Ready for His Call

(The following is a testimony printed in "African Breezes," the newsletter from our missionaries in the Ivory Coast.)

My name is Dibe Emmanuel Kambou. I was born in Ondefidouo near the village of Bouna. When I was seven years old, I entered school. In 1981 my older brother, Jerome, returned from school for the vacation. When he arrived, he presented the gospel to us. Since my father was a witchdoctor, we made fun of Jerome. After awhile, I began to feel remorse. I knew I was a sinner so I invited the Lord to come into my heart.

I spent four years of Junior High at Bouna and, after the exams, I was admitted and orientated into High School at Bondoukou. I am in my second year here at Bondoukou. The life of a student first of all depends on the situation of your family. If your parents are well off, you will not have any problems. In the other case, you will suffer, especially if you have lost your parents, which is my case. The Lord said that He would not leave us as orphans and this is true in the sense that here at Bondoukou God has given me a parent and it is with him that I live. He assures me of housing and food, but my brothers pay for my school supplies. During the vacations, I help them in their fields.

In my free time, I take the opportunity to speak to my neighbors of the gospel. Evangelization is a necessary task for every Christian. Each day I ask God to direct my path, my words, and my actions so that everything that I do would be for His glory. A piece of isolated charcoal loses its fire. For this reason, I try to be at every church and youth meeting. For my future, I do not know what the Lord has reserved for me, but I will always be ready for His call.

A Taste of Culture Shock

Have you ever traveled and been unfamiliar with the language in country? Just asking what time it is can be a monumental task

Now imagine what missionaries experience abroad. They are not asking such simple things as time and directions but explaining the Word of God in another language in a culture that, no matter how much study, will never be

The Ladies Auxiliary at the Monett Free Will Baptist Church experienced a taste of this "culture shock" during their December meeting when guest speaker Melisa Thomas, who grew up in the Monett church, spoke about her experiences teaching English in Japan.

Dressed in a "yukatta" style of kimono, Miss Thomas began by addressing the group in Japanese as an example of the common form of "language immersion" teaching. Only the language being taught is used, and the student must "sink or swim" -- an exhausting, but effective, way to learn.

This was followed by a classroom ballgame in which one "student" asked "o-genki desu ka?" (How are you?) and tossed the ball to an unsuspecting "student" who responded with "Hai, genki desu. Arrigato" (Yes, I'm fine. Thank you). "Genki" is an important cultural word because it also connotes health, cheer, and readiness -- key characteristics for a missionary -- or any Christian. in fact.

Members were then invited to ask Miss Thomas about her experiences and impressions during her 15 month stay in Hamamatsu, Japan. She emphasized that stereotypes were usually incorrect. Asian people most certainly do not look all alike. Not everyone learns karate or flower arranging. Kimonos are usually for formal occasions.

"However, the most important thing I learned," said Miss Thomas, "was not about differences, but similarities. People there have the same general concerns that we do. They care for their families, eat dinner, have fun -- they just carry out the action differently -- and in another language than we do."

As the presentation concluded, missionaries were appreciated anew as members reflected on the linguistic and cultural barriers missionaries face -- and take down for Christ.

A Tribute to Rev. Harry Beatty

"Today I'm going to give a hallelujah report . . . "

From October 1961 until June 1975, Missouri Free Will Baptists heard those words from Missouri Promotional Secretary Harry Beatty. Not many folks could take a dry statistical report and make it "preach," but Brother Harry Beatty's lively, enthusiastic accounting of the state cooperative plan has brought many a quarterly meeting and state association alive.

Brother Beatty's ministry began in the Thayer, Missouri, area when he was saved at age 19 and called to preach the same night. His first three pastorates were at Rose Hill, Cane Hill, and Pleasant Hill Free Will Baptist Churches. He pastored the Myrtle Free Will Baptist Church two different times for a total of

Brother Beatty always had a missionary heart. Two of his pastorates were new works that he organized. They are Garfield and Thayer. He also pastored Norman, Royal Oaks, Walnut Grove, Clifton, Fredericktown, and two Oklahoma churches: Drumright and Bartlesville.

