Art. 1. We believe there is one true and living God, who is the Supreme Ruler of Heaven and Earth, self-existent Creator of all things, and unrevealed under the personal distinction of Father, Son and Holy Ghost, equal in every divine perfection, and existing in distant but harmonious offices in the great work of redemption.

Art. 2. We believe the Holy Bible was written by Men divinely inspired and in perfect treasure of heavenly instructions; that it has God for its author, truth for its matter and salvation for its end; that it reveals the principle by which God shall judge us, and therefore is and shall remain until the end of the world, the center of Christian union, the supreme standard by which all humans conduct, creeds and opinions will be tried.

Art. 3. We believe that man was created holy under the law of the Maker, but from voluntary transgression fell from the holy state, in consequence of which all mankind are depraved and whol-

ly unable of their own free will and ability to recover from that state in which they are by nature.

Art. 4. We believe that God has not fixed the future state of mankind by any absolute and unalterable decree; but salvation is offered in the Gospel free to all, and if sinners are lost forever it will be their own fault.

Art. 5. We believe that Christ by His death and suffering, made an atonement for the sins of mankind in general, and every individual in particular; however, that none but those who believe in Him can be partakers of the divine benefits.

Art. 6. We believe that true faith cannot proceed from the exercise of our natural faculties and powers, or from the force and operation of the free will since man is consequence of his natural corruption is incapable of either thinking or doing anything spiritually good.

Art. 7. We believe in the general application of the Grace of God for fallen man sufficient to enable him morally and actually to obey the requirements of the law of liberty—James 1:25, this is to act saving faith; John 1:9 however; none but those who believe or acquiesce in Christ will be saved thereby; Acts 17:32, Romans 2:9; John 3:19.

Art. 8. We believe in the free and moral agency of man, by the grace of God, before and after conversion; that he is under no invincible necessity, by his Creator, to act in a given way that if he lives after the flesh he shall die, but if he through the spirit do mortify the deeds of the body he shall live, and therefore, man is always a proper subject of admonition and exhortation, Hebrews 11:12; Romans 12:14; Ezek. 18:24; Rev. 2:3; 1st Peter 1:10; Ezek 33:13 and 28; 1st Tim. 4:1; Hebrew 3:5; 1st Cor. 10:12 and 22.

Art. 9. We believe that the visible church of Christ is a congregation of believers, associated by covenant in faith and fellowship of the Gospel observing the ordinances of Christ, governed by His laws and exercising the gifts, rights and privileges invested in them by His work; that its only proper officers are bishops, pastors and deacons, whose qualifications, claims and duties are defined in the Epistles of Timothy and Titus.

Art. 10. We believe that Christian Baptism is immersion in water, in the name of the Father, Son and Holy Ghost and that believers are proper subjects.

Art. 11. We believe the Lord's Supper is a perpetual obligation, by which the members of the church in the use of bread and wine, are to commemorate together the dying life of Christ, preceded always by solemn self-examination.

Art. 12. We believe in the resurrection of the dead and the general judgment and joys of the righteous and the punishment of the wicked will be eternal upon principles of grace and justice.

Art. 13. We believe in open and mixed communion and the churches of our body are authorized, through their pastors, to invite Christians of all orthodox churches, who are in good standing in their respective churches, to commune with us at the Lord's table.
