# DEPARTMENTAL REPORTS

## EXECUTIVE SECRETARY'S REPORT

God has always chosen earthen vessels as ambassadors of His grace. It has been my privilege to represent Free Will Baptists over the past 12 years as one of His vessels. Sincere gratitude is expressed for the opportunity of serving my beloved denomination. It is a delightful experience to recall these years of association with fellow believers who have helped and encouraged me along the way.

Fellowship with my brethren has been a source of inspiration and strength. It is impossible to tabulate the myriad instances in which Christian friends have refreshed my spirit by expressing love and confidence through the years. This has been done in many ways—by supporting the work, by assuring me of prayer and often with small but greatly valued tokens of regard. I will never be able to acknowledge the many personal expressions of love that have been shown. Nevertheless, I am humbly thankful for the outpouring of your affection.

God is to be praised for whatever accomplishments have been made. I am especially grateful to God for traveling mercies. Including five years of traveling for the Foreign Mission Board, I have logged almost 700,000 miles. This is the equivalent of 25 trips around the world. Having preached more than 2,500 sermons in associations, conference, revivals, and in hundreds of churches, it has been a joy to see hundreds of souls saved and thousands of Christians rededicate their lives. Numerous young people have committed their lives to Christ. Numbers of these have gone on to prepare themselves in one of our colleges for Christian service in our denomination.

It has been encouraging to see a measure of God's blessings upon our entire denomination. Numerically, our ranks have increased by 50,000 members and 343 congregations.

This fellowship of churches has been strengthened by a greater bond of unity on every level of our national work. We stand on the threshold of major new advances because of our unified spirit of cooperation. Diverse elements have been molded into one harmonious unit. Because we have built bridges of understanding we are able to span potentially divisive issues and seek solutions to our mutual problems in a mature manner.

With another 19 percent increase last year, cooperative giving has reached its highest level. Overall coop giving has increased 175 percent during the past 12 years. This is an average annual increase of 14.6 percent.

Since greater emphasis is given to direct giving, it is no surprise to learn that less than six percent of our national giving is through the Cooperative Plan. There are two reasons for this trend. Our denomination is not in accord concerning the basic philosophy of direct giving versus cooperative giving. Progress has been made in educating our people to adopt the Cooperative Plan, but opposition continues even though it is muted. Originally the Cooperative Plan was designed as a means to support our various national ministries. But in actuality the Coop Plan has become the major support of state programs. The percentage kept in the states has greatly escalated. This has forced the national departments to actively vie for more direct support instead of eliminating the multiplicity of appeals.

In turn, this creates a psychological barrier. It is difficult to promote the Cooperative Plan when 150 missionaries are making direct appeals to our churches. Also, an additional 10 full-time department representatives are directly appealing for support. Furthermore, several state representatives are seeking direct support for various causes.

This realistic picture is not intended to minimize the value of coop. It does help us put the picture in proper perspective. Theoretically, the Cooperative Plan is a practical and ideal way to support a total denominational program if all giving were channeled through the program, and if our congregations were taught to give beyond the arbitrary 10 percent limit that most churches have set. But as the results indicate, cooperative giving benefits the

The audit reflects a growing concern for and involvement in foreign missions on the part of many Free Will Baptists. The budget for 1978 was \$1,685,600.00. Income totaled \$1,656,206.00, an increase of \$224,227.00 over 1977.

The 1979 budget is \$1,848,687.00, an increase of \$192,481.00 over the 1978 income. In view of inflation, this is a minimal increase. However, accelerated giving is needed in the remaining months of the year if the budget is to be met.

The proposed budget for 1980 as approved by the board in May and recommended for adoption is \$1,908,316.00.

On behalf of the board, the missionaries and the home staff, I express grateful appreciation for the continued prayers and gifts of our entire constituency.

We also thank the various state and national denominational schools and agencies for vital roles in missionary outreach.

We express our gratitude to the Woman's Auxiliary for the provision closet and other special projects. Projects "Book Shelf" and "Tool Shed," thanks to the Master's Men, are also meeting special needs of missionaries.

