RESOLUTION COMMITTEE REPORT

RESOLUTION NO. 1

Whereas there has been some confusion regarding Resolution #3 that was adopted at the State Association in Muskogee, Oklahoma in 1987, and

Whereas there needs to be clear, specific and permanent policy established in regard to the committees that function during each annual associational meeting, therefore, be it

Resolved that

The Constitution of the State Association be amended by inserting the words **"AND COMMITTEES:"** after the word **"BOARDS"** under **ARTICLE VII**, and placing the letter **"A"** at the beginning of the first section. Then inserting the letter **"B"** at the end of the first section and adding the following statements—**"1. The Moderator shall be authorized to appoint annually, at the beginning of each session, a Committee on Committees, which shall consist of 5 members, each member being from a different District Association within the State Association. 2. This Committee on Committees in turn shall select the following committees that are authorized by, but function only, during the annual state convention—Resolution, Public Morals, Obituary, and Nominating Committee. These committees shall consist of 5 members per committee, each member being from a different District Association within the State Association. 3. The Nominating**

Committee shall annually present one name to the assembly for each vacant office except General Board, with nominating privileges from the floor."

RESOLUTION NO. 2

Be it resolved that

This body give the host church a rising vote of thanks for its hospitality.

RESOLUTION NO. 3

Whereas, many of our churches are building Family Life Centers that include gymnasiums, and

Whereas, many of our churches are using sports activities for times of fellowship, therefore

Be it resolved

That the Christian Education Board give some time in studying the possibility of competition in the areas of volleyball, basketball, softball, etc., giving attention to age, grade, co-ed, etc., with the possibility of a state championship.

PUBLIC MORALS COMMITTEE REPORT

1. Since abortion, drug and alcohol abuse, pornography, poor moral standards, and crime in general are a continuing and growing problem in our state, we ask all Free Will Baptist pastors and church members to strongly reaffirm our support for Biblical standards and right living.

We also ask our pastors and church members to carefully examine the platform of all political candidates up for election, and to make a special effort to vote on Tuesday, November 6th.

We ask every Free Will Baptist in Oklahoma to write or call their senators and/or congressmen expressing these convictions and urge them to represent us accordingly.

2. We ask that the State Association of Free Will Baptists send a typed copy of Brother J. B. Chism's sermon to the United States Supreme Court as a statement on our feelings of Free Will Baptists of Oklahoma.

OBITUARY COMMITTEE REPORT

A study of the letters from the District Associations of the State revealed that a total of 183 members were deceased from the 23 different associations of the State. Of this number listed, there were the following ministers who passed to their reward last year:

Rev. Leon Sparks, Lone Oak

Rev. Jess Henson, North McAlester

Rev. Jake Scott, Watermill

Rev. Loyd Reddick, Henryetta

The greatest reward that a Christian can receive is to live a life here on earth for the Lord and be faithful to the end, then to hear the

welcome words of our Lord say, "Well done, good and faithful servant, enter thou into the joy of thy Lord." As we pause today for a moment of silence in memory of these who have laboured among us and have left us with their accomplishments to build upon, let us also remember those loved ones who are left to cherish their memories. The words of the Apostle Paul to the church at Philippi are worthy of our study when he said, "For me to live is Christ, and to die is gain." (Philippians 1:21)

MINISTER'S CONFERENCE REPORT

The 1990 Oklahoma Free Will Baptist Minister's Conference convened on Tuesday, October 16, 1990 in the Family Life Center of the Ada Free Will Baptist Church. Rev. OKLAHOMA STATE WOMAN'S AUXILIARY REPORT

The fiftieth convention of the Oklahoma State Woman's Auxiliary convened Tuesday, October 16, 1990 at the Ada First Free Will Baptist Church with President Mary Alice Bridgman presiding.

Service opened with congregational singing led by Debbie Burden. Deleen Cousineau, missionary to the Ivory Coast, West Africa brought the morning devotion. A ladies trio sang, "There's Still Power in the Blood."

In the 11:00 a.m. worship service the Howard Gwartney family and the New Life Singers from Hillsdale gave us a tremendous spiritual blessing through song and testimony. Missionary Anita Sparks delivered the morning message.

