There is a time to act. There are many issues facing us today as a nation and as Free Will Baptists. Some of these are: Lawlessness, communism, racial problems, education, population explosion, care of elderly, future of the church, coffeehouse evangelism, ecumenicity, cooperative evangelism, liberalism (neo-evangelicals), and lack of young men going into the ministry.

REPORT OF THE DEVELOPMENT COMMITTEE

We had some plans on development of the mountain property and were making some progress when Mr. Banks died. Since we did not have a right-of-way to the property we decided not to do anything for the time being. However, we have some plans in the making. We have contacted a man who is coming to plot out our property and tell us where is the best place to build our buildings, lake, etc. We had a meeting with a man from Timberlodge Builders Association. He gave us some prices on California Redwood buildings. These seem to be the most economical. These buildings are so constructed that anyone can put them together in three or four days. We can get a building 24' x 48' for \$6,800.00 plus an additional 4 feet for \$391.00. This does not include floor, plumbing, and wiring. We plan to build one building as soon as we get the right-of-way, plans, etc., and then add a building as we can. We have a number of people who are wanting to buy some land for \$100.00 per acre as soon as we get the right-of-way and the land surveyed.

REPORT OF THE STATE EVANGELIST

1970

REFLECTIONS

When you elected me as your Moderator in the 1966 session at Liberty Church in Durham, little did I dream nor realize that God's will for my life would lead in this direction.

After being elected, I conscientiously tried to analyze our Free Will Baptist situation and possibilities in the state. There had never been an analysis occasion for me before. I had never served on one of our boards. I think I was interested in our work — at least I attended all of our meetings. Now, it was different. You had elected me as your moderator. I could not just attend the meetings. Now I must try to give some constructive suggestions and leadership in our future course.

After three or four months of reflection and study and analysis of our total setup in the state, I became burdened that we needed a full-time promotional man. The night that I lay in bed, after my family had long since gone to sleep, with State Minutes in my hands, I thought and prayed. I became really scared as God burdened me that we needed such a ministry and that I was the one to promote our work. Would it make sense to resign a big church that loved me and paid me well and offer myself to work for our State Association, which had no money to pay me? Was it fair to my family? Was it even fair to my State to seek to lead them into such a gigantic venture of faith? Was it even ethical to say that I felt I was the man? Would my brethren think I was off my rocker and was promoting myself or was I sincerely wanting to promote our state work? Would our state rally? Would my brother preachers help me? Would I make a big fool out of myself?

That night — late, on my bed at 303 N. Hyde Park Avenue, Durham, the conviction crystalized in my heart. Yes, I would tell it to some of my closest friends first to see what their reaction was. I opened my heart to Billy Morris, Joe Ange, Frank Davenport, and Herman Hersey first. Then, I told our State Executive Committee about my burden. We decided to call a special meeting of all the personnel of our five departments and get their counsel. We met at Unity Church in Smithfield. The concensus was to call a special session of our State Association and recommend the step of faith. We met at Faith Church, Goldsboro. With much fear and trembling we launched out. You remember!

Now it has been three full years and four months since we launched out full-time. Am I sorry? No, a thousand times no! Have there been hard times? Yes, a thousand times yes! But many, many more blessings than heartaches!

Are you sorry? I do not know. I really do not think so. You have rallied to this venture of faith. You have supported the work. It is *your* work — not *mine*. You have made the good reports possible! I thank you a thousand times! God bless you for it. I love you for it with all my heart. You have had faith in me and our other men when it really looked dark. I am so glad. God has rewarded the faith of us all.

Our work now, I feel, is well established and we are really ready to do a noble work for our God in North Carolina. The next years, if Jesus tarries, we will see things happening that will awe and astound us all, I feel. It is so exciting just to think of the possibilities, I can hardly stand it. To God be all the glory! To all of you, our North Carolina Free Will Baptist people, we say, "God bless you and thank you."

Now I have not followed my outline for the preparation of this report at all. I had been making notes for two months of things I wanted to include in this annual report, but when I sat down tonight to write it, the Lord, I believe, led me a different way. If we can all be reminded that God *has really led us* and that we are on course, then to God be the glory. Our future looks as bright as the promises of God.

THE FUTURE

There are great things in the future for us, I feel. All five of our departments are making important plans for our state. I have some dreams for us too.

Oh, I would love to see us have a nice tent, hold revivals and at the end organize us a good Free Will Baptist Church. A dream of mine is for us to have a first-class radio ministry to cover our state from Murphy to Manteo. My heart burns for us to get to the place where we could publish pamphlets and paper back books by the thousands and also some hard backs. Just some of my dreams.

THE WITNESS

The Witness is having an effective ministry. Our people like it, I am convinced. We now print 5,700 copies per month.

C. C. B. INC.

Capital Church Bonds, Inc., has now conducted programs totaling \$233,000 — right at the quarter million mark — since we began. We are so glad for churches that have used the services of our own North Carolina Bond Company. We now have three of our men helping us in the field.

I am anxious to see us develop a "package building plan" for our churches. I mean a turn key job including financing, architectural, contractor, materials, furnishings and equipment, etc. We can save our churches thousands of dollars and make some money for our state too. It is now in the talking and planning stage.

