MISSION BOARD REPORT

The Mission Board wishes to report a successful and prosperous year of work. The scales that have long concealed the vision of Missions from many of our Free Will Baptist ministers and laymen are slowly being removed from the spiritual eye as the challenge of Missions is presented. The statement of our Lord in John 4:35, "Lift up your eyes, and look on the fields; for they are white already to harvest," has been met by many of our people, including number of ministers who have felt the call to go into the field of missions. For this increase of vision, we praise the Lord and shall continue to hope that an even larger number of our people shall continue to have their eyes opened to meet the great challenge of carrying the Gospel to all the world. It is our purpose to endeavor to open more eyes by carrying out a program of missions in our State that will present the need of this challenge.

The increased giving to Foreign Missions is one great sign that the Free Will Baptists of Oklahoma are getting a greater vision of Missions. The state met its foreign mission quota to the National Association for the first time in the calendar year of 1958. We are

grateful for the doors of our churches that have been opened and are being opened to receive mission workers, both home and foreign, who came into Oklahoma on itinerant mission work.

During the past year, since our last report eleven (11), new churches have been reported established in the State. Although we are three short of our goal of 20 new organizations, by the end of our Golden Anniversary year, we are grateful for these new churches, and our Board is ready to meet the challenge of the coming year and bring the number of our goal and past, and the total number of Free Will Baptist Churches in the State over the 200 mark. The new organizations since our last report include, County Line, Comanche, Southwest Church of Oklahoma City, Stillwater, Sallisaw, Idabel, Wagoner, Sand Springs, Blackwell, Chandler, and Lone Chimney.

County Line Church is located in the Duncan area on Hiway 7 east of Duncan. It was organized on September 18, 1959, with 13 charter members under the leadership of Brother Ward Fellowbaum. The church united with Hopewell No. 2 Association and called Brother Fellowbaum as pastor. Church property has been purchased and a report of progress has been made through the year.

Salisaw Church was organized on September 30, 1958, under the leadership of Brother Leonard Crowder and Brother Rupert Pixley of Ft. Smith, Arkansas. There were nine charter members in the organizations but more have joined since. The church united with Eureka Association and called Brother I. L. Florence as pastor.

Stillwater Church was organized on October 3, 1959, with fifteen charter members. Brother Homer Young was called as pastor and the group joined First Mission Association. Since the organization the church has built a new building in a choice location of Hiway 51 east of Stillwater. The Board made a loan of \$2,000.00 to the church to help in the purchase of lots which is to be paid by January 1, 1960.

Southwest Church in Oklahoma City was organized on October 3, 1958 with 24 charter members. Brother Lester Maynard was elected as pastor and the church has progressed though the year. The group joined First Oklahoma Association. Worship services are held in a rented building located at SW 47th and Walker Avenues.

Comanche Church was organized on October 5, 1958, with eleven (11) charter members, under the direction of Reverend Gilbert Pixley and Reverend Julian Hawkins. Brother Julian Hawkins was elected as the first pastor. The group since has purchased property for worship services and joined the Hopewell No. 2 Association.

Idabel Church was organized on November 7, 1958, with seven (7) charter members. A number of other members joined following the organization. The church united with Southeastern Association and called Brother Jake Scott as pastor. Brother Scott led in the organization of the church, which has since purchased property and has progressed nicely.

Wagoner Church was organized on January 30, 1959, as a joint effort of our Board and the Mission Board of Grand River Association. Brother Danny Farmer was employed by the Boards to do the

ground work and survey. The group organized with 12 charter members and united with the Grand River Association. Brother Farmer was called as the first pastor and has served since. A new building has been built and a large increase in number.

Blackwell Church was organized on March 20, 1959, with 17 charter members. The Board employed Brother Carl Sharp to do the ground work and survey and sponsored an organizational revival under the direction of Brother L. A. Yandell. The group has worshiped in the residence of Brother Sharp at 509 West Dewey Street in Blackwell and Brother Sharp has served as pastor for the church. The church recently voted to unite with First Mission Association.

Chandler Church was organized on February 9, 1959, with eight (8) charter members under the direction of Brother Carl Waddle. The group has since added a number of new members and purchased church property.

Sand Springs Church was organized on January 8, 1959, and called Brother Ronnie Royal as pastor. The church had been a mission under Lawnwood Church in Tulsa. The Board met and conducted the organization at the invitation of the group, but no financial aid was given. The Board has voted to give the church, New Church Club, assistance when possible.

