COMMITTEE ON STATE OF CHURCHES AND CHARACTER OF MINISTERS

We find all churches in good standing so far as we can find out. We also find ministers in full fellowship.

We recommend that each church call a minister to serve their church and not right on to another church at same time. We recommend that each church in the association consider half time servivces per month. We also recommend that each church take care of their obligations.

Respectfully submitted,

R. B. Pyle, Chair.

Christian Education

The Committee on Christian Education prayerfully makes the following report.

1. The American people as a nation depends on the training of the minds of the American youth in the principles of free government as a republic and issues set forth in Jefferson Democracy as a progressive nation for agriculture, industry, and commerce for its permanent prosperity and for its destiny.

2. The Church of Jesus Christ and the doctrines of Christ as set forth in the scriptures and Treatise of the Free Will Baptist Church of Jesus Christ depends on the development of the minds of those who go forth to teach and to preach to the constituency of our church and that our church is wholly dependent on our clergy for its posterity and the faith and doctrines to be practiced.

Therefore, be it resolved that whereas God qualifies whom He calls, but His work is carried on by those whom He chooses and that by the leadership of the Holy Spirit He has given us freedom of speech, freedom of press and freedom of worship. We recommend that we encourage our people to support our Bible College, our Young Peoples Camp at Mt. Bethel with our prayers and our substance.

Respectfully,

Live Oak Church and Pastor,
T. B. Mellette

Sunday School and League Report

Your Committee on Sunday School and League report the following:

The Sunday School is the greatest agency of the church for reaching the lost and educating the saved. The greatest need of our Sunday Schools is two-fold. First: Leaders who are dedicated to the task; and, Second: Leaders who are trained to do the work. We therefore urge every Sunday School to have a course taught in Sunday School administration during the coming year.

For the benefit of youth and their training for Christian service in general the F. W. B. L. is excellent. Nevertheless we recommend that Christian adults see that the spiritual benefits be stressed beyond the social benefits.

Respectfully submitted,

Macedonia Church and Pastor

Report on Obituaries

We, your committee, find that God has seen fit to take from our midst the following:

Cedar Spring 1, Traverlers Rest 1, Zion 2, New Light 1, Pine View 1, White Pond 2, Live Oak 2, Damascus 1, White Plain 1.

We recommend that each church send with their association letter their names, age, and how long they had been a Free Will Baptist of those dying in their church that your obituaries committee may have something to work on. We further recommend that our clerk drape a page in our minutes in honor of our dead.

Respectfully,

Bro. C. J. Harvey
Mrs. M. W. Irvin
