STATE HOME MISSIONS REPORT

This has been another good year for Maryland State Mission work. We have had three new churches organized and join our Association this year. They are as follows:

Hope FWB Church, Pound, Va. - Rev. Larry Branham, Pastor

Friendship FWB Church, Bakerton, W. Va. -

Rev. Frank Nick, Pastor

Lighthouse FWB Church, Petersburg, Va. -

Rev. Jennings Dotson, Pastor

These churches have not received financial support from the State Mission Board. However, your prayers and any financial support you can give will be greatly appreciated. The new work at Sparta, N.C. continues to progress according to Pastor Jimmy Hopson. They now have their new building under roof and hope to have it ready for services soon.

What you are seeing here in Delaware is a dream come true. All this has been made possible through the Blessings of God and the consistent effort of our missionary family and the determination of the members of this congregation. We thank God for the prayers and gifts of the friends of the Delaware Project. Brother Maness will give us a more detailed report.

In keeping with the projected schedule of the church we offer the following recommendations:

1. Due to the purchase of the adjoining property that increased the church's budget, we recommend that the date of assuming another \$200.00 of the Pastor's salary be extended to September 1, 1979.
2. That in keeping with the increase in inflation we increase the pastor's salary \$52.08 per month, effective July 1, 1979.
3. That the church assume more support of the pastor as of January 1, 1980 in the amount of another \$150 per month, and another \$150 by June 1, 1980.
4. We recommend that we give \$150 toward Brother Maness' expense to the National Association.

In conclusion we appeal to all our churches to continue supporting our State Mission Program on a regular basis that we may be able to assist the projects adopted by this body.

REPORT TO MARYLAND STATE ASSO.
VERGEL AMOS MANESS MISSIONARY

June 22,23 1979

Greetings and Welcome to the Free Will Baptist Church
of New Castle, Delaware

We take great pride in the ability to welcome you to this Church. Many of you are experiencing the visit for the first time. But this is the results of your prayers and financial support for the last few years. In fact it was June 1975 when we first began in Martinsville, Virginia as your representative to Delaware. That beginning and the dreams of our hearts has come to this.

If you will recall the talk of a Free Will Baptist Church in Wilmington, Delaware first came to the Maryland State Association in June 1973. Reverend Elzo Bevan brought the prayer request to the floor for discussion. Many months of seeking the will of the Lord in the matter followed for many of us. Not until February of 1975 was it clear to this preacher that it was God's will for him to move his family and all of his worldly possessions to the state of Delaware to perform the task.

The present building, the congregation, the individuals you see now were still unknown to each of us. "Faith, and faith alone" directed our steps. The knowledge of God's hand and leadership upon the undertaking has encouraged and sustained us through every difficulty and trial. When one sees the results of many months of labor he has a tendency to forget the efforts that have gone into it. This also calls to mind the need to be thankful for you and the support you gave and are giving so as to make it possible to continue to have a self supporting Free Will Baptist Church with a full time Pastor in New Castle, Delaware. Just today a fourteen year old girl was saved in the office because a missionary could be available to minister to her needs. She had attempted to commit suicide and had been in the hospital and on drugs, but had a deep vacancy in her heart for "SOMETHING". The pastor was able to show her the need in Christ Jesus. She will no doubt be in the services Friday night and in Sunday School this week because you have given an opportunity to have a pastor available.

The Church has come from a stage of total dependence upon the financial support of the missionary, to the stage of self support, to the place we are presently. Presently the missionary is able to depend upon the Church for housing, utilities and two-thirds (2/3) of his salary. Only another \$260.00 a month will fully support it-self. With the inflation and the expansion of the property with its increase in financial obligation and expense of constructing a parking lot this is indeed a miracle. Because of the way we began there have been many limited abilities because of limited income and resources, but the Church has grown and the new parking lot and the enlarged sanctuary with the future plans we will have the ability to minister to the quantity of people we must, to win enough to become self supporting.