Lone Chimney Church, located north of Cushing, was organized by Brother Conn Sadler of Cushing. The group was previously an unorganized community church with no affiliation. The Board did not grant any assistance to this group, but was invited to participate in the organizational meeting. The church has united with the First Mission Association.

For the coming year, our efforts will be directed toward the cities of Durant, Ponca City, Bartlesville, El Reno, Weatherford, Woodward, and Altus. There are no Free Will Baptist Churches in any of these cities. We do not, at present, have workers in any of them but are trusting that the Lord will direct us and enable us to secure adequate workers to help in the establishment of these new churches. It is our sincere hope that God shall continue to lead his ministers to meet the challenge of these new fields. We shall move only as we can understand the will of the Lord. It is the desire and purpose of the Board to support and assist in any way possible those who go under the call of the Lord.

Recommendation No. 1

We are recommending that the State Association authorize the Board to employ at the earliest possible convenience, a full-time worker as a State Missionary to promote and advance the cause of Missions in Oklahoma. This recommendation comes out of the vast challenge for the expansion of our work in Oklahoma and the need for a worker to maintain the necessary effort involved in keeping the program of Missions before the people.

Recommendation No. 2.

One of our members, Brother D'Arthur Yandeli, has resigned during the year and the Board elected Brother James Murray of Seminole to fill out the unexpired term, which ends at this Associat-

ion. We are recommending that he be elected to the Board for the five year term at this session.

We also recommend an Allocation of \$3,600.00, which is an increase of \$600.00 over 1958-59.

The following is our financial report.

REPORT OF THE STATE EXECUTIVE BOARD

It has been a pleasure to serve the State Association of Free Will Baptist the past year.

The State Executive Board met in a joint meeting with the Co-ordinating Board and the Loan Commission of the State Association at the Capitol Hill Free Will Baptist Church in Oklahoma City. The purpose of the meeting was to organize the commission and discuss ways and means and rules for borrowing and loaning money to the Free Will Baptist Churches and enterprises. At this meeting the Board organized. Rev. E. S. Sunday was re-elected as Chairman and Reverend Robert Duncan was re-elected as Clerk of the Board. The Board is preparing a uniform questionnaire, whereby the Associations that compose the State Association can examine the ministers that wish to be ordained to the ministry.

The Board met at the State Executive Office in Oklahoma City. The Board discussed the possibility of carrying out the wishes of the State Association of hiring an attorney and making the Keefeton Free Will Baptist Church controversy a test case. The Board found that the State Association had not allocated any money in the state budget for this purpose, and due to this oversight, it was impossible at this time to pursue the matter any further.

The Board met with the State Sunday School Board and the officers of the State Association at the State Executive Office in Oklahoma City. The National Sunday School Literature Program was discussed. The State Executive Board authorized the State Sunday School Board to secure writers and have print set for the purpose of the State Association printing its own literature if the National Association quit printing Sunday School Literature under its present contract.

The Board authorized Reverend Wade Jernigan, Moderator, and Rev. E. M. Kennedy, State Executive Secretary, to sign an oil and gas lease on the royalties owned by the State Association near Ringling, Oklahoma.

The State Executive Board was invited by the Executive Board of The Grand River Association to serve as an advisory board in regard to a law suit that had been brought against the said association. The suit was filed by the aggrieved churches that were formerly affiliated with the Grand River Association, in regard to the name of the Association.

Executive Board granted permission for the Executive Secretary to rent the house next to headquarters for \$75.00 a month.

We recommend adopting a budget of \$6000.00 to be used as follows: Down payment on headquarters building \$3719.75, and Executive Board expense \$2280.25.

Item No. 1 (Acting as Auditing Committee)

We, the State Executive Board, acting as an auditing committee have audited the State Executive Secretary Treasurer's books, the Christian Education Board's books, the Mission Board's books, the State Woman's Auxiliary Convention books, and the Sunday School Board's Books, and to the best of our ability have found them in order.

Item No. 2 (Items 2,3, and 4 were added by General Board)

Motion carried that the General Board recommend to the State Association that they direct the Executive Board to meet with the recognized Free Will Baptist Church in Keefeton to protect the Free Will Baptist name and to do all in their power to get the property for the Church.

Item No. 3 lost

Item No. 4

Motion carried to adopt the Minister's Questionnaire as written.

STATE SUNDAY SCHOOL BOARD REPORT

Period: September 9, 1958 to September 15, 1959

We, the State Sunday School Board, feel that we have had a very successful year. The four state institutes which were held at Wewoka, Norman, Pryor and Poteau were well attended. For this we are very thankful. We also held three schools at the Allen Church in the First Mission Association, at Guymond, and at Panama, Oklahoma. These were well attended and many received the unit

certificates. All in all, we feel that the Sunday Schools throughout large teacher certificate. Since these schools, there have been many pastors and Sunday school officers write in for seals to go on their certificates. All in all, we feel that the Sunday Schools throughout the state are on the upward move.

