STATE HOME MISSIONS REPORT

We have not made the progress we had hoped to in the past year. We are still praying for a missionary for the Fredericksburg, Virginia project.

We have met with four different men, but as of now we do not have anyone committed to come. We recommend that this project be kept open and all monies designated to this project be held in reserve.

The Mission Board met in March in Fredericksburg with all members present except Brother Arthur Click who was in the hospital seriously ill. Brother Click requested we get someone to fill his place due to his health condition. Brother Murray Southwell was appointed as Pro Tem for this meeting and the remaining time until the State Meeting in June.

The Delaware Project was discussed. It was agreed that due to inflation and unemployment in the area that we would not require the church to assume the extra \$150.00 per month of the pastor's salary as of January 1, 1980 and to extend support as previously agreed until the State Association Meeting in June. At that time the project will be reviewed and discussed during the meeting of the General Board.

As noted in Brother Maness' Newsletter the church is trying to raise money to pay for the church pews. I believe it would be commendable if each church in our Association would purchase a pew at the price of \$125.00 each as a memorial to the work of the Lord in Delaware.

A complete list of expenses of the Mission Board will be reflected in the Mission Treasurer's Report.

Prayerfully submitted,
Rev. Lester Horton, Chairman

A further report from this committee is included in the Minutes of the Saturday morning Business Session.

REPORT TO MARYLAND STATE ASSOCIATION
by Rev. Vergel A. Maness Missionary

Greetings in the Name above every name and in the Name of Him before Whom every knee shall bow..Jesus the Lord of Glory. I wish it were possible for me to address you as has been the opening in the last years of a State Missionary Report, but there are facts which make it necessary that we be just truthful and no more than that. I do believe you are "thinking, rational understanding" people who are aware of the time in which we live. So I greet you in open honesty.

This last year has been a great one in the answer of many prayers. As you are aware last year we were able to secure the land next door to the Church and thereby double our property area--80 feet x 150--now 160 feet x 150 feet. The old house on the property was too poorly constructed to be of use. We attempted to repair and fix up the old building for use as expanded Sunday School area. But there was too much cost to the project and then too little to be gained from the money invested. We then determined after the Maryland State Associational Meeting last year to remove the structure. As you can imagine we had little money to spend on hiring a wrecking crew to do the work so we did it ourselves. Being small in number and those who we did have having little time to put to the labor, most of the actual demolition was done by the missionary and a couple of men. Then the building of a parking lot required more time, expense and many hours of labor to get everything in shape for gravel. We then had no money to buy gravel and the old parking area had been so destructed by the wrecking and reconstruction of the general area that we lost several weeks of prime time for people to visit because of the mud. September thru the first of November we had practically no parking area at all. When we talked to people in the door to door visitation they would respond, "You sure have a mess there don't you". But Thank God this too passed. We now have a fine parking area. It is large stone and a bit difficult to cross at times in the rainy times but much better.

Last year we were doing about as we are now financially as faras the salary of the Missionary is concerned. We by faith made the projected schedule of the take over of the full salary step by step and be fully self supporting by

this June Associational Meeting 1980. The Church had the added expenses of the parking lot and the increased cost of every thing from gas to electric to sewer etc. as has everyone else in this inflationary time. We were also hurt by several of our people who were very good tithing families being layed off or their jobs being cut back. This keeps us just at about the same level as we had been financially. We averaged \$430 per week the first six months of 1979, the second six months we averaged \$419 per week. This year the first six months we averaged \$371 per week. Our average attendance in Sunday School was 75 the first six months of 1979 and 64 the last six months. The first five months of 1980 we have averaged 66 in Sunday School. Inflation, discouragement, lack of parking, and the fact that we were at capacity at the average of 75 has been a very difficult battle to cope with. In the summer of last year the missionary began the project to give more room for the growth of the Sunday School. The building of a house for the new parsonage.

The building of a new parsonage took time and efforts beyond expectations. We have lost some through the lack of understanding as to why we were not growing faster and better..pressure to accomplish what was felt as the impossible in the beginning was a factor in our loss of some. Christian immaturity lost others..but mainly we just could not "force what takes time to accomplish" growth!

Our Prayer meeting has averaged in the thirties (30's) and the Evening Service 35 for the last several months expressing to the Missionary a solid growth and base. During the last year as we have "pressed" and failed to reach the projected and the desired "goals" set going into the 1979-1980 fiscal year of the State Meeting, the missionary has himself become discouraged and in a deep feeling of failure. We have considered the possibility of resigning and leaving the Mission Church to others and seeking God's direction for new fields. BUT IN THE SEARCH of our conscious and the search of GOD'S desire for us we were constantly directed to stay and "LABOR ON".

Paul as he spoke before the people of Ephesus stated, "...I kept back nothing that was profitable for you, but have showed you, and have taught you, publicly, and from

house to house.." (Acts 20:20) Paul again declared in Jerusalem "...I have lived in all good conscious before God until this day." (Acts 23:1) and before Felix he claimed "...I exercise myself to have always a conscious void of offense toward God and Toward men." (Acts 24:16) I am not sure I have always been 100 per cent right in everything I have done and in everything I have led the congregation into, but my conscious bares me record that I have done that which was as best could be discerned at the time to be the right thing to do. I know nothing I would have done differently..unless it would have been.. not to have pushed as hard as I have. The Free Will Baptist Church of New Castle County is strong and stable I believe and at present doing as much as can be expected under the financial strain it now finds itself in.

