RESOLUTIONS COMMITTEE REPORT

RESOLUTION #1

Whereas, there are two (2) members of the Christian Education Board with terms which will expire this year, and

Whereas, there is one four (4) year board member who is moving out of state and his position will become vacant, therefore, be it Resolved, that the constitution be amended by deleting the first paragraph of Section 5 under Article VIII and inserting the following statement:

"The Board of Christian Education shall consist of seven (7) elected members who are members of an affiliated association and in good standing with the association of which they are members. They shall be elected at the discretion of this association."

And that Article VII be amended by deleting the words "except: (1) the Board of Christian Education which shall consist of 10 members who shall serve five years with two members elected annually," and re-aligning the following exceptions in their proper numerical order.

RESOLUTION #1 WAS POSTPONED INDEFINITELY

RESOLUTION #2

Whereas, in recent years concern has been expressed by missionaries, Foreign and Home Missions Departments, and pastors over the difficulty of raising funds for missionaries, and

Whereas, in many cases travel expenses equal or exceed the amount raised by the missionary due to the difficulty in scheduling week-night services and missionaries are often required to overlap their travel schedule due to lack of coordination, and

Whereas, we must find a solution to this problem, and after discussing this with both denominational mission departments, the State Mission Board, and many Oklahoma pastors, therefore, be it

Resolved, that the Oklahoma State Association recommend:

1. Annual state-wide missions revivals be conducted by the churches throughout Oklahoma during the months of November and April.

2. Region 1 consist of First Oklahoma, Union, Dibble, Hopewell #2, Canadian, Arbuckle, Center, Progressive, and First Mission Associations (125 churches) and that they meet in November each year.

3. Region 2 consist of Arkansas Valley, Eureka, Fellowship, Gaines Creek, Greater Tulsa, Green Country, Kiamichi, Little River, New Life, Northeast, Poteau River Valley, Roberts McGee, Southeastern, South Grand River, and Hopewell #1 Associations (135 churches) and that they meet in April each year.

4. Every Association be written and urged to adopt and participate in this effort.

RESOLUTION #3

Whereas, the Arkansas State Association of Free Will Baptists has formulated a Burial Agreement Plan called the "Sharing Together" Group, and

Whereas, it is believed that such a program would be beneficial to ministers in Oklahoma, therefore, be it

Resolved, that the Oklahoma State Executive Department formulate a Burial Agreement Program and bring back a recommendation with specific details to the 1989 State Association.

RESOLUTION #4

Whereas, we have enjoyed beautiful facilities, and

Whereas, the Enid Free Will Baptist Church opened their building and their hearts to welcome us, and

Whereas, their members have worked hard in registration, handing out materials, etc., therefore, be it

Resolved that we say "thank you" to the Enid Free Will Baptist Church with a rising vote of appreciation.

PUBLIC MORALS COMMITTEE REPORT

According to I Thessalonians 5:22 we are told to "abstain from all appearance of evil." We as Free Will Baptists believed this so intently that our Church Covenant reads, "We promise by His Grace to love and obey Him in *all* things, to avoid *all* appearance of evil, to abstain from *all* sinful amusements and unholy conformity to the world . . ." This committee, in light of today's clouded morals, strongly urge rededication to this lifestyle.

1. We strongly oppose the sanction or use of television networks such as HBO, Showtime, TMC, Cinemax, etc. . . . who produce and televise evil and sinful amusements.

2. We, heartbroken and disgusted, openly oppose the release and viewing of the motion picture, "The Last Temptation."

3. We very earnestly exhort our people to continue to do, *all* that we do, in conduct, in conviction, and in commitment to the glory of God.

OBITUARY COMMITTEE REPORT

According to the information we received from the letters from the District Associations to the State Association, there were 199 deaths in our churches last year including the following ministers from these associations:

Arkansas Valley Rev. Walter Warner
Center..... Rev. Jerry Dudley
Eureka Rev. P. E. Lambert
South Grand River Rev. Ray Blevins

We ask that we observe their passing with a moment of silent prayer.

MINISTER'S CONFERENCE REPORT

Registration totaled 127 (113 ministers and 14 visitors).

Received \$174.00 in dues, and \$178.71 in offering (\$352.71).

Preachers for the conference: Lonny Burks, Trymon Messer and David Bigger.

Special music was provided by the Minister's Quartet.

