CAMP BOARD REPORT

1. Websters say a recommendation is an act of Recommending or a favorable introduction and we do hope these will be favorable.

(A) We need two Dormitories and one Recreational Building, and we are planning to have a Junior session and an Intermediate session to see if this won't help our crowded problem.

Our thinking is that we will need the buildings anyway. This will help until we we can get the buildings and also we need more adequate bathroom facilities, in the present buidings. The only help we have is for you to help us get these facilities. We will come to you with some kind of a plan to raise the money for these facilities. We hope you will respond as you have in the past.

(B) Recommendation 2 is that we have a year round Director, elected for 2 year terms by the Camp Board, and that his expense be set up by the Camp Board.

MISSION BOARD REPORT

As we give this report of the Mission Board to you this year, we give it with a "To God Be The Glory, Great Things He Has Done." Although there is gladness, there is also a note of pity because as most of you know, the church in Atlanta was dissolved in January of this year. We are still working and waiting in cooperation with our National Home Mission De-

partment for a new work to be started in Atlanta when the Lord provides the right person to go and also the right time. When the Church disbanded, they sent us (the Mission Board) \$4,883.61 to be put in a savings account to be kept for the Atlanta work, so all is not lost. However, the picture is not all bad. We have met in four meetings this year and as a result, we are assisting and have assisted Churches in three cities in our State. We have seen a new Church in Augusta which we assisted with \$600.00. A new church in Homerville has been started and we are assisting them by supplementing the Pastor's salary with \$200.00 per month, and starting the first of November, we will be assisting the New Church at Warner Robins with \$100.00 per month for 12 months. These constitute three wonderful works for which we praise God.

The Donaldsonville Church is still making small monthly payments on their loan and the Church in Eastman is doing fine and continues to make its monthly payments to the Board regularly.

Georgia State Association
of Free Will Baptist

Greetings:

The power of faith, the hope of heaven and the joy of salvation and service are in the hearts of Missionaries and converts because you have prayed and given to their ministry.

We have 65 Missionaries on the field or already appointed. This includes one Cuban pastor and his family now serving in Panama. There are also 63 children in our missionary family.

Our Free Will Baptist witness is established in Panama, Uruguay, Brazil, Cuba, Japan, India, Ivory Coast, and missionaries have been appointed to Ecuador.

Your giving is indicative of an increasing vision and burden for the regions beyond. In 1962 Georgia Free Will Baptists gave \$9,726.15; in 1963 \$12,810.45; at the end of October you had exceeded your 1964 quota by \$750.00 and have assured your ability to reach your 1965 quota of \$15,750.00. Your giving through October 1964 is \$14,667.13.

Your pastors and people are to be commended for the open doors to missionaries and appointees. You have given your sons and daughters to "Go" as Christ commanded. I would suggest you take time at this convention for special prayer for all of us in our missions family.

J. REFORD WILSON, General Director

EDUCATION BOARD REPORT

The Christian Education Board of Georgia State Association of Free Will Baptists in the past has placed emphasis upon giving financial aid to students to go to the Bible College for the purpose of mainly becoming ministers and missionary workers.

The Board still feels this is a worthy and needed plan, however it is felt that most will agree that the returns for the financial aid given has been very small. The number of ministers in our state having received aid from this plan has been small.

In view of this, the Education Board has charged itself with the duty of trying to draw up a program to present to the people of Georgia, which will better train our people for Christian service in our denomination over the state. In other words we are planning to shift some of our emphasis from financial aid to students to the programs which will train our people throughout the state for better Christian service. We feel there is a need for such programs, and the objective of this board is to present ways to meet these needs.

There is no intention the boards part to eliminate financial aid to students as we feel the need of continuing this service, on a limited basis, but in view of the fact that much of the money loaned out has never been paid back and many apparently have no intentions to pay it back. It is the board's feeling that some of the funds channeled to this board should result in fruitful returns as soon as possible, and for this reason, our channels of hinking have been turned to an educational program to train our people to be better ministers, better teachers and better laymen, thereby serving the Lord in a better and greater way.

We would like to get a plan approved to offer an Extension Study Course program from the Bible College, which would be held at Camp Mt. Bethel during the week from Jan. 11 through Jan. 16, 1965. We plan to offer courses in three fields of study.