Today the missionary enterprise faces its greatest challenge. Tragedy or triumph lies ahead, depending on what believers do with the command to "Go . . . into all the world, and preach the gospel to every creature." The times call for sincere dedication and spiritual boldness to declare to the whole world that, "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved" (Acts 4:12).

# GRADUATE PROGRAM REPORT

FREE WILL BAPTIST BIBLE COLLEGE

July, 1979

The graduate program which the National Association asked the college to study and prepare for continues to be under review, in the light of current-and-changing conditions. At the moment, we are very doubtful that the program can be begun as soon as the original target date in the fall of 1980, but we will continue to take positive steps toward implementing the program as soon thereafter as possible. The two greatest uncertainties are the provision of the proper personnel (at least three men with regular doctorates in the field) and the new sense of financial "straitening" created—at least in part—by the unstable inflationary rate.

However, we will take the next logical—and required—step during the coming (1979-80) term. Our accrediting association requires that the staff of the association visit and make a survey of the institution at least a full year before the announcement of the opening of a graduate program. Now that administrative changes at the college are complete, we will ask the AABC office to make that visit this fall.

Following the AABC evaluation of our readiness for a graduate program, we will be able to report more specifically what further preparations for readiness will be required of us, and to begin laying specific plans and schedules for meeting those requirements and defining the detailed curriculum of the program.

**Notes to Financial Statements**  
**May 31, 1979**

Free Will Baptist Bible College is operated under the auspices of the National Association of Free Will Baptists.

**(1) Summary of Significant Accounting Policies**

**Fund Accounting**

In order to ensure observance of limitations and restrictions placed on the use of the resources available to the College, the accounts of the College are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

**Current Funds**

Current fund balances are separated into those which are restricted by donors or grantors and those which are unrestricted. Restricted funds may only be expended for the purpose indicated by the donor or grantor, whereas unrestricted funds are under the control of the College to use in achieving its educational purposes.

**Endowment Funds**

Endowment funds are subject to the restrictions of gift instruments requiring that the principal be invested in perpetuity, and only the income be utilized. While quasi-endowment funds have been established by the College for the same purposes as endowment funds, any portion of quasi-endowment funds may be expended.

**Inventories**

Inventories, consisting of books and supply items, are valued at cost with cost being determined on first-in, first-out method.

**Investments**

Investments in stocks and bonds are stated at cost, except those received by gift, which are stated at market at date of gift.

**Equipment Purchases**

Certain equipment purchases are funded from the current operating budget and are presented under the appropriate functional classification of expenditures. Such expenditures for new equipment are capitalized as investment in plant.

**Depreciation**

Plant assets consisting of land, buildings and equipment are stated at cost or fair value at date of gift. Library books are valued at \$2.00 per book. No provision is made in the accounts for depreciation of plant assets.

**Taxes**

The College is exempt from income taxes; accordingly, no provision for taxes has been made in the accompanying financial statements.

**(2) Lease Obligations**

The College has long-term leases for men's dormitory, a women's dormitory and dining building. The women's dormitory and dining building was financed by bonds aggregating \$750,000.00 with interest rates between 7¼% to 8%. Revenues from the dormitories are

Our success can only be attributed to the blessings of the Lord, the faithful missionary families, and a capable and dedicated office staff that has worked diligently throughout the year. We were saddened to lose our beloved General Director, Reverend Robert L. Shockey, who became the Director of Evangelism and Outreach Ministries for Heritage Temple Free Will Baptist Church, Columbus, Ohio.

We were glad to welcome Mr. Trymon Messer as the Associate Director. He has done an outstanding job, both in the office and on the field for the Department.

We welcome Reverend John Gibbs to the Department as the new Director of Development. Mrs. Iva Mae Bracey serves as our Bookkeeper, Mrs. Nell Carr as our Receptionist, and Mrs. Pat Thomas as our Publications Editor. Mr. Bill Daniel works part time as printer.

I became the General Director August 1, 1978. I am very proud to serve in this capacity, and can see God's hand at work in our Home Missions Department. Please remember us in prayer as we try to enter the many large cities where Free Will Baptists do not have churches, and fulfill our motto, "A Missionary in Every State for a Church in Every City."