Special recognition was given to Jeff Sloan, the winner of the first "Jerry Dudley Preaching Award" presented by Hillsdale Free Will Baptist College.

1. Motion carried to accept the written minutes and treasurer's report.

2. Motion carried that the Minister's Conference meet annually during the State Association (see minutes of 1987, page 45, article 5, which *shall* read—"This conference shall meet annually.")

3. Motion carried that the dollar amount that is shown in the Minister's Conference Constitution be deleted (see 1987 minutes, page 45, articles 1 and 4, which *shall now read*: Article 1 — "The Minister's Conference shall be called the Oklahoma State Free Will Baptist Minister's Conference, and shall be composed of ordained Free Will Baptist Ministers who are regular members of some orthodox Free Will Baptist church in the State of Oklahoma who have paid their annual dues." Article 4 — "Members of this organization shall be all ordained ministers who participate in the

benefits and activities of this body, and associate members who become members by payment of the annual dues."

4. Motion carried to increase dues effective in October 1989 to \$5.00 per minister.
5. Motion carried to receive an offering to be applied to the honorariums for this conference (\$178.71).
6. Officers for 1988-89 elected:
President—Leroy Holman
Vice President—Steve Turner
Secretary/Treasurer—David Taylor
7. Request was made to send out notices of dues to all ministers.

STATE MASTER'S MEN REPORT

During the past year we have driven several hundred miles promoting Master's Men. Our results are minimal . . . two promise to join and several have said perhaps.

We have 19 chapters and approximately 250 churches. In 1956 when the Master's Men was started, many chapters organized, but many have discontinued. Why? No workers, not interested, pastors are not supportive.

Regardless of the reason, we challenge each layman and pastor without a Master's Men group to please convert over to Master's Men and let's work as a unit and see what we can accomplish for God.

I can change Oklahoma. I can change Master's Men. Bring a can full of change to next year's meeting, and put the National Master's Men fund into the *BLACK* and also take care of all local needs.

Home Missions Land Fund: loan \$5,000.00 to the land fund, then receive 12.5% to 15% write-off for income tax purposes. We need 20 people willing to loan \$5,000.00 each to purchase land to be used as collateral for borrowing money for building churches. Then all the Master's Men under Brother Howard Gwartney to build the church. Then pay off the building and start over again.

Parable of the fig tree. Luke 13:6-9. As Free Will Baptist laymen, are we producing fruit? Have we been cut down? Do we need special care? What is our problem?

Let's become lifetime members. Let's organize new chapters. Let's fill our money cans. Let's complete our land fund. Let's build mission churches.

Let us put our shoulder to the plow and work for God as we never have before. Time is running out to get people saved. Invite us to your quarterly meeting. I HAVE TIME AND WILL TRAVEL. Please call me.

We are publishing a quarterly news update and mailing it to all pastors in Oklahoma. It contains news of Oklahoma and National Master's Men. Please send news items about the projects of your men's groups.

Waymon Ray, *President*

EXECUTIVE BOARD REPORT

The Executive Board met three times this past year. One of the meetings was with all the boards in November. We feel that these All-Boards meetings are productive and will prove to be a blessing to our state work. The next All-Boards Meeting will be in Henryetta, November 11-12, 1988.

The yearly meeting was held to examine the audits and set the budgets for the Bookstore and Executive Office. The Board recommends the following:

1. A Cooperative budget of \$310,000.00.
2. That the Cooperative receipts for 1989-90 be the same (22%) for the Executive Office.
3. That the 1990 State Convention be held at Ada.

Bailey Thompson, Chairman

Orville Hood, Clerk

EXECUTIVE SECRETARY REPORT

Another rewarding year for me as I have had the privilege to be in many of our churches and associations. Oklahoma Free Will Baptists have been very kind to invite me to preach and share information concerning our work.

I'm thankful for all the men who serve on our State Boards. There is a good effort of cooperation between all our boards for which we are most grateful.

We are continuing to push forward with our State Cooperative Plan of Support. We had an increase of \$16,245 over last year. Oklahoma churches gave more than they ever had to this Program of support. I hope to see an increase this year. Our Designated Giving decreased by \$54,330. This was due to two of our Missionaries coming back to Oklahoma from missionary service.

Looking forward to another good year as we all work together to advance the Lord's work here and around the world.

