**THE OGEECHEE ASSOCIATION OF FREE WILL BAPTISTS

DEEP CREEK FREE WILL BAPTIST CHURCH
MIDVILLE, GEORGIA**

JANUARY 15, 2005

On behalf of Deep Creek Free Will Baptist Church, Buck Taylor extended a warm welcome to all those in attendance.

Before calling the meeting to order Moderator Reverend Bobby Taylor, Jr. led the congregation in singing the chorus *Isn't He Wonderful*.

MORNING BUSINESS SESSION

Moderator Reverend Bobby Taylor, Jr. called the meeting to order, then recognized the standing delegates. Church delegates were presented, Reverend Johnny Beasley made a motion to seat church delegates; the motion was seconded by Carlis Wilson. The motion carried. The Moderator welcomed visitors to the association, and introduced Charles Sumner, Georgia State Representative for Alabama Free Will Baptist Children's Home.

The moderator made the following committee appointments:

- Financial committee: Mark Findley, W.J. Wimberly
- Obituary committee: Angela Brantley
- Card of Thanks: Terry Carter

Buck Taylor gave the offertory prayer. The meeting recessed briefly following the offering.

Following a brief recess, Moderator Reverend Bobby Taylor, Jr. reconvened the meeting, calling for the following committee reports:

Georgia State Mission Board

Reverend Rick Wilson reported that there are many good things happening with the state mission board. As of December 1, 2004 the Valdosta work is once again active. A missionary has been hired to serve in the Valdosta work, and the board is excited about the work. Rev. Wilson also noted that other churches have shown an interest in bringing their churches under the mission board for assistance. Rev. Wilson also reported that after a diligent search, the Mission Board has hired Rev. William Crank. This selection was carefully and prayerfully made after reviewing sixteen candidates. Rev. Crank is available to begin work with the mission board March 2005. The Mission Board is considering three areas for Rev. Crank to begin his mission work. Rev. Wilson pointed out that these newly hired men were interviewed and agreed to all conditions in the Georgia State Missions Handbook. According to Rev. Wilson, several states have approached the mission board about their Mission Handbook; the handbook is very comprehensive and other states are using it as a guideline to write their own manuals. The Moderator ask for an update on the Hampton work. Rev. Wilson reported that they had a buyer for the property. The buyer is trying to secure financing. Reverend Harris Nix inquired as to the three areas being considered by the mission board. Rev. Wilson stated that the three areas are Cartersville, Richmond Hill/Ricon, and Bonair. The moderator received the report as information.

Nominating Committee

Reverend Irvin Murphy reported that the terms of a number of association representatives on state boards would be expiring. The nominating committee made the following nominations for those positions:

- State Camp Board
Reverend Bobby Taylor to replace himself
- State Christian Education Board
Mr. Mark Findley to replace himself
- State Mission Board
Reverend Rick Wilson to replace himself
- State Trustee Board
Reverend Charles Beasley to replace himself

Rev. Murphy made a motion to accept nominations and proceed to elect by acclamation. Reverend Johnny Beasley seconded the motion and the motion was carried.

Member -at-Large

The moderator, Reverend Bobby Taylor, Jr. reminded the attendees that a change in the state constitution has created a new position on the state executive committee. Each association moderator now serves as a member-at-large on the state executive committee. Rev. Taylor reported that the state executive board will be presenting a proposal to change the Laura Belle Banard State Missions Offering to the Damon C. Dodd State Missions Offering. This change will help to alleviate confusion with the National Laura Belle Banard Missions Offering. Rev. Taylor also reported that the

executive committee will propose state guidelines to determine who qualifies as a Georgia Missionary under the Acts 1:8 plan. Rev. Taylor also commented that the state camp board plans to continue the practice of giving each association a \$1500.00 grant for summer camp. In reference to our association summer youth camp, Rev. Taylor stated that the camp would be held at Camp Tattnall again this year; the dates for camp are June 12 - 17. Rev. Taylor added that he plans to use a number of young people who have previously participated as campers as camp workers. Reverend Rick Wilson interjected that he had received some indication from the camp director at Camp Tattnall that there may be a possibility of our association building a dormitory on their property. Wilson suggested the possibility of building a 50x100ft. building which could be divided to serve fifty boys on one side and fifty girls on the other side. There was some discussion as to the wisdom of building on someone else's property. The moderator commented that this possibility would have to be pursued further so that the association could consider the stipulations of such an agreement. Rev. Tim Brantley also added that we need to consider the fact that Camp Tattnall already has facilities available and if we built our own camp it would be extremely costly. Reverend Alan Carter shared that a Christian couple in Appling County have started a facility for camping, Cross Ties. Carter stated that we may be able to work out an agreement to use this camp. Reverend Harris Nix added that a committee needed to be appointed to investigate our camp options and come up with a long term plan. The moderator appointed a committee to investigate camping options. The appointees are Reverend Rick Wilson, Reverend Bobby Taylor, Jr., and Reverend Alan Carter.

