Service began at 7:00 o'clock with singing led by the Rev. James E. Ursrey, music director for the session. The clerk called the body to order and presided for the evening, the moderator and the assistant moderator being absent.

Motion made and carried to adopt the prepared program, giving the moderator the privilege to make any necessary changes.

The association was given a cordial welcome to Mt. Olive Church and the Chattahoochee Association by Rev. Frank Willis, host pastor, and Rev. J. W. Childree, past moderator of the Chattahoochee Association.

At this time the presiding officer, Rev. S. T. Shutes, recognized those attending from the various districts, asking each group to stand. Then the ministers, deacons, and auxiliary members were also recognized.

The moderator having been called away because of a funeral, his message was postponed until Wednesday morning.

After a song by the congregation, Revs. James Ursrey and Bill Gardner sang a duet: the song, "Face to Face." Prayer led by Rev. Louis H. Moulton.

Rev. Shutes presented Rev. Irvin Hyman who brought the opening message. His subject was, "That We May Know Him," and the text was Philipians 3:10a. It was an informative message.

### WEDNESDAY A. M.

To begin the service the music director led in singing, "Standing on the Promises" and "Higher Ground." After the prayer, the moderator gave his message. He pointed out some of the accomplishments of the State Association during the twenty-five years of her history, naming some of those who had led in the movement.

We were led in our devotional meditations by Rev. Richard H. Sample. He gave some very timely remarks on "A Praying Church," based on Acts 12:5.

## TEMPERANCE COMMITTEE

We, your temperance committee, submit the following as our report and recommend:

1. That we give fresh emphasis to paragraph two of our church covenant which states that we are "to avoid all appearance of evil, to abstain from all sinful amusements and unholy conformity to the world, from all sanction of the use and sale of intoxicating beverages . . . ."

2. That because of the "stepped-up" efforts of Satan in advertising through radio, television, magazines, newspapers, etc., with special appeal to women and young people as pertains to smoking and drinking, we urge our people to step up our insistence on holy living and a separated life.

3. That ministers and church members observe closely their own personal lives in the realm of modest dress, clean conversation, and dedicated Christian character and conduct.

REPORT OF THE GEORGIA STATE MISSION BOARD  
to the  
GEORGIA STATE ASSOCIATION OF FREE WILL BAPTISTS

Inasmuch as a real, noble servant of our Lord's, Brother B. W. Clenny, who served on your mission board for several years, and also had served as chairman for sometime was promoted into the eternal realms of glory on November 26, 1960; we, the members of the said board, acknowledge with a deep feeling of love and devotion the passing of one whom we esteem highly as a brother and fellow-board member.

This year the board was called together for two board meetings. Resulting from the meetings plans were made to continue a forward push with our churches in Atlanta and Tifton, Georgia. Also a committee was appointed to draw up a constitution to govern the work of the mission board.

By mutual agreement of the board and the Atlanta Church, the Rev. Irvin Hyman of Jacksonville, Florida, was secured to succeed the Rev. J. R. Davidson as pastor. Brother Davidson served the church for little more than two years and did an outstanding job, for which we are truly thankful. We feel sure that the church of Atlanta is continuing to move forward by faith. They are now assuming all of their financial responsibility with exception of one hundred dollars per month with a possible twenty-five dollars a month expense account which they receive from the board.

One of the three churches making monthly payment to the board for money loaned to them while in their building program, paid out this year. The one liquidating their indebtedness to the board is the church of West Bainbridge.

This is a brief resume of the activities of this department for this year, with the proposal of the following items to this association for approval.

1. The accepting of the proposed constitution.
2. That the operating and loan account be consolidated into one account.
3. Because of the present need for new churches in new areas of the state, we hereby ask that the association approve a quota of \$3,000,000 which will be a supplement to the funds received through the unified program. The suggested amount for each district is as follows: South Georgia, \$750.00; Chattahoochee, \$350.00; Georgia Union, \$350.00; Little River, \$250.00; Martin, \$250.00; Union, \$300.00; and Midway, \$750.00.

### REPORT OF THE PROMOTIONAL SECRETARY-TREASURER

E. C. Morris

Fourteen years ago, I was asked to assume the task of promoting all the causes being sponsored by the State Association of Free Will Baptists of Georgia on a full-time basis. Eight months before, the late Rev. H. L. Catrett of Colquitt, had been employed by the Executive Board to devote half time to such endeavors. He visited many of the districts and churches over the state and edited a monthly mimeographed periodical. Through these mediums a foundation was carefully laid upon which the promotional efforts were to take permanent form. Upon the resignation of Bro. Catrett, your present promotional secretary was elected to the office and has remained on the job since.