We, the State Sunday School Board, are very much aware of the great task that is out before us. Since the National Sunday School Board is no longer printing literature, and the State Executive Board authorized the Sunday School Board to print literature, we feel this will be a great success; especially if our people will support us. To support us we mean to buy our literature. At the writing of this report, the first of the fourth quarter is being distributed to the orders that have come in. We pray and trust you will order your next order from the State Sunday School Board. We feel that we have a fine staff of writers, and a very capable editor.

The State Sunday School Board proposed to have four institutes this coming year. We have planned to have them five nights each, having two of them the first two weeks in March. The Ada Church will have the first five nights in March, and the Checotah Church will have the second week in March five nights.

We shall then go to the Drumright Church, September 19, for five nights, then to the Clinton Church, September 26 to 30, to conclude the four institutes. We trust that the pastors of these four churches will help to keep it before our people. We feel these institutes have been a great help to our Sunday School workers, and we are looking forward to some good attendances at each church.

The State Sunday School Board received Reverend Everet Brown's resignation with regret, as he has been a great help and inspiration to the board. We have placed Brother Ray Gwartney in Brother Brown's place until the State Association.

RECOMMENDATION No. 1

Reverend N. R. Smith will be leaving the board this year. Therefore, we recommend Reverend Ray Gwartney and Reverend Smith be elected to the State Sunday School Board.

RECOMMENDATION NO. 2

We recommend to the State Association that the Board have the authority to give to the National Sunday School Board for the retirement of the present indebtedness of the National Sunday School Board to be taken from the profits of the sale of literature as they deem it best.

RECOMMENDATION NO. 3

We recommend to the State Association that the State Sunday School Board be given permission to work out a contract on a percentage basis with states that are promoting our Sunday School literature.

CHRISTIAN EDUCATION BOARD REPORT

We have held ten meetings this past year. Reverend John H. West has served as Chairman of the Board and Reverend Wade Jernigan has served as Clerk-Treasurer.

No year in the history of the Oklahoma Free Will Baptist has held more responsibility for the Board of Christian Education. The first semester of the Oklahoma Bible College began February 3, 1959, at the First Free Will Baptist Church of Tulsa, Oklahoma. Courses of study were offered as follows:

Practical Evangelism taught by Reverend Roy Bingham.

English and Pastoral Theology taught by Reverend Don Payne

Bible (Book of Acts) taught by Reverend N. R. Smith

Sunday School Administration taught by Bill Sherrill and Mrs. N. R. Smith

This first effort was a tremendous success, and we give God the praise. Fifty-four people enrolled the first evening and thirty finished the semester. Some of the students are to be commended for driving such great distance.

The College is now operating very successfully in the fall semester. John H. West is the Director and teaches the Sunday School Administration course. Pastoral Theology and Elemental Theology are taught by N. R. Smith. English and Homiletics are taught by Don Payne. Two hours can be gained in each of the courses of study as the classes are one and one-half hours in length. Eight hours can be gained if the student takes all the courses offered. Sacrifices have been made on the part of some of the students, but their testimonies tell of the great reward and blessings. The Board asks your prayers as we lay plans for the broadening of the work of the College.

Our aim is to have a Bible College that the State of Oklahoma Free Will Baptists will be proud of.

We are paying our teachers a small honorarium.

We are asking for a budget of \$11,000.00 to operate our department for the next year. You can readily see that this is a very small amount to do with for what we want to accomplish.

We recommend that the percentage to this Department from the Cooperative Fund be increased.

STATE EXECUTIVE SECRETARY'S REPORT

To the FIFTY-FIRST SESSION OF THE OKLAHOMA STATE ASSOCIATION OF FREE WILL BAPTISTS, Greeting in the name of our Lord:

This year has brought many blessings, I don't have time or space to share all of them with you. I have preached somewhere almost every weekend of the year. This has been the best year of co-operation from all the churches that we have known. The spiritual aspects of the church and state has been the best that I have known. Many of our churches continue to build new facilities throughout the state.

The Promoter subscription continues to climb. More than 1700 has been reached in subscribers. The office is taking on new work each year. This year we have had the Sunday School Literature and loan service. It has taken a great deal of our time and we have been unable to spend as much time on the field as we would like to have spent.