EXECUTIVE BOARD REPORT

This has been another good year for the State Executive Board. The work in our state seems to be doing well. Brother Phil Akin has a year's experience as our Bookstore Manager.

Our yearly meeting was held August 14, 1990 to examine audits and set the '91-'92 budgets for the Bookstore and Executive Office.

The Board recommends the following:

1. A Cooperative Budget of \$330,000.00.
2. That the cooperative receipts for 1991-92 be the same 22% for the Executive Office.
3. We recommend that the mileage for the State Boards be paid at the rate allowed by the Internal Revenue Service, effective with the 1991-92 budgets.

Bailey Thompson, Chairman

Orville Hood, Clerk

EXECUTIVE SECRETARY REPORT

The past year was very rewarding as I traveled around our state. Pastors, churches and associations have been kind in inviting me to preach and share the need of the work here in Oklahoma and around the world.

Your support for state, national and world wide ministries is greatly appreciated. Because many of our churches gave so generously, we increased our cooperative giving this year by \$8,000.00 and designated giving by \$29,000.00. I have checked with our state and national boards and found that our churches also gave \$247,844.00 that did not come through our office. Altogether, our churches gave \$1,222,572.00 to the total ministry. Praise the Lord!

I'm indeed thankful for the cooperative spirit we have here among our state boards. We are doing good, but so much more will be accomplished as we walk together in sweet fellowship.

To the Executive Board

THE STATE ASSOCIATION OF FREE WILL BAPTISTS

We have audited the balance sheets of the State Association of Free Will Baptists as of June 30, 1990 and 1989, and the related statements of revenues and expenditures, fund balances, and cash flows for the years then ended. These financial statements are the responsibility of the State Association's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the State Association of Free Will Baptists as of June 30, 1990 and 1989, and the related statements of revenues and expenditures and its cash flows for the years then ended in conformity with generally accepted accounting principles.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General—The State Association of Free Will Baptists is a non-profit organization designed to provide central leadership and representation for the Free Will Baptists of Oklahoma and to handle certain receipts and disbursements of the Free Will Baptist Churches. The Association uses the fund method of accounting, whereby the fund balance represents the equity the Association has in its assets. This accounting method is generally accepted among non-profit organizations as the most feasible way of reflecting their financial activity and position.

Expenditures for repairs and maintenance are charged to operations when incurred while major betterments and renewals are capitalized.

The following useful lives were used to calculate depreciation:

Buildings	15 years
Building Improvements	10 to 15 years
Furniture, Fixtures & Equipment	5 years

THE STATE ASSOCIATION OF FREE WILL BAPTISTS

We have audited the balance sheets of the OKLAHOMA FREE WILL BAPTIST BOOKSTORE, as of June 30, 1990, and 1989, and the related statements of income, fund balance and cash flows for the years then ended. These financial statements are the responsibility of the Bookstore's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly the financial position of the Oklahoma Free Will Baptist Bookstore as of June 30, 1990 and 1989, and the results of its operations and its cash flows for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

STATE MISSION BOARD REPORT

In order to be motivated to do something we usually have to *SEE* something or *FEEL* something or be *COMMANDED* by some higher authority. The Scripture relates in Matthew 9:35-38 that "Jesus went about all the cities and villages, teaching in their synagogues, and preaching the gospel of the kingdom and healing every sickness and every disease among the people. v. 36. But when he saw the multitudes, he was moved with compassion on them, because they were faint, and were scattered abroad, as sheep having no shepherd. v. 37. Then said he unto his disciples, the harvest truly is plenteous, but the laborers are few. v. 38. Pray ye, therefore, the Lord of the harvest, that he will send forth laborers into his harvest." Jesus in these verses tells us that as He went forth teaching, preaching, and healing—He saw something (the multitudes) and felt something (had compassion on them). Further, he told us to begin doing something about it by praying that the Lord of the harvest would send forth laborers into his harvest. Hopefully, we will come to a day when we have seen enough lost souls, and felt enough compassion, and developed such a zeal for praying and giving that we no longer need to "push" to get the job of missions done in Oklahoma.