Continuing by "Faith" we believe we will accomplish this this year and will be totally self supporting by January 1980. With the present support we are receiving we can continue and be supplied with our needs to the date we have projected. We trust you will continue the present Maryland State Associational relationship.

We desire to thank the State for the income this last year of \$5,533.58 to our account. The Free Will Baptist Church of New Castle Delaware sent in \$3,000.00 of that amount and the W.N.A.C. woman's auxillary sent in \$135.00. Our Church has been blessed by the faithfulness of so many. For this the missionary is grateful.

Since June of last year we have witnessed 59 conversions and baptized 14 in the Church. We have averaged 70 for each month for the past 11 months...Sunday School. Presently we are averaging in the 80's. (May 79, April 84, March 82) Our Morning Worship averages about the same. Evening average is in the mid 30's.

Thank you.

Pastor Maness

Less designated funding (noted by *)	<u>22,850.00</u>

Total State Budget \$ 6,075.00

Taken from the Conference letters to the Maryland State Association while in session 1978 the total income from all the Churches totalled \$328,575.69. If each church were to give the 3% designated by our fellowship of Maryland State Association, we would have received \$9,857.07.

Last year we received \$4,796.21 from 13 of our State Churches. If we return home with the burden of souls to be won and our involvement, we will send in the 3% and exceed the proposed budget by no less than 4,000.00. Let us depend upon OUR GOD and DO HIS WILL in these last days of His dealing in Grace and Mercy with a wicked and lost world. Submitted by Committee-Revs. Dotson, Mullins, Maness

MARYLAND STATE WOMAN'S AUXILIARY

Minutes of Business Meeting

The Sixth Annual Meeting of the Maryland State Woman's Auxiliary was held Friday, June 22, 1979 at the First Free Will Baptist Church of New Castle, Delaware. We opened by singing At Calvary led by Nancy Meade. We were welcomed by State President Alyne Maness and Betty Stipes led in prayer. A short time of getting acquainted followed. Louise Wampler gave a very stirring and timely devotion on the theme "Stability in Unstable Times" using Luke 21: 26-28.

The President then opened the business part of the meeting. The minutes of the previous meeting were approved as read. The following delegates were seated: Ruby Angel, Alice Ashford, Lucille Meade, Ann Cathell, and Delores Newman. The treasurer's report was approved as read.

Our special project for the current year - \$275.00 toward the education of the Franks children in Brazil was exceeded by \$233.63 making a total of \$508.63 for this project. Several projects were discussed for the coming year. A motion was made and carried that we set a goal of \$1,000.00 to be divided between a new mission work being started in Fredericksburg, Virginia and Home Missionary Ernie Ross in St. Paul, Minnesota.

It was requested that the individual district reports be read. They were approved as read.

It was voted and approved that the Northern Virginia District Prayer and Camp Retreat be turned in to a State project. The following were elected for a Camp Planning Committee: Nancy Meade, Laura Andrews and Ann Cathell.

Karen Southwell gave a report from the Nominating Committee. There were no offices to be filled this year.

Karen Southwell was elected to replace Lottie Horton on the National Nominating Committee for a 2 year term to begin at the 1980 National Meeting.

The following were elected as Delegates to the National Meeting to be held in North Carolina in July:

Laura Andrews, Josephine Adams, Karen Southwell and Minnie Weaver.

Field Worker Lottie Horton reported that several calls had been made during the year and that a new auxiliary was organized on November 15th at Stanley, Va. She also attended the Tri-State District Meeting in Delaware. It was voted and approved that telephone, gas and postage expenses be reimbursed the Field Worker.

A motion was made and carried that the State officers work with the local auxiliary in planning the program for the State meetings.

Karen Southwell gave a report on different projects that had been successful in auxiliary work.

An offering of \$25.67 was received. We were adjourned in prayer led by Dortha Steele:
