SUNDAY SCHOOL REPORT

We the Sunday School recommend that all churches and its leaders promote the interest in Sunday School attendance and classroom participation.

Also, in the selection of teachers and Sunday School officers, the church should be very prayful and careful of this election.

Since all teachers and Sunday School officers teach and influence young minds, they should and must meet certain Biblical qualifications. Each one should be genuinely saved, known by their lives of separation and the love for Jesus Christ. They should be completely dedicated to the cause of educating saints, evangelizing sinners and exalting the Savior.

We recommend that all teachers be members of their perspective churches. We further recommend that teachers attend all Sunday School conventions. We, also recommend that all Sunday Schools use the Free Will Baptist literature.