Respectfully submitted,  
Roy L. Thomas, General Director

## NOTES TO FINANCIAL STATEMENTS

### NOTE 1—Summary of Significant Accounting Policies

The accounting policies that affect the more significant elements of the Board's financial statements are summarized below. They have been followed on a consistent basis.

ACCOUNTING BASIS—The Board generally uses the accrual basis of accounting, except on receipts, which are taken into income as received.

During the year 1978 the Board combined all books into a single accounting entity which change we approve. Prior year amounts have been restated for comparison.

### NOTE 2 INVESTMENTS

Investments consist of certain trust funds on deposit with the Board of Retirement and Insurance. These funds draw interest and are subject to withdrawal.

FUND BALANCE—Fund balance is divided into the amount designated for mission use, amount designated as savings bonus, net equity in fixed assets, and amount available for general use.

Illinois has a state Layman's Board. Members are: Paul Moore, Arthur Norris, and H. D. Cockrum.

Georgia has a state Layman's Committee. A North Georgia Master's Men Conference was hosted by the Decatur Master's Men on June 8. Chuck Snow, Georgia Master's Men State Senator, arranged the conference. Guest speaker was Ernest Winchester, Birmingham, Alabama, who is the Alabama Master's Men State Senator. The Midway District Master's Men had their annual Master's Men Dinner at Albany Free Will Baptist Church, Albany, Georgia, June 9. The first Georgia State Layman's Breakfast was held at the Georgia State Meeting in 1978, with 72 present. Guest speaker was Don Elkins, Jacksonville, Arkansas, Chairman of the Master's Men Board.

Alabama and North Carolina both have district Master's Men organizations within their state. The district organizations are proving helpful in developing new chapters and strengthening existing chapters.

### SPECIAL DAYS

The Master's Men Department now sponsors two special days:

Armed Forces Sunday which is the last Sunday in May each year. This is an ideal time to remember our Free Will Baptist men and women who are serving our country in the Armed Forces.

Layman's Day which is the second Sunday in October each year. Layman's Day will be October 14, 1979. We encourage every church to have a special Layman's Day, even if you have it at a time other than October 14. This year we will be sending a letter out to all Free Will Baptist Churches encouraging them to take a special offering for our Master's Men Department's general fund. The church sending the largest Layman's Day offering will be given free membership in Master's Men for 1981. Last year Unity Free Will Baptist Church, Smithfield, North Carolina, gave the largest offering, \$500. They will receive free membership for 1980.

### LAYMAN OF THE YEAR

We appreciate your support of our Layman of the Year Award Program. This program is open for all laymen. You do not have to have a Master's Men chapter in order to nominate a layman from your church.

### PROJECT REPORT

Our projects are funded by special offerings from our Master's Men chapters. Some chapters have underwritten specific projects on a monthly or quarterly basis. These projects are clear-cut examples of strength in unity. By joining together we have been able to accomplish the following:

Project Book Shelf—Eight \$15 certificates were presented to missionaries returning to the foreign field. In 1978, 206 books were sent to home and foreign missionaries and 113 have been sent thus far in 1979.

Project Tool Shed—Missionaries benefiting from this project in 1978 were: Bill Fulcher, Panama; Jim Cowart, Brazil; and Mike Cousineau, Ivory Coast. Over \$740 worth of tools and equipment were purchased this year. Plus, a generator was donated to Mike Cousineau by the Locust Grove Master's Men Chapter, Locust Grove, Oklahoma.

Uganda Project—This is a joint venture with Woman's Auxiliary to provide educational funds for a Ugandan student. We have received \$480 in cash and have some pledges—one pledge for \$1,000.

This is the most lengthy report I've given since being general director. You can rejoice with us in the progress that is being made. We realize we have just begun. If we can accomplish the above with less than one percent of our men, just imagine what can be done with 50-75 percent!!

### Depreciation

Depreciation of property and equipment is provided on the straight-line method based on estimated useful lives (see note 2).