STATE ASSOCIATION OF FREE WILL BAPTISTS COMPARATIVE FINANCIAL STATEMENTS

AS OF JUNE 30, 1988 AND 1987

TOGETHER WITH AUDITOR'S REPORT THEREON

July 16, 1988

To the Executive Board

THE STATE ASSOCIATION OF FREE WILL BAPTISTS

We have audited the balance sheets of the State Association of

Free Will Baptists as of June 30, 1988 and 1987, and the related statements of revenues and expenditures and fund balances, and cash flows for the years then ended. These financial statements are the responsibility of the State Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the State Association of Free Will Baptists as of June 30, 1988 and 1987, and the related statements of revenues and expenditures and its cash flows for the years then ended in conformity with generally accepted accounting principles.

STATE ASSOCIATION OF FREE WILL BAPTISTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1988 AND 1987

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General—The State Association of Free Will Baptists is a non-profit organization designed to provide central leadership and representation for the Free Will Baptists of Oklahoma and to handle certain receipts and disbursements of the Free Will Baptist Churches. The Association uses the fund method of accounting, whereby the fund balance represents the equity the Association has in its assets. This accounting method is generally accepted among non-profit organizations as the most feasible way of reflecting their financial activity and position.

Property and Equipment—Property and equipment are recorded at cost. Depreciation is computed using the straight-line method based on the estimated useful lives of the related assets. Expenditures for repairs and maintenance are charged to operations when incurred while major betterments and renewals are capitalized.

(2) MORTGAGE RECEIVABLE

The executive residence was sold on May 30, 1974 for \$20,500. The buyer assumed the mortgage on the property and gave the Association a second mortgage in the amount of \$10,300. Payments began on July 1, 1974. The rate of interest is 8% and the mortgage is for thirty years.

(3) COOPERATIVE CONTRIBUTIONS AND EXPENDITURES

The State Association receives contributions to be cooperatively allocated among board approved organizations. The percentage allocation of Cooperative Contributions for the year ended June 30, 1988 and 1987 was as follows:

COMPARATIVE FINANCIAL STATEMENTS**

AS OF JUNE 30, 1988 and 1987

Together With Auditor's Report Thereon

July 9, 1988

To the Executive Board

THE STATE ASSOCIATION OF FREE WILL BAPTISTS

We have audited the balance sheets of the OKLAHOMA FREE WILL BAPTIST BOOKSTORE, as of June 30, 1988, and 1987, and the related statements of income, fund balance and cash flows for the years then ended. These financial statements are the responsibility of the Bookstore's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly the financial position of the Oklahoma Free Will Baptist Bookstore as of June 30, 1988 and 1987, and the results of its operations and its cash flows for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

STATE MISSION BOARD REPORT FOR 1988-89

One day William Carey was meditating upon the verse "Go ye into all the world, and preach the Gospel to every creature," and as he meditated he asked "Lord, do you mean me?" The Lord seemed to say, "Yes, I mean you." Carey submissively said, "Lord, I will go and preach the Gospel." Carey told his friends, "I will go down into the well, if you will hold the ropes." This story of the call of William Carey is an old one and has been heard by most of us. The story emphasizes the fact the GO-missionaries greatly need CO-missionaries who will pray and support them. This is what missions is all about.

We who are members of the state mission board are doing what we can to help our state hold the ropes while sending others to various places to preach the Gospel.

During the past year we have been busy in many places. Seemingly, the most exciting advancement was made at Woodward. Allen Mabra was employed by the board and has been preaching in a beautiful facility there since May 1. The board purchased a complete building there appraised at \$342,000.00 for \$175,000.00. Everything needed for services was already in place except a piano. Thirty-three (33) people were committed from the beginning, and the names and addresses of many more prospects are on file. Churches and individuals are pledging to underwrite the loan payments for two (2) years of this state missions projects. The prospects there are great.

Seven acres of choice property have been purchased in Hugo. This property is located on the Highway 70 by-pass. Three (3) acres are in the clear with only \$12,000.00 owing on the remainder. Most of it has

been raised, and hopefully we will have a clear title to the remainder of the property by January 1, 1989. A nice sign has been erected on the property indicating that a Free Will Baptist Church will be located on this property in the near future. An experienced pastor has expressed an interest in going there. Hopefully, an announcement will be made by the state meeting.

Elk City is coming along well under the direction of our missionary, Larry Haggard. They have had a high of eighty-four (84). The mission board voted for them to start a land fund. More land is needed for them to expand their present facilities and also for parking.

