They also recommended that two more ministers be received in the body—Rev. C. J. Harvey and Rev. C. R. Houston. Also, an amendment was made as to the method of receiving ministers in the association. This was to make a minister a member of the body when he joins or places his letter in a church of this association.

The Treasurers report was read and adopted. See report (7). The treasurer's report showed that there was four hundred dollars in the treasury for the League Encampment, and it was voted to give this to the State League Encampment with the provision that if it was not used within two years it was to be returned to the Midway Association.

W. B. Griffin, Clerk.

Sunday School and League

We, your Committee on Sunday School and League, submit the following report.

We find that some of our churches do not have either Sunday School or League. We urge those churches to exhaust every effort possible to have a Sunday School and League in their church and that each church have a Vacation Bible School, and also send as many of the young people to our young peoples' camp as possible.

Respectfully submitted,
Mt. Zion Church and pastor,
J. N. Barnes.

Christian Education

We, your Committee on Education, submit the following:

Realizing that the greatest power, for the changing of the trend of thought, the behavior, customs, morales and religious life of a nation of people is through the power of education.

Cheap literature has produced cheap thinking. Low grade reading mat-

ter has produced low grade standards of morales, criminals, wrecked homes, which is the foundation of our civilization.

We believe one of the cardinal principles of our standards, as set by our Lord has been replaced by the cheapest type of trash, and the results are a serious decline in our Christian Educational Program; that means a decline in morales, also high wholesome thinking and crime goes on the rage.

Further, may we as church people realize that we must educate, first, if we advance, in selling the idea of living right; we are educating the person or people for right living. If we put over a mission program we must first educate the people of the need, so may we see that every advancement is Christian Education. The Christian Education is knowledge of Christianity, not the hearsay knowledge, not just historical knowledge, but spiritual knowledge, "for the Spiritual is only understood by the Spirit."

So with Christian Education prevalent in life, we have life and knowledge prevalent with the Spirit.

We urge our people to guard their reading matter, "for as we read we usually think, as a man thinketh in his heart so he acts," so says David.

We urge a full support for every Christian educational principle with our prayers, tongue, mind, soul and our dollars.

We urge further special prayer and support for our boys, Paul Irvin, who is now in school in our Bible College in Nashville, Tennessee.

Macedonia Church, Florida, and
Pastor, S. T. Shutes.

Committee on Temperance

Temperance, meaning moderation in respect to person of passion and appetite.

We, therefore, should be careful how we act or what we should say, also we should be careful how we conduct ourselves, for habits become self-satisfying to fulfill the lust of flesh. Rom. 8:13 reads for if ye live after the flesh ye shall die, but if ye through the spirit do mortify the deeds of the body, ye shall live.

As Christians, we should live sober, righteous and Godly, as it becometh saints. We should fight against anything that would defile or destroy our Christian influence.

Submitted,

White Pond Church,

Pastor, L. A. Norris, Com.

Mission Report

Patmos Church and Pastor wishes to recommend the following to this body—The Commission of Christ that says for us to go into all the world and preach the Gospel. Our Denomination has made some progress, so has our State, and even our Association has a part in our Mission work, but

what are we as individuals doing for the cause of Missions? Are we telling our children about Christ? Are we telling the youth of our community that Christ died for them? Does our lives prove to them we know Jesus? May we ere another year passes wake up to the fact that this Commission is to you and me, and may we try as never before to reach the youth of our land. May we help the Mission Boards with our Foreign neighbors also.

Patmos Church and Pastor.

Finance Committee

We, your Committee on Finance make the following report: We received \$290.63. We recommend that we give \$100.00 to Bro. Paul Irvin to help him in his education. We recommend that our Clerk be instructed to go over the allocated budget and make whatever changes he sees fit to make and publish them in the minutes.
