## **REPORT NO. 2 Report of the Promotional Secretary**

Our Illinois State Association was organized forty-five years in the Free Will Baptist Youth Camp Tabernacle in West City, Illinois. Many of the men and women who worked to see this association come alive are now with the Lord. There are a few of the men and women with us today who were part of that organizational meeting. Time has brought leadership changes in our State Association and time has effected change in the old Youth Camp. This year, the last remaining evidence of that meeting place was forever demolished as heavy earth moving equipment prepared the land for a new building project. McDonald's, Super Walmart and other businesses now occupy our birthplace. Traffic is busy along that little alley way which led to our camp grounds. Our young people never knew that part of our history.

Today, we have a greater opportunity than we had on that hot August day in 1960 when we met together and banded together to become a State Association. Just as I appreciate the efforts of those early visionaries, I also appreciate the work of those today who serve our association by serving on boards and committees to keep our work progressing. Not only do these board members travel many long miles but they also put in many long hours serving because they love the Lord and Free Will Baptist ministries. Thank you to all who serve faithfully. Your work is appreciated.

Three years ago I thought I would retire from the pastorate when I left the Ina Church. In fact, it was my intention to finally spend all my ministry time as Promotional Secretary. However, I soon found, as had many others before me, that no position gives as much satisfaction to a preacher as preaching. I served as interim pastor and preacher for the last three years and have now accepted the pastorate of the Mt. Vernon Church. My years as Promotional secretary have been rewarding. This year I concentrated on visiting churches on Wednesday evenings, attended quarterly and district meetings and attended various meetings of our state boards. The Illinois Newsletter continues to be published and mailed to 700+ families each month.

Just as the old Youth Camp changed, our association must change too. The decision on how to best "get the job done" must be made and implemented. Where we once had few meetings, few telephone conferences and many decisions made by correspondence through the mail, we are now in constant communication with one another through modern technology. We have a State Association website where information can be submitted and received at any time day or night. Our young pastors who are in tune with all the latest advancements being developed today have tremendous opportunities of ministry that our older ministers just dreamed about. They also represent change.

Let me thank each member of the Executive Board and our State Association for the love, support and encouragement I have received these past twenty-five years. Thank you from the bottom of my heart. All our boards are doing well and trying to meet the needs of the association through their efforts.

Speaking of changes, one of our older pastors, Brother Louie Hanna recently passed away. He pastored for many years in southern Illinois and remained active in his home church until a few weeks before his death at age 93. Brother Kent Dunford's wife, Linda, went to be with the Lord this year and Bonnie Allen, wife of Brother Jesse Allen, also passed away recently. Brother Lonnie Skiles, former Illinois pastor died at his home in Florida in January. Several men and women active in our association were called home this past year. The Memorial Committee will supply us with a complete listing.

On November 1, 2004 Brotherhood Mutual Insurance Company of Fort Wayne, Indiana paid the State Association a dividend of \$7,646.00. Twenty-nine churches are in this co-operative agreement and those churches not enrolled are welcome and encouraged to join in this program.

I also want to thank those reporters who faithfully keep information about their church coming to the Illinois Newsletter. As you know, Contact magazine ceased publication in December, 2004 and will be replaced with a new denominational magazine named "ONE". ONE Magazine will be printed bi-monthly, and the 48-page, full-color magazine will be sent free to more than 50,000 readers. The magazine will pool the resources and mailing lists of the following national agencies: The Executive Office, Home Missions, International Missions, Master's Men, Free Will Baptist Bible College, Randall House Publications, The Board of Retirement, and The Free Will Baptist Foundation. The first issue of ONE Magazine will be released late spring 2005. There may be some adjustments we will want to make to the Illinois Newsletter since the new magazine is bi-monthly. Perhaps our Executive Committee will want to change the format and publications dates in order to keep pace with national news. Remember, things in our denomination are changing! We are adjusting the new CLEAR curriculum, new name for Foreign Missions, (International Missions) and new officers and personnel.

I traveled with a group of Illinoisans to Uruguay in March and my wife and I helped with an E-Team trip to Brazil in June. Another change that has taken place is the number of our young people who are involved in ministry. Katie Damron of Arnold View, Stephanie Owen and Matt Riley of Northwest, Derek Lewis and Tyler McGrew of Blue Point and Valerie Gibson of Hazel Dell will be on Truth and Peace.