First, let us help you to *SEE* some things and *FEEL* some things that the board sees and feels: (1) We have many cities and towns in Oklahoma that have no Free Will Baptist church. (2) We have only begun to scratch the surface when it comes to planting churches and sending out missionaries. (3) Our support is too meager. We are not building churches fast enough to even keep up with the birth rate in Oklahoma. (4) We have many large cities just across the border in Texas and Kansas that have no Free Will Baptist church—Jesus' sight and compassion did not stop at the state line.

Second, let us see what we are doing. We are involved at the present time with four works: Woodward, Elk City, Hugo, and Ft. Gibson. (1) Woodward is progressing nicely. They have committed themselves to winning at least one person per week during this year. At the time of this writing they are keeping their promise. Allen Mabra, our missionary, tells us he hopes to be self-supporting early next year. (2) Elk City, where Larry Haggard is pastor, is doing well. In spite of the fact that Elk City is an economically depressed area the church has grown numerically and financially. Our missionary believes he can reach self-supporting status early in 1991. (3) Hugo, where Mike Fields is missionary, is doing well also. The indebtedness on the land has been paid. The board hopes to break ground on the first phase of a building program by January 1, 1991. We are hoping to raise enough money to put up the building through pledges for different components such as purchasing a square of shingles, 50-2x4s, 10-2x6s, etc. Please help us with this project. It would be to our advantage to have a building there free of any indebtedness. (4) The

board voted to take the Ft. Gibson work. Danny Hester will be going there as a missionary. He will begin October 1, 1990.

Third. We cannot afford to be spectators. Would you begin doing something about this by praying? Pray for our missionaries, our missions director, and the board so we will be able to do more. Further, show that you honor the Lord's commands by putting state missions in your budget for 1%. The needs are great and we have a tremendous responsibility.

We have some nice churches in existence today in Oklahoma because our people SAW and FELT and OBEYED THE COMMANDS of the Lord.

We thank you for your prayers and support.

THE STATE ASSOCIATION OF FREE WILL BAPTISTS

We have audited the balance sheets of the Oklahoma Free Will Baptist Church Establishment Program as of June 30, 1990 and 1989, and the related statements of revenues and expenditures, fund balances for the years then ended. These financial statements are the responsibility of the Program's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1, the Program's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenue and related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligations are incurred. Accordingly, the accompanying financial statements are not intended to present the financial position and results of operations in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and liabilities arising from cash transactions of the Oklahoma Free Will Baptist Church Establishment Program as of June 30, 1990 and 1989, and the related statements of revenues and expenditures for the year then ended.

CHRISTIAN EDUCATION BOARD REPORT

This past year has been a very exciting one for Free Will Baptist Christian Education in Oklahoma. Approximately 2,500 Free Will Baptists were ministered to through our events. We are presently planning to expand our programs to provide even more Christian Education opportunities in the state.

Our State Youth Conference was held on the campus of Hillsdale Free Will Baptist College in November of 1989. Four hundred and forty-five youth and youth workers were present for this annual event.

The state competitive activities were held this year at Oklahoma Baptist University. Near 1,000 attended a part of the competition. Over 273 entries competed to represent Oklahoma at the National Youth Conference. Oklahoma came away with an impressive list of national winners at Phoenix, Arizona. Four of our young people were selected for the 1991 National Youth Evangelistic Team. They were selected based on their high scores during competition.

A record number of campers participated in 1990 State Youth Camp, 270 at Junior Camp and 280 at Senior Camp. Held the last two weeks of June at the First Mission Campground, thirty young people accepted Christ as their Savior. Rev. Kevin Daniels and Rev. Bruce Bennett were our evangelists and brought a spirit of revival to our campers. A moving testimonial service was held the last night of Senior Camp. Please pray that our teenagers can continue to grow in the Lord.

Our Sunday School Convention is being planned at press time for September 15th. Rev. Connie Cariker will be the keynote speaker centering around our theme of "Back to Basics." The convention will once again be held at the Lawnwood Free Will Baptist Church.

There are so many opportunities to minister to our people. In 1991 we want to sponsor a retreat for our young ministers. We want to start a teen leadership program to equip our teens for His service. There is also a possibility to provide a singles ministry, and to expand our camping program. We are also working toward a full time position to serve our board.