Alabama Free Will Baptist Children's Home

The moderator asked Charles Sumner to share information concerning the children's home in Alabama. Charles Sumner serves along with Arthur Smith as Georgia's representative for the children's home in Alabama. Sumner thanked the association for their previous financial help and commented that the children's home received \$22,000.00 from the state of Georgia last year. However, Sumner pointed out that all of the monies received from Georgia were designated; the home was once included in the state budget but is no longer included. Sumner set forth his desire to see the state add the home back to its budget. Sumner discussed the home's mission at

Obituary Committee

Angela Brantley gave the following obituary report:

- Stoney Hill Free Will Baptist Church
Everett Poole
- Sand Hill Free Will Baptist Church

Nevil Braddock

Following a moment of silence Reverend Tim Brantley led in prayer.

Financial Report

Mark Findley, treasurer stated that he had no report due to computer problems, but promised to get reports to the churches. Mr. Findley stated that church dues for the meeting totaled \$600.00 and the days offering was \$90.63. Adding this income to the current balance gives a total balance in all accounts of \$14,099.63. Findley made a motion to accept this report, and Reverend Johnny Beasley seconded the motion. The motion was carried.

New Business

Reverend Rick Wilson made a motion for the association to make a donation to the Alabama Free Will Baptist Children's Home. Reverend Johnny Beasley seconded the motion. There was some discussion over how much to donate. Reverend Irvin Murphy asked the treasurer for the total in the general fund. Treasurer, Mark Findley stated that he was unsure of the general fund balance since he failed to retain a financial report from the previous association meeting, but estimated the balance to be approximately

\$4000.00. Reverend Tim Brantley stated that he felt we should always try to give more than we did before. The previous offering was \$2000.00. Reverend Johnny Beasley suggested donating \$1000.00 and encourage our churches to add the home in their budgets as well. The moderator suggested matching our previous gift of \$2,000.00, and encouraging our churches to give additionally. Wilson agreed to amend his motion to set the donation amount at \$2,000.00. Reverend Johnny Beasley added his second to the amendment and the motion was carried.

Card of Thanks

Terry Carter asked attendees to give a rising vote of thanks to Deep Creek Free Will Baptist Church for their hospitality and the meal which they prepared.

Mission Board Report

The State Mission Board met on July 5th at the White Oaks Church in Macon Ga. We reviewed the mission work of Bill Lewis in the Valdosta work and found that he is doing very well. He has put out both T.V. and internet advertising and is getting a good response. He shared with the mission board that his attendance is around 29 and he is getting new visitors almost every week. The church is moving in the right direction and the Board is very pleased.

Bro. William Crank reported that he is meeting in his home and has several families that are making their core group and he feels he will be on target to start their Church opening in September. He is in the process of finding a suitable building to rent. He already has gotten a family who is music oriented and they have mapped out the service orders and classes.

The Hampton work has had several groups looking into it but no one has met the selling price of \$770,000.00. The best so far is a group offering \$600,000.00

Note a tornado hit the Church in Hampton Wednesday night extensive damage was done to roof, walls, doors and landscaping. The insurance adjuster is getting together with the board as soon as figures are in.

I submit this report.

Alabama Children's Home

Bro. Mark Findley explain the situation about the \$2000 donation made to the Alabama Children's Home at the January Association meeting. At that time the Ogeechee Association general account did not have adequate funds to cover the donation, so the money was taken from the Ogeechee Mission Board account. At the present time the Ogeechee Association does not have the funds to replace the amount taken from the mission board account. He stated that to be able to continue to donate at \$2000 level, it would be necessary to raise the churches quarterly fee to \$100. This would allow us to meet our current expenses and paid our state dues. Rev. Taylor echoed the remarks by Bro. Findley. Rev. Irvin Murphy stated that he was not in favor of raising the church fees to \$100. Rev. Tim Brantley recommended for let each church decide how they would support the children's home. The association decided to allow each church to make their own donations to the children's home.

Rev. Bobby Taylor, Jr. recessed the business meeting for the morning worship service.

Rev. Rick Wilson introduced the Lyons FWB Church's Youth Praises Team to bring the Special Music for the morning worship service. After the worship service, Reverend Taylor opened the morning business session.
