Business committee

We'd like to honor Prairie Meadows as our host church with a standing vote of thanks.

The business committee recommends a thank you check for \$150.00 be made out to prairie meadows

We also recommend we give a honorarium to reverend Tim York of \$1000.00

That \$300.00 would be allotted to the general board representative for nationals.

We believe the executive board should review the situation with both and ark city. We would like someone or a group of people to seek information regarding their hearts and intentions about the association. Like paying their dues and lack of attendance/ participation in the KANSAS STATE ASSOCIATION of FREE WILL BAPTISTS.

Phil 1: 21-23

For to me to live is Christ but to die is gain. These dear Saints did not labor in vain. They have departed for a better place. Some were Pastors, Singers, Teachers, cleaners. They all were very valuable people in the cause of Christ. They faithfully supported these Churches. They are greatly missed.

To the Kansas State Association of Free Will Baptists,

04/28/2023

We the Home Mission Board respectfully submit the following report to the Kansas State Meeting for the reporting period of April 2022 through March 2023.

Through the grace of God and the support of fellow Christians, the Kansas Home Mission Board has had an absolutely wonderful year.

Over the year, the Home Mission Board met to discuss and carry out the following items:

- Discuss the account balances and amount of financial assistance we can provide to ministries across the state of Kansas (E-Team, Truth & Peace, and Mission 6-2-0).
- Review quarterly reports from Zach Parent (Mission 6-2-0)

The Kansas Home Mission Board was able to support E-Team, Truth and Peace and the Mission 6-2-0 Ministries with the following financial donations:

E-Team Support

- | | |
|--------------------|----------|
| - Jessica Kenemore | \$250.00 |
| - Ragen Hunter | \$250.00 |
| - Cy Hylton | \$250.00 |
| - Emma Hudson | \$250.00 |

Truth & Peace Ministry

- | | |
|--------------------|----------|
| - Jessica Kenemore | \$250.00 |
|--------------------|----------|

Mission 6-2-0

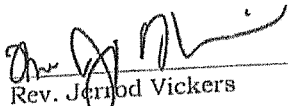

- | | |
|---------------|-------------|
| - Zach Parent | \$10,000.00 |
|---------------|-------------|

It truly was a blessing to support the great work God has carried out in McPherson, KS through Zach Parent's mission plant and to support our Kansas teens as they take the Gospel throughout the United States and overseas with the E-Team and Truth & Peace Ministries.

We hope you enjoyed the summary of events that took place over the past year with the Kansas State Free Will Baptist Home Mission Board. We are blessed to be part of the Free Will Baptist Denomination and are thankful to serve on the Mission Board.

Respectfully Submitted,

Rev. Alan Barus, Treasurer

Rev. Jerrod Vickers

Rev. Derl Hicks

Public Morals Report

According to alignlifeministries

51% of U.S. teens, ages 13 to 19, identify as Christians, but only 8% display beliefs and behaviors that are consistent with being committed to their faith.

As Andrea noted, the adults need to be setting an example at home. Where are the prayer warriors in the church today? Why have so many lost their zeal? Their shout? Their joy? It's because moms and dads are too busy to let God into their own homes and schedules. This is why people don't respect God's house anymore. This is why it's hard to find a person who honors the man of God. Even harder to find.. an individual who has completely surrendered to the Lord. Compromise has snuck into the home and into the church and it's time we stop tolerating anything in our life that is lukewarm.

1 Corinthians 15:33 says

Do not be deceived: "Bad company corrupts good morals."

Just like pastor Zane has always said "show me your friends and I'll show you your future..," if we adults keep company with sin - no matter how small it may seem-it'll eventually corrupt our once good morals.

The root cause of the moral decline we are seeing today- through gender identity- mass shootings and the constant division in our country- is from us adults not getting on our faces before God and staying there until we get all the junk out of our own life. It's easy to talk about how bad the world is around us, but what about looking inside the church- inside the home- what adults allow in moderation- the kids watching us will do in excess. I knew there was a God when my dad who was addicted to alcohol and gambling got saved when I was 12 years old. Parents and grandparents- the kids around you are being molded in either a positive or negative way by your actions. Let's take the days we have left, and leave a legacy for them to know what it really means to be a born again Christian. Then I believe we will start to see a rise in our morals when those who claim to be saved- actually live it out at home.

Public Morals Report

In the book of Proverbs, we read of Solomon's wisdom and instructions to his son David and to us as believers today. Proverbs 1:7 declares, "The fear of the LORD is the beginning of knowledge, but fools despise wisdom and instruction." In verses 8 and 9, Solomon continues to tell his son to hear the instruction of his father and to not forsake the law of his mother. In doing so he would be blessed. We see in these verses that it is the responsibility of parents to teach their children about God. We can only do that as we ourselves are walking with God and depending upon His leadership in our lives. Our children are surrounded by much evil in our society today, so we need to give them the solid truth of God's word that will be their foundation in life.

Morals Committee

My name is Deborah Oelke. My husband Louis and I have seven children and eight grandchildren. Currently we are caring full time for two granddaughters ages two and three while their parents work. At our age we realize once again that children have no moral compass and how vital it is for us as parents and grandparents to prepare our children for what's to come in life and to stay strong in the Lord. Just as Brother Tim York reminded us yesterday that it is our responsibility to disciple members of our church family, we have a great responsibility to disciple our children/grandchildren. Disciplining is a relationship in which we seek to do spiritual good for someone by initiating, teaching, correcting, modeling, loving, counseling, and INFLUENCING others to HEAR and DO God's will. Deuteronomy 6 is a familiar reminder of how we are to raise our children and grandchildren. Rereading this chapter focusing on the action words describing how to teach hearing and doing will rekindle an urgency to be the influencers in our children's/grandchildren's lives.

2022-2023 Report

The Kansas Christian Education Board had a productive year in 2022-2023

We planned, oversaw, and helped complete two great events for our state churches - 2022 Youth Camp and 2023 Men's retreat.

Our Youth Camp was held at Prairie View Christian Retreat in Ark City, Ks from Tuesday, July 5, through Saturday July 9. There were just over 200 total attendees, adults and students. Students that had completed grades first through twelve were allowed to participate. Services were excellent, the Lord was glorified and lives were changed.

Our Men's Retreat was held Friday and Saturday, March 3-4 at Westminster Woods retreat just east of Fall River, Ks. Our speaker, Rev. Jeff Sloan preached to 168 attendees - a record attendance for Kansas Men's Retreat. Rev. Adam Leichner led in worship and song, playing and singing many songs to uplifted the spirits and hearts of the men attending. All things considered, it was an excellent retreat.

The Christian Education Board intends to plan and hold both events in 2023-2024. Kansas Youth Camp 2023 will be held July 10-14 at Prairie View Christian Retreat. Kansas Men's retreat will be held March 1-2 at Westminster Woods retreat east of Fall River, Ks. Please be in prayer for both events and encourage your churches to participate and attend!
