COMMITTEE REPORT ON OBITUARIES

We the Committee on Obituaries find that we have lost in our Churches since we last met in an associational body, namely: Bro. Zema Cheshire who was a consistent member of Macedonia Church for a period of years. Who was more than fifty two years of age at his death in October 1939.

Live Oak Church: Mrs. Mettie Lawrence. Mrs. Virgie Musgrove, Willie Rigsby. Whose passing brings to us sadness.

Cedar Springs Church: Mrs. J. I. Hill. Her age was 69. Who passed in the Great Beyond the last of June.

Patmos Church: Mrs. Martha Hobbs. She was a member of Patmos Church for a period of fifty years and her age was 87.

White Pond Church: Bro C. C. Willis. Who's passing we regret very much he passed from this life May 29, 1939 his age was fifty-nine. He was a deacon of White Pond Church for a period of twenty-nine years.

In the taking away of the above co-workers of God—We can only say: That we would Bow our Heads in Humble Submission to Him who Doeth all things well.

Faithfully submitted

COMMITTEE REPORT ON STATE OF CHURCHES

Report on State of Churches and Characters of Ministers as far as we are able to ascertain. All the churches and Ministers are in good standing except Rev. A. G. Ott, who has joined some other church. So we recommend that his name be dropped from our list of ministers for departing from our Faith.

ZION CHURCH AND PASTOR**COMMITTEE REPORT ON MISSIONS**

Websters definition for the word "Mission" is "a sending forth; that with what a message is charged".

We as a people who claim to be followers of Christ have been charged to "go into all the world and preach the Gospel". Are we doing our duty in response to that charge? The only reason for a person to be negligent of "missions" is the lack of divine Grace which never fails to give us the proper characteristics for a missionary of some type. It is an admitted fact that all can't go, but we can all help those who can go.

MINUTES OF THE

A crippled girl in New York City, after saving all the pennies given her by friends and loved ones, died with the utterance of these words; "See that Jesus gets them all".

Are we worth as much to the world as the little bit of dirt used by Jesus to open the man's eyes.

Respectfully submitted,

PINE VIEW CHURCH AND PASTOR
COMMITTEE REPORT ON SUNDAY SCHOOL & F.W.B. LEAGUE

Realizing the importance of a complete organization, we, your committee desire to urge the support of the Sunday School on the part of Pastor and Layman, as the Sunday School is the Teaching force of the Church, and since people are being trained in every other field and vocation of life we believe that people should and must be trained in the Lord's Work, that they may be more efficient also that they may be better christians.

Further we urge the same for the League for this reason: To teach them and not give opportunity for use of knowledge procured would not be safe. (So through the League we have opportunity to be trained "in the knowledge of our Lord and Savior, Jesus Christ". and too that we may be Laborers not ashamed to take our stand for the right and shun the wrong.

Further we urge our adults to go and stand by the youth in their endeavor for the right, not only in the church but in this social life.

Brethren we urge that each church and pastor put their influence for the training camp to be conducted at Camp Sawyer in May, 1940. (Exact date to be named).

May we ask you to come and see what is done. Hear the teachers as they teach the various subjects.

Every phase of church life is taught.

Respectfully submitted

TRAVELERS REST CHURCH AND PASTOR
COMMITTEE REPORT ON TEMPERANCE

The Temperance Committee deems it expedient that we are facing more evils today than possible the world has ever faced and since we are confronted by the forces of evil we think it high time (that Christians ever be watchful and careful to maintain an honorable life in all manner of conversation, places of resort, company with whom we keep, and that we be aware of public places of amusement as well as watchful of intoxicating liquors. Let us walk in the light as Jesus was in the light, and be careful to follow Psalms I: I Then, following Jesus by day and by night and doing His will we'll not go wrong.

BLAKELY CHURCH AND PASTOR, THOS. B. MELLETTTE

COMMITTEE REPORT ON CHRISTIAN EDUCATION

In order that youth be instructed in piety and moral conduct we the committee submit as abmonition to this honorable body that pastors be careful to instruct with persuasion our parents to be more zealous and mindful to keep alive the policy of the family altar in home Bible reading and prayer. That churches encourage Sunday School attendance by all members of the church and citizens otherwise. That all teachers be spiritual minded and seekers of the Kingdom of God. Also, that our leaguers become more Biblical in life conduct as lights of the righteousness of Christ.

Too, that our ministry may have as a means of better education that we continue our efforts in the Bible School movement. That we encourage our youth to take upon themselves the possibility of Christian education and authorodox Biblical training.

May we ever be mindful that Christ's last command was to go into all the world and teach the nations.

May God help us to examples in teaching knowledge as well as in all things of the knowledge of Christ.
