The State Sunday School Board held six (6) training courses through out the State this year. They were as following; Capitol Hill, Oklahoma City; Norman; Clinton; Holdenville; Claremore; and Stigler.

The members of the Board have taught ten more schools on their own in other churches throughout the State.

We plan to have four institutes and five training courses this coming year. We plan to have one member of the Board at every Quarterly Meeting and Annual Association this coming year.

These are the four areas we plan to have our institutes; Duncan, Clinton, Collinsville, and McAlester. We have promoted the Master's Teacher's certificate in most of the churches in the state and we urge every pastor and Sunday School Superintendent to promote a training program in their Sunday School, so that teachers might earn one of the fine certificates.

MISSION BOARD REPORT

The results of the efforts of the mission board in the past year have been very gratifying. We wish to thank each one who had had part in making this a successful year for this board.

In the past twelve months we have met thirteen times. A regular monthly meeting day on the third Tuesday has been observed. A total of 6458 miles have been traveled on Mission Board business, including survey work, establishing new organization, and to Board meetings.

We are very happy to report that five new churches have been established and have received assistance from our Board. These churches include Guymon, Clinton, Sayre, Pensacola, and Purcell. All of these are now self supporting and are showing good signs of progress.

The Guymon Church was organized on December 19, 1956, with 25 charter members after a revival effort sponsored by this Board and conducted by Rev. Wade Jernigan. The first effort made, in Guymon was in August 1956 when a prayer meeting was established in the home of Bro. and Sis. Fred Keiffer, who were charter members of the organization. The Board employed Bro. Jernigan in November 1956 to do the necessary survey and ground work. After the organization, the Church called Bro. Jernigan as Pastor and voted to unite with the Union Association. Since that time the attendance has increased with an average attendance in Sunday School of over 50. The Church has purchased property for a parsonage at 1411 No. Beaver Street and at the present time is building a new church house. The Guymon Church was the first church to receive assistance from the New Church Clubs and received a total of \$485.00.

The Clinton Church was organized on January 25, 1957, with 17 charter members after a revival conducted by Rev James Murray. The first effort made was the holding of prayer services in the home of Bro. and Sis. Ralph Hutchison, who were charter members. The Board employed Bro. Murray on the first of January, to do the ground work and survey. After the organization, Bro. Murray was retained as Pastor, and the group voted to unite with the Union Association. The Church has progressed well and is now meeting in a temporary location on Frisco Street in an abandoned lumber yard office. The group plans to secure lots and start a new church building in the near future. The Church received \$445.00 from the New Church Club membership.

The Sayre Church was organized as a result of efforts made by Rev. Clyde Hamar on May 31, 1957. There were about 20 charter members. The Church called Bro. Hamar as Pastor and voted to join the Union Association. A number of these who were charter members of this Church were former members of a disbanded rural church that had been affiliated with a Texas Free Will Baptist Association. The Board granted the group \$100.00 from the General Fund.

The Pensacola Church was organized on February, 9, 1957, in the home of Bro. Frank Brixy by Bro. Howard Gage of Pryor. There were between 15 and 20 charter members of the group which called Bro. Luther Jones as full time Pastor. The Church united with the Grand River Association. The Church is reported to be in good condition and progressing. The Board aided the group by granting them \$100.00 from the General Fund.

The Purcell Church was organized on June 14, 1957, with 17 charter members. The organization, sponsored by our Board, was a result of efforts made by Bro. Major Followill and Rue Dell Smith. Since the organization the Church has progressed with an increase in attendance and has also purchased church property for worship at 128 Eol River St. The group joined the First Oklahoma Association and called Bro. Major Followill as Pastor. The Church has received \$335.00 thus far from the New Church Club.

Currently the Board is sponsoring efforts in the cities of Stillwater and Enid. A Mission was organized in March of 1957 at Stillwater after a revival held by Bro. E. M. Kennedy and by Bro. Homer Young. The Board felt the number too small to establish a church and has since maintained the work as a Mission.

The group is meeting in a rented house located at 1124 S. Main. Bro. Conn Saddler of Cushing was in charge of the work until the first of September when he resigned. Since that time there have been a number of ministers who have supplied the preaching. The Board is now searching for the right man to take the work over and establish it as a self supporting work. The mission work in Enid was established in June by Bro. Fred Kirby. Bro. Kirby is at present holding mission services in his home at 126 West State Street. The Board has promised support and is now sponsoring the effort which Bro. Kirby started on his own. Plans are in the making to perfect the organization by October 17th. We are hoping that both of these missions will soon become prospering churches in these key cities that have no Free Will Baptist Churches.