### Income Taxes

The Department is exempt from Federal Income taxes; accordingly, no provision for income taxes is made in the accounts.

## (2) Accounting Change

In accordance with the American Institute of Certified Public Accountants' "Statement of Position on Accounting Principles and Reporting Practices for Nonprofit Organizations not Covered by Existing Audit Guides," the Department has adopted the practice of capitalizing its exhaustible fixed assets and provides depreciation over their estimated useful lives. Accordingly, the beginning fund balances have been restated for additions to property and equipment and for accumulated depreciation thereon.

The Department has adopted the accrual method of accounting in conformity with generally accepted accounting principles, whereas in prior years, the Department reported on the cash receipts and disbursements method. The effects of the change as of December 31, 1977, have not been determined.

## (3) Property and Equipment

Depreciation charged to operations, computed on the straight-line method, amounted to \$226.79.

# RETIREMENT AND INSURANCE BOARD REPORT

## Decade of Caring

1979 marks the 10th Anniversary of the Board of Retirement. It has been a "Decade of Caring." For 10 years we have challenged you to better provide for the needs of our pastors, missionaries, and their families. You responded—you care!

On October 13, 1978 the assets of the retirement fund reached the million dollar mark. It took 10 years to get the first million; we expect to reach the second million in three more years.

The chart below shows the growth of the fund.

<u>January</u>	<u>Assets</u>
1969	\$ 672.59
1970	11,760.00
1971	54,579.00
1972	97,115.00
1973	180,183.00
1974	278,285.00
1975	388,834.00
1976	510,996.00
1977	676,321.00
1978	865,638.00
1979	1,078,680.00
July, 1979	

Over the past 10 years, the Board invested \$1,684,347.96 within our denomination. We purchased \$1,018,850.00 in church bonds from 108 different churches. In addition, we loaned \$655,497.96 to 23 churches and denominational agencies in 12 states.

Numerous churches are starting ministries with older adults. During the past year, Missouri Free Will Baptists purchased land for a Retirement Village near Lebanon, MO. North Carolina Free Will Baptists constructed the Western NC Rest Home at Chandler. Other states are considering similar ministries.

Yes, the last ten years was a "Decade of Caring." But the next ten years will present a "Decade of Greater Challenges." With God's direction Free Will Baptists can meet the responsibilities of the future.

Thanks for caring.

### CAPITALIZATION POLICIES

Purchase of capital items are expensed in the Operating Fund. Major items are recorded in the Property Fund as an increase in the fund balance. When an item is retired its cost is removed from the assets and the fund balance. No depreciation is computed on the properties.

### MARKETABLE SECURITIES

Marketable securities are carried at par or face value. The discount or premiums is taken into income at the time of purchase.

## SUNDAY SCHOOL AND CHURCH TRAINING DEPARTMENT REPORT

There is an excellent outline on "The Tenses in the Believer's Life" in the footnotes of Scofield's Bible. This is found on page 1,267 and is based upon First Thessalonians 1:3 and 1:9-10. In a comparison of these verses Scofield mentions that the "work of faith" is to "turn to God from idols."

John 6:28-29. "Then said they unto him, What shall we do, that we might work the works of God? Jesus answered and said unto them, This is the work of God, that ye believe on him whom he hath sent."

The "labor of love" in verse 3 is to "serve the living and true God." The "patience of hope" is to "wait for his Son from heaven."

Matthew 24:42. "Watch therefore: for ye know not what hour your Lord doth come."

Paul repeats this threefold sequence in Titus 2:11-13.

"For the grace of God that bringeth salvation hath appeared to all men. Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world; Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ."

### THE WORK OF FAITH

No better words can best describe the ministry of the Sunday School and Church Training Department than that of a "work of faith." We do not exist upon gifts solicited from our people so we are unlike any other department of the work of the National Association of Free Will Baptists. Ours is a "work of faith" however, in that we produce a set of products and base our budget upon the expectation of the sale of our products. The Lord has greatly rewarded our faith over these years and He has continued to do so this past year.