Vinita is also coming along well. They have had a high attendance of sixty-seven (67). Several improvements have been made on the facilities. Ken Stevens, our missionary, is doing a fine job of getting a church going there.

Several "Back to Basics" Conferences have been held by the board. Response has been unusually good. Other such conferences are being planned for the near future. We sincerely hope our people will continue to respond favorably when a conference is held in their area.

Mexican missions has also been emphasized. James Munsey and the Mexican Quartet have been in several fund-raising banquets over the state. The board voted to sponsor an annual time for promoting Mexican missions in Oklahoma.

Our board and director stand ready to assist in conferences, missionary scheduling, and anything else that will get the message of God's love to a lost world.

Please pray for our missionaries, missions director, and the board. They have a tremendous responsibility.

Thank you for your support of missions.

Wade Jernigan, Chairman
J. B. Chism, Clerk

STATE MISSION DIRECTOR REPORT

We have endeavored to keep churches and associations informed of our mission churches, new projects, and future intentions throughout the year with handouts at quarterly meetings and periodic letters to moderators and churches. Our intentions are to use the postal avenue more in the future to enlighten Free Will Baptists in Oklahoma and raise funds for our work.

Interest has been positive toward our newest church in Woodward, and the land fund in Hugo. Our board chose not to send pastor Allen Mabra across the State to raise funds in favor of beginning services in Woodward immediately. Oklahomans have responded well to the challenge of helping underwrite both salary and building payments there. Over half of needed funds for Hugo have either been given or pledged.

While promoting in churches and association, we have seen an increase in designated giving to the C.E.P. program this year. I appreciate pastors, churches, and associational moderators allowing me the opportunity to promote and preach throughout the year. It is very enjoyable to be in your churches, and homes, and have the opportunity to share in worship and fellowship.

Thank you for the opportunity to serve the Lord through the State Missions Department.

Berton Perry

TO THE BOARD

OKLAHOMA FREE WILL BAPTIST CHURCH ESTABLISHMENT PROGRAM—MOORE, OKLAHOMA

I have examined the assets, liabilities, and fund balance arising from cash transactions of the Oklahoma Free Will Baptist Church Establishment Program ("Program") as of June 30, 1988, and the related statements of revenue and expenses for the year then ended. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and other auditing procedures as I considered necessary in the circumstances.

As described in Note 1, the Program's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligations are incurred. Accordingly, the accompanying financial statements are not intended to present the financial position and results of operations in conformity with generally accepted accounting principles.

In my opinion, the financial statements referred to above present fairly the assets and liabilities arising from cash transactions of the Oklahoma Free Will Baptist Church Establishment Program as of June 30, 1988, and its revenues and expenses during the year then ended, on the basis of accounting described in Note 1.

CHRISTIAN EDUCATION BOARD REPORT

As your Christian Education Board we are happy to report another productive year. We have consistently improved the quality of our programs and we have seen a good increase in almost every area, especially numerically.

The 1987 *State Youth Conference* was held at the First Free Will Baptist Church in Ada. This Conference consisted of two dynamic presentations by Multi-Media Inc., several workshops for youth on various contemporary Christian topics, and two stirring sermons by Dr. Ken Riggs. This event was attended by a record 483 young people and youth workers.

We look forward to the 1988 *State Youth Rally* being an even bigger

and better one. Because of anticipated growth we are changing the location to the campus of Hillsdale Free Will Baptist College on November 5th. The theme of this year's Youth Rally will be *Looking for Love*. We will have another Multi-Media presentation with R. Dean Stone, a former board member, as the principal speaker and several workshops that will address many of the problems our teens encounter today.

In February of this year we again co-sponsored with Hillsdale the appearance of Ron Ralston of Josh McDowell Ministries at the Hillsdale Bible Conference.

A weekend *Sunday School* workshop was sponsored by our board at the Clinton Free Will Baptist Church of the Union Association in March of this year. If your church or association would like to host a similar event please mail an invitation to do so to our CE Secretary at the State Office.

Also, in cooperation with the State Executive Secretary we promoted *Roll Call Sunday* in March. Awards were presented at the 1988 CE Convention.

In May we had another boost for the youth of our state at the *State CE Competitive Activities & Music and Arts Festival* held at Oklahoma State University at Stillwater. This activity has always been difficult to conduct because of the many people and space it requires. This past festival proved to be the best yet because the space and facilities provided the opportunity for our young people to do their very best.