The success of the "New Church Membership Club" plan to aid newly organized churches has been good. At present we have two complete clubs of 100 members each and a third club has been started with over 50 members to date. Club No. 1 has been assessed twice this year, for Guymon and Purcell, while Club No. 2 has been assessed once for Clinton. Present plans are to assess Club No. 2 for Enid, unless Club No. 3 is completed at the State Convention. The aim of the Board has been to use the aid of these clubs to help establish churches in towns and cities where there are no Free Will Baptist Churches. Also to be eligible for aid from these clubs, a new work must be sponsored by the Board. When a new church is organized without the sponsorship of our Board, aid will be given, if warranted, from the General Fund, but not from the New Church Membership clubs. The purpose for this can be seen in the fact that there are over 100 towns and cities in Oklahoma with 1000 population or over that do not have one Free Will Baptist Church.

The projected goal for the coming year is to have 200 Free Will Baptist Churches in Oklahoma by the convention of the Golden Anniversary session in October 1958. This means that approximately 20 churches will have to be organized by this board, the different District Mission Boards and by the individual churches themselves, in the coming year. This means a new church will have to be organized every 18 to 20 days. Our goal is to establish these churches in the heaviest populated cities in Oklahoma where there are no Free Will Baptist Churches. These cities will include: Ponca City, over 20,000 population; Altus, Blackwell, Durant, El Reno, Guthrie, Midwest City with population between 10 and 20 thousand; Alva, Anadarko, Edmond, Elk City, WFrederick, Hobart, Hugo, Idabel, Pauls Valley, Pawhuska, Perry, Vinita, Waggoner, and Woodward, population between 5 and 10 thousand.

We wish to thank every Church and individual who sent an offering in support of our Home Mission Month Emphasis program in June of 1957. The total amount of this offering was approximately \$225.00.

We have recommended to the Budget committee a budget of \$3,000.00 for the coming year.

The following is our Treasurer's Report.

Superannuation Board Report

We, the Superannuation Board met twice this year, Nov. 19, 1956 and Sept. 24, 1957. At the meeting held in November, it was voted to discontinue the payments of \$5.00 per month to Rev. I. W. Yandell and Rev. W. D. McCready due to outside interference. Due to action of the State Association last year, we have received no funds this year. We have been working on a plan, and at the last meeting devised the following recommendations:

1. Whereas the President of the United States has extended the time limitation until April 15, 1959 for participation of ministers in U. S. Social Security, and whereas we the Superannuation Board feels that this is the best insurance plan, we recommend that each minister avail himself of this opportunity.

2. We recommend that each church pay Social Security on their pastor's salary and Executive Secretary.

Report of the State Education Board of Free Will Baptist of Oklahoma

The Board met in Tulsa at the First Free Will Baptist Church, on November 12, 1956. They looked over the Ross Public School building and agreed to let Brothers John H. West and Melvin Bingham investigate further into the possibilities of purchasing same, should the State Association desire it for use as a Junior College.

We contacted the Extension Department of our Free Will Baptist Bible College, concerning a course to be taught at our next Institute, but it could not be arranged. The first Minister's Institute of this associational year was held in January, 1957 at the Central Avenue F. W. B. Church in Oklahoma City. There were 20 students present and God blessed each one who attended. The Board met again on February 14, 1957 at the Tulsa First Church for the purpose of making plans for our next Institute. At a later meeting in Okmulgee, plans were completed for the May 7-11 Institute which was held in the First F. W. B. Church in Tulsa. This Institute was a success but we were

disappointed in the attendance. The Ministers' Conference was combined in this meeting, and we feel that both efforts were at a disadvantage by having them together.

We want to express our appreciation for the fine work of each teacher and each student. We trust that Free Will Baptists of Oklahoma will ever look to our Master and strive to exalt Him more.