We ask that you keep our ministry in your prayers as we make disciples for Christ.

Yours in Christ,

David Huett, *Chairman*

Paul Allen, *Promotional Secretary*

Oklahoma Free Will Baptist
Christian Education
Board of Directors

We have examined the statements of cash receipts, disbursements and fund balance of Oklahoma Free Will Baptist Christian Education Board for the year ended June 30, 1990. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1 the statements of cash receipts and disbursements are summaries of the cash activity of the Organization and do not present certain transactions that would be included in financial statements of the Organization presented on the accrual basis

of accounting, as contemplated by generally accepted accounting principles. Accordingly, the accompanying statements are not intended to present financial position or results of operations in conformity with generally accepted accounting principles.

In our opinion, the accompanying statements present fairly the cash receipts and disbursements of Oklahoma Free Will Baptist Christian Education Board for the year ended June 30, 1990.

OKLAHOMA FREE WILL BAPTIST CHRISTIAN EDUCATION BOARD NOTES TO FINANCIAL STATEMENTS

NOTE 1

Summary of Significant Policies

The Organization policy is to prepare its financial statements on a cash basis. Under this basis, revenues are recognized when received rather than when earned, and expenditures are generally recognized when paid rather than when incurred. Consequently in the case of this organization expenditures are normally paid in the month following when they were incurred. This, however, does not materially effect the financial statement.

NOTE 2

Capital Expenditures

Since the organization has chosen to report on the cash basis all capital expenditures for equipment are expensed and not capitalized. Therefore, the fund balance is reduced by the full cost of the expenditure even though the equipment may have a residual value.

HILLSDALE PRESIDENT'S REPORT

To the State Association of Oklahoma Free Will Baptists:

Free Will Baptists in Oklahoma have a reputation for getting the job done. Years ago, godly men became concerned about the education of our youth and Hillsdale Free Will Baptist College was born. This venture has always involved risk and sacrifice, but our people have always rallied to the support of their college. The founding vision is bearing bountiful fruit as men and women are training for ministry, missions, and careers in the marketplaces of the world.

The enrollment increased 16% in 1989 (135 in the fall semester) and 27% in 1990 (171 in the fall semester). This growth can be explained in many different ways: better recruitment strategies, aggressive scholarship programs, qualified faculty members, new academic programs, improved campus life, and more. The net result is that there is renewed enthusiasm among our alumni and constituency. It is impossible to overstate the value of your support as we recruit students.

We measure the effectiveness of our academic instruction in two ways. First, we evaluate the work that our ministerial and missions students do when they reach the field. These people must be given the opportunity to gain experience and maturity. Our graduates have a reputation for being biblically sound and denominationally loyal. Second, we evaluate the academic performance of those students who transfer to other educational institutions. The record shows that these people do comparable work when they transfer. The conclusion is that Hillsdale offers a sound education.

"Sharing the Vision" is the name of our current capital funds campaign. We need to raise a minimum of \$200,000.00 above general gift income this year. Proceeds will be utilized to make improvements in the educational program as well as in student services. Many needs have accumulated and they must be addressed at this time. Our vision is to offer the best training possible to all Free Will Baptists. As our people "Share the Vision" we will make a greater impact for the cause of Christ.

On behalf of the administration, faculty and staff of Hillsdale Free Will Baptist College, I would like to thank you for your prayers, gifts, and good will. Our commitment is summed up in the college motto and remains unchanged—"Service to Christ."