Amber Mitchell (Brazil) of Green Rock, Matt Riley (Russia) of Northwest, Bruce Petty (Brazil) of Calvary and Phillip Kennedy (Intern, Panama) of Mt. Vernon are on E-Team 2005.

Ashley Lewis of Blue Point is with a FWBBC Team going to Cuba and James and Melanie Hawkins of Solid Rock are serving as Overseas Apprentices to Uruguay. You may contact one of these young people to come and share a service with your church or your youth group. Pray for them and support them financially as they prepare for their trip.

Also, I want to commend the Camp Meeting Board and the new schedule of services they adopted this year at Camp Hope and at local churches. This was a refreshing change. Thanks are in order every year to the Illinois Women Active for Christ because of their continuous dedicated service to our churches and to missions.

Remember our annual Roll Call Sunday on Easter. Pastors, report to your quarterly meeting moderator. Moderators, send your report to me, I will forward the state totals to the Home Missions Department. Last year our state had a Roll Call Sunday total attendance of 4,849 which is an average of 113 per church. Let's try to increase that number this year!

Thank you again for the privilege of serving,

Respectfully submitted,

*David Shores*

David Shores, Promotional Secretary

Bro. David recognized Terry Mohr from Brotherhood Mutual Insurance. He then recognized Bro. George Waggoner for his many years of service for the Lord here in Illinois. The report was received by the body.

The moderator called attention to the work of the Auditing Committee which had met and audited the books of the state boards and state treasurer and found them to be in order.

#### **REPORT NO. 8 ILLINOIS BOARD OF MISSIONS ANNUAL REPORT TO THE ILLINOIS STATE ASSOCIATION OF FREE WILL BAPTISTS CONFERENCE**

Convening at First Free Will Baptist Church, Mt. Vernon, IL

March 18-19, 2005

Greetings from your fellow missions team members serving on the Illinois Board of Missions: John Hollis, Chairman; Tyler Penn, Vice-Chairman; Stephen Gray, Secretary; Dr. Bill Crank, Treasurer; and Wallace Malone.

#### **NEW IN '04**

1. The IBM initiated a new approach for input and feedback from Illinois Free Will Baptists. These "Missions Forums" have been offered in three regional locations. Meetings were held in Johnston City (July 12, 2004), Effingham (Oct. 4, 2004), and Ottawa (Feb. 7, 2005). We have offered lunch and dinner timeslots. It has been exciting to see the interest and hear face-to-face dialog with pastors, pastor's wives, and laity. Forum subjects included: more state consideration by the Mission Departments of National Offices (more, better communication related to plans in adding missionaries to/from Illinois); will we eventually set quota/limit as to what Illinois State Association of Free Will Baptist Churches can do, (i.e., number of missionaries); should missionaries from Illinois be evaluated and approved by the IBM before commissioned by our National Mission Departments; where, how, and when do we plant a new FWB Church in Illinois; how do we continue the global outreach and address the great need of establishing new Free Will Baptist churches in Illinois and how are these efforts related. Thank you to each participant involved in these forums!
2. "ILLINOIS FREE WILL BAPTIST MISSION TEAM"; this effort saw its birth in '04. The goal is to encourage a team-spirit focusing on Illinois' opportunities and challenges. This TEAM consists of missionaries, pastors, laity, youth, Master's Men, Women Active for Christ, camps, V.B.S., Children's Church, and C.T.S. The doors to our missions' projects must stay open overseas and across America; then we MUST open new doors (new churches) in Illinois as soon as possible. Join the TEAM! Are you willing to move to Albuquerque, NM or Elgin, IL? Are you willing to give one more major effort to reduce Chicago's (Northwest FWB Mission) mortgage? Are you willing to be a short-term missionary to teach or "build" in Uruguay or France? Are you willing to give one or two years to help open and establish a new church in Illinois? Is your church willing to help "plant" a new work? JOIN THE TEAM!!

#### **ILLINOIS PROJECTS/MINISTRIES**

ELGIN, IL – Solid Rock FWB Mission – Missionaries Carl and Sheila Hawkins

They need to see a continuance and completion of establishing a sound base/core group. Some major renovations have been completed; an unselfish and sacrificial spirit enabled these improvements on the facility.

This board also wishes to express our deep appreciation to Bro. Bill Crank (Bethel) for his years of service to this board as a member and treasurer. We pray God's blessings upon him as he labors as a Home Missionary in Georgia beginning in March, 2005.