There were approximately 1200 spectators and contestants attending the 1988 festival. We believe this activity is great because it not only teaches our youth the Word of God, but it involves them in many ways in building Christian character. Of all the participants in the National competition Oklahoma had 48 National winners. We are thankful for this great involvement.

In June and July our board sponsored *three State Camps*. Approximately 500 youth and youth workers took part in these camps. Senior High Camp was held at Camp Look-Away in Tahlequah and Junior High and Junior camps were at First Mission Association Campgrounds near Drumright.

By the time this report is given we will have had the *State CE Convention* at the Lawnwood Free Will Baptist Church in Tulsa with Rev. Bob Shockey as the principal speaker. We know this is a great time of challenge and training for our pastors, youth workers, and teachers in our local churches.

Throughout the year we have continued to improve our *Video Lending Library*. We currently have 82 volumes on hand. These tapes are available to the churches of our state on a free will offering basis. We encourage you to pick up a catalogue containing a list of offerings, users' policy, and the procedure for check out. We anticipate more purchases in the near future.

Our board took another step this year and hired a part-time secretary and librarian whose office is located in the State Office Building in Moore.

We are thankful to God for richly blessing the work of the State Christian Education Board and in representing our State Association in providing Christian Education for all ages in the State of Oklahoma.

Lastly, we request 6% of the cooperative receipts.

In Christ,

Don Guthrie, Chairman

OKLAHOMA FREE WILL BAPTIST CHRISTIAN EDUCATION BOARD OF DIRECTORS

We have examined the statements of cash receipts, disbursements and fund balance of Oklahoma Free Will Baptist Christian Education Board for the year ended June 30, 1988. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 the statements of cash receipts and disbursements are summaries of the cash activity of the Organization and do not present certain transactions that would be included in financial statements of the Organization presented on the accrual basis of accounting, as contemplated by generally accepted accounting principles. Accordingly, the accompanying statements are not intended to present financial position or results of operations in conformity with generally accepted accounting principles.

In our opinion, the accompanying statements present fairly the cash receipts and disbursements of Oklahoma Free Will Baptist Christian Education Board for the year ended June 30, 1988.

OKLAHOMA FREE WILL BAPTIST CHRISTIAN EDUCATION BOARD NOTES TO FINANCIAL STATEMENTS

NOTE 1

Summary of Significant Policies

The Organization policy is to prepare its financial statements on a cash basis. Under this basis, revenues are recognized when received rather than when earned, and expenditures are generally recognized when paid rather than when incurred. Consequently in the case of this organization expenditures are normally paid in the month following when they were incurred. This however does not materially effect the financial statement.

NOTE 2

Capital Expenditures

Since the organization has chosen to report on the cash basis all capital expenditures for equipment are expensed and not capitalized. Therefore, the fund balance is reduced by the full cost of the expenditure even though the equipment may have a residual value.

**HILLSDALE FREE WILL BAPTIST COLLEGE
REPORT TO THE OKLAHOMA STATE ASSOCIATION
OCTOBER, 1988**

October 3, 1988

To Oklahoma State Association
of Free Will Baptists:

Greetings from the Hillsdale Free Will Baptist College Board of Trustees. The ministry of Hillsdale continues as the lives of our students are further enriched and our denomination is blessed by the work and presence of these young laborers. The work of Christian Education is very important, and it is through the ministry of Hillsdale that the invaluable resource of youth is being molded into tomorrow's pastors, ministers of youth, music and education, and lay workers to serve our churches across the country and around the world.

The preeminent aim of Hillsdale is to produce young men and women who will love the Lord, live the Word and lead the lost to Christ. In pursuing this aim, Hillsdale was blessed during the 1987-88 school year with a total of 154 students. During this time, each student made an important contribution to the campus life at Hillsdale.

We remain grateful for your financial support which is foundational to the continuation of this most important ministry. Twenty-six percent of our budget was derived from unrestricted gifts, and each of your gifts, whether large or small, is important. A complete Financial Report is included herewith for your review.

It is with great enthusiasm that we view the future of Hillsdale. We are excited that we will begin a new year with Rev. Jim Shepherd as the President of Hillsdale and pray that God will bless and guide him as he helps to shape the future of Hillsdale. We are also most grateful for President Wade's many years of loyal and unselfish service to Hillsdale and wish him the richest of God's blessings in the future.