We have committed ourself to paying \$4,000.00 off on a needed Bus and the pews we secured from the Bethel Free Will Baptist Church. (\$3,000.00 Pews and \$700 remains on the bus). We have now raised \$285.00 for the pews and \$100.00 for the Bus. July 6th we have "Declaration Day from Pew indebttness". We trust to have each pew of the twenty four taken by families or individuals or groups in the church at \$125 each. The day to bring the total into the treasury to pay off the debt is August 24, 1980.

We want to bring this to a close on the reminder that it was five years ago this State Meeting in Martinsville, Virginia when the "idea" of a church in Delaware was just that: an idea, a dream, a hope, a labor to begin and a reality uncertain! Today sitting in the heart of New Castle subdivisions and on a four lane black top major thru-fare we have \$250,000.00 worth of property and a Congregation of Free Will Baptist averaging this month 70 in Worship Services and \$411.00 wk. average offering. Failure is relevant and in the eyes of the beholder. Just as beauty is in the eyes of the beholder we suggest to you, who may search the record and the "missed" goals of a year ago, ask the families who have come to Jesus and those who now are again actively involved in service to their Lord.."was it worth it, have the missed goals been a failure?" We think not.

We are praying that you will understand that it does take time and most of all patience in the labor of "...Growing and Establishing..." a Free Will Baptist Church to the place of total self support.

We remain forever more your servant through our service to our Lord. Let Him be our Judge and Sustainer in every decision.

MARYLAND STATE ASSOCIATION OF FREE WILL BAPTISTS

YOUTH CONFERENCE JUNE 1980

The Second Annual Meeting of the Maryland State Association Youth Conference was convened Friday morning June 20, 1980 at the Fairwood Free Will Baptist Church.

As there was no competitive Activities scheduled this year the Youth were divided into two teams for a "fun game" of Bible Bowl. Team one was called the Blue Team. The members were Carol Adams, Wanda Adams, Junior Andrews, Brock Evans, Richard Mallory, Martin Mock, Terry Poff, Billy Walker, and Eric Williams.

The second team, the Red Team had Donna Boyd, Craig Evans, Buzzy Duff, Nelson Evans, Tim Gauldin, Daryl Horsley, Deborah Horsley, Dena Horsley, and Laura King.

The questions were taken from Who Am I cards.

We didn't have enough time to finish the game, but the score was Blue - 8 and Red - 3 when we had to go to join the Adults in Worship service. It was nice to get to know each other like that.

MARYLAND STATE ASSOCIATION WOMAN'S AUXILIARY

ANNUAL MEETING June 20, 1980

THEME "LOOKING UNTO JESUS" Hebrews 12:1-4

MINUTES

The Seventh Annual Meeting of the Maryland State Woman's Auxiliary was held June 20, 1980 at the Fairwood Free Will Baptist Church, Fairfax Station, Virginia. We opened by singing "My Faith Looks Up to Thee" and "Tis So Sweet to Trust in Jesus" led by Betty Goodnough. We were then welcomed by Lottie Horton. Devotions were given by Nancy Meade using Hebrews 12:1-2 from which we took our theme "Looking Unto Jesus".

President Aylene Maness then took charge of the meeting. Prayer was offered by Betty Wilson. The following Delegates were seated: Delores Newman, Lucille Meade, Geraldene Dotson and Betty Slicer. The Minutes of the previous meeting were approved as read. The Treasurer's report was approved as read.

Field Worker Lottie Horton gave the report of organizing one district auxiliary in Pennsylvania and two locals in Maryland State. She reported that she visited Central District meetings twice during the year.

It was reported that this year's retreat would be held at the Christian Center in Syria, Va. on Sept. 26 & 27. The fee would be \$25.00 with a \$10.00 deposit needed as soon as possible. The speaker will be Alice Smith, missionary to the Ivory Coast in Africa.

It was reported that a total of \$1,531.33 had been received toward our 1979-80 Special Project; \$765.67 of which was sent to the Ross fund in St. Paul, Minn. and \$765.66 of which was sent to the Maryland Conference for the new work in Fredericksburg, Va. Motion was made and approved that we leave the funds in the Conference treasury trusting that the Fredericksburg project would soon be a reality.

Motion was made and approved that we set a goal of \$2,000.00 for the Project for 1980-81. Motion made

and approved that we designate \$1,000.00 for Foreign Missions and \$1,000.00 for Home Missions. Motion was made and approved that each auxiliary be challenged to send in \$50.00 to the State treasury during the year.

Mrs. Loreen Miley from the WNAC offices in Nashville, and former missionary to Africa spoke to us and showed a display of auxiliary literature.

Motion was made and approved that we purchase letterheads.

Motion was made and approved that the secretary make up simpler report forms and send to the auxiliaries.

The following motion in regard to delegates was made and approved. That only District officers and Presidents from local auxiliaries be standing delegates, and that two delegates be elected from each District.

It was discussed that we endeavor to support the retirement program more in the following year, possibly with an emphasis on Father's Day offering.

At the recommendation of the Nominating Committee the following officers were elected: President Karen Southwell for a three year term; Vice-President-Alyne Maness for a one year term; Secretary-Treasurer Patricia Mullins for an unlimited term and Field Worker Lottie Horton for a two year term. The following Members-at-Large were elected from the floor for a one year term: (1) Dortha Steele; (2) Susan Williams; and (3) Louise Wampler.

The following Delegates were ask to serve at the National Meeting in California in July: Lottie Horton and Martha Ramey. Lottie Horton was elected to serve as proxy for Karen Southwell on the National Nominating Committee. An offering of \$41.47 was given and we were dismissed in prayer led by Dortha Steele.