It was readily seen that this was a vast field of pioneering, since Georgia Free Will Baptists were the first to launch such a movement. It was with

much fear and trembling that the approach was made, but with a faltering faith in God and Free Will Baptists, we set our face toward the dim horizon of what was hoped to be a brighter and happier day. It is needless to say, that God has provided grace for every trial and supplied every need. These fourteen years have been happy ones, even though storm clouds have gathered at times, but every cloud had a silver lining and the sun of progress would eventually shine through. As we view the record of these years, encouraging facts are revealing. There have been 31 churches established, and even though some have failed, there are 23 more churches on the list at the present. The total membership has grown from 7,903 to 11,479. All the auxiliaries have made great advancements. The total number of Sunday schools have increased from 59 to 110 with the enrollment more than doubling. The leagues have made astounding improvements numbers gaining from 16 to 74 with an enrollment making more than 300% increase. The woman's auxiliaries growing from 18 to 54. The midweek prayer services have advanced from 19 to 81. Fifteen years ago, there was hardly a full-time church, at least, not one with a full-time pastoral care and at least 85% of the churches were operating on quarter-time basis with a few having half time. The report for this year show only six quarter-time churches and 47 on a full-time schedule. When we consider the stewardship of giving the results have been almost phenomenal. Pastor's salaries have increased from \$19,835.77 to \$126,515.00. During this period, the building boom has surpassed any comparable time in history. The reported value of church property in 1945 was \$152,059.00 and now it stands at \$1,717,366.00. Fourteen years ago there were only two parsonages known in the state with a total value of probably \$6,000.00. Today, there are 18 reported with a combined value of \$163,000 with others under construction or being planned. There has been a mighty surge in giving to the world-wide ministry. The first year of the promotional program all gifts for denominational enterprises amounted to \$2,882.87, this year it probably runs beyond \$30,000.00. Progress has been made along other lines in proportion, but these few items show the trend.

As we leave the office to another, the Lord forbid that we should boast save in the cross. No, the results have been achieved through co-operation and most of all by divine power. As we look to the future, may we continue to co-operate and stand with the one upon whose shoulders may rest the responsibilities of the promotional office and may even greater results be obtained through the leadership of the Holy Spirit.

With a deep sense of appreciation for the privilege granted to serve you these years, I now submit the statistical and financial report for the year.

#### RESOLUTION OF APPRECIATION FOR THE REV. E. C. MORRIS

"He that would be greatest among you, let him be servant," is the Biblical definition of greatness. No man who serves willingly serves out of a desire for fame, but out of a consuming passion to glorify God and advance the Kingdom's work. Such has been the motive that made E. C. Morris the faithful, valuable and effective servant which he has been to the Georgia State Association of Free Will Baptists over the past 14 years.

Bro. Morris has served with an eye single to the glory of God and with a thoroughness and zeal which could come only from a complete yieldedness to God. Never has he sought for self-glory, or for the praise of men. He has served with a spirit of humbleness and understanding that has endeared him to the hearts of us all. He has served faithfully, never shirking any duty or passing over lightly an opportunity; having gone on serving when his physical condition was almost unequal to the task. His faithful wife has stood by his side and accepted his responsibility as hers to share with her husband.

Inasmuch as Bro. Morris is retiring from the office of promotional secretary of the Georgia State Association of Free Will Baptists, we, the executive committee, recommend to this association that we extend to Brother and Sister Morris a standing vote of thanks and appreciation for their many years of loyal and faithful service, and that we also pledge to them our continuing prayers and Christian love.

We further recommend that this resolution become a part of the minutes of the executive committee and this 1961 session of the State Association. Also that it be published in each of our Free Will Baptist periodicals.

The executive committee authorized Rev. D. C. Dodd and Rev. S. T. Shutes to draft this resolution, but the clerk being busy, asked Brother Dodd to write this and he did what we all thought was a wonderful and fitting job. As clerk, I took the liberty to add this so credit would go where it belongs.

Rev. S. T. Shutes, Clerk

## REPORTS

### RESOLUTIONS COMMITTEE

We, the resolutions committee, wish to submit the following report:

That the state study course chairman assist the district study course chairman in planning their workshops, and that all the state officers be encouraged to attend at least one workshop in each district this ensuing year.

2. Whereas greater need has arisen in Brazil for some form of transportation for the Sammy Wilkinsons, who have moved into a smaller town and are forced to walk several miles in their work; and whereas, we feel that since the Wilkinsons are from Georgia, they are our very own; therefore, be it resolved that we adopt as our project for the coming year the "Wheels for Wilkinsons" project and that we raise money to purchase a Volkswagen for use in their work.

3. We suggest that the president appoint a committee for the promotion of this project.

4. That the corresponding secretary mimeograph enough copies of these resolutions for the local auxiliaries and mail to the district corresponding secretaries so that they may get them by December 1.

#### LOAN FUND COMMITTEE

At this time last year there were six loans. Two have been paid in full and two are making payments. At the present time we have one student receiving aid, Miss Inez Hart, who is attending Free Will Baptist Bible College, Nashville, Tennessee. There has been \$124.00 received from the woman's auxiliary for the Dot Harvey Loan Fund this past year.

All applicants for loans are now required to sign a note along with two co-signers who are solvent, as well as recommended from his church and pastor.

As of today, November 14, 1961, there is a balance of \$763.33 in the treasury. We feel that there will be a better understanding between the students wishing a loan and the loan fund committee in the future; therefore, making it more appealing to them what we want to do.
