### COMMITTEE REPORT ON CHRISTIAN EDUCATION

Christian Education should begin in the home. We know that environment has its weight in the life of an individual. Therefore, we recommend that we keep our homes in such condition that it will be uplifting to any stranger that we may come in contact with.

'By their fruits ye shall know them.'

From such homes shall strong and elevated men and women grow. We further recommend that our Sunday Schools and Leagues do not stray from the original idea. We can teach and educate through these channels. Those who wish to go to higher institutions of learning should attend some school or college where the environment is Godly and Jesus is held up as a living example.

The challenge is up to us. What have we to offer the youth of our community? We therefore, recommend that we Freewill Baptist double our efforts and give our youth and ministers a school of training, such as is mentioned above.

Respectfully Submitted ,

PATMOS CHURCH AND PASTOR.

### COMMITTEE REPORT ON SUNDAY SCHOOL AND LEAGUE

We your committee on Sunday School and League submit the following.

When one arm is taken from a man's body the body isn't complete; When a church fails to have a Sunday School or League the church isn't complete.

Therefore we recommend that our pastors work harder to get these very important organizations in every church. We also recommend that the laymen join the pastors in this fight, since it is impossible for the pastors without the support of the laymen.

May God help each of us to realize the importance of teaching and training the young people of our church.

Respectfully Submitted ,

ENTERPRISE CHURCH AND PASTOR.

### COMMITTEE REPORT ON TEMPERANCE

We your Committee on Temperance ask to report that we as a people and Denomination pledge ourselves to be more careful how we conduct ourselves before our children and our associates of the world. That our influence and conduct be above reproach. Thereby lifting our Saviour up that others may be able to see the light and truth as it is in Christ Jesus.

Respectfully Submitted

WHITE PLAINS CHURCH AND PASTOR.

## COMMITTEE REPORT ON CHURCHES AND MINISTERS

We your committee on State of Churches and character of Ministers do find so far as we are able to ascertain, that all the churches and ministers are in good standing.

Respectfully Submitted,  
MACEDONIA CHURCH AND PASTOR.

## COMMITTEE REPORT ON MISSIONS

We your committee on Missions wish to say, we believe in Missions, because Jesus Christ said. "Go ye into all the world and preach my Gospel."

This was the greatest command given us by our Lord. Are we as Freewill Baptist doing this? We have in part both at home and away. But a great field is white to harvest before us. We have plenty of laborers. But have we supported them as we should? God is depending upon us, therefore we your committee on Missions recommend that our ministers carry a message of Missions to their Pastorates and that we as an Association support our home and foreign Mission Boards.

Respectfully Submitted,  
OPEN POND CHURCH AND PASTOR.

## COMMITTEE REPORT ON OBITUARIES

We the Committee on Obituaries find that we have lost four in our churches since we last met in an Association, namely Bro. A. J. Kimbrel, and sister Nancy Chambers from Patmos. Sister Imogene Kirksey from Live Oak, and Bro. Frank Jackson from New Light.

We are sad because of the loss of them from our midst. We thank the Father that we don't mourn as though we have not hope, but we expect to meet them beyond this life.

Respectfully Submitted  
J. N. BARNES,  
L. W. WILEY,
