Dell Upton having paid twenty-five dollars, was enrolled as a life member. Business of General Conference resumed. Journal of yesterday read and approved. Roll call showed nearly all the members present. Eld. J. N. Booth was introduced as a visiting brother from the Baptist denomination and in response made a few very felicitous and fraternal remarks. Adopted the report of the committee on the ministry as follows: As the success and progress of the denomination depends largely on the efforts of the ministry, we recommend that every young man who gives satisfactory evidence that he is called of God to preach the Gospel, be encouraged by offering him help to educate himself for the work and when prepared to sustain him in the field.

That we be careful not to recommend any one who does not sustain a good moral character.

We advise all our ministers to refrain from the use of tobacco and our churches to refuse license to young men addicted to the habit.

We request our Theological Seminaries to receive no one, as a ministerial student, who is in the habit of smoking cigarettes.

Correspondence Adopted—We recommend, in the interest of Christian unity, that our denomination correspond with the Church of God, Church of Christ, Southern Baptist Convention and American Baptist Union.

Printing Establishment Adopted—We urge the increase of the use of our own literature, this includes our paper, THE FREE WILL BAPTIST, and all our publications issued by and for our denomination as our hymn book, Sunday School quarterlies etc.

Afternoon Session.

Prayer meeting conducted by Eld. J. N. Booth. Adopted report of committees as follows:

EDUCATION.—We recommend that the Triennial General Conference adopt some means, or plans, by which the Free Will Baptist Theological Seminary, at Ayden, N. C. can be endowed. That the Conference now in session in Nashville, Tenn., appoint one or more agents to carry out the plan it may adopt and raise the aforesaid endowment. We recommend that each Association, Yearly Meeting or Conference send their young ministers to Ayden and insist that the Elders in charge of churches preach annually a sermon on Education and take a collection for the support of ministerial students and send the amount realized to the Treas. of Education Society, Ayden, N. C. Popery, Roman Catholic and other Episcopal sects, are the greatest enemies of protestant Christianity and no possible effort should be spared to warn the people against prelacy and idolatry. As the Bible is our rule of faith and practice, we should labor more assiduously to place this blessed Book in the hands of every person in the world, and make great sacrifices to bring, by love and kindness as our blessed Savior did, them to understand the Word of God, and with Christ's help lead them from darkness, that they may rejoice in the gospel light through his infinite grace.

SABBATH SCHOOLS.—Whereas, Sunday Schools are in-

dispensable factors in successfully training the young, the hope of our country, our states and the church.

Therefore, resolved, that our ministers ought to use every possible effort to establish and maintain Sunday Schools in their respective churches and that evangelists should do the same wherever they go. That our schools should use our own literature, which is second to none. We insist on the schools selecting teachers from our own ranks as far as practicable.

TEMPERANCE.—Resolved that as Christian men and women, we cannot tolerate whiskey or strong drink in any form. We, in common, with all Christian denominations, apprized of the baneful effects of the liquor traffic, on the citizens of our country, morally, intellectually and financially, oppose the traffic in all its numerous forms and recommend total abstinence for the individual and the entire suppression of the traffic for the good of our country.

RIO GRANDE COLLEGE.—We appoint Eld. Thomas E. Peden, D. D., a committee of one to employ counsel and test in the courts the eligibility of the acting trustees of Rio Grande College, located in Gallia Co., Ohio, and we will sustain him in the effort. Resolved, that we instruct our secretary to draw on the treasury for money, as it may be provided, to pay for the printing of the minutes and defray the expenses of the suit for control of Rio Grande College. The entire amount not to exceed one thousand dollars (\$1,000.)