All of our boards are to be commended on their fine accomplishments for the year. The Home Mission Board has been busy organizing new churches. The Sunday School Board has undertaken the greatest work in the history of the board. They need your prayers.

We sincerely hope that all of our churches of our state will co-operate by ordering their Sunday School literature through the office.

Our Christian Education Board is working hard to establish a college. They need our co-operation and support. We appreciate all the help that has been volunteered in the office this year from the Oklahoma City Churches. Were it not for the co-operation and the help of each member of our state doing their part, this work would be an impossibility.

We have many cities in the state of Oklahoma that need a Free Will Baptist Church.

I have traveled better than 34,000 miles in behalf of the state work, however, some of this traveling has been done for the different phases of the work for which a part of the expense has been paid by other boards.

I am very much satisfied on the increase of our insurance business. This could grow into an immense business, if all of our churches would co-operate.

We now have our location for our headquarters and a book store. It is located at 5600 South Pennsylvania, Oklahoma City, Oklahoma. Although this is in a residence building, it is not a residence. We invite you to come during office hours and visit our book store. If there is any need in the way of supplies and equipment that we can help you with, don't fail to call on us.

It has become necessary for us to put on at least one full-time worker in the office. This will be general office work. I appreciate the fact that the Co-ordinating Board has already recommended an allocation to take care of this need.

Our Loan Commission has grown to a great sum. We have worked closely with this commission in helping to borrow and loan money. Surely there are 300 Free Will Baptists in the state of Oklahoma that could loan us \$100 each at 4½ per cent interest, to give us the needed money to help churches finance and build new buildings.

The following is my financial report, proposed budget, and recommendations:

PROPOSED BUDGET FOR YEAR 1959-60 FOR EXECUTIVE OFFICE

TELEGRAM: Greetings from the National Home Missions Board and the Home Missionaries in Alaska, Hawaii, Northwest Pacific, Old Mexico, Arizona, Florida, New England, Canada and Washington DC. We covet your continued prayers and support. Please observe November as National Home Missions month in all your Churches and the balance of the suggested quota for your state this year is two thousand-two-hundred-eighty-one dollars and forty cents. May you have a great state association.

Signed. Free Will Baptist Headquarters
Nashville, Tennessee

Letter from F W B Foreign Mission Board
Oklahoma State Association of Free Will Baptists
Dear Brethren:

Please accept greetings from the Department of Foreign Missions of the National Association of Free Will Baptists, whose home office is in Nashville, Tennessee. On behalf of our entire Foreign Mission family, we would like to extend greetings to ministers, delegates, visitors, and friends of your State Association.

All of us are keenly conscious that the task of evangelizing the world is a stupendous one. It is a task that cannot be accomplished by one church. Neither can it be accomplished by any group of churches. We can only carry out the command of Christ in reaching the lost in the regions beyond through a united effort.

With our different states working together in prayer, in support, and in the providing of personnel, surely we will be better equipped to carry out the last command of our Lord. We believe that your State Association is an important link in this chain that encircles the globe. We are grateful indeed for the contributions that you have made to the cause of Foreign Missions. We are also grateful

for the fellowship that we have enjoyed with the people in your state through correspondence and personal contact. This is also true with our missionaries on the field, and each of them are grateful for the letters that they have received from the different people in your state.

Through the cooperative effort of our people connected with the National Association of Free Will Baptists and some who are not even connected, we are able to report to you at this time that Free Will Baptists have the following on Foreign fields:

Number of American Missionaries, including children	----- 47
No. of National workers on all fields, including children	--- 130
Number of churches on all foreign fields	----- 55
Number of Preaching points	----- 81
Total membership of churches on foreign fields	----- 4,500

We have Free Will Baptist workers in six different foreign fields: Africa, Brazil, Cuba, India, Japan and Spain. We are also hoping to open up a field in Korea in the not - too - distant future. We recognize the forces of Communism, Modernism, Materialism, and many other things today that are in conflict with the spread of the Gospel. Yet we believe that it is imperative that we obey the last command of Christ when He said, "Go ye into all the world and preach the gospel to every creature." This we are endeavoring to do, and we need your continued support in prayer and finance.

We are endeavoring to stay in touch with our constituency through our monthly Prayer and Praise Letter. We would be happy if you would double check the financial report that shows the amount that your state has given during the current year and the balance lacking to meet the suggested quota.

We are grateful indeed for the courtesy that you have shown to our itinerant workers and those who represent our particular phase of work.

May God bless you during this session as you convene together and may His precious Holy Spirit bless each of your hearts.

Very sincerely yours,

Raymond Riggs,

General Director - Treas.
