Liberty Quarterly Meeting convened with Marshfield Free Will Baptist Church June 4th. Most of their churches represented with delegates. One new organization affiliated with their number, also one ordained minister, Charles Chamberlin and they licensed one new minister, Gene Brake. Time was given for our Missouri Cooperative program Saturday afternoon.

I was privileged to deliver the gospel message in our Waynesville Church Sun-

day morning, June 5th, and in our Rolla Mission Sunday evening. Please remember both churches in prayer. Perry Roth, an anti-communist, businessman, and Christian layman was the special guest speaker for our St. Louis monthly Free Will Baptist Ministers' fellowship meeting Saturday evening, June 11th, held in the Overland Church. Many timely warnings and admonitions were given by this layman to the church and ministers.

Our pastor, Rev. Albert McFarland, conducted a successful ten day revival in our Fredericktown church. While our pastor was away in the revival I delivered both morning and evening messages here in our South Side Church, Sunday, June 19th. One Sunday School and one church made their first contribution to the Cooperative Fund in June.

Remember Bibles, Books, and other Church Supplies are available in your Missouri Free Will Baptist Book Store, 3100 Mt. Pleasant Street, St. Louis 63111, Missouri.

JUNE REPORT

APARTADO 16 - PROVINCIA DE LOS SANTOS - LAS TABLAS, REP. DE PANAMA

The Cape Mission has done fine this month. Their Sunday School has averaged in the upper twenties.

The O'Fallon Mission is growing. They had 46 in Sunday School the last Sunday of the month. This is the most they have had in attendance. At present, the Rolla Mission is at a standstill because of the resignation of Bro. Leland Horton from the work. Another pastor is looking into the possibility of continuing the work. Pray much about it. The following have given good response:

Dear Friends:

"....a bird of the air shall carry the voice, and that which hath wings shall tell the matter" Ecclesiastes 10:20b. We are beginning to realize more and more our particular role in speeding the Gospel with the "bird of the air."

Recently, Jerry Ballard visited us and while here asked, "How do you consider the plane in relation to your work?" It seems that many people have asked him the same question regarding our work here. I explained to him that the plane is to be considered a missionary tool, just as a car or truck in some other missionary's work. It is the means which en-

Cessna 17-B, purchased in November, 1965.

ables us to reach people who would otherwise be without a Gospel witness.

Not only are we going to unreached areas without roads, but we go at a much greater speed. For example, while Bro. Ballard was with us, we traveled a distance of several hundred miles in just a few hours. If we had covered the same routes by horseback, it would have taken us at least two weeks!

At times the plane also becomes a "bird of mercy." Many contacts have been made because I have been able to fly out those who were sick or injured and in need of a doctor.

Of all Panama, our area presents the

Bill passing out tracts on Isla Cañas, one of several areas accessible only by air.

Ever tried "pipa" (coconut juice, before the coconut forms)? It's great!

greatest challenge for rural evangelism. But more workers are needed if the job of reaching these people for Christ is to be accomplished. Pray that the Lord will thrust forth more laborers, and remember to pray for us as well.

Sincerely in Christ,
Bill and Barbara Phipps

MEET YOUR STATE ASSISTANT SECRETARY, LEONA THOMPSON

In John 9:4 we find it says "I must
work the works of Him that sent me while
it is day, the night cometh when no man
can work."

Since I am the State Assistant Sec-
retary and the Chairman of the Credential
Committee, I have charge of the achieve-
ment charts.

If all requirements are met, your aux-
iliary is classed as an A-1 auxiliary; if
8 are met, you are classed as B-1; if
only 6 are met you auxiliary has a C-1
rating.

(1) Meetings - You must have 12
meetings a year with an average of at
least one-half of the membership present.
Meetings must be held each month and
not two one month and perhaps none the
following month.

(2) Membership Increase - The active
membership at the first of the convention
year must have a ten per cent increase
during the coming year. The vice presi-
dent is responsible for this point.

(3) Gifts - The Co-labor offering plan
is the financial plan of the WMAC. Each
month an offering should be sent through
the proper channel which would be sent

through your State Secretary. The treas-
urer who is stewardship chairman is re-
sponsible for this point.

(4) Increase in Tithers - To reach
this point you must have a ten per cent
increase in the number of tithers. The
treasurer is also responsible for this
point.

(5) Membership Fee and Reports to
Officers - Once a year all active members
should pay thirty cents membership fee to
be used for promotional work. The re-
cording secretary and treasurer are re-
sponsible for these reports.