We recommend both Home and Foreign Missions and that a General Financial Secretary be elected who

shall give his whole time to planning and raising funds for the mission cause and pay all money coming into his hands to the Treasurer of the Mission Board. That this Conference fix his salary and pay the same, including his expenses out of the Treasury. We request each minister to preach four sermons a year on missions and co-operate with the Secretary in raising money for the good of our cause. That the Secretary make a monthly report to the Board and that it be published in the FREE WILL BAPTIST. We request each Sabbath School to take a mission collection the first Sunday of each month and promptly send the amount collected to Eld. Redding I. Corbett, Treasurer, Ayden, N. C. We advise the Foreign Mission Board to aid Eld. M. R. Allen, Foreign Missionary elect, in completing his education and preparing himself for, as we believe, his divinely called work.

FREE WILL BAPTIST THEOLOGICAL SEMINARY.—Resolved, that we elect Eld. Dell Upton, D. D., Financial Evangelist and general agent for the Theological Seminary at Ayden, N. C. That his duties shall be to travel through our denomination, present the general interests of our church to the people and raise funds for their support. Resolved that fifty per cent of the money collected by him, within his term of office, shall go to the endowment of the aforesaid Seminary and the remaining fifty per cent to the Executive Committee of the General Conference, to be used for Missions and the general interest of the church. He shall receive such compensation for his services as he and the Executive Committee may agree upon.

We hereby tender the members and friends of Cofer's Chapel Free Will Baptist church, Nashville, Tenn., our sincere thanks for their kindness and unbounded hospitality to the delegates and visitors of this session of conference.

City Work—We urge our brethren to plant missions in every city and pay particular attention to the unchurched masses who are seldom, or never, found in the house of God. We advise them to observe the same discipline and point out sin, especially carnal amusements, as plainly as in our country churches. We ask our members moving into cities to remain true to their principles and denomination, open their doors for cottage prayer meetings and aid in every possible way in securing the organization of a Free Will Baptist church and securing a site and erecting a suitable church edifice at the earliest time possible.

Publications—The FREE WILL BAPTIST should be taken, promptly paid for and read by every family con-

nected with our churches and it is the duty of each pastor to see that it does reach each family of his congregation.

2 O'clock, P. M.

After the usual half hours prayer service, passed the following resolutions:

North Dakota University—We continue to recommend North Dakota University and hope it will soon have grounds and buildings of its own in the city of Bismark.

Peace—We rejoice in the progress the principles of peace, have made within the past two centuries, that prisoners of war, are treated with more humanity and the rights of non combatants more fully respected than in former times. We favor referring all disputes between nations to the Hague Tribunal and abiding by its decision, thus avoiding war and bloodshed. We believe when the mission is fully accomplished that war, funds, neighborhood and family broils, will entirely cease and peace on earth and good will to man will universally prevail.

A large number participated, although all felt sad in view of the fact that in a few hours we would separate and many never meet again, but in hopes a majority would grasp each others hands in the General Conference of 1910, and all finally meet around the Great White Throne to glorify God forever and ever. Remarks by the Clerk.

The denomination has made wonderful advancement within the past three years, union, harmony, love and a disposition to work has prevailed.

In a few localities especially, in Ohio and W. Va., the Seceders tried to hinder revival work and keep souls from coming to Christ but God's Spirit was more powerful than their opposition and the efforts were crowned with glorious results. Some of the delegates on Thursday, the last day of conference, visited the Hermitage, the former home of General Andrew Jackson, and were kindly given a good dinner, at the Soldiers' Home, about a mile from it. A prayer service was held in the little brick Presbyterian church in which Pres. Jackson worshipped and to which he belonged. At least one more day should have been given to the work of the conference for many important matters had to be hurried through without sufficient thought, or consideration. We should never try to get through in less than ten days. Some other denominations continue a whole month and then find some things not sufficiently matured. The weather, with the exception of one day, was very pleasant and agreeable. No better time could have been found.

All should go to work at once for the next General Conference in 1910, and make sure of a full delegation from each Conference, Association and Yearly Meeting in the work.

DELL UPTON, Moderator,
WOODS SPRINGFIELD, AND
J. M. EMMANUEL, Assistants.

THOMAS E. PEDEN, Clerk,
E. POSTON AND E. B. JOYNER, Assistants.