BOOK STORE

The Book Store continues to grow. Our Executive Committee has authorized a committee to look for a building in a business district. We are deeply grateful to you, our people, for patronizing your own Free Will Baptist book store.

We now have excellent arrangements to supply you with pews, folding chairs, tables, desks, office and school equipment, baptistries, steeples, stained-glass windows, carpet, tile, hard wood floor finishing, commercial ceilings, pianos and organs, hymn books (any kind), baptistry scene paintings, flags, etc. Prospects look good, in the near future, for brick, steel, folding doors, outdoor church signs, laminated beams, etc. No matter what you want, give our Free Will Baptist Book Store a chance to get it for you.

SOUL-WINNING

One of my dreams has been to cover our state with One Day Soul-Winning and Sunday School Building Institutes — one for each district, once or twice each year. Some of our strongest leaders have already told me they are available for such meetings. Praise God! We hope to start soon! Watch for the announcement for your district.

SUPPORT

I hope to see the day that every church in our state is giving something to our work — whether a large gift or a small one, we want each church giving each month. Remember now, we handle no National money. We urge all of our churches to send their money for National causes directly to Nashville. What you see in these reports is what our people have given to our North Carolina causes — a total of \$44,426.91. Now add to that

figure \$138,892.76 and you will see our total North Carolina giving picture — \$183,319.67. That is not all we *could* do, but it is *fair*, I think, don't you?

The Associations in our state, not yet members of this Association, have been extremely nice to me. I visit them all. They welcome me, buy from our store, some support our work, etc. God bless them. We have an Association of Indian Free Will Baptists down near Lumberton. I have visited with them. God bless them too.

Last year we cut the State Program allocation to the Promotional Department by 2%. It was added to the Missions Department. I hope we can go another step in this direction this year. Not much, you say? I think it is significant that we are *cutting* at least rather than *adding* some.

Now, State Program giving is only about 15% of our total giving picture in the state. Eighty-five percent (85%) of our money goes direct from the churches to the agency that spends it.

GROWTH

We are growing. A lady is helping us with some typing part time. Our Executive Committee voted to use the double entry bookkeeping system and has employed a bookkeeper to keep the books for us, make our tax reports, etc. This will greatly help us and allow us to do some things that we just have not been able to get to do up until now. He is working on his first month's invoices.

Thank God we are growing — no one wants us to stand still. But the more we grow, the more money will be required. God will supply. He will do it, however, through us.

STATE EVANGELIST

I am your editor, book store manager, director of Capital Church Bonds, Inc., treasurer of the State Program and the State Evangelist. That sounds big and important. However, when I cross your mind, I do not want you to think first of me as editor, manager, director or treasurer but think of me as a *preacher*, an *evangelist*. I want to be known as a warmhearted preacher who loves your souls and the souls of lost people and who by all means wants to win some to Jesus. As Paul said, ". . . I am made all things to all men, that I might by all means save some." I Cor. 9:22

This year I have traveled 35,657 miles.

Thank you for allowing me to serve you. May God's richest of blessings be yours.

Ronald Creech

REPORT OF RESOLUTIONS COMMITTEE

1. Be it resolved that this Association extend a rising vote of thanks to College Lakes Free Will Baptist Church and the host Pastor, Rev. Barry Hampton, along with the musicians and the Church Trio, for the gracious hospitality extended this Eighth Annual Session of the North Carolina Association of Original Free Will Baptists.
2. WHEREAS, the issue of Sex Education in our schools and pornographic materials that are being made available throughout the land are an abomination before God and a source of corruption of the morals of our young people, and

WHEREAS, God calls His ministers to be "Watchmen on the wall, and sends them to warn people of these things that war against the soul. BE IT RESOLVED: That we re-emphasize our opposition to the SIECUS Program in our schools and the filthy literature being made accessible to our Youth, and,

BE IT RESOLVED: That we urge our ministers to cry out as never before against these sins and encourage their people to speak out against these things both at the polls and by writing the proper authorities stating their opposition in no uncertain terms.

3. WHEREAS, the Bible says in I Timothy 2:8, 9, 10, "I will therefore that men pray everywhere, lifting up holy hands, without wrath and doubting. In like manner also, the women adorn themselves in modest apparel, with shamefacedness and sobriety; not with broidered hair, or gold, or pearls, or costly array; But (which becometh women professing godliness) with good works." And

WHEREAS, the Bible says in James 1:14-15, "But every many is tempted, when he is drawn away of his own lust, and enticed. Then when lust hath conceived, it bringeth forth sin: and sin, when it is finished, bringeth forth death." And

WHEREAS, the miniskirt and other immodest clothing causes men and women to be guilty of sins recorded in Matthew 5:27, 28, "Ye have heard that it was said by them of old time, thou shalt not commit adultery: But I say unto you, that whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart." And WHEREAS, women in our public offices in our cities, counties, and state are wearing this type apparel and causing a breakdown of efficiency in the jobs that we as taxpayers are paying for and,

WHEREAS, the public school teachers and students are wearing this type of apparel and causing a breakdown of moral character throughout our country,

BE IT RESOLVED: As Christian people we prayerfully petition, (1) The pastors of our churches to cry aloud against the sin of immodesty (Isaiah 58:1); (2) The designers to improve this immoral condition in our country by designing clothes that are modest; and (3) Our Legislators to enact laws to protect us against those who would be immodest and impose their immodesty upon the public.