(6) Denominational Periodicals - One-
half of the families of the auxiliary should
subscribe to one or more Free Will Baptist
periodical. The corresponding secretary
is responsible for this point.

(7) Special Prayer Seasons - There
are three seasonal weeks of prayer, they
are the seasons of prayer preceeding
Easter, Thanksgiving and Christmas with
an offering for missions. The Easter of-
fering goes for National Foreign Missions;
the Thanksgiving offering goes for Na-
tional Home Missions; and the Christmas
offering goes for State Home Missions.
The program prayer chairman and her
committee lead in attaining this point.

(9) Personal Service Evangelism or
Benevolence Activities - The members of
the auxiliary should actively engage in
some type of planned benevolent activity
in the community at which it is a part or
participate in directed soul winning ef-
forts. The personal service evangelism
chairman is responsible for these activi-
ties.

(10) Missions - There should be a
special missions emphasis at each month-
ly meeting of the auxiliary. The missions
chairman is responsible for this point.

I have enjoyed being your assistant
secretary and working with you. There is
nothing I like better than being in the
Lord's work. If I can be of any further
help to anyone, feel free to write me and

Free Will Baptist Gem

I will do my best to help. Remember Article 7 in last years resolutions reads, "We recommend that all achievement charts be mailed to the assistant secretary, Miss Leona Thompson, Greentop, Mo. 63546, one month prior to the state meeting date." If for some reason you can't, or don't want to, mail them to me, be sure and have them to the state convention early and hand them to me. Will be looking for you and all your charts.

Your Sister in Christ,
Leona Thompson,
State Assistant Secretary

ON TRIAL

Date: Monday, June 27, 1966 - 7:30 p.m.

Scene: Trinity FWB Church, Bridgeton, Mo.

Event: Woman's Auxiliary Study Course on the Manual

Setting: Courtroom

Action: The Prosecuting Attorney, determined to prove that the Woman's Auxiliary was a needless waste of time and a social club that takes wives and mothers away from their families and home responsibilities, called the officers of the Auxiliary to the stand. The officers, in defense of the Auxiliary's purposes and goals, entered various exhibits explaining their offices and duties in an effort to prove that they were attempting to answer the heart's cry of the missionaries on the field by supporting them in prayer and in many other ways.

Although the Prosecuting Attorney harassed and abused the defendants, and although the officers admitted that they had failed to do the job they should have done, they remained firm in their conviction that the Woman's Auxiliary was a necessary and vital part of the church.

The trial was not going well for the Auxiliary and the ladies were fearful of the judge's verdict - but then a favorable and unexpected turn of events followed. A spectator in the courtroom volunteered to come to the assistance of the Auxiliary by being their defense attorney and his plea in behalf of the Auxiliary was most effective. Then another piece of evidence

August, 1966

was introduced, a letter from a new Christian in India. This new convert thanked the Auxiliary for what they had done in sending the missionaries to India and in supplying their needs.

At the close of the reading of this letter, the judge gave his thoughtful analysis and review of the case and then pronounced the Woman's Auxiliary completely and totally innocent of the charges brought against them and encouraged them to continue in their work.

Case dismissed.

Corresponding Secretary

GOOD BIBLE SCHOOL

The Woman's Auxiliary of the Neosho Church met with Sis. Frances Meador Tuesday, June 21. We had a very good Bible School. Motion was made and seconded to send our Vacation Bible School offering to Home Missions.

Sis. Dorothy Childress took charge of the lesson. Title of our lesson was "A Look at Uruguay."

Bible School Hobo Picnic

"PRAISE THE LORD"

The Myrtle Free Will Baptist Auxiliary met June 28 with eight members present. Our study course lesson was on manual and methods.

We were learning anew our duties of the auxiliary. A committee was appointed to select new officers for the coming year.

Our auxiliary was quite active through June. For the youth camp we purchased flatware, four dozen forks and four dozen teaspoons, bought three new cooker lids for the dinner pots, sent a box of tea towels and also sponsored one student at youth camp. Our little efforts were well rewarded. Two from our church were saved at camp. We praise the Lord for this. We also voted to, and sent Bro. Hanna a get-well card.

OFFICERS - AUTOMOBILE

The Women's Auxiliary of the First Free Will Baptist Church of Kirksville, Mo. met this month for their installation of officers for the coming year. Comparing each task to that of the working

mechanisms of an automobile, Rev. Andy Lay, pastor of the church, installed the officers and outlined their duties to be fulfilled. The newly elected officers for 1966-1967 are:

President, Bernice Thomas; Vice-President, Joan Filkins; Recording Secretary & Treasurer, Velma Wellman; Corresponding Secretary, Laura Glaspie; Program-Prayer Chairman, LuEttie Stewart; Missions Chairman, Elsie Dare; Personal Service Chairman, Eithel Adkins; Study Course Chairman, Kathy Lay.