Respectfully Submitted,
Jim Shepherd, *President*

August 24, 1990
To the Board of Directors
Hillsdale Free Will Baptist College

We have examined the balance sheet of Hillsdale Free Will Baptist College as of June 30, 1990 and 1989 and the related statements of changes in fund balances and current funds, revenues, expenditures and other changes for the years then ended. Our examination was made in accordance with generally accepted auditing standards, and the standards for financial and compliance audits contained in the U.S. General Accounting Office Standards for Audit of Governmental Organizations, Programs, Activities, and Functions, and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the financial position of Hillsdale Free Will Baptist College as of June 30, 1990 and 1989, the changes in its fund balances and its current funds, revenues, expenditures and other changes for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

Our examination was made for the purpose of forming an opinion on the financial statements taken as a whole. The information included in the supplementary schedule of expenditures for each Financial Aid program for the years ended June 30, 1990 and 1989, is presented for purpose of additional analysis and is not a required part of the financial statements. The information has been subjected to the auditing procedures applied in the examinations of the financial statements of Hillsdale Free Will Baptist College, and in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

HILLSDALE FREE WILL BAPTIST COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1990 AND 1989

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General—The significant accounting policies followed by the Hillsdale Free Will Baptist College are described below to enhance the usefulness of the financial statements to the reader.

Accrual Basis—The financial statements of the Hillsdale Free Will Baptist College have been prepared on the accrual basis of accounting except for depreciation. Depreciation is not taken on depreciable assets comprising the physical plant in conformity with the reporting objectives of accounting for resources received and used rather than the determination of net income. The statement of current funds related to the current reporting period. It does not purport to present the results of operations or the net income or loss for the period as would a statement of income or a statement of revenues and expenses.

Fund Accounting—In order to ensure observance of limitations and restrictions placed on the use of the resources available to the College, the accounts of the College are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities for objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

NOTE 2—INVESTMENTS

Investments exclusive of physical plant are recorded at cost; investments received by gift are carried at market value at the date of acquisition. As of June 30, 1990 and 1989, investments of the restricted and unrestricted funds were composed of the following:

Unrestricted Fund	1990		1989
Investor Diversified Services Funds ..\$	1,082	\$	2,112
Other	4,928		4,928
	\$ 6,010	\$	7,040

Certificates of Deposit	49,280		49,280
	\$ 52,152	\$	94,758
Total Investments	\$ 58,162	\$	101,798

NOTE 3-LOAN FUND

The loan fund reflects activity with respect to the National Direct Student Loan Program which is funded primarily by the Department of Education. The College provides matching funds equal to one-ninth of the Federal funds received. This program, along with the College Work-Study, Pell Grant and Supplemental Educational Opportunity Grant program disbursements are reflected in the supplemental schedules and letters following these footnotes.

NOTE 4—ENDOWMENT FUND

During the fiscal year ended June 30, 1983, the governing board of the College determined that certain funds were to be retained and invested as an endowment. The board stipulated that the principal is to remain invested and the interest income is to be placed in the current unrestricted fund. Gifts to the Endowment Fund totaled \$10,556 and \$440 for fiscal years ending June 30, 1990 and 1989, respectively.

OKLAHOMA HISTORICAL COMMISSION REPORT

PRESENT: The members have only met a few times this year but have been in contact several times to discuss future work. We apparently "overspent" our budget for the first two years in the purchase of a fireproof file cabinet at a cost of \$888.54. We used all of one year's budget and part of another. We are continuing to collect materials for vertical files on all ministers, past and present, in Oklahoma and all other information we can collect on our State work. We ask each minister to send in a profile sheet if not already sent in during the past few years. Our collection of books and other materials continues to grow as donations are made.

PROGRESS: Dr. Marberry is working on a monograph of Reverend E. M. Kennedy, first full-time Executive Secretary, which we hope to publish soon. We plan to publish about two monographs a year, the second being on Reverend John West. Sheets for information on these two men will be available at the State meeting and we ask your help in giving us any information or special memories you have of either. Permanent files are being set up on ministers and we are trying to collect as much material on those who have made outstanding contributions to our work as possible.

PLANS: We need to buy some boxes and other materials to preserve minutes and other types of materials we already have. We would like to come to your association to present our work and we plan to set some "round table" discussions, where we will ask all those who would like to meet together and share their experiences and memories of a prominent minister, those being recorded and transcribed later. We ultimately hope to produce a history of Free Will Baptist denomination in Oklahoma from its earliest beginnings down to the present, with revisions and updates being made after the initial printing.

Thank you for your continued support and cooperation. Please ministers, send your profile sheets and any other important items for preservation to us. We were given an allocation of \$500 per year. Our expenses last year, for the first two years of existence, were: fireproof file cabinet \$888.54; stamps \$25.00.