He counted the summer of 1944 as one of the highlights of his ministry. That summer he helped conduct three revival meetings and saw a total of 100 conversions. Only God knows for sure how many souls have been born again, how many backsliders have been reclaimed, and how many Christians have been encouraged to keep living for the Lord because of Brother Beatty's life; but surely the devil has suffered many a bruise because of the life of this man of God.

It was October 1961, when Brother Beatty became the promotional secretary of the Missouri State Association of Free Will Baptists. He was the first man to be elected to that office. During his years in that position, Missouri led all the other states in national cooperative giving most of the time.

On February 27, 1994, Brother Beatty went home to give his final hallelujah report at the throne of God. Surely he is praising the Lord He loved with many of those he pointed to Christ.

A memorial service was held for Brother Beatty on March 2, 1994, at the Carter Funeral Home in West Plains, Missouri. Rev Glen Murray, pastor of the United Free Will Baptist Church of West Plains, officiated. Brother Murray said that when he thought of Brother Beatty, he thought of a soldier, and truly Brother Beatty was a soldier of the cross.

Harry Howard Beatty, son of the late Robert George Beatty and Dulcena Bonepart Young Beatty, was born August 16, 1911, in Oregon County, Missouri, and died February 27, 1994, in Owasso, Oklahoma, at the age of 82 years, 6 months, and 11 days.

He was united in marriage June 17, 1934, at Alton, Missouri, to Lucille Harrison who preceded him in death October 30, 1990.

He is survived by two children, Kenneth Beatty, Tulsa, Oklahoma, and Gordan Beatty, Springfield, Virginia; eight grandchildren; thirteen great-grandchildren; one great-grandchild; and one brother, Harold Dunsmore, Springfield, Missouri.

Missouri Free Will Baptists were blessed by the life and ministry of Rev. Harry Beatty. He loved the Lord and the Free Will Baptist denomination and gave his best to both.

New Pastor at Licking

The first of February saw the New Life Free Will Baptist Church in Licking welcome Rev. Mark Williford as their new pastor. His first Sunday had 112 in attendance for the morning worship service with an offering over \$1,600.

In 1985, Rev. Williford earned his Bachelor of Arts degree from Free Will Baptist Bible College in Nashville, Tennessee. He has served as Youth and Music Minister

at churches in Georgia and South Carolina as well as Interim Pastor at the First Free Will Baptist Church in Brunswick, Georgia. His most recent ministry was at the Maranatha Christian School where he taught Bible, science, and history. He has taught for the last four-and-a-half years.

He and his wife, the former Ginny Reeves of Flat River, Missouri, have two boys: Robbie, age 4, and Jaron, 21 months.

Please pray for the Willifords as they minister in Licking.

Ozark Mission News

Missionary Pastor Gary Mitchener reports that the Lord continues to bless the Ozark mission with new families and a steady growth. The Mitcheners desire prayer that the Lord will make them a blessing to those that they endeavor to tell about Him. They have a special need for Sunday School tables and chairs. If anyone would like to give money to help them meet this need, the gift can be sent to the State Office and designated "Ozark Work for Tables and Chairs."

SCA Leadership Conference & Youth Rally

Approximately 150 Free Will Baptists assembled for worship on Saturday morning, February 19, at the Sixth Annual South Central Association Leadership Conference at the Oak Hill Free Will Baptist Church in St. Clair, Missouri. Participants enjoyed the music ministry of the New Life Singers from Hillsdale Free Will Baptist College and were blessed by two messages on "Strong Families, Strong Churches, Strong Challenges" brought by Rev. Jim Shepherd, president of Hillsdale.

A noon fellowship meal was enjoyed, followed by more special singing by New Life, then a brief business session. Seven churches of the association gave a combined gift of \$2,414.35 to the college for the annual "Have a Heart for Hillsdale" campaign.

Delegates approved the recommended ordination of Mike Krampf and also gave approval to two scholarships to be presented to students currently enrolled in the Missouri Monitored External Studies program which is being conducted under the oversight of the Christian Education Board in association with Hillsdale at the Cuba Free Will Baptist Church.