GOOD BEGINNING

The ladies of the West Plains Free Will Baptist Auxiliary met July 11 for their regular meeting with 15 members and one visitor present.

Each new officer was present and gave good reports. We heard very interesting letters read from Rev. Jerigan in Idaho and the Rev. Sanders from Hawaii.

The Personal Service Chairman had spent a week at youth camp with the pre-teens and reported a good service.

All of our auxiliary members are now helping in our VBS. We had an average of 89 for the first week in VBS.

Our new officer the "Mission" gave the sad news of how Rev. Hanna had been burned but how thankful he was that God saved his eyes. We voted to send Rev. Sanders \$25.00 from our treasury and some members gave more to be sent to help them on their land payment. The amount is \$30.00 or more.

PROJECT - MACK OWENS

The Thayer Free Will Baptist Woman's Auxiliary met June 2 for their monthly meeting. We had several visitors from the Garfield Church with us for this meeting.

For our missions project for June we sent \$5.00 to the Mack Owens account.

New officers for the coming year beginning in July were elected. They were as follows: President, Phyllis Miller; Vice President, Gay Combs; Recording Secretary, Charleen Jones; Corresponding Secretary, Emma Hinkle; Treasurer, Lorene Pohnert; Study Course, Maureen Holman; Personal Service, Elsie Worel; Missions Chairman, Clara Allen; Program Prayer, Ruby Johnson; Song Leader, Nettie Bennett; Pianist, Barbara Cox.

We are now planning our installation of officers program.

After our business session we had our program from the Co-Labor book, "A Look at Uruguay." Sister Ruby Johnson sang, "Show Me Thy Ways, O Lord." We were dismissed in prayer.

GLEANINGS FROM THE FIELDS

JUNIOR CHOIR

The Junior Choir of the Verdella Free Will Baptist Church near Liberal, Mo. sang for Mr. and Mrs. John Stacy on Easter Sunday. Mr. Stacy is 90 years of age. The choir, which is under the direction of Sis. Hilda Nichols, averages twenty members every Sunday and they sing during the Sunday School hour. The Choir has been a real blessing to the church. The Verdella Church also reports a wonderful two weeks of Vacation Bible School with an average of 44. Sis. Nichols was director of the DVBS.

AT VICTORY FWB CHURCH, KANSAS CITY, MO. A GEN-U-INE HEAVEN SENT REVIVAL

During our pre-revival week of prayer, I doubt if any of us prayed with very much faith believing that it would really happen here at Victory. But praise the Lord it did happen!!

Our hearts were filled to overflowing with messages from God's Word by our evangelist, Rev. Wayne Bookout of Wellington, Kansas. Truly a man who loves to preach the word of God.

On Saturday night and Sunday morning we were privileged to have with us the Ledbetter Family Singers from Wichita, Kansas. Hearts were blessed in a wonderful way as they presented the Gospel in song.

On Sunday morning we had a record attendance of 174 in our Sunday School and well over 200 at the services following.

There were a total of 37 decisions made during this revival. Many more just

came forward to pray and draw closer to the Lord. Several that we had been praying for for quite a while were saved during this revival. Thank God for these answers to prayer.

At the Sunday evening services 21 came forward to unite with the church. We thank God for these who want to join us here at Victory in doing the Lord's work.

The meetings have ended, but the revival fires continue to burn in our hearts, as we have at Victory continue to "press toward the mark for the prize of the high calling of God in Christ Jesus."

We here at Victory are also very proud of the parsonage that the Lord has made possible for us to provide for our pastor and his family. We are sure that this lovely six room home will be much more comfortable than the previous quarters which they have occupied for the past six years.

Pray for us that we may continue to be faithful in prayer and in the service of the Lord.

LORD IS BLESSING NEW WORK

Greetings from the DeSoto Mission. With the greatest of pleasure we thank the Lord for His goodness to us. Oh, how sweet our services have been. Our services began April 3 and the first service was blessed with 31 for Sunday school and 34 for worship service. A fine young mother was saved to the thrill of our hearts. For a good start our average for the first month was 30 1/2.

For the second month starting on May 1, we had two saved and an average of 31. We closed out the month with a gospel singing. The Telegraph Gospel Singers from the Festus-Crystal City area were the special singers. There were 56 present.

We were in need of a piano and thanks to Mr. Moore of Crystal City who gave us a fine piano.

