**CHURCH COVENANT**

Having given ourselves to God, by faith in Jesus Christ, and adopted the Word of God as our rule of faith and practice, we now give ourselves to one another by the will of God in this solemn covenant.

We promise by His grace to love and obey Him in all things, to avoid all appearance of evil, to abstain from all sinful amusements and unholy conformity to the world, from all sanction of the use and sale of intoxicating beverages, and to provide things honest in the sight of all men.

We agree faithfully to discharge our obligations in reference to study of the Scriptures, secret prayer, family devotions, and social worship, and by self-denial, faith, and good works endeavor to grow in grace and in the knowledge of our Lord and Savior Jesus Christ.

We will not forsake the assembling of ourselves together for church conferences, public worship, and the observance of the ordinances of the gospel, nor fail to pay according to our ability for the support of the church, of its poor, and all its benevolent work.

We agree to accept Christian admonition and reproof with meekness, and to watch over one another in love, endeavoring to "keep the unity of the Spirit" in the bonds of peace, to be careful of one another's happiness and reputation, and seek to strengthen the weak, encourage the afflicted, admonish the erring, and as far as we are able, promote the success of the church and of the Gospel.

We will everywhere hold Christian principle sacred and Christian obligations and enterprises supreme; counting it our chief business in life to extend the influence of Christ in society; constantly praying and toiling that the Kingdom of God may come, and His will be done on earth as it is in Heaven.

To this end, we agree to labor for the promotion of educational and denominational enterprises, the support of missions, the success of Sunday schools and evangelistic efforts for the salvation of the world. And may the God of peace sanctify us wholly, and preserve us blameless unto the coming of our Lord Jesus Christ.

## MINISTERIAL DISCIPLINE

Whereas,

The Bible teaches the manner in which a minister should be disciplined; and

Whereas,

The Free Will Baptist Treatise clearly outlines the procedure for disciplinary action concerning one of our ministers; and

Whereas,

Our churches and district association tend to be lax in following the Biblical principles and the guidelines set forth in the Treatise in properly disciplining ministers whose character is called into question; and

Whereas,

This brings reproach on the name of Christ and our denomination Be it resolved:

1. That our churches be requested to follow the Scriptures and the Treatise when any need for discipline arises.
2. That churches exercise wisdom in calling a pastor by properly investigating him.
3. That Associations carefully check the credentials of ministers who transfer from another Association before receiving a minister into fellowship.
4. That each district Association be requested to publish in their State Association paper the names of any ministers whose credentials have been revoked.

## GUIDELINES FOR THE CHRISTIAN EDUCATION BOARD

1. The Christian Education Board shall consist of 3 men with at least one Pastor; the other two members could be ministers or laymen but at least one must be a Pastor. The committee shall be nominated and elected by the body of the Association during the annual meeting and would be elected on a three year term; one term expiring each year. The senior member serving as chairman. Each Pastor is to select a young person from his church to serve as youth representative to the Christian Education Board.

2. The Christian Education Board along with the youth representatives from each church and the host Pastor shall plan the program of the Youth Rally each month. Youth rallies are suggested to be held each month from September until May on the last Saturday of each month at 6:00 p.m. The Christian Education Board will work with the individual pastors to select sites for the monthly Youth Rallies.

3. The Associational Treasurer will serve as treasurer for this board.

4. This board shall have approval to spend its monies without prior approval from the Associational body.

The Christian Education Board shall work with all churches of our Association in getting them involved in the Youth Rally and other related projects. Activities that require special funding (i.e., crusades, trips, and banquets) should be planned in detail and presented to a special called meeting of all the Pastors of the Association for their approval.

The Christian Education Board shall report to the Association during the Annual Meeting as matter of accounting and information.

NOTE: This Board should bear in mind that the role of the Pastors of our churches is the success of any programs they undertake. Their advice should be considered. The local Pastor should be the point of contact on any plans this board may conceive. All correspondence (by letter or phone) should be made to the Pastor in order to seek his wisdom as well as to honor this office. The youth representatives from each church should seek the advice of their Pastor on any plans made and should inform him on any decisions made by this board as a second line of communication.