Thank you for your personal and collective support of Home Missions, International Missions, and Illinois Mission Team.

Your IL Board of Missions,  
John Hollis, Chairman

P.S. Thank you for your prayers and support of Tyler and Kelli Penn during this critical time of the birth and long-term hospital stay of their twin sons, Miles and Mason.

The IBM is challenged with understanding and rightly setting policy for "tentmaker" ministries. Please pray concerning plans and goals of this missionary family.

CHICAGO, IL – Northwest FWB Mission – Missionaries David and Pam Potete

A major focus continues to be high profile evangelism outreach and promotion of this "church" in the community. A very important emphasis as far as self-supporting is the MORTGAGE DEBT REDUCTION. This is of great importance to enable the local congregation to focus on meeting the needs of their pastor and ministry locally. This debt by March, 2005, is nearing the \$100,000.00 mark! A strategy of progression to self-support (not compromising "full time" status) must be in place very soon. A plan will be set up that will systematically lead the congregation to assume their local church responsibilities. Following their pastor-missionary's (Bro. Potete) leadership these precious people have organized worship services, put in place Bible-teaching/training (S.S., C.T.S., studies), active in outreach ministry, interactive in the community (polling place, etc.), involved in outside contributions/causes (TWP, missions, local), integrated well with many FWB groups coming to help on renovations of their facility, VBS, and outreach ministries. The major need now is for the congregation to recognize the importance of supporting their local ministry (pastor's salary, mortgage, utilities, insurance, curriculum, etc.). A notable fact that must be mentioned deals with the generous contributions of many churches and individuals (in finance, labor, love and prayer) to this Chicago project. Not only are Illinois Free Will Baptists to be "thanked", but also many partners from other states!

### **NATIONAL PROJECTS/MINISTRIES**

ALBUQUERQUE, NM – Missionaries Mark and Khristy Shores

These laborers are facing challenging days. A major need is for a Free Will Baptist family or two to move to Albuquerque to help establish this ministry. A major distraction has been medical expenses due to their insurance not paying. Pray specifically that Mark will be able to discern what his plan of action for the work there needs to be.

OGDEN, UT – Missionaries Tim and Jessica Lewis

Things are going well in this ministry among the Mormons. Those they have seen saved are growing and taking on responsibilities. They would love to see a FWB family come to help them (the one from Arkansas is leaving to help start another church). This ministry could use a van (any size). They also need more room and would love to get a building of their own.

YUMA, AZ – Missionaries Jason and Melissa Taylor

Jason has raised his needed support and has moved to Arizona. They needed chairs and were enabled to purchase them. Their first service in January, 2005, had 30 in attendance and 2 professions.

### **INTERNATIONAL PROJECTS/MINISTRIES**

FRANCE – Dennis and Carol Teague, St. Sebastien

We recall Bro. Dennis' faith statement, "Bringing down the walls, harvest time in France." Pray for this "Jericho" victory time. Dennis continues his ministry of using coaching as one of his tools.

FRANCE – Warren, Portell, Davison and Derby, Albertville

They are deep in their study of the French language which is vital for their Moslem ministry. Their transportation needs were recently (late 2004) met (helped tremendously) with the purchase of two automobiles. Thank you to all who contributed.

URUGUAY – Dennis and Trena Owen, Montevideo

Dennis faced the challenge of back surgery at the beginning of their stateside assignment. They were able to spend time with their son, Jonathan, before he was deployed to Iraq.

CHINA – Sarah Malone

She is serving as an administrator for ELI in the Middle East as she ministers to precious souls in Jesus' name.

CHINA – Mark King

He continues his teaching ministry in China. Mark's account could use some help.

The Illinois Board of Missions wishes to commend and encourage those Illinois Free Will Baptists for their involvement in local church projects, statewide promotions, mission trips, sponsorships, prayer, and financial support of our missionaries in Illinois, nationally, and internationally. Illinois is strongly represented in international missions' activities this summer: Mr. & Mrs. James Hawkins, Ashley Lewis, Amber Mitchell, Matt Riley, Bruce Petty, Phillip Kennedy, David & Pat Shores.