Rev. George Hibbitts is traveling from Fredericktown, Missouri which is 60 miles away. We are very pleased to have such grand praying people as Rev. and Mrs. Hibbitts helping us.

The mission voted unanimously when organized to give 10% to the Coop pro-

gram. We give only to express our thanks to God and expect Him to reward us with souls.

If anyone out over the state knows of anyone living in the DeSoto area, please send names to Free Will Baptist Mission, General Delivery, DeSoto, Missouri.

We will appreciate any financial support or gifts. Here is how others are helping. The First Baptist pastor, Rev. Ferguson, gave us 59 Broadman Hymnals. The Madison County Quarterly Conference is paying three months rent, (\$120.00).

We are helping our pastor with his traveling expenses, not a large salary, but we feel the Lord would expect us to consider the needs of our spiritual leader. Pray for us.

CHURCH ELECTS NEW PASTOR

It has been quite some time since we have sent in any news from the First Free Will Baptist Church of Jefferson City, Mo. On May 1, 1966 we had our homecoming as it was our third year of being an organized church, with the following ministers and wives being present:

Rev. Edward Ruble, Rev. Roy Jones, both of Lebanon, Mo.; Rev. Clyde Mont-

Free Will Baptist Gem

gomery, Cabool; Rev. Z. H. Tannehill, Eldon; Rev. Norman Tate, Holt Summitt, Mo., with special singers Mr. Thurman Aldridge and Miss Esther Mehager from Springfield, Mo. Rev. Roy Jones brought the afternoon message. Rev. Montgomery closed the service by reading a poem, "Sermons That We See". We surely had a wonderful day in services for the Lord on June 12, 1966.

We are happy to report two conversions in our regular service. We thank God for them.

We have called Rev. Z. H. Tannehill from Eldon, Mo. as our pastor for the coming year. Remember our little church in your prayers.

Yours in Christ,
A member of the First
Free Will Baptist Church
Jefferson City, Mo.

QUARTERLY MEETING

The greater Kansas City Quarterly Conference of Free Will Baptist churches met with the Olivet FWB Church at Marshall, Mo. on Friday evening and Saturday, June 10 and 11.

The meeting opened Friday evening with singing. The message was given by Rev. James McAllister of the Central FWB Church in Kansas City.

The Saturday session opened at 10:00 a.m. with singing and prayer. The devotion was given by Rev. Junior Ussary, of the host church. Church letters were read from six of the seven churches in this area. Conference and delegates were seated.

After a brief recess, our hearts were blessed by the message given by Rev. Glen Rehkop of the Victory FWB Church in Avondale, Mo., challenging our hearts to deny ourselves and take up our cross and follow the Lord.

Much good food and fellowship was enjoyed during the lunch hour. The basement of the new church at Marshall was a cool place to eat on such a warm day.

We were brought together again with singing and devotion by Bro. Elmore.

In the business session that followed officers were elected for the coming year. They were as follows: Moderator, Rev. Woodrow McAllister; Assistant, Rev. James McAllister; Clerk, Mrs. Rutha Altis; Assistant, Mrs. Rita Carter; Reporter, Mrs. Lou Thurston; Board Members, Rev. Woodrow Matthews, Lee Sherrills, Raymond Dickey.

Delegates were also chosen to attend the Central-Western Association that will be held at the Wagoner Church in July. We were dismissed with the benediction given by Rev. Junior Ussary.

Brief Reports from the National Association

Nashville, Tenn. - A spirit of unity was evident as some 3,000 delegates, ministers and visitors saw new highs reached at the 30th annual convention of the National Association of Free Will Baptists in Little Rock July 11-14. The meeting was termed by spokesmen the most successful in the denomination's history as spiritual inspiration prevailed and major expansion programs were launched.

Messages by four outstanding Free Will Baptist ministers centered around the theme, "The Christian Imperative -- World Evangelism." Dr. Robert Picirilli, moderator of the National Association and Registrar of Free Will Baptist Bible College in Nashville, set the tone of the convention in an opening address in which he encouraged the assembly of laymen, ministers and missionaries to focus their attention on denominational integrity, the development of spirit-filled ministers, world evangelism and the edification of Christians. The convention speakers included the Rev. Ronald Creech of Durham, N. C.; the Rev. Russell Spurgeon of St. Louis, Mo.; the Rev. Wade Jernigan of Jerome, Idaho; and the Rev. E. E. Morris of Oklahoma City, Okla.

In business sessions, the national body approved a new all-time high budget of almost \$1 1/2 million and adopted a construction proposal for a Sunday School Department warehouse in Nashville.