4. WHEREAS, New Evangelicalism is a deadly and subtle attack upon the Word of God and a theological and moral compromise of the worst sort, and

WHEREAS, no more serious issue has faced the church since the days of the Protestant Reformation, and

WHEREAS, The New Evangelicalism advocates toleration of error and is exerting tremendous pressure upon believers to forget the Biblical principle of separation, to join hands with the enemies of the Lord, and to minimize the spiritual distinctives which separate God's people from unbelievers, and

WHEREAS, the New Evangelicalism mood of toleration toward heretics is leading them into the "soft line" of appeasement rather than the "hard line" of repudiation; and in dealing with these heretics, it is no longer the doctrine of God but the law of love. And

WHEREAS, in *World Vision Magazine* for October, 1968, Dr. Paul Rees writes an editorial reporting the meeting of the World Council at Uppsala and seems eager for evangelicals to have part in the blasphemous testimony of the World Council. He said, "Furthermore, whether we have formal connections with the World Council or not, we are obliged to acknowledge that we have Christian brothers whose denominations are in the Council and who themselves are active participants in Council affairs . . . They have been sitting in this assembly hall and I, though not a delegate, have been unashamedly sitting with them. A few seats away from me is Dr. David Hubbard, President of Fuller Theological Seminary . . . Behind me sat the Rev. John Stott, senior minister at All Souls' Church (Church of England) in London . . . In the same bank of seats with us was Dr. Leighton Ford, associate evangelist and vice-president of the Billy Graham Evangelistic Association."

In another editorial in the same issue of "World Vision" Dr. Rees writes: "Uppsala for Dr. Hubbard, confirmed his belief that participation in theological councils of the Church by Conservative evangelicals is essential" and

WHEREAS, the Rev. W. S. Mooneyham's ministry and time is devoted to working and promoting World Vision, and

WHEREAS, we believe that his organization is detrimental to the cause of fundamental Christianity because of its active role in promotion of New Evangelicalism, and

WHEREAS, we do not believe that a man who is working and promoting New Evangelicalism, as Dr. Mooneyham seems to be, should be given the recognition or honor of speaking at the Missions service of our National Association.

BE IT RESOLVED that this State Association hereby petition the Executive Committee of the National Association of Free Will Baptists to withdraw their invitation to Dr. Stan Mooneyham as speaker for the Missions service of the 1970 Session of our National Association.

Respectfully submitted,
Gene Parisher, Chairman

EDUCATION COMMITTEE REPORT

The committee on education feels that more emphasis could and should be placed in the following areas of Christian education:

- A. Education in the local church.
- B. Education through home literature.
- C. Education in Christian educational institutions.

Within the above areas the committee recommends the following:

- A. In the local church
 - 1. Place greater emphasis on training and grounding new converts in the faith.
 - 2. Thoroughly teach our Free Will Baptist doctrines.
 - 3. Hold institutes to train workers to be more effective.

B. In the home

1. Provide a daily devotional guide for each family.
1. Provide the *Free Will Baptist Witness* for each family.
3. Provide *Contact* to each family on the "every family plan" or encourage each family to subscribe.
4. Suggest and encourage the use of other Christian literature.
5. See that each family is on the mailing lists to receive *Heartbeat*, *Missiongrams*, and the *Free Will Baptist Bible College Bulletin*.

C. Christian educational institutions

1. Recommend Free Will Baptist Bible College and Piedmont Bible Institute to all persons seeking to further their education regardless of whether or not they plan on full time Christian service.
2. Warn people of the dangers in attending secular colleges and universities.
3. Recommend that parents strongly consider sending their children to Christian day schools when such schools are available.

The committee recommends that each Sunday School and CTS use the literature prepared by and for Free Will Baptists and supplied through the National Sunday School and GTS departments.

The committee recommends that each church give regular financial support to both the general fund and expansion program of Free Will Baptist Bible College.

Respectfully submitted,
Jack S. Forlines, Chairman

1. Be it resolved that we express our appreciation to the Executive Committee for the planning and preparation of our Convention today.

3. Be it resolved that we express our appreciation to the Pastors and laymen that were present today and for their interest shown in our convention.

4. Realizing the trend in modern dress is not in accord with the Scriptural modesty to which we are told to adhere, we hereby request the women of our Auxiliaries to encourage modest dress in our local churches — using the following methods: (a) By example (b) By counselling with our daughters (c) By encouraging young girls in our churches to dress modestly. A good guide would be the rule of our Free Will Baptist Bible College, which reads that skirts must touch the floor when the girl gets on her knees. (d) By urging our churches to take a definite stand on the matter of dress.

5. Be it resolved that we pray diligently that God would help us overcome fear, frustration and resentment by overcoming them through faith, hope and love.