ARTICLES OF FAITH OF STATE ASSOCIATION

1. **THE BIBLE**—The Scriptures of the Old and New Testament were given by the inspiration of God, and are our infallible rules of faith and practice.

2. **GOD**—There is one living and true God, revealed in nature as the Creator, Preserver and Righteous Governor of the Universe, and in the Scriptures as the Father, Son and Holy Ghost, yet as one God, infinitely wise and good, whom all intelligent creatures are supremely to love, adore and obey.

3. **CHRIST**—Christ is God manifest in the flesh: in His divine nature truly God, in His human nature truly man. The mediator between God and man, once crucified. He is now risen and glorified as our ever-present Saviour and Lord.

4. **THE HOLY SPIRIT**—The Scriptures assigns to the Holy Spirit all the attributes of God. He is the Reprover, Comforter, Guide and Sanctifier of all men.

5. **THE GOVERNMENT OF GOD**—God exercises a wise and benevolent providence over all beings and all things by maintaining the constitution and laws of nature. He also performs special acts of Grace, not otherwise provided for as highest welfare of man requires.

6. **THE SINFULNESS OF MAN**—Man was created innocent, but by disobedience fell into a state of sin and condemnation. His posterity, therefore inherited a fallen nature of such tendencies that all who come to years of accountability, sin and become guilty before God.

7. **THE WORK OF CHRIST**—The Son of God, by His incarnation, life, suffering, death, and resurrection effected for all a redemption from sin that is full and free and is the ground of salvation by faith.

8. **THE WORK OF SALVATION**—The conditions of salvation are:

1. Repentance or sincere sorrow for sin and the hearty renunciations of it.
2. Faith or the unreserved committal of one's self to Christ as Saviour and Lord, with purpose to love and obey Him in all things. In the exercise of saving faith the soul is renewed by the Holy Spirit; freed from the dominion of sin and becomes a child of God.
3. Continuance in faith and obedience until death.

9. **ELECTION**—God determined from the beginning to save all who should comply with the conditions of salvation. Hence by faith in Christ, men become His elect.

10. **FREEDOM OF WILL**—The Human will is free and self controlled, having power to yield to the influence of the truth and the Spirit and live, or to resist them and perish.

11. **SALVATION FREE**—God desires the salvation of all, the Gospel invites all, the Holy Spirit strives with all, and whosoever will may come and take the water of life freely.

12. **PERSEVERENCE**—All believers in Christ, who through grace persevere in holiness to the end of life, have the promise of eternal salvation.

13. **BACKSLIDING AND APOSTASY**—A person who has been regenerated or born again and is living in unconfessed, unforgiven sin, is rebellious to the principles of the Kingdom of God and His righteousness, and therefore is a backslider in a lost condition who must repent and be restored to the right relationship with God or be eternally lost.

We recognize, according to Hebrews 6:4-6, that it is possible for a person to get in the condition that he could never return to Christ. This, we believe, is Apostasy; However, we also recognize that a regenerate person can fall into sin, be in a lost condition and still not be an Apostate. This person, through repentance, can be reconciled to God.

14. **GOSPEL ORDINANCES**—Baptism, or the immersion of believers in water, and the Lord's Supper, are ordinances to be perpetuated under the Gospel; Feet Washing, an ordinance teaching humility, of universal obligation, and to be administered to all true believers.

15. **TITHING**—God commanded tithes and offerings in the Old Testament; Jesus Christ endorsed in the Gospel (Matt. 23:23), and the Apostle Paul said, "Upon the first day of the week let every one of you lay by him in store as God hath prospered him." 1 Cor. 16:2.

16. **THE CHRISTIAN SABBATH**—The divine law requires that one day in seven be set apart from the secular employment and amusements for rest, worship, holy works and activities, and for personal communion with God.

17. **RESURRECTION, JUDGMENT, AND FINAL RETRIBUTION**—The Scriptures teach the resurrection of all men at the last day. They that have done good will come forth to the resurrection of life, and they that have done evil unto the resurrection of damnation: then the wicked shall "Go away into eternal punishment but the righteous into eternal life."