In other business deliberations, the first phase of a multi-million dollar expansion program was announced by officials of Free Will Baptist Bible College. A men's dormitory and a classroom complex totaling \$1 million will be completed by the fall of 1967 on Richland Avenue, Nashville. The classroom building will accommodate 600 students, 10 teachers' offices, and a science laboratory.

The highest award offered a layman by the National Association of Free Will

Baptists went to Travis Ray Carter of Winfield, Ala. Chosen for his dedication and contribution to the denomination's work on local, state and national levels, Mr. Carter has been active in Christian work for 23 years. The 42 year-old father of two is a Sunday School teacher, secretary-treasurer of the Alabama State Home Missions Board, and the president of Alabama First Finance Company.

All four of the Association's officers were re-elected for another term during the meeting: Dr. Robert Picirilli of Nashville, moderator; Rev. Billy Melvin of Nashville, Executive Secretary; Rev. Malcolm Fry of Tucson, Ariz., clerk; and Rev. Wayne Smith of Knoxville, Ass't. Moderator.

Other major highlights of the four-day meeting included the national premier showing of an evangelistic motion picture filmed in Brazil under the sponsorship of the Free Will Baptist Foreign Missions Board. "Carnival of Pretense" is the story of a search for reality in a world of make-believe, and points to Jesus Christ as the only way to true peace. The film is part of a "strategy of penetration" utilizing literature, radio and motion pictures for maximum outreach in South America's largest nation, Brazil. A Spanish edition for use in Spanish-speaking Latin America is planned. The English edition will be used throughout the United States in teen evangelism and missions promotion.

Youth contests, a function of the Association's Church Training Service Department, resulted in two victories for Missouri teams in the two major Bible quizzes. One hundred and thirty-five youths participated in the various declamation and Bible contests.

Eleven foreign countries and 45 states were represented at the convention. The quarter-million member denomination has 2,500 churches in the United States, including Alaska and Hawaii.

PASTOR RESIGNS

The Rev. Gary Terrell has resigned the Carterville Free Will Baptist Church. He may be contacted at the following address: Rev. Gary Terrell, Rt. 3, Box 363-A, Joplin, Missouri. Bro. Terrell is a fine young minister and any church would profit by having him as their pastor.

CHURCH ELECTS PASTOR

The Merls Chapel Church near Cassville has elected the Rev. Tommy Carlson as their pastor for the coming year.

YOUTH CAMP REPORT

YOUTH CAMP 1966

"MR. & MRS. YOUTH CAMP FOR 1966"

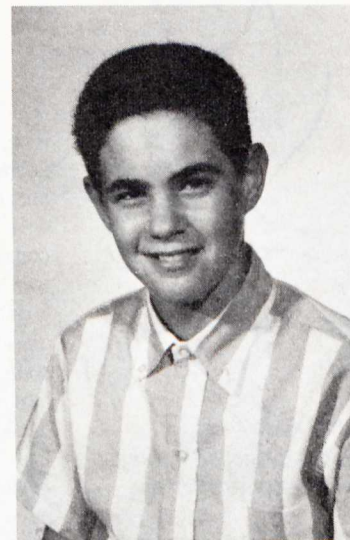

The Pre-Teens and adult workers of the 1966 Pre-Teen Session named Rev. and Mrs. William Reeves as "Mr. and Mrs. Youth Camp for 1966". As Rev. and Mrs. Reeves received this recognition, in the last assembly of the 1966 session, everyone stood and a thunderous applause was given in appreciation to the ceaseless work this family has given to the Missouri State Free Will Baptist Youth Camp. Perhaps the past year was as difficult for them as any they have faced - Sister Reeves was in the hospital for major surgery and Brother Reeves undertook and completed the expansion program for 1966.

Surely every person who loves and appreciates our Youth Camp loves and appreciates this dedicated couple who have given of themselves to help make our Youth Camp an instrument God has blessed and used to win the lost to Him and strengthen His children.

So, A GREAT BIG THANKS to Brother and Sister Reeves - we proudly name and recognize you as "MR. & MRS. YOUTH CAMP FOR 1966."

BERKELEY PRE-TEEN CAMPERS

The picture above is the group from the Berkeley Free Will Baptist Church that attended the Pre-Teen Youth Camp Session. There were 34 Pre-Teens and three sponsors. The bus drivers are also included in this picture. This is the largest pre-teen group that has attended from the Berkeley Church. As is evident from the picture the young people are anticipating with much enthusiasm the week at Camp.

I am thankful that I was able to attend Youth Camp this year. I have gone the past two years and I hope to go next year. One of the things I enjoy most is the Christian fellowship. I wish that all children would have the chance to go.