Our fiscal year runs from March 1 through February 28 (29). This report covers that time period. Since 1978 was the year of the merger of the Sunday School and Church Training Service Departments, this report is the culmination of that merger. The merger was finalized in September of 1978. \*

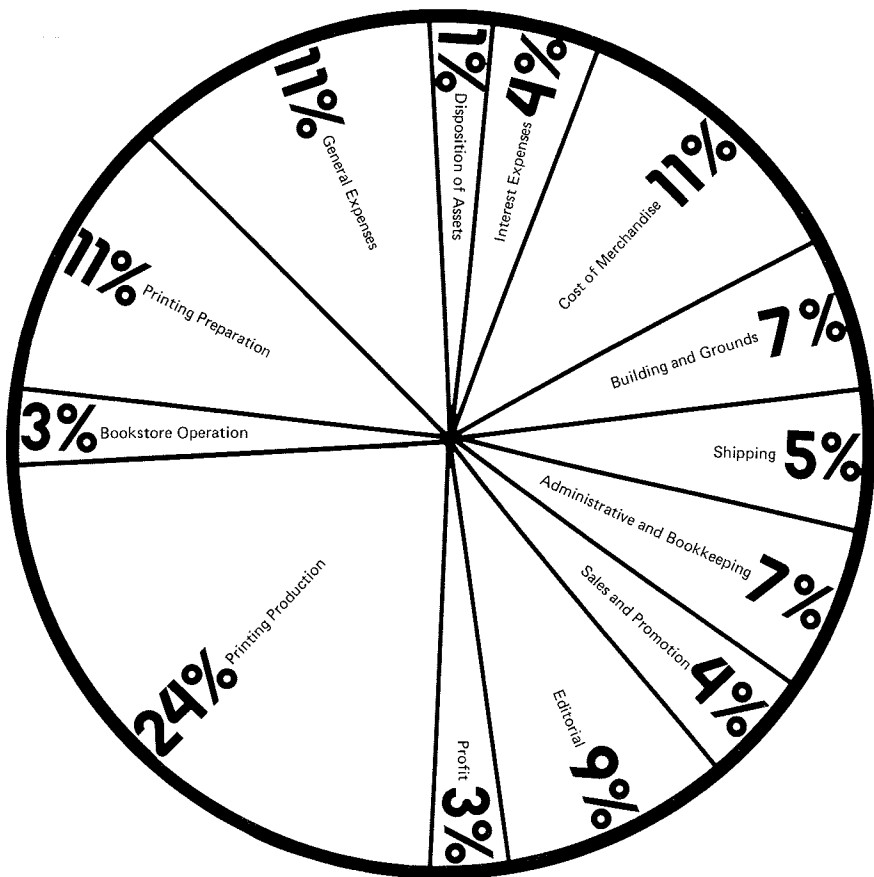

### PUBLISHING

During this past year we have continued to publish curriculum. We now produce nearly 400,000 pieces or units of curriculum each quarter. In addition we published four new books, five new booklets, and two new tracts. We reprinted a number of our products. In addition to this production we have printed minutes, letterheads and envelopes, revival posters, in addition to various items for the National Departments. We also print *Mission Grams*, *The Missouri Gem*, *The Ohio Ambassador*, and the *CO-Laborer* of the Woman's Auxiliary. We do *Attack* magazine for the Master's Men.

### BOOKSTORE

We now have our new bookstore open in Charlotte Square Shopping Center. It is a lovely store with 4,000 square feet. It is a choice location. We will need to expand our inventory there as time progresses.

## COMMISSION ON THEOLOGICAL LIBERALISM REPORT

The purpose of this commission is to provide educational materials that will contribute to the continued preservation of orthodox doctrine within our denomination. The scope of our concern extends to any area of thought that either denies or endangers the basic doctrines of our faith or that which may be termed heresy.

The members of the commission seek to be alert to the trends and forces that are at work in today's world that could present a problem to some of our people as it relates to the subject of sound doctrine. On areas of concern we have prepared booklets and have conducted seminars. At present we have ten booklets that are available through the commission. During the past year we have sold around 5,000 booklets.