We thank you again for your prayers and support. Through your continued efforts and the ministry of Hillsdale, God will continue to be exalted as young people are trained for His service.

Respectfully submitted,

Ron B. Barber

**HILLSDALE FREE WILL BAPTIST COLLEGE
AUDITED FINANCIAL STATEMENTS
JUNE 30, 1988 AND 1987**

August 15, 1988

To the Board of Directors

HILLSDALE FREE WILL BAPTIST COLLEGE

We have audited the accompanying balance sheets of Hillsdale Free Will Baptist College (an Oklahoma corporation, not for profit) as of June 30, 1988 and 1987, and the related statements of revenue, expenditures and transfers and changes in fund balances for the years then ended. These financial statements are the responsibility of Hillsdale Free Will Baptist College's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial

statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hillsdale Free Will Baptist College as of June 30, 1988 and 1987, and the changes in fund balances and the current fund revenues, expenditures and other changes for the years then ended, in conformity with generally accepted accounting principles applied.

Our examination was made for the purpose of forming an opinion on the financial statements taken as a whole. The information included in the supplementary schedule of disbursements and expenditures for each student financial aid program for the year ended June 30, 1988, is presented for purpose of additional analysis and is not a required part of the financial statements. The information has been subjected to the auditing procedures applied in the examinations of the financial statements of the Hillsdale Free Will Baptist College, and in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

HILLSDALE FREE WILL BAPTIST COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1988 AND 1987

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General—The significant accounting policies followed by the Hillsdale Free Will Baptist College are described below to enhance the usefulness of the financial statements to the reader.

Accrual Basis—The financial statements of the Hillsdale Free Will Baptist College have been prepared on the accrual basis of accounting except for depreciation. Depreciation is not taken on depreciable assets comprising the physical plant in conformity with the reporting objectives of accounting for resources received and used rather than the determination of net income. The statement of current funds related to the current reporting period. It does not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues and expenses.

Fund Accounting—In order to ensure observance of limitations and restrictions placed on the use of the resources available to the College, the accounts of the College are maintained in accordance with principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities or objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transaction have been recorded and reported by fund group.

NOTE 2—INVESTMENTS

Investments exclusive of physical plant are recorded at cost; investments received by gift are carried at market value at the date of acquisition. As of June 30, 1988 and 1987, investments of the restricted and unrestricted funds were composed of the following:

Unrestricted Fund	1988	1987
Investor Diversified Services Funds ...\$	18,999	\$ 12,328
Other	4,928	4,928
\$	23,927	\$ 17,256

Investor Diversified Services Funds ...\$	44,649	\$ 21,761
Certificate of Deposit	49,280	49,280
\$	93,929	\$ 70,541

NOTE 3—LOAN FUND

The loan fund reflects activity with respect to the National Direct Student Loan program which is funded primarily by the Department of Education. The College provides matching funds equal to one-ninth of the Federal funds received. This program, along with the College Work-Study, Pell Grant and Supplemental Educational Opportunity Grant program disbursements are reflected in the supplemental schedules and letters following these footnotes.

NOTE 4—ENDOWMENT FUND

During the fiscal year ended June 30, 1983, the governing board of the College determined that certain funds were to be retained and invested as an endowment. The board stipulated that the principal is to remain invested and the interest income is to be placed in the current unrestricted funds. Gifts to the Endowment Fund totaled \$10,575 and \$20,120 for fiscal years ending June 30, 1988 and 1987 respectively.

NOTE 5—NOTES PAYABLE

HILLSDALE FREE WILL BAPTIST COLLEGE STUDENT FINANCIAL ASSISTANCE PROGRAMS REPORT ON INTERNAL ACCOUNTING CONTROL JUNE 30, 1988

EXHIBIT B

We have examined the balance sheets of Hillsdale Free Will Baptist College as of June 30, 1988 and 1987, and the related statements of revenue, expenditures and transfers and changes in fund balances for the years then ended, and have issued our reports thereon dated August 15, 1988. As a part of our examination, we made a study and evaluation of the system of internal accounting control of Hillsdale Free Will Baptist College to the extent we considered necessary to evaluate auditing standards and the standards for financial and compliance audits contained in the U.S. General Accounting Office's *Standards for Audit of Governmental Organizations, Programs, Activities and Functions*.

The purpose of our study and evaluation was to determine the nature, timing, and extent of performing the auditing procedures

necessary for expressing an opinion on the entity's basic financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole or on any of the categories of controls identified above.