The Christian's Great Expectation

I Thess. 4:13-5:6

By R. B. Spurgeon

"But ye, brethren, are not in darkness, that that day should overtake you as a thief.

Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.

Therefore let us not sleep, as do others; but let us watch and be sober."

We live in a world of great expectations today. Through the mediums of communication we have seen and heard the orbiting of man around the world, and we expect to land a man on the moon by the end of this decade. We are constantly bargained on every side by that which we can expect to happen in the fields of transportation, medicine, science, etc.

What a tragedy that so little is known about the greatest expectation of the Christian, the second coming of Christ! Misconceptions are rampant concerning His coming because of an ignorance and lack of Biblical teaching. Because of wild tangents that some have enlarged upon in regard to this greatest event of all, there has become a dearth of preaching on this great event. In truth, I am afraid that many Christians go for weeks at a time without ever really thinking about the fact that Christ may return today. In view of this I feel strangely compelled to speak to you concerning three things on Christ's coming again: The fact of His coming, the manner of His coming, and the indicators of His coming.

Many today have discarded, as obso-

lete, the theory that Christ will literally come again. Perhaps some of the most surprised people at His second coming will be many religious leaders. If Christ come not again, then He is the greatest liar of all, for He told His disciples, "I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also."

At the time of His ascension, when Christ had given His apostles their final commission, as the cloud received Him out of their sight two men in white apparel said to them, "Why stand ye gazing here, ye men of Galilee; this same Jesus shall come again in like manner as ye have seen Him go".

After the day of Pentecost there are over 150 references to the fact of the literal return of the Lord.

We who loudly boast of our belief in the authority and the infallibility of the Word of God would do well to allow this important truth become our motivating factor of life in an age that is characterized by grasping after those things which appeal to the five senses of life.

From the practical side, the second advent is not the mighty spiritual force it should be in the lives of professing Christians because they have lost sight of its imminency. We cannot live just any kind of life, nor remain indifferent regarding the need and the peril of lost souls around us if our hearts are truly gripped by the fact that Christ may come today.

As Jesus' going away was personal, so shall His coming back be personal. In the text of the sermon we have heard the words, "The Lord" will return. In the parable of the absent householder in Mark 13, the householder HIMSELF returned to bring into account his servants. In the parable of the talents the Lord HIMSELF returned to ask for an accounting from his servants.

When a relative goes away, we say,

"Come again soon". One day they come back to your home. You don't just imagine it; you don't just feel it - they come in person.

Jesus said, "I am coming again". His coming will be sudden. "For as the lightening cometh out of the east and shineth even unto the west, so shall also the coming of the Son of man be".

I Thessalonians 4 portrays His coming as that of an avenging king leading his army with sudden descent into the enemy's unprepared camp, to rescue those who are his. A day of joy and liberation to his own; a day of tragedy and travail to his enemy.

Thought about the advent of Christ in glory immediately turns one's attention to the times and signs involved, and the question comes, "Is the day of the Lord foreknown?" The answer to this is that by unbelievers it cannot be known. Such are in darkness. For them, the day of the Lord will be unexpected.

I Thess. 5:2 "For yourselves know perfectly that the day of the Lord so cometh as a thief in the night."

II Peter 3:10 "But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up."

Rev. 16:15 "Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame."

Unbelievers shall be caught off-guard and unprepared, just as the wicked steward was unprepared for his master's coming and as the foolish virgins were unprepared for the coming of the bridegroom.

Not only to unbelievers unexpectedly but also suddenly, for "when they shall say, Peace and safety; then sudden destruction cometh upon them..." I Thess. 5:3.

A false sense of security will be drawn by ungodly men from world organizations, defense organizations, and international covenants. Those who put their trust in these are described as the children of darkness. They are those who seek pleasure, wealth, power, indulgence, and satisfaction from the things that come from earthly security. They will be among those whom Peter referred to as mockers: "...all things continue as they are...". They are those whom Jesus described as "...eating and drinking, marrying and giving in marriage...". They will be like the people of Sodom in the days of Lot. The coming of the Lord shall come catastrophically and finally. I Thess. 5:3 "...then sudden destruction cometh upon them, as travail upon a woman with child...".

However, the situation for the believer is not to be the same. As is indicated in the text of the sermon, he is not to be ignorant of the time. Christ tells us that His return will be marked by certain signs but the exact hour and date are unknown by any man. But there is a definite scriptural teaching that the believer is to be aware of the era of time in which the Lord shall return.