# RESOLUTIONS COMMITTEE REPORT

## I. REAFFIRMATION OF STAND

Whereas,

The spread of liberal thinking has influenced many church people across America; and

Whereas,

The constituency of this denomination is a grass roots people across America; and

Whereas,

The spiritual well-being of our people is threatened by the spread of a humanistic philosophy as propagated by a dominantly liberal media, a humanistic educational system and many governmental agencies; therefore,

Be it resolved:

That the National Association of Free Will Baptists reaffirm its position opposing the following:

1) abortion on demand, 2) homosexuality, 3) religious cults, 4) the charismatic movement, and 5) the Equal Rights Amendment.

Be it further resolved:

That the pastors and leaders of our denomination be urged to inform their people through teaching and preaching on these important issues and to avail themselves of the materials available through the Commission of Theological Liberalism. (Adopted)

## II. SEPARATION OF CHURCH AND STATE

Whereas,

There is an increasing threat to the historic and constitutional principle of separation of church and state; and

Whereas,

This threat is becoming more and more evident by the pressures being exerted on churches in their various ministries, such as the Christian day school ministry, through local, state, and federal governments; and

Whereas,

Legal decisions related to this principle are being considered at the present time and at varying levels and in the courts of our land; therefore,

Be it resolved:

That the National Association of Free Will Baptists go on record as supporting the constitutional principle of separation of church and state and the biblical principle of rendering unto Caesar the things that are Caesar's and encourage our churches and pastors to continue to stand against the intrusion of the government in the affairs of the church. (Adopted)

## III. SUPPORT OF RELIGIOUS ENTERPRISES

Whereas,

An increasing number of religious programs, personalities and institutions are drawing the support of Free Will Baptists; and

## V. EXPRESSION OF APPRECIATION

Whereas,

The North Carolina Association of Free Will Baptists has hosted the 1979 session of the National Association of Free Will Baptists in a gracious and efficient manner; therefore,

Be it resolved:

That the National Association express its gratitude to the officers and members of the North Carolina Association of Free Will Baptists by a rising vote of thanks.

Whereas,

Brother Rufus Coffey has served effectively as Executive Secretary of the National Association of Free Will Baptists for the past twelve years; therefore,

Be it resolved:

That the National Association express its gratitude to him by a rising vote of appreciation and extend to him our best wishes as he assumes his pastorate. (Adopted)

## BUSINESS ITEMS FROM 1978

The following items from the 1978 General Board Report were postponed until this session.

- I. The following resolution was adopted as the position of this body. The possibility of including it in the Treatise as an appendix was discussed.

### Glossalalia

Free Will Baptists understand the Bible teaches the following facts: On the Day of Pentecost believers spoke in distinct foreign languages which were readily understood by the nationalities present.<sup>1</sup>

Tongues were given as a special gift to the early church as only one sign which confirmed the witness of the Gospel to unbelievers.<sup>2</sup>

While tongues were bestowed by the sovereign will of God on some believers, all did not speak with tongues.<sup>3</sup> When this gift was abused, it became a source of disturbance in the congregational meetings. To eliminate confusion and correct the error, Paul set particular guidelines for the Christian church to follow.<sup>4</sup> The gift of tongues was neither an evidence of the baptism of the Holy Spirit, nor does it bring about sanctification.<sup>5</sup>

We believe that speaking in tongues as a visible sign of the baptism of the Holy Spirit is an erroneous doctrine to be rejected. Any implication of a "second work of grace" has never been tolerated in our fellowship of churches, and will not be permitted.

We teach and preach the fulness of the Holy Spirit and heed the scriptural admonition, "Be filled with the Spirit; Speaking to yourselves in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord; Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ."<sup>6</sup> (Adopted)

1. Acts 2:5, 8, 11

2. I Corinthians 14:1-40; Hebrews 2:4

3. I Corinthians 12:10, 30

4. I Corinthians 14:18, 19, 23, 33

5. I Corinthians 12:13

6. Ephesians 5:18b-20

- II. As instructed by the national body, (recorded in the proceedings-page 10, 1977 minutes) we have written the following statement on the inspiration and inerrancy of the Scriptures, and recommend that it be inserted in the Treatise as an Appendix.