The management of Hillsdale Free Will Baptist College is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of the inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Hillsdale Free Will Baptist College taken as a whole. However, our study and evaluation disclosed no condition that we believe to be a material weakness in the system of internal accounting control.

This report is intended solely for the use of management and the U.S. Department of Education and should not be used for any other purpose.

STUDENT FINANCIAL ASSISTANCE PROGRAMS
AUDITOR'S COMMENT ON COMPLIANCE
JUNE 30, 1988

EXHIBIT C

We have examined the accompanying financial statements of Hillsdale Free Will Baptist College as of and for the years ended June 30, 1988 and 1987, and have issued our report thereon dated August 15, 1988. As part of our examination, we made a study and evaluation of those internal administrative methods and procedures established by Hillsdale Free Will Baptist College to administer and account for

Student Financial Assistance Programs in accordance with the significant administrative requirements of the Department of Education's May 1988 *Audit Guide for Student Financial Assistance Programs* Section II and the following compliance requirements.

- I. CASH MANAGEMENT
- II. FINANCIAL REPORTING
- III. INSTITUTIONAL ELIGIBILITY AND PARTICIPATION
- IV. STUDENT ELIGIBILITY
- V. COORDINATION OF STUDENT AID PROGRAMS
- VI. ADMINISTRATIVE CAPABILITY—STUDENT FILE MAINTENANCE, FISCAL PROCEDURES AND RECORD KEEPING.
- VII. INSTITUTIONAL DISBURSEMENTS TO AWARD RECIPIENTS
- VIII. REFUND CALCULATION AND OVERPAYMENT DETERMINATION PROCEDURES

Other Compliance Requirements Specific to Each Program as follows:

- Perkins Loan Program
- College Work-Study Program
- Supplemental Educational Opportunity Grant Program
- Pell Grant Program
- Guaranteed Student Loan Program

We understand that procedures and systems in conformity with the criteria contained in these significant administrative requirements are considered by Education to be adequate for its purpose in accordance with the provisions of The Higher Education Act as amended. Based on this understanding and our study and evaluation, we believe the College's procedures and systems were adequate for Education's purposes.

Further, based on our examination and the procedures referred to above, nothing came to our attention to indicate that Hillsdale Free Will Baptist College had not complied with the material terms and conditions of the Student Financial Aid Programs.

This report is intended solely for the use of Hillsdale Free Will Baptist College, the cognizant audit agency and other Federal audit agencies and should not be used for any other purposes.

OKLAHOMA HISTORICAL COMMISSION

To: The State Association of Free Will Baptists

We have met only a few times this year, but have done a lot of thinking and studying as to how we might accomplish our objective as outlined in the resolution last year—establishing this commission with three members, one to be elected annually, with the authority to receive materials of historical interest by gift or purchase and properly preserve the same, to publish, as funds are available, materials to inform our people concerning their heritage and we were authorized the first year to receive up to \$500.00 from the Executive Office to cover travel expense, supplies, postage, etc. The commission may also receive designated funds from individuals and churches to underwrite its work, with Hillsdale Library serving as the repository for these documents.

In August we began with some printing, and made our first purchase. A large amount of very scarce materials became available, and upon learning of this we took immediate steps to secure it. Because we considered this a tremendous opportunity, we proceeded to try and purchase this library of materials dealing with Free Will Baptist history and heritage, even when we did not have the money to purchase it. That is where you come in. We need your help in accomplishing this and also in purchasing necessary equipment for storage of these materials, others we have purchased and for future purchases.

We have previously written pastors across the State of Oklahoma asking if they could help us raise \$2,500.00 to buy this historical library and the equipment to use in preserving it. The \$1,000.00 asked for the amount of materials seemed reasonable and is an opportunity we may never have again. We are counting on initial gifts from 25 individuals or churches toward this need and all additional funds will be used for supplies and for other materials that will be needed or as they become available. We are counting on volunteer help to catalogue and preserve these materials and are looking for someone who can consistently donate several hours each week for awhile, as needed.

We will have a packet of materials available for each association, asking each church to help with vital information regarding ministers on whom we should have a biographical sketch and to both present

and past history of the Association. We would ask each Associational Clerk in the future to mail one copy of the annual minutes to the Oklahoma Historical Commission.