Just as the scribes and Pharisees, through close scriptural study, could have known the era of time in which Christ was to come the first time, so is the church today to be aware of the signs that are indicators of the second coming of Christ. Jesus Himself said that when certain things begin to happen, lift up your eyes, for your redemption draweth nigh. We are not to live in darkness. On the contrary, we are to be looking for His coming. **THIS IS THE MARK OF A TRUE BELIEVER.** We must take seriously the biblical teaching and promise of the Lord for we are told, "the grace of God that bringeth salvation hath appeared to all men, teaching us that denying ungodliness and worldly lusts, we should live soberly, righteously, and godly in this present world; looking for that blessed hope, and the glorious appearing of the great God and our Saviour, Jesus Christ."

The writer of Hebrews says, "...unto them that look for Him shall He appear the second time without sin unto salvation". As signs of His coming are fulfilled about us, believers are to lift up their eyes. What do we see? Do we see world evangelization? Do we see the return of Israel? Do we see the building up of the Russian confederacy? Do we see the apostasy from biblical Christianity? Do we see indulgence in sex, immorality? Do we see an increase in travel and knowledge? Do we see the conquering of the universe by atomic power?

If so, let us note that these things

point to the near-coming of the Lord. Paul encourages and exhorts us to be alert. Phillips translates it, "We men of the daylight should be alert, with faith and love as our breastplate, and the hope of our salvation as our helmet".

It is an abnormality for Christians who are looking for the coming of Christ to be walking in carnality as the world walks in darkness and in sin. The attribute of a believer is that he is awake, that he is watching, that he is living with radiant joy and expectation of the greatest event in the history of the world.

NEW MISSION GOES FORWARD FOR THE LORD

The Mission in O'Fallon, Missouri reports that the Lord is blessing in a great way. On Sunday, June 19th, the Lord saved two young people and then on June 26 they had the largest attendance since the mission began, with 16 present. They are hoping to start building a new building in the near future. Pray for this work that it may grow. This area is in need of this Bible Believing group of people. If anyone has relatives or friends living in this area, please let this group of people know. You may write to Rev. Lloyd Durbin, Mine La Motte, Mo.

CHURCH SEES A GOOD GROWTH

The First Free Will Baptist Church of Fredericktown, Missouri broke all previous June Sunday School records when they averaged 165 for that month. They also report a good revival with Rev. A.L. McFarland as the evangelist. They had 33 rededications and five conversions.

A CHRISTIAN'S GROWTH TO MATURITY

When a person is under conviction and finally makes his way to the altar, he is not a mature Christian when he leaves the church.

We grow in our Christian life just as a child grows into adult life - a little at a time. Each person's growth to maturity is different.

We grow in our Christian life through the study of God's word, our prayer life, and our living and labouring for God.

Proverbs 15:28 reads: The heart of the righteous studieth to answer; but the mouth of the wicked poureth out evil things.

There are many doctrines and false teachings in the world today, therefore we must continue to study God's word and be well grounded in it.

Satan never gives up, he is always trying to discourage us anyway he can. If we will turn to God, we can overcome Satan.

John 4:24 tells us "God is a Spirit: and they that worship him must worship him in spirit and in truth."

We must be faithful in our prayer life. If we would only trust God with our small problems, we might eliminate the big problems. We think, "Well, I can solve this by myself" and it continues to grow. God is always ready to help and we know He answers prayers. Sometimes it might not be what we want, but it is always for our best.

Romans 12:1 reads: I beseech you therefore, brethren by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

We must give our life to God. God gave each of us a talent and we should put that talent to work for God.

GOOD NEWS CAMPAIGN

IMPLEMENTS CHRIST'S COMMISSION

The greatest need in America today is for the evangelical Christian message to permeate the fiber of our national life. This could come only through a unified cooperative effort of many Christians. Since this penetration is so desperately needed, the National Sunday School Association is pleased to recommend this united enlargement effort to take the GOOD NEWS to every community in America.

This material was prepared by Hollis L. Green under the auspices of the Denominational Sunday School Secretaries' Commission and is presented as a cooperative project of many evangelical denominations. We believe that this cooperation will provide quality materials at lower cost and will help to unify our evangelical outreach.

SSD *SUNDAY SCHOOL DEPARTMENT*
NATIONAL ASSOCIATION OF FREE WILL BAPTISTS

Dear Sunday School Enthusiast:

This has been no ordinary year. It has been a year thus far filled with news; much of it being bad. Why does bad news travel so fast? Is it because it has so many carriers? It could be!

Truth seems so slow in getting about. Have you ever wondered why? Is it because those who have it fail to carry it to others with the same fervor they carry bad news? It could be!