Later the same evening, approximately 170 people attended the SCA Teen Youth Rally at Cuba. The rally was well-attended by youth groups from several churches who enjoyed the ministry of the DeSoto Youth Choir as well as singing and skits presented by New Life from Hillsdale. Following the services, the youth enjoyed a time of fellowship and refreshments.

An Expression of God's Love by Rev. Keith Garrison

The Lord has truly performed a miracle in the life of Sister Ruth Courtney. Sister Courtney, wife of First Free Will Baptist Church in Springfield's pastor Max Courtney, had a reaction to some medication on January 6th of this year and began suffering asthmatic complications. Rev. Courtney began rushing her to the hospital when, halfway there, her heart and breathing stopped. Calling for an ambulance from a cellular car phone, Rev. Courtney administered CPR until the ambulance arrived. Her breathing and heartbeat could not be regained as she was rushed to St. John's Hospital in Springfield. By the hand of God, a pulse was found after nearly twenty minutes. This miraculous recovery was an inspiration to medics, doctors, and Christians alike. Tests showed no damage to any vital organs; God had truly held her in His arms of safety. Hospitalized for eight days with no major health insurance, Sister Ruth's hospital costs have totaled over \$20,000!

Ruth Courtney

On March 6, 1994, the First Free Will Baptist Church in Springfield held a love benefit for Sister Ruth. An all-day service was held with the evening service dismissed. Rev. Courtney brought a tremendous message in the morning service then dismissed everyone to the fellowship hall for dinner. Members of other churches were on hand to enjoy the good fellowship and delicious food prepared by the ladies of the church. After dinner, Brother Kenneth Larimore welcomed each one, then introduced the Keith Family from the Wolf Creek Free Will Baptist Church. The Sonshine Gospel Singers from Wichita, Kansas, also sang, and the Lord truly blessed hearts with the songs of praise and mercy. An offering was taken for Sister Ruth's medical expenses and totaled over \$4,600. At the end of the service, Rev. Keith Garrison gave an altar call. People came forward to the altars. The service was dismissed with a prayer of thanksgiving offered by Rev. Seth Draper.

We praise God for saving Sister Ruth's life. It was the touch of the Master's hand that healed her and our hearts rejoice. (EDITOR'S NOTE: If you would like to send a love offering to help the Courtneys with this hospital bill, you may send donations to the State Office and earmark them Courtneys.)

Book of Remembrance

For 32 years, Dr. Reeds has carried the mantle of responsibility for our Free Will Baptist Sunday School Department, making tremendous strides in the ministry of publishing Free Will Baptist literature. In 1962, the department consisted of little more than a desk and chair. Today, Randall House Publications' ministry is international.

Over the last 32 years, Dr. Reeds has been a blessing to untold thousands of Free Will Baptists through the printed page and through personal ministry. In honor of his great labor of love for our denomination, we would like to create a Book of Remembrance for presentation to him upon his retirement. In order to make this a successful venture we need your help.

If you have been blessed through his ministry, would you write him a personal letter telling him about the blessing? Or, you may want to write about a personal experience you two shared.

Your letter will be included in a special Book of Remembrance that will be presented April 26, 1994. Please send your letter to the following address:

> Carolyn Lane Randall House Publications P.O. Box 17306 Nashville, TN 37217

Fix it Before it Breaks by Rev. Jerry Norris

All my life I have heard the statement, "If it ain't broke, don't fix it." I have sincerely used that statement. If something is going along all right, just leave it alone. As long as it does well, don't tamper with it. It is only recently that I have come to realize the folly of such a statement. I don't know whether we realize it or not, but every company that does well fixes it BEFORE it breaks. If you wait until it breaks, you have waited too long. In the business world, we can site IBM. IBM was long the dominant force in its field. "Big Blue" feared no one; everyone feared them. However, last year, we saw IBM take a nosedive. They began downsizing for the first time. They cut their dividend for the first time. Their stock tumbled from over 100 to under 50. It was not a pleasant experience for this mighty company, but they waited until it was broken to fix it.