The address of the Commission is:

OKLAHOMA HISTORICAL COMMISSION

P.O. Box 7208

Moore, Oklahoma 73153

In order that we might continue our work we again request, from the State Office, \$500.00 to cover supplies, postage, and miscellaneous expense.

Thank you for your help in getting the work of the Oklahoma Historical Commission started and if you know of people who might have pertinent and significant historical material, please let us know.

ARTICLES OF FAITH OF STATE ASSOCIATION

1. **THE BIBLE**—The Scriptures of the Old and New Testament were given by the inspiration of God, and are our infallible rules of faith and practice.

2. **GOD**—There is one living and true God, revealed in nature as the Creator, Preserver and Righteous Governor of the Universe, and in the Scriptures as the Father, Son and Holy Ghost, yet as one God, infinitely wise and good, whom all intelligent creatures are supremely to love, adore and obey.

3. **CHRIST**—Christ is God manifest in the flesh: in His divine nature truly God, in His human nature truly man. The mediator between God and man, once crucified. He is now risen and glorified as our ever-present Saviour and Lord.

4. **THE HOLY SPIRIT**—The Scriptures assigns to the Holy Spirit all the attributes of God. He is the Reprover, Comforter, Guide and Sanctifier of all men.

5. **THE GOVERNMENT OF GOD**—God exercises a wise and benevolent providence over all beings and all things by maintaining the constitution and laws of nature. He also performs special acts of Grace, not otherwise provided for as highest welfare of man requires.

6. **THE SINFULNESS OF MAN**—Man was created innocent, but by disobedience fell into a state of sin and condemnation. His posterity, therefore inherited a fallen nature of such tendencies that all who come to years of accountability, sin and become guilty before God.

7. **THE WORK OF CHRIST**—The Son of God, by His incarnation, life, suffering, death, and resurrection effected for all a redemption from sin that is full and free and is the ground of salvation by faith.

8. **THE WORK OF SALVATION**—The conditions of salvation are:

1. Repentance or sincere sorrow for sin and the hearty renunciations of it.
2. Faith or the unreserved committal of one's self to Christ as Saviour and Lord, with purpose to love and obey Him in all things. In the exercise of saving faith the soul is renewed by the Holy Spirit; freed from the dominion of sin and becomes a child of God.
3. Continuance in faith and obedience until death.

9. **ELECTION**—God determined from the beginning to save all who should comply with the conditions of salvation. Hence by faith in Christ, men become His elect.

10. **FREEDOM OF WILL**—The Human will is free and self controlled, having power to yield to the influence of the truth and the Spirit and live, or to resist them and perish.

11. **SALVATION FREE**—God desires the salvation of all, the Gospel invites all, the Holy Spirit strives with all, and whosoever will may come and take the water of life freely.

12. **PERSEVERENCE**—All believers in Christ, who through grace persevere in holiness to the end of life, have the promise of eternal salvation.

13. **BACKSLIDING AND APOSTASY**—A person who has been regenerated or born again and is living in unconfessed, unforgiven sin, is rebellious to the principles of the Kingdom of God and His righteousness, and therefore is a backslider in a lost condition who must repent and be restored to the right relationship with God or be eternally lost.

We recognize, according to Hebrews 6:4-6, that it is possible for a person to get in the condition that he could never return to Christ. This, we believe, is Apostasy; However, we also recognize that a regenerate person can fall into sin, be in a lost condition and still not be an Apostate. This person, through repentance, can be reconciled to God.

14. **GOSPEL ORDINANCES**—Baptism, or the immersion of believers in water, and the Lord's Supper, are ordinances to be perpetuated under the Gospel; Feet Washing, an ordinance teaching humility, of universal obligation, and to be administered to all true believers.

15. **TITHING**—God commanded tithes and offerings in the Old Testament; Jesus Christ endorsed in the Gospel (Matt. 23:23), and the Apostle Paul said, "Upon the first day of the week let every one of you lay by him in store as God hath prospered him." 1 Cor. 16:2.

16. **THE CHRISTIAN SABBATH**—The divine law requires that one day in seven be set apart from the secular employment and amusements for rest, worship, holy works and activities, and for personal communion with God.

17. **RESURRECTION, JUDGMENT, AND FINAL RETRIBUTION**—The Scriptures teach the resurrection of all men at the last day. They that have done good will come forth to the resurrection of life, and they that have done evil unto the resurrection of damnation: then the wicked shall "Go away into eternal punishment but the righteous into eternal life."