## **REPORT NO. 10 CHRISTIAN EDUCATION BOARD**

To the Illinois State Association of Free Will Baptists:

The Christian Education Board for the past several years has hosted two standing seminars/retreats. The third week in January we host the Mid-Winter Pastor's and Church Leaders Retreat, and the Thursday evening prior to the State Meeting we host a seminar. This year's Mid-Winter Pastor's and Church Leaders Retreat was held January 17-19,2005. Our speaker was James Forlines, Director of Free Will Baptist International Missions. His topic was "Developing a Great Commission Church." Bro. Forlines shared exciting news from the mission field and challenged us to help our churches be outwardly focused. Our next retreat will be January 16-18,2006 and our speaker will be Neil Gilliland. He will be focusing on "Soul Care for the Pastor." We are encouraging pastor's to bring their wives, if possible. We believe that Bro. Gilliland will minister to the pastor's family and give church leaders insight into what they can do to help their pastor minister more effectively.

By the time you read this, Bert Tippett will have spoken to us on Thursday evening on church publications and publicity. Next year for the Thursday evening seminar our speaker will be James Forlines giving us an update on international missions and how our churches can be involved in the spreading the gospel to Jerusalem, Judea, Samaria, and the uttermost parts of the earth.

We approved three \$1000 CE Board Scholarships. The recipients were: Katie Hicks, Michael Lemmon, and Amanda Lemmon. We also approved one student loan for \$500. As we have reported in years past, the number of requests for student loans has diminished, and all but one active account will probably be paid off this year.

We would like to remind everyone that we do have available some help for those enrolled in a Free Will Baptist college:

Minister's Scholarship, \$1000 per year: These are available to anyone from IL who is enrolled in the pastoral training program.

Two \$1000 CE Board Scholarships: These are available to anyone from IL who is a nonpastoral student planning to return to work in the local church.

First semester books for incoming students: The CE Board will pay for the first semester books of those enrolling for the first time in a Free Will Baptist college. They will need to send receipts to our treasurer, Rev. Ivan Ryan,

Respectfully Submitted,  
Steve Hale, Chairman

#### **REPORT NO. 11 ILLINOIS STATE CTS BOARD 2004 REPORT**

The 2004 State CTS Competition was held at Peace FWB Church in Granite City on May 7th\_8th, 2004. The host church was well prepared and the hospitality was warm. There were no controversies or problems beyond the normal glitches that come with an event this size.

A basic overview includes:

1) Nine churches participated this year. They were: 1st of Decatur, 1st of Johnston City, Arnold View, Calvary, 1st of Mt. Vernon, Northwest, Ina, New Hope, and Blue Point.

2) 71 students competed in 28 different competitive categories.

3) Out of the 28 category winners, 21 placed in the top three at the National Competition in Kansas City, MO. Five of these placed first in their category.

The state of Illinois was represented by a fine group of talented young people.

However, the numbers were down this year from last year, with fewer churches participating. The CTS Board respectively reminds the pastors and lay leaders of the state to actively promote the CTS program. Good things happen in this program when it's promoted enthusiastically and if the kids go out from their church to witness in the community through it.

Thanks to all the people who helped make this year a possibility. The next Illinois State Competition will be held at the First Free Will Baptist Church in Johnston City, IL, on April 29,30 in 2005.

REPORT NO. 12 ILLINOIS MASTER'S MEN REPORT

Greetings from the Illinois Master's Men. 2004 was another great year in the Lord! The Illinois Master's Men sponsored the annual regional retreat, golf tournament, and trap shoot. The 2004, 11<sup>th</sup> annual Illinois Master's Men Regional Retreat was held the first weekend after Labor Day, at Camp Hope. We had over 60 in attendance, 18 participated in the Trap Shoot, and there were 23 in the golf tournament.

We were delighted to have Phil Warren from Dexter, MO. as our speaker this year. He is a very inspiring speaker. It was a great time for praising God, spiritual encouragement, uplifting fellowship and lots of good food!!!

**NOTICE THE CHANGE OF DATE!!! Our 12<sup>th</sup> Annual Retreat will be September 15<sup>th</sup>, 16<sup>th</sup>, and 17<sup>th</sup>, 2005 the SECOND weekend after Labor Day, so mark your calendars now!** The theme for this year's retreat is **"Unity in Our Differences"** from Ephesians 4:4-8. We have invited Rick Stone from Lexington, Kentucky to be our speaker for this year's retreat.

We would also encourage everyone to get involved in the **"Operation Saturation"**, the **"Helping Hands"** projects, and the **"Short Term Mission Trips"** that are sponsored by the National Master's Men Department.