What am I saying? We must improve something, even when it is doing well. It might do our churches well to have a "research and development department" in order to continually improve Sunday School, music program, Shepherd ministry, Master's Men, Woman's Auxiliary, Senior Adult program, and youth ministry. Let's don't wait until it's broken, and then try to fix it. Let's keep improving it to the point where it won't ever get broken!

I think one of the present and future trends is QUALITY. I do not believe future generations will be as forgiving for shoddy workmanship as the past generations. This whole concept is illustrated in our U.S. automobile industry. In the fifties and sixties, "Made in America" meant quality, while "Made in Japan" meant cheap junk. However, in the fifties an American named W. Edwards Deming went to Japan to sell his Total Quality philosophy. Why did he go to Japan? Because America wouldn't listen to him. Remember, "If it ain't broke, don't fix it." The auto industry in America was the best in the world. It didn't need fixing. But it was broke in Japan, and they listened to Deming. We saw what happened in the seventies and early eighties. Our American auto industry was drowning in red ink. Japan became the world leader in the auto industry. Why? Because they embraced Deming's "Total Quality" concepts. To this day they give an annual "Deming Prize." Their automobiles outperformed ours by incredible margins. America tried to explain it away, but the bottom line was Japan was building better automobiles than we were! When this finally dawned on us, we began to emphasize Total Quality. The result? Today, America is selling cars to the Japanese. We have once again become a leader in the industry. What put us there? QUALITY!

But we are involved in a far more important business than making computers or automobiles; we are in the business of reaching and teaching men and women for the Master.

I do not believe that a church can reach this current generation with shoddy workmanship. I believe when people come to our churches they want to see good and clean facilities, a clean and well-staffed nursery, well-prepared teachers, well-prepared sermon, well-presented music, good programming, etc. You get the idea? We may not be able to do all the great programs that many churches do, but we must do what we do well! That is difficult for those of my age niche and older to comprehend. We see church the way we have always seen church, but I think we must see church through the eyes of the people whom we are trying to reach.

Many people make their decisions to return to church before they even park their car in the church parking lot. Directional signs, parking facilities, landscaping, the outward condition of the buildings, all play a significant role in whether or not they will return.

I read a phrase the other day that has stayed in my mind --"continuous improvement." It doesn't have to be tremendous improvements as long as it is gradual and continual. I believe that is what we must always be doing if we are to be successful in building a church that will glorify God.

Musings of a Country Preacher

Attendance at worship last Sunday was a mite poorly. I don't reckon I ought to grumble, because I had a bunch of sick members; and when you add to that all of my shut-ins, we don't have a site of pew fillers. So, I went ahead and preached to what I had. Only thing was the echo in the near empty church building hurt my ears.

My wife said I needed to get out, ride awhile, and let the fresh air clear my head. It made me feel real good inside. What I saw made me rejoice; I saw miracle after miracle!

Old Hezekiah who had been deathly sick that morning was roused up and riding down the highway with his fishing poles. Nothing but a miracle could have rescued Hezekiah from the jaws of death in such a short time.

Now there's Rufe's brother. Rufe told me Sunday morning his brother's back was in such foul shape they were afraid that an operation was gonna be necessary. Well, we remembered him in our prayer, and lo and behold at two o'clock there he was at the driving range hitting golf balls. If that wasn't a quick recovery, then I don't know what is.

All told, about 20 of my sick folks had roused up and was taking nourishment in some form or other. But what made me really happy was to see so many of my shut-ins out riding around and enjoying the world.

Hezekiah's pa, who don't attend worship "cause he can't stand crowds," was headed for the baseball game. Sister Nell's mama, who can't come on account of her kidneys, stood in line for two hours to get into the picture show. Yes sir, it sure thrilled my heart to see what I saw!

I ought to have a packed house next Sunday with all my sick folks being healed and my shut-ins set free. I just hope they don't overdo themselves and have a relapse before next Sunday.

I gotta go now and play with my smallest young'un. He is gonna be a farmer, and I'm gonna be the goat. Tin cans will be easy to eat after what I have swallowed!
