AUDITING COMMITTEE REPORT

Recommendations for treasurers:

1. The treasurers should require written support for all disbursements.
 - A. For mileage, a signed statement should be presented which tells the purpose for the trip, the destination and the total miles driven.
 - B. For other expenditures an invoice or statement should support all disbursements.
 - C. All statements should be itemized.
2. All voided checks should be retained.
3. Treasurers should reconcile their bank accounts monthly or as often as the bank supplies statements. Checks that do not clear the bank in a reasonable amount of time should be investigated.

Recommendations to the association:

1. The association should reimburse only the expenses of those members duly elected or appointed by the association.
2. Members on official business should be more thrifty with God's money.

We have examined the records of the Christian Education Board, Mission Board, and Kansas State Association and we feel they are accurate in all material respects.

ARROW REPORT

For almost nine months we have attempted to print THE ARROW. I am sorry that it has not always turned out well. Many times I have been late. Because of the difficulty of the situation my time has been terribly limited. However, we have tried to improve the appearance and content of THE ARROW. Many did not pay subscriptions this year. I have continued to send THE ARROW because neccesity demands that we have some type of communication in our widespread state work. Expenses for printing materials are very high. We have been fortunate that much paper has been supplied free of charge by a member of the New Hope Mission.