The Good News that Jesus saves needs to be shared in your community. You have the prospects; we have the material to help you catch their eye and win their ear and ultimately their heart. Do you believe that your cooperation with us in the Fall Enlargement Campaign could help you win some to Jesus? It could be! Let's try and see. Our working together in dependence on the Holy Spirit can get the job done.

Here's the pitch. The campaign is designed to enlarge your borders and lengthen your stakes. It's strictly a Scriptural plan to bring them in. It involves some planning on your part, a lot of prayer, plenty of promotion and follow-up; but it will pay rich dividends if you will really "get with it".

Sunday schools across the denomination are being grouped in the following divisions.

- Division A --- Sunday schools averaging over 300
- Division B --- Sunday schools averaging 200-299
- Division C --- Sunday schools averaging 150-199
- Division D --- Sunday schools averaging 100-149
- Division E --- Sunday schools averaging 50-99
- Division F --- Sunday schools averaging 49 and under

The enclosed "Good News Planning Guide" contains complete

instructions for the fall enlargement effort. Materials listed on the attached order blank are available through the Free Will Baptist Sunday School Department.

The enlargement emphasis will begin on Sunday, October 2, and continue for five weeks through Sunday, October 30. The Sunday schools in each division showing the greatest percentage of gain over the thirteen week average attendance for April-May-June this year will be declared winners and awarded appropriate trophies denoting first or second place.

The size of your Sunday school does not hinder you from winning in your division. Would you like to be a winner for Jesus? You could be, you know.

Fill out the order blank. It must total at least \$5.00 worth of promotional material in order for your Sunday school to qualify. Complete the entry blank and get your Sunday school in the running.*

ON YOUR MARK!

GET SET!

GO!

We shall be praying for your success.

Sincerely in Christ,

FREE WILL BAPTIST SUNDAY SCHOOL DEPARTMENT

We must show love toward one another as Christ did toward us.

All Christians everywhere are members of the same body - and when one suffers we all suffer. We need to unite and work as one for Christ.

Ecclesiastes 12:13 Let us hear the conclusion of the whole matter: Fear

God, and keep his commandments: for this is the whole duty of man.

The word duty means rightful obligation. Each of us realize we are obligated to God. He created all things. But did He have to send His only son for our Saviour? How many of you parents would give one of your children for a lost world? Man had rejected God many times, yet He

never turned away from man.

I wonder if we shouldn't look at things we do for God as a privilege and not as our duty. We owe everything we have to God and we should let Him know just how thankful we are.

REGAN TO SPEAK AT SUNDAY SCHOOL-CTS CONVENTION

"Why should I go to church? If I want to know the Bible, I'll read it, not go to church. Churches don't teach what's in the Bible, anyway."

This was the answer a non-churchgoer of my acquaintance gave when asked how he happens to know the Bible so well but doesn't attend church. I would grant the truth of his first assertion - one can learn the Bible without going to church; I would further grant the truth that he implies, namely, that it is important that everyone read the Bible well enough to know it.

Now, what about his final statement that churches don't really teach what's in the Bible anyway? Most of us, I suspect, would get just a little riled and say it isn't so! But I'm not so sure. How well do you know the Bible? How well do the high school students in your church really know the Bible? Did the young people who graduated a year or so ago know it well enough to remain faithful to their commitment to God? Do all of the people who grew up in our churches still attend, or did they decide that church didn't really have anything important to teach after all? Thousands of young people, reared in the church and in Christian families, know very little about what the Bible has to say on specific subjects and very seldom turn to it to find an answer to the demands of everyday living.

Our CTS program is designed to remedy this deficiency, not only among our young members, but among our old ones as well. One of the highlights of our church year in Missouri is the State Association, which meets this year in Lebanon. The very first program (August 22, 7:30 p.m. DST) is sponsored by the State Sunday School and Church Training Service Board; that program is our annual Sunday School and CTS Convention.

The convention program, limited this year to the single session on Monday evening, will include the usual fine songs, choruses, and presentation of awards.

The real attraction of the convention, however, will be the Rev. Nelson Reagan of St. Louis. I've heard him, and I think he's terrific! I'm not going to tell you what he does (frankly, I'm not just certain

what name to give it), but I can warn you not to miss it. I think you'll say Nelson Reagan gives the most impressive, highly original presentation of a Christian subject you've ever seen - or heard. You come on out and see him, hear?

This could be the beginning of a new emphasis in your life and in the life of your church. Let's begin to learn - and to teach - what the Bible really says. Nothing else is important enough to take all that time we spend at church.
