**AUDITING COMMITTEE REPORT  
TO THE  
GEORGIA STATE ASSOCIATION OF FREE WILL BAPTISTS**

We, the Auditing Committee, met on March 4, 2000 at the State Office in Colquitt. Financial statements for the year ending December 31, 1999 were examined and reviewed.

The committee found all State Office records to be in order and properly documented. The review process including examining bank statements, reconciliation statements and receipts. In our opinion a main goal in record keeping is to produce adequate and organized financial reports. These reports help to ensure that money received and disbursed is well accounted for in both documentation and detail. Brother William and Brother Gene have achieved this goal through their financial reporting and checks and balances they use in order to maintain fiscal accountability to the Georgia State Association. We wish to commend both Brother William and Brother Gene for their hard work and dedication.

The committee recommends to the Georgia State Association that travel expense per mile be increased to IRS per mile standard.

**RECOMMENDATION:**

Currently, IRS per mile standard for travel expense is \$.31(cents). By increasing to IRS standard the \$.31(cents) may increase or decrease according to what the current IRS standard may be at that time.

**RATIONALE FOR CHANGE:**

Currently, the mileage standard for travel expense is set at \$.20(cents) per mile.

The committee wishes to note that God has richly blessed each of our Georgia State Association churches financially and in turn these churches have increased their giving dramatically for this past year to the Association.

Respectfully submitted,

Signed   
Troy V. Sullivan, Chairman

Signed   
Virginia Grant