1. In fields of practical study or studies. This course consists of sermon preparing, personal witnessing and teaching.

2. Doctrine course. This course would offer study on salvation, trinity or maybe the Free Will Baptist doctrine.

Bible study, study in books of the Bible such as Galatians, Ephesians and so on.

We plan to work out a cost for such courses during this week of study. It would probably cost \$3.00 per person or if a person attending the entire week and took all three, the cost would be \$9.00 per person, plus food. For the program to be a success, we feel there would be a need to have 15 in attendance, although it would be hoped that there would be more for the night course than the day course. The week's study would probably work like this. Two courses would be studied in the morning. The afternoons would be free for study and research and then another course would be studied at night.

We would like to give what we have already found out what we can

offer towards such a program and who can teach these courses.

The week of January 11 through 16 is picked for two reasons. First: this is between semesters at the Bible College and the only time a teacher from the College is available. Two: this is a slow period for revivals and we would hope that many pastors could be able to go for study during the week, also farmers would not be too busy and some might be able to go at that time.

We have contacted Rev. Charles Thigpen of the College and find that Professor Leroy Forlines can come the week of Jan. 11, 1965 and be the instructor. We find that he can teach in fields of practical study, a course on personal evangelism, this course is designed to aid people to do personal work, discussing the problems encountered, along with putting emphasis on the use of certain scriptures in witnessing.

In the field of doctrine, he can teach Free Will Baptist doctrine, a study of the major beliefs of the Free Will Baptists and views of Free Will Baptists. In the field of Bible, he can teach the books of Galatians, with attention given to authorship, historical background of the book and interpretation of the text of the book.

The course on personal evangelism would probably be offered at night since more would probably come at this time.

In working out this course, we will have to work out with the Camp Board, some loopholes, but as previously stated, we feel that with as many as fifteen in attendance for the full week, will be enough to pay the instructor and pay our obligations to the Camp Board.

In the future we also hope to work out a program where we can offer three or four 1/2 day workshops over the state, giving information on vacation Bible Schools.

We hope to work out some program where we can present a 1 day workshop in each association throughout the state, to offer studies for teachers of our Sunday Schools church training service.

We would like to say that these types of Christian Education programs are not new in the Free Will Baptist organization, as other states are offering such programs in Christian Education.

REPORT OF THE PROMOTIONAL SECRETARY

"The Lord hath done great things for us: whereof we are glad."
 (Psalms 126:3) With rejoicing and thanksgiving to God, we give this annual report to the 28th session of the Georgia State Association of the Original Free Will Baptists. Truly the Lord has done great things for us. His blessings will be very evident as this report reflects the accomplishments of the past year. To be sure He is due all the praise, the glory and the honor.

PROMOTION: Your Promotional Secretary has traveled extensively during the past year in the interest of our State Association. Thirty-seven churches were visited with preaching assignments filled. Attended all State meetings. As much as possible I attended the various meetings of each of the district associations. In addition, I attended a meeting for State Promotional Secretaries and Directors of the different departments of the National Association that was held in Nashville, Tenn.; the Christian Camp and Conference Association held in Clinton, S. C. and the National Association which met in Kansas City, Missouri.

Other areas of promotion included itinerates for the Free Will Baptist Bible College, C. T. S. Department, National Executive Department, one Foreign Missionary and one National Home Missionary with services held in each of the district associations, which I believe was very profitable to all concerned. Two weeks were spent as an instructor in Youth Camp work. Several workshops were conducted in which every ministry of the State Association was represented in a very specific way. The State Promotional Bulletin is now going into more than eight hundred homes each month.

OUR STEWARDSHIP: Denominational giving for the year 1963-64 (October through September) was \$49,229.25 for all State and National causes. A three year comparison follows:

1961-62—\$12,356.81; 1962-63—\$12,171.92; 1963-64—\$12,872.68

Of the 121 churches affiliated with the State Association, 106 gave support to a world-wide ministry through the Unified Program. 17 churches gave their suggested quota or above, 49 churches gave more this year than last, 7 churches gave the same, and 33 others shared by giving co-operatively to denominational ministries through the State Office.

APPRECIATION: I would like to express my sincere appreciation to each individual, pastor and church who has shared with us in this ministry. I trust that we will be encouraged in our total effort by the accomplishments of this past year and that we will make an even greater investment in the Cause of Christ through our State Promotional Office in the coming year.
