Treasurers shall use the same accounting system. (4) Each treasurer of the State Association shall submit his / her records to the State Association's Audit Committee annually for audit.

6. We recommend the adoption of the Budget Committee Report.
7. We heard the report from the "Committee On Assisting Struggling Churches" that was appointed in the 2003 State Meeting. We recommend the extension of the committee's work for one year, that the moderator appoint a replacement for Kevin Flannagin on the committee and that committee be increased by two (2) members. They are instructed to do a survey of "struggling churches" and then meet with the Mission Board concerning the findings. They are to report back to the Executive Committee at the 2005 State Meeting.

State Steering Committee Report

Our State Association is under contract with the Jacksonville Marriott for the 2005 State Meeting. The dates for the meeting will be May 11-14, 2005. The Planning Committee and Budget Committee will be meeting on Tuesday, May 10, 2005.

We have enjoyed a good relationship with the Jacksonville Marriott and its staff. We have received a great deal of compliments about the hotel and the treatment our people have received during these years. Our present contract with the Marriott will end with the 2005 meeting. We will be investigating various options and proposals from properties for our 2006 – 2007 meetings. We welcome your comments as to our future meeting locations.

Please understand the excellent contract we have presently with the Marriott. We have enjoyed a room rate of \$78.00 plus complimentary meeting rooms and complimentary meeting suite. The room rate is an excellent rate for this type

of property and it is virtually unheard of to continue to receive complimentary meeting space as part of the package. We do not know what the next set of proposals will bring but we do need to be prepared that the buyers' market is waning down.

Since 9-11, the hotel business has not been flourishing. That is beginning to change and could become a seller's market in the years ahead. We can assure you we will get the best arrangements we can for our State Meeting.

Respectfully Submitted,

Randy Bryant, Executive Secretary

Tim Owen, Moderator

David Baker, Clerk

Danny Conn, Chairman of the Christian Ministries Board

Diana Bryant, President Florida Women Active For Christ

Committee On Struggling Churches Report

Our Committee was appointed during the 2003 State Association Meeting to see if there was some way that the State Association could assist struggling churches in our state.

One of the major issues to be addressed was regarding help with the pastor's health insurance. After looking at the issue, we feel that it would be very difficult for the State Association to get involved in that area. The fact that we are so few in numbers and notoriously not in the best of health would make it very difficult to have our own group plan.

The committee would like to offer one recommendation that would help our struggling churches. We would like to recommend that the State Association provide a full-time salary for a bi-vocational pastor who would meet certain criteria set forth by the State Association. This could be done for a period of one year to enable the church to get on its feet. We feel this could be administered through the State Mission Board.

While the criteria should be set by the State Body or a committee appointed by the state, we feel that a couple of criteria should be: 1) that the church agrees to participate in the state co-op, and 2) that there be a reversionary agreement with the state in the event that the church folds or leaves the State Association.