REPORT OF THE EXECUTIVE SECRETARY

For The Year Ending Oct. 15, 1957

To The Forty-Ninth Annual Session Of The Oklahoma State Association Of Free Will Baptists, Greetings:

The year has passed so swiftly, that it reminds us that, what we do, we must do quickly. There has been much accomplished this past year, I have held eleven revivals, many week-end appointments, preached about forty eight Sundays out of the year. I have been able to visit every District, and feel that a better spirit of cooperation is prevailing than at any time since I have worked in the position I now hold. Many of our Churches have built new facilities throughout the State, we as Free Will Baptist should be proud of our Church Buildings.

Mrs. Kennedy has stayed at the office and taken care of the work there while I have been away, Mrs. Lorene Borden has helped in the typing of the material for the Promoter. We sent out 1450 copies during the month of September. I want to thank all the Churches, The State Auxiliary, The State League, The Mission Board, The Sunday School Board, and individuals that have sent in material to be published. All these groups deserve the greater part of the credit for the success of the Promoter.

I have been able to cooperate with each standing board when needed this year. The Executive Board has been very busy in handling the affairs of the state and have done a splendid work. The Mission Board has been very active, and perhaps had the greatest year in organizational work in the history of our State work. I have helped in the efforts of the Sunday School Board, and the Christian Education Board in their Institutes and Courses.

I would recommend that we preface our Golden Anniversary with Prayers and Plans for greater things for God.

1. By recommending that each church give at least 10 percent of their income, (through their District where they have a co-operative plan) or direct to the State Office otherwise, to be used to further the Cause.

2. That the State Executive Secretary be invited to each Church, for the purpose of assisting in the raising of their allocation.

3. That we urge all money to any phase of our work be directed through the office, so we may have an accurate account of the State's giving.

4. That we unite in an effort to increase our subscriptions to the Promoter, with 2,000 as a goal to reach by our Golden Anniversary, Oct. 1958.

REPORT OF THE CO-ORINATING BOARD TO THE STATE ASSOCIATION

We the Co-ordinating Board met two times this past year. These
meetings were held on March 5, 1957 at Wewoka and July 1, 1957
at the Central Avenue Church in Oklahoma City. We feel, that at
these meetings, much good was accomplished both for our Lord and
the Free Will Baptist Denomination.

In our March meeting, we were called upon to help the State
Executive Office. At this time the State Executive Office was in a
financial crisis. Not tnough money was coming in for the Office to
operate on it's allocated percentage. In this meeting we voted that
the 12½ per cent which had been allocated to the Children's home,
be given over to the State Executive Office until the Executivt Of-
fice until the emergency be met.

In our meeting of July 1st, Bro. Kennedy invited all the Moder-
ators of the various Associations to meet with us. At this meeting
the work of the State in general was discussed. Each Moderator pres-
ent was called upon to report, from his Association. The Moderators
reporting were from the following Associations: Canadian, Hopt-
well No. 2, Southeast, First Oklahoma, First Mission, and the Pro-
gressive. We were happy to hear that progress is being made in each
of these Associations and we pray that other Associations are pro-
gressing in like manner.

At this meeting each of the Boards were ask to submit their per-
posed budget for the year 57-58. These are the proposed budgets: Mis-
sions, \$3,000.00; Suneay National Extcutive Office (Cooperative Plan)

\$12,000.00; State Executive Office, \$11,000.00; Miscellaneous, \$2,000.00 making a State budget of \$30,000.00. The Board voted to accept, and recommend this Budget.

In this meeting, the usage of the proceeds from the Children's home was discussed at length. After much discussion a motion was made and carried, that we recommend to the State meeting that: \$10,000.00 be placed in a "savings fund" to be used for an educational program, at such time as the State feels it is ready to start such program. The remainder of the proceeds to go to the State Mission Board, and out of this amount, a tent and chairs are to be purchased for use in organizing new churches in Oklahoma under the direction of the Mission Board.

It was voted at this meeting, to extend the length of our State Association by adding one-half day to the business session. We trust that by doing this we will not have to rush through our reports, business, and most of all our Worship Services.

We trust that as this board continues to function that we may be of greater service to our Blessed Lord and our Great Denomination. We ask the prayers of every preacher, deacon, and layman that we will be lead of the Spirit in all our meetings. May God Richly Bless each of us as we come together at this Great Associational Meeting to carry on the work of our Lord and our great Denomination.

Respectfully Submitted:

Ernest M. Kennedy, Chairman

Lonnie E. DeVault, Secretary.
